Last days

Future - Present

God has foretold people what will happen to earth in accordance with His eternal plan of Salvation He does not want them to experience the last day unprepared, He does not want to surprise them suddenly in their imperfection but give them ample opportunity beforehand to achieve perfection. He wants to urge them to become spiritual, He wants to warn them of the consequences if they ignore His reminders, and He wants to inform His Own of all events which shall come to pass during the last days in order to strengthen their faith and to give them hope and trust for their deliverance. He will not allow anything to happen to earth without informing people first, so that they should recognise Him in all forthcoming events. But He will never divert from His eternal plan of Salvation which He has wisely considered in knowledge of its effectiveness. The end may well take its time but it will irrevocably arrive, and for that reason all prophecies concerning earth and the signs of the last days should be taken literally. And thus the human being can expect the end at any hour, he should always anticipate that the end could occur in the present time, and therefore attach great importance of improving himself, his soul, so that it can emerge unharmed and stand before God on judgment day. As soon as the human being believes the end to be in the future he becomes indifferent and slow in the work on himself.

However, if he anticipates that God's prophecies could fulfil themselves in the present time he takes the transformation of his nature seriously, and this is God's intention from the start, and He urges people to change their nature. But yet one day His proclamations will become the present and shall fulfil themselves word for word. And just prior to the events people will least believe the prophecies and this itself will demonstrate that the last days have arrived. When no-one anticipates the transformation of earth any longer, when people reject all relevant information, when they look at all events from an entirely earthly and material point of view and ignore the divine Creator, i.e. when they negate every connection between humanity's fate and divine will then the hour is not far, because then humanity has reached the degree of maturity which causes the end. And

then God's proclamations shall fulfil themselves literally, to the horror of those who do not believe and hence are completely unprepared, and to the joy and comfort of the few who are waiting for the last hour as the hour of deliverance from greatest earthly distress. Because one day even the future will become the present, and although God's love is infinitely great, one day God's justice will take its place and end a condition which is disastrous for the still imperfect spiritual substances in the universe. And for that reason people should be repeatedly reminded of the end, they should be informed of the Word of God Who uses His prophets to warn and remind people and hence speaks to them through mediators The end is close at hand and blessed is he who believes the prophecies and prepares himself. The day will come unexpectedly and take all living beings from earth to lead them either into eternal life or into death, as God has proclaimed in Word and scripture

Amen

Miracles

False prophets

Don't allow yourselves to be deceived, because the adversary constantly seeks to keep you in darkness and to obscure the light from above. He tries to trap you with lies and falsehoods and thereby render you unreceptive to the absolute truth. He is always plotting to obscure your vision, to confuse your senses and to shroud the essence of the eternal Deity, and uses means which are difficult to discern as Satan's work of deception if the sincere will for pure truth does not exist. He feigns piety towards people, his appearance is that of an angel of light because the people themselves desire radiance and splendour and can only imagine divine glory as external magnificence. He feigns the illusion of God's glory when he finds gullible people who derive pleasure from it. And through them he spreads lies and misleading notions and thus obscures the thoughts of human beings. They accept the falsehood and reject the pure truth which God Himself sends in plain form to earth

BD 3580

And thus the lies and fallacies spread much faster than the truth, because this is what people themselves want and because those who spread falsehoods work in the guise of being a representative of Christ's teachings and hence find approval everywhere. Satan works with cunning and force He uses human beings who do not sincerely desire the truth, and they are his slaves because they do not sincerely desire God either, Who is the eternal truth Himself. And thus Satan, the lord of falsehood, has an easy time. Human establishments can only be of lasting value when God's support is called upon. And God wants to be called upon in spirit and in truth, otherwise He will not listen. This excludes every outer formality; all kinds of ceremony, splendour and grandeur prevent the right kind of prayer, prayer in spirit and in truth He who takes notice of external events will find making an inner connection with God very difficult, because the adversary will always step between him and God, divert his attention and capture his senses with external impressions. And therefore do not look for God in grandeur and splendour, do not look for him in surroundings where earthly matter has its greatest effect This is the field of God's adversary and he works it with success.

God reveals Himself in secret, He reveals Himself in people who are lowly and humble. He reveals Himself in those who shall speak on His behalf because His revelations apply to all of humanity and the individual person merely serves as His tool through which He speaks to the people Himself. His revelations primarily aim to spread the truth and to proclaim His will, adherence to which results in eternal bliss for the human being. Through seers and prophets He will also announce the end of the world and draw attention to the signs of the last days. It is His will that humanity be given the relevant information, that no one shall claim that they have not been reminded and warned when the end takes them by surprise. These seers and prophets will always be human beings with profound faith and love, otherwise God's adversary will choose people to work for him and find their approval. Consequently particular attention has to be paid to the conduct of those who call themselves God's servants, whether it complies with God's will, with His commandments.

But then the revelations should also be believed. God works in silence, albeit in a clear and remarkable way, yet not in miracles which would force

people to believe, just as He excludes all outward show because He is not trying to win over the people of the world with splendour and grandeur, but He wants to turn their hearts away from that worldly light of deceit. Worldly people have to be able to explain unnatural events by natural means, otherwise they would be forced into believing, which God would never sanction. And thus only profoundly devout human beings will have extraordinary revelations when God's love wants to award those and He wants to reveal Himself to them. However, public miracles compel people to believe and they would not progress spiritually because fear of God can never take the place of love which the human being has to feel for Him in order to join Him. But miracles only cause fear in the immature person and never love

Nevertheless Satan does use such means; in this manner he wants to prevent human beings from loving God, and his work shall be unhindered where there is a lot of sinfulness and where human beings are seldom introspective but worldly-minded instead. But even there he appears under the cover of piety. He pulls the wool over people's eyes, stopping them from seeing clearly and thus exercises his influence. This is further aided by false representatives of Christ, who deem themselves destined to spread His teachings but who are not sufficiently living in truth themselves to separate lie and falsehood as such and to exclude them. Because he works with cunning and power God, however, is love, and only love flows from His revelations and cultivates love. And thus you should apply this standard Truth is where love is taught and practised because there is God Himself But where the light of the world shines too brightly God's adversary makes himself known And his activity is falsehood and opposes God even if he tries to appear in a disguise of light. Anyone whose will is turned towards God knows him in spite of his disguise, and he is destined to warn his fellow human beings of the false prophets who will always appear when people are in need but who will even worsen spiritual hardship instead of reducing it. And God calls out to people: Beware of false prophets because the last days will be used to work against God, against the eternal truth

Amen

*'The gates of hell ...'
Church of Christ ...*

The quintessence of Christ's teaching is the commandment of love for God and one's neighbour. Hence, wherever this is taught and practiced, there is true Christianity, there is the church of Christ, which has its foundation in its firm faith in Him and which therefore will continue when all else comes to an end. His church comprises believers who live according to His commandment of love and who are therefore permeated by His spirit which manifests itself openly or in secret, depending on what is best for the individual soul. And Jesus Christ guaranteed that this church will last forever with the Words 'The gates of hell shall not prevail against it ...' At the same time His Words indicated that it will be attacked by the forces of hell And His Word is truth and will come to pass at the end of the time granted by God for the souls' redemption. Then the church of Christ will be assailed by forces which are hostile to God, yet it will remain victorious and be recognised as everlasting by its followers, by the community of believers who practise true Christianity, abide by the teachings of Christ and live a life of love.

However, this church of Christ will be small, only a small group will belong to it and yet, it will be represented all over the world truly lovingly active people and therefore true Christians will live all over the world. Their love will gain them wisdom, and thus they will also be profoundly devout and acknowledge the God of love Who embodied Himself on earth in Jesus Christ and consciously strive towards Him. They were all promised by God that He would remain with them until the end, He promised them His spirit because they belong in truth to His church which He Himself founded. And thus He will protect them until the end from spiritual and earthly ruin, because they live according to Christ's teaching with love for God and their neighbour and belong to those who will be shielded from death, who will be taken by God into the kingdom of peace before the immense destruction takes place The small group constituting His church will be the foundation again on the new earth, Christ's teaching will be proclaimed once more, love will be cultivated and the people of the new earth will live in deep faith, for God's love had revealed itself to them, He

Himself will stay in their midst because they fulfil His commandment of love for God and their neighbour And thus God's church will continue, it will survive all times because it will always be followed by people whose faith in the Redeemer of the world fills them with love and whose activity consists of a constant service in love because nothing can cease to exist which originates in God, which accepts love as its basic principle and therefore is divine

The spiritual and material worlds oppose each other

The material world and the spiritual kingdom oppose each other, consequently their demands on the human being are also of a conflicting nature, and no human being can ever do justice to both but unconditionally has to meet the requirements of one world. Understandably, the spiritual kingdom can only give spiritual wealth and this under conditions which disagree with worldly longings, while the world offers human beings earthly wealth which meets their needs. However, worldly longing is in opposition to the demands of the spiritual kingdom insofar as it puts physical pleasures and physical well-being into the forefront and aggravates or makes it entirely impossible for the soul to strive for the spiritual kingdom because the soul has to fulfil the demands of the spiritual kingdom and persuade the body to share the same desire which, however, necessitates the surrender of earthly longings. Thus two worlds are facing each other and the human being has to decide which world to choose. And at all times one world will demand the rejection of the other world, at all times either the body or the soul has to speak, to be precise, the soul has to decide whether its own development is more important than the body's well-being during its life on earth as a human being. The spiritual kingdom bestows the most delightful gifts upon the soul and although as human being it cannot understand their true value they are nevertheless eternal and denote a wealth which the soul will be able to use in the spiritual kingdom for its own happiness.

The world also offers treasures for the body but these are short-lived and cannot be taken across into the spiritual kingdom. They will disintegrate

like the body disintegrates when the soul moves from the physical world into the spiritual kingdom. And since the soul on earth can only receive from one kingdom it will be poor in the spiritual kingdom if it has only paid homage to the world. Voluntary surrender of earthly goods inevitably results in the possession of spiritual wealth because the soul only abandons the former due to love, or the desire for earthly goods will be predominant. And where love has awakened, the soul will unconsciously strive towards the spiritual kingdom and disregards earthly wealth. And thus the human soul has to decide during its life on earth whether to make the earthly world or the spiritual kingdom the goal of its aspiration. And its fate in the spiritual kingdom, to where it will proceed after its time of earthly trial has come to an end, will depend on this decision Prosperity or poverty, bliss or a pitiful state but bliss will necessitate the surrender of everything that is earthly and thus temporary

*Duration of shaping the new Earth
Paradise*

The time it will take to shape the new Earth would astonish people if they knew about it. Yet their concept of time will have been taken from them while they stay away from Earth in the kingdom to which God's love will lead His faithful followers in order to complete the act of destruction of the old Earth. They will live in bliss and peace, no longer being subjected to the enemy of their body and soul, they completely hand themselves over to God's reign because their love and faith is so deep that they will be in heartfelt contact with God. And thus God proceeds with His work of shaping a new Earth which is to serve God's faithful followers as an abode. He will not need the time which any other earthly creation usually requires; instead, He creates new forms which are to shelter the still immature spiritual substances for the purpose of their higher development in an instant. And, since the people will have lost all sense of time during their rapture from the old Earth until their return to the new Earth, they will certainly be able to appreciate the marvellous creations but not the

great miracle of their sudden emergence. Countless creations will arise in an instant from God's love and strength which will delight the human eye and exponentially increase their love and gratitude towards God. Then people will start a new life which will completely deviate from their life on the old Earth, for there will be profound peace on earth, people will live together in love and harmony, each one helping the other with love, and all people's eyes and thoughts will be turned upwards, for they are in heartfelt contact with God, God Himself will dwell in their midst, teaching them and distributing spiritual wealth and they will glorify and praise Him without end. And so only short periods of time, judged by human standards, will be enough to result in a complete change, and the people of this earth will have the opportunity to marvel at the new creations and compare them with the old ones. These will be the people who possess the knowledge of God's Word and who are therefore also acquainted with God's plan of salvation for the spiritual beings. They will consciously expect the Day of Judgment, the rapture and the destruction of the old Earth, yet prior to this they will go through anxious times of adversity in order to then be allowed to populate the new Earth as victors, as God has promised. Therefore people should be informed in order to offer them the opportunity to pay attention to the progression of world events and thereby recognise that the time of the end has come, so that they will endeavour to belong to those who will not perish with the old Earth but, as God's faithful confessors, may find His love and grace and be permitted to start the paradise-like life on the new Earth instead People ought to know what time they live in. Nevertheless, the knowledge conveyed to them does not oblige them to believe They are at liberty to form a mental opinion about it, yet it is one more opportunity to find God and to ensure the soul's life. For everything will come to pass as God proclaimed a long time before, because His Word is and will remain truth for all eternity

Amen

God is the Word

God's presence

Different conveyance of the Word

And thus I Am in the midst of you in the Word as I have promised. I won't leave you on your own and you shall also feel My presence, and so I draw near to you in the Word, for I Myself Am the Word and anyone who has My Word can also speak of My presence and feel protected near to Me. I Myself Am a Spirit Which is not bound to any material form but is strength and light to the highest degree and Which, due to Its will and Its thinking ability, has to be addressed as a Being, Which takes effect with love and wisdom and therefore emanates love and wisdom into eternity. And My love expresses the strength and the light in a form which you humans can become aware of, as you are not yet mature enough in order to receive strength and light in its fundamental substance And this expression is My Word, which I convey to you so that you shall gain maturity A Spirit which is light and strength in itself can in fact only be present in the form of light and strength, and thus My Word, the emanation of Myself, has to incorporate light and strength within itself, and this characterises My closeness. And therefore I gave you the promise that I will stay with you until the end of the world by the fact that My spirit is always with you who want to receive light and strength by the fact that My directly emanated Word is constantly conveyed to you in order to make My presence known to you. I Am with you and even if I don't visibly dwell among you, you nevertheless have the evidence of My presence in your hands if you recognise Me in the Word. For I Myself Am the Word and you will constantly receive it as soon as you desire Me and My being close to you.

Thus anyone who recognises Me in the Word will also be profoundly happy that I Am close to him, and all doubt, all fear and all worry will leave him because he knows that the One is beside him Who will helpfully support him in every adversity of body and soul. Consequently, My will grants strength and grace, for anyone desiring My Word will open the door to his heart through which I can enter in order to take abode in it. And I will never

ever leave him again once his will applies to Me and he has recognised Me in the Word.

For the Word is the medium through which I express Myself, through which the most perfect Spirit of eternity reveals Himself to the imperfect beings in order to lead them to perfection I Am close to you So why do you who have My Word, who receive it directly or through the mouth of the recipient, still hesitate and worry I Am with all of you, because your desire for My Word demonstrates your love for Me And remember that only the flow of My Word to you gives you the certain proof that I Myself Am with you. Anyone who does not desire to hear Me does not desire My presence, his heart does not strive towards Me, for it would long for the expression of My love, for proof of My presence. Admittedly, the desire for My Word can certainly vary the human being can want to be comforted and strengthened through spiritual consolation, he can want to enrich his knowledge of spiritual spheres, he can also think of Me with gratitude and therefore want to express it by desiring My presence, he can want to remain with Me in intimate dialogue and accept My Word in his thoughts yet he must always be spiritually minded, then I will also let Myself be found and his call will draw Me to himself, and I will reveal Myself through My Word, since otherwise the human being would be unable to endure My presence. And likewise My Word will be conveyed to him in different ways through the direct working of the spirit within him so that he will be able to hear My Word himself through receiving it from a direct recipient who proclaims My Word on My instructions, or by way of mental transmission of knowledge from the spiritual kingdom through reading the Word I convey to earth through spiritual conversations with fellow human beings I will always look after a heart which desires Me, I will always be with those who want to hear Me, for I Myself Am the Word, and thus I Myself dwell amongst people if they listen to My Word with the sincere will to let Me speak to them. Then I will offer them the bread of heaven, My flesh and My blood ... And if they thus eat and drink Me Myself they have to be most intimately united with Me if they accept My Word in profound faith that I Am the Word Itself they will accept Me in their hearts and I will constantly please them with My presence For I gave you the promise that I will stay with you until the end of the world,

and every Word of My promise will come true, because My Word is and will remain the truth for all eternity ...

Amen

Appeal for inner enlightenment

Every human being can appeal for the grace of inner enlightenment and he will receive from God what he desires. Correct thinking and the right kind of conduct will result if God enlightens the person's spirit, and thus anyone who prays for the grace of inner enlightenment will lead a way of life corresponding to God's will, for if God's spirit determines the person's thoughts and actions he will only accomplish what is good and need not fear to do wrong. Yet he will have to pay attention to the inner voice, he must hand himself over to the working of the spirit, that is, he must open his heart in order to let the thoughts conveyed to him from the benevolent spiritual side influence him. The human being's will determines the spiritual beings' influence on him. If he desires to become enlightened by God then God will assign beings to his side which will guide his thinking correctly, providing he does not oppose them. Opposition, however, would be an unbending will which cannot be guided, which, prior to the appeal for inner enlightenment, has had goals in mind and is afterwards unwilling to let go of them in order to entrust himself to God's guidance without resistance. Anyone appealing to God for spiritual enlightenment must be willing to meekly hand himself over to His guidance, he must only ever listen to within himself and give in to the prompting of his heart which will urge him to do or not to do this or that. He must let himself be guided by his feeling, for this is God's voice as soon as the person seriously strives to do what is right. The more he lets his own will become active the less audible will be the spirit's voice, God requires a relinquishing of will, a subordination to divine will in order to be able to work in the person through His spirit.

God's spirit will speak audibly and clearly in all who unconditionally hand themselves over to God He will lead them through all dangers, He will guide their thinking right, and what they should then do or not do

will be correspond to divine will. Admittedly, this does not comply with human requirements which only consider it sensible to pursue a designated goal, which are thus intended to activate a person's own will and regard a relinquishing of will as a shortcoming. As long as the human being deems himself strong enough and believes able to master everything solely through his determination he will undoubtedly be able to achieve earthly success but never progress spiritually, for his thinking and activity will not always comply with God's will because he fails to appeal for God's spirit for inner enlightenment. For God's adversary interferes quite often with his thinking and activity; the person listens to suggestions made by the beings which are subject to the opposing power and his way of life will be accordingly. Therefore pray for the grace of inner enlightenment, pray for the working of the divine spirit within you, and then let yourselves be guided by the thought flowing into you comply with the urging of your heart and you won't have to be afraid to think or act wrongly, for God will answer your prayer and He Himself will work through His spirit in people who entrust themselves to Him as He has promised

Amen

Stormy times before the Last Judgment

Paradise

The Last Judgment will put an end to all abominations and peace will be on Earth for a long time. There will be a state of divine order on earth where only peace will reign, where love will unite all people, where the individual person's love will also guarantee God's working through His spirit, where everyone will be able to hear God's voice and be exceedingly happy to know God is so close to him where God will also visibly dwell amongst His Own in an as yet inconceivable way for present-day people People on the new earth will live in paradise again, in harmony of soul, in yearning for God and His love and in constant fulfilment of their longing. And all evil will be banished for a long time Yet before this state can come to pass on Earth a storm must sweep across it with a purifying and devastating effect, a storm which only people with profound faith and loyalty to God will stand

up to. They will suffer great distress yet their later time on the new earth will amply compensate them for all previous adversities and afflictions. For as soon as evil has lost its power they will no longer be harassed and most blissful peace on Earth will be their fate This is why the final stormy time should not be dreaded by the believers, for God's will is above all happenings, God's love will work amongst His Own and His power will overcome Satan's power at the right time. And regardless of what will threaten the believers, worldly power, human hatred and unkindness will be unable to prevent the coming bliss on Earth or in the kingdom of the beyond for those who will remain loyal to God

They cannot kill the soul although they want to kill the body. Yet God will even prevent this because He wants His Own to inhabit the paradise of the new earth because they are intended to form the root of the new generation and because they shall be compensated for their previous time of distress as a sign of God's greater than great love which wants to provide His Own with a blissful fate on Earth. Therefore they will also be endowed by God with extraordinary strength with which they will be able to overcome all evil and which will enable them to stand up to the worst hostility. For the bulwark of their faith will be most violently shaken And only in those who have overcome their desire for the earthly world will the strength arise to offer resistance. But anyone who will still allow himself to be captivated by the appeal of the world will relinquish all resistance, he does not belong to the flock of those faithful to God, he will sell his soul for ill-reward, for whatever he believes himself to have gained will crumble on the Day of Judgment And all atrocities will come to an end on this day all God-opposing spirits will be banished and a state of calm will ensue in the whole of the universe, a state of peaceful activity which is incomparable to the peace of death. The latter is the fate of the banished spirits which will be bound in utter weakness within solid matter and for an infinitely long time be unable to become active And this is the time you humans are approaching, and you don't have much time left. If you want to be successful during the last days before the day of Judgment you must still diligently work at improving yourselves, you must contact God increasingly more sincerely, you must draw strength for yourselves daily and hourly and constantly remain in prayer in order to always receive strength as soon as you open your heart and desire God's

grace and strength. And He will be and remain with His Own until the end, He will dwell with them in the paradise of the new earth and stay inextricably united with them for all eternity

Amen

Cause, purpose and aim of suffering

Awareness

Transience

Worldly minded people are so far removed from the truth that they are unaware of how much strength they can draw from faith and a heartfelt bond with God, and thus they only ever take notice of world events and do not realise that this wrong attitude towards God is the cause of every world event which results in human suffering. And as long as human beings lack this insight, the state of suffering cannot change either. Time and again the suffering will merely adopt different shapes, so that the diversity of their hardship and sorrow will eventually make people understand that a power other than human will is behind the sorrow, that human will alone is not the cause but that the will of a higher power simultaneously steps into action, and that they will develop a certain opinion about this higher power. The knowledge of pure truth explains everything; it makes the immense hardship comprehensible because its cause, purpose and objective are identifiable. Change is only possible when people adapt themselves to the purpose and objective, i.e. when they try to solve the cause of sorrow and hardship which, however, is and remains incomprehensible to the worldly minded person as long as the world is his priority, as long as he provides his body with all privileges and starves the soul.

The knowledge of truth can only be given to the person who detaches himself from the world, for if the knowledge is conveyed to the worldly minded person he will not recognise it as truth and reject it. Thus increased suffering will put him into a situation which will make him receptive to truth by learning to understand through suffering and hardship the worthlessness of worldly goods and reducing the longing for those same goods The desire for truth will increase accordingly, providing he is

not influenced by negative forces who completely confuse his reasoning and attempt to divert him from the truth, who incite hatred in the person the more the world and its joys disappoint him. But such people will not find the connection to God on earth anymore, and every means employed by God is in vain. Nevertheless it is an advantage for the human soul to recognise the transience of earthly values while it is still on earth, where it can learn to despise them and is no longer excessively bound by them to earth when it departs, even if it enters the beyond with a low degree of maturity. In that case, overcoming matter in the spiritual kingdom will not be quite so difficult and the process of higher development in the spiritual kingdom can progress faster once it has finally started. The soul will then accept the truth more readily in the spiritual kingdom, it will not oppose God as much as on earth.

Consequently, the fate of the departed souls is not as hopeless if intense suffering on earth had made them aware of the transience of earthly possessions even if they lose their earthly lives as apparent victims in times of hardship. And thus even suffering and hardship caused by evil human will is of benefit for the souls who are still very distant from God, hence God allows human beings to rage against each other of their own free will until He Himself commands an end when it fulfils His plan of eternity. And as long as people live in ignorance, as long as they do not want to hear the truth, He will allow them to mature through their own actions and experience untold perils and suffering, because this is what they want and therefore they are the instigators of their own suffering

Amen

Consciously listening within

The voice of the spirit

To consciously listen within oneself furthers spiritual development to a great extent, for this enables the direct acceptance of strength from the spiritual kingdom. It demonstrates the will to make contact with the spiritual sphere, that is, with God, and where this will exists there is also the guarantee that God will draw close to a person, that He will reveal Himself,

mentally or through the voice of the spirit which, however, can only be heard by a person who has prepared himself for receiving spiritual gifts. But he will be greatly blessed A source will be opened up to him from which he can constantly draw a delectably refreshing drink, God Himself will offer him a gift which is bound to advance his higher development because it originates from God and acts as a means to totally unite the person with God. An incredible wealth of grace will be made accessible to him, everlasting treasures which come from the spiritual kingdom and which the person will be able to take across into the spiritual kingdom in order to work with them there for his own happiness and for the salvation of innumerable souls in need. The spiritual wealth accepted by a person through the inner voice is often so extensive that he is unable to fully understand and use it, nevertheless, he will be inconceivably happy in the spiritual kingdom, for the extent of his wealth also determines his activity and the degree of his bliss. He accepted the divine gift of his own free will, he has voluntarily worked at shaping himself into a receiving terminal for the strength of the spirit, and this will is blessed by God He lets His spirit take effect in the person, He imbues him with strength and grace, He grants him unlimited knowledge and guides him into eternal truth But He can never ever offer this delectable gift to a human being who does nothing in order to make himself receptive, who neglects to work at improving himself or who refrains from consciously listening within For imparting spiritual wealth to him would signify compulsory faith and the soul's maturing against his will, but this would contradict the divine law of order.

To someone who remains in private communication with God, who asks Him and waits for the answer and thus also consciously listens within, He will speak mentally, He will steer the person's train of thought in the right direction, He will instruct him according to his faith and his spiritual maturity. For every connection with God through prayer or thoughts inclined towards Him opens the heart to the influx of strength from the spiritual kingdom, and the person can always be endowed with strength and grace, he becomes a receiving vessel for the divine spirit as soon as he believes in the working of the spirit, in God's working within the human being. This faith is the prerequisite in order to become receptive; otherwise, the human being will not consciously listen to that which the voice of the

spirit proclaims. And this faith is only rarely to be found, consequently, the working of the spirit manifests itself only rarely too. This is also the reason for humanity's spiritual hardship, because it ignores the source of life from which it would always be able to refresh and fortify itself. The human being cannot mature without a spiritual flow of strength, he cannot advance but instead remains at the same stage of development. However, spiritual strength can only be conveyed to earth from the spiritual kingdom and therefore requires a connection between the spiritual kingdom and earth, which needs to be voluntarily established. Where this will is absent humanity is weak, the souls suffer spiritual hardship and cannot receive help For this reason God avails Himself of a human being who fully consciously makes himself available as a mediator between the spiritual kingdom and Earth who, with profound faith in God's working through the spirit, attunes himself as a receiving terminal, who prepares himself as a receiving vessel for the divine spirit due to his will to help his fellow human beings and to be of service to God. And thus divine gifts of grace flow to him without measure the spring of divine wisdom pours into this vessel for the benefit of all who drink from it, who do not bypass the source of eternal life but refresh and strengthen themselves on their journey through life. Their path of ascent will be an easy one, they will travel it by holding on to God's hand and thus safely reach the goal, for His gift is delectable and guarantees spiritual success for everyone who accepts it from His hand

Conditions for the working of the spirit

Your knowledge is patchy for as long as you are not taught by the spirit within yourselves and all your pondering and searching will not suffice if you do not contact Me first in order to appeal to My spirit for enlightened thinking. Anyone having gained his knowledge without appealing for My help first can certainly speak of human insight but never claim to possess divine wisdom knowledge which relates to the spiritual kingdom and corresponds to the truth For I alone distribute this knowledge, certainly

to anyone who desires it, nevertheless only providing the conditions I ask for are met so that My spirit is able to work in a person. Consequently, the knowledge, the pure spiritual truth, will only be guaranteed if the petitioner completely submits himself to My will, if he lives according to My teaching with love for Me and his neighbour This is the first condition a person will have to fulfil if he wants to become worthy of My gift of grace, of receiving the pure truth through My spirit

Additionally, he must have a profound desire for truth This is another condition I expect to be met but which is rarely considered. For in order to receive the knowledge which complies with the truth the human being must first give up his humanly imparted knowledge, that is, he must not assume to be already knowledgeable otherwise he will hardly be open to the influx of pure truth if it is not in line with his previous knowledge. He must be willing to abandon his acquired knowledge in order to receive the pure truth And this will can only be mustered by a person who is as yet not convinced of the truth of his own knowledge. However, if he believes that he knows the truth he will hardly appeal for it, therefore it cannot be imparted to him either, his misguided knowledge cannot be disclosed and eradicated. To completely voluntarily submit himself to Me and to attentively listen to that which I reveal to him through My spirit is the only way in order to arrive at the truth

And thus the person must have profound faith, he must be firmly convinced that I Am able to convey the truth to him and will do so He must be convinced of the working of the spirit within him, of My direct activity in the human being, or he will not enter into solitude and carefully listen to that which My spirit reveals to him. To consciously listen within is therefore another condition which has to be met in order to hear Me. For the spirit's voice is gentle and delicate and can only be heard by someone who completely withdraws himself from the world, who listens within, thus who establishes contact with the spiritual kingdom, with Me as the Giver of truth, as the Father-Spirit Whose share rests as a spiritual spark in his soul He must allow the spirit within himself to speak and prior to this shape his soul such that it becomes receptive to the outpouring of the spirit And any person will partake in an abundance of knowledge if he fulfils these conditions, if he sincerely strives for the truth and requests it

from Me as the eternal Truth. For it is My will to convey the truth to people, I do not want them to live in spiritual darkness, I want to draw them into the spiritual realm, and this is only possible by imparting and receiving the pure truth, which alone leads to Me because it also originates from Me. And anyone who searches in this way will have the right thoughts, he will penetrate profound knowledge, the spiritual sphere which will remain closed to all those who search elsewhere, because this is My will. The prayer for enlightenment of the spirit alone is no guarantee for its working if the other conditions are not observed as well of which I, however, will not let go because one depends on the other because a spiritual gift can only be offered if My law is complied with, which is fixed for eternity

Amen

Severe hardship before the last rescue mission

And thus I guide you along a path which, although indeed hard and stony, will definitely come to an end at the goal which you should reach on earth. You will yet experience fearful hours and have to come ever closer to Me, you will witness much misery in your environment and often ask yourselves why I allow such despair you will experience serious hardship yourselves and call upon Me fearfully, but your call shall not be in vain. I will always be ready to help when the hardship has reached its limit, as I have promised you, because I protect you from the worst, since you are My Own and want to serve Me and therefore, as My workers, also have the benefit of My assured protection. Come what may, do not give up, because whatever My will allows to happen is necessary for the soul of people who are near to you and cannot find Me. But when the time is right I will intervene I will leave no stone unturned in order to win over more souls before I start the last rescue mission before the end, because many will lose their earthly lives and I still want to preserve the lives of their souls so that they can enter the spiritual realm with a glimmer of awareness.

This is the purpose of the severe hardship before the end. And you will have to witness it, if only up to an endurable extent for you. Hatred and human unkindness are the initiators of adversity, they cannot be content, they do

not want to live in peace, they incite hatred by any means and thus force people into severe difficulties. They are ruled by Satan and are his willing servants. No house will remain unaffected by hostile actions, no human being will be spared suffering, and blessed is he who takes his refuge in Me He will be helped and time and again he will be guided by My strong hand, time and again his path will light up and the goal become visible, which will give him joyous hope to courageously overcome all adversity. Whoever takes My hand and lets himself be guided by it need not fear no matter how severe the hardship may be Whoever calls upon Me I will hear and not leave him without assistance. Because I gave you My Word that I will protect and look after you, thus you may trust Me with blind faith and accept everything that happens to you. Because My will will end all hardship at the right time

'Whoever sees Me sees the Father'

Whoever sees Me sees the Father, because the Father and I are one I brought the Word to people but they did not recognise it as God's Word, as the expression of His infinite love for His living creations. They looked at it as human word, given to them by Me from Myself, because they were dark inside and did not know about God's working within the human being Hence they could no longer hear God's voice themselves, which could have provided evidence to them of God's presence, of His essence and his close relationship with people. I, however, wanted to return this knowledge to them, I wanted to introduce them to the strength of love and faith, so that they might become noticeably aware of God's presence if they heeded My teaching I came to them as a mediator sent by God to proclaim His Word to people of good will in accordance with His instruction. The eternal Father-Spirit took abode in Me to visibly work through Me Everything I said and did was His work, His will, His strength and His love I was merely the form through which God expressed Himself, or His presence would have been unbearable for the people who were living in profound spiritual darkness And the form which veiled the Father-Spirit also belonged to Him, for everything within Me aspired towards the

Father-Spirit, albeit it was a mortal shell like any other human being
But because of the spirit within Itself It became immortal

I was Jesus, the man, but only in My external appearance, because everything in and about Me was spiritualised by love, it was united with the eternal love to which I was inseparably connected since eternity. God as a spirit is not visible to human beings, nevertheless He made Himself visible to them in Me as a person, He adopted My physical garment and showed Himself in it to people, identifying Himself as wisdom, love and omnipotence. And to those who believed in Me My work on earth gave evidence of the Deity through miracles, which were only possible to God and which My will could accomplish because God was in Me, and thus His will, wisdom and strength permeated Me Hence there was no further separation between God and My mortal body, It had become one with Him, He occupied it completely, He Himself walked on earth in My external form, which in turn was a work of His love in order to make Himself accessible to people And I brought His Word to them He Himself spoke through Me, He, the eternal Word Himself, had become flesh in order to make Himself heard by people. Because they no longer knew the mystery of eternal love, the eternal Father-Spirit, Whose Word establishes the bond with people

They no longer knew about the strength of the Word which draws everything towards Itself when it can become effective in a person They did not know that every human being could hear the divine Word Itself in himself if he shaped himself to love in accordance with God's will, in order to receive the divine love Itself For this reason God came to earth Himself, and He brought them the knowledge again which should release the people from their darkness And people did not recognise Him, they pursued Me, Who sheltered the Divine inside of Me, as a human being And I had to allow it to happen in order to safeguard their free will. I brought the Word to them but they did not accept it, and they did not recognise in Me the One Who permeated Me completely They saw Me but not God in Me, Who did not conceal Himself from their view but performed signs and miracles in order to make the blind see again But to those who believed He revealed Himself in His love, wisdom and omnipotence And they saw Him rise to heaven in full glory, they saw His shell spiritualising itself

before their eyes and in radiating light ascend to the kingdom which had been its home since eternity

The Ascension of Christ

Transfiguration

My life on earth was a path of love which I concluded with My death on the cross My body was on earth, that is, it was subject to all natural laws, My soul was with God, it lived a spiritual life and thereby became powerful enough to conquer the body, to likewise make it strive towards God which subsequently spiritualised soul and body, so that the external form sheltering God, the eternal Father in all fullness, was no longer an obstacle for His working. The external form could therefore no longer succumb to physical death, because only matter sheltering immature spiritual substances is mortal, i.e. changeable within itself, but not completely spiritualised substance. Hence soul and body were able to enter the spiritual kingdom in a perfect state, they were translucent and, being permeated by light and strength, were able to leave Earth, which was a process My disciples were allowed to witness as it occurred before their eyes, so that they were able to behold God's glory in order to receive strength for their mission on earth which subsequently commenced for the sake of humanity's redemption. Their task was to inform people of My act of Salvation, of My way of life, My teaching, of My excruciating suffering and death on the cross and of My resurrection and ascension And for this mission they had to be prepared, they had to live a life of love themselves, they had to be profoundly faithful, having recognised in Me the Father of eternity, they had to accept My teaching wholeheartedly within themselves in order to be able to pass it on; they had to be guided into truth in order to comprehend My sacrificial death, and thus they had to be living followers and able to preach with innermost conviction. And for this reason they were also allowed to witness My ascension on earth, the last sign of My glory, My divinity, I was able to give to them as a human being, which completed My life on earth but which must remain alive for My Own for as long as

the world exists. For My transfiguration, as the fulfilment of My teaching, was indeed comprehensible to My disciples yet only understandable to people if they followed Me, lived a life of selfless love and thereby became able to grasp the truth and accept profoundly divine wisdom. When they know that the purpose of earthly life is the spiritualisation of soul and body and the result of it is brightest permeation by light they will also find My ascension credible. For this reason My only purpose of earthly life was the preaching of love, for this reason the Word became flesh, in order to show people the right way, to exemplify a life of love and to encourage them to follow Me Only love achieves a spiritualisation, and only love delivers the human race from death and awakens it to eternal life

'Become as little children'

Become as little children and take refuge with Me in every adversity and don't be afraid, for your heavenly Father does not allow anything to happen that is not beneficial for you. Have faith and trust in Me, your Father of eternity, that I will hold My hands protectively over you and simply regard every ailment of the body as a caring way of helping your soul. However, you should know that the body's adversity, too, will be cured by Me if you firmly believe in it and recognise My Fatherly love in everything, regardless of what happens. Be as carefree as children and leave it to the Father to take care of you, just make sure you fulfil your heavenly Father's will and My Fatherly love will take hold of you and draw you to My heart. Don't ask and speculate fearfully what might become of you, but remain calm and simply wait for the Father's help if adversity weighs you down. Totally rely on Me Who guides you wherever you go. Your strength rests in your childlike trust and humble prayer, for I will not disappoint this and grant your prayer at all times. Yet do not worry and doubt My Fatherly love will save you from every danger and the call of My child will never go unheeded But in order to become as children you must relinquish all resistance, you must only ever want Me to lead you by the hand and you must follow Me willingly and never want to take different paths And

thus you must pray with faithful trust and devotedly rely on Me and then regard every happening as My will For it is My will, nothing happens against My will if you commend your problems to Me. Only someone who acts on his own, without having appealed for My blessing and My support, activates his will with appropriate results, yet not always in his favour. I cannot grant My help to him because he would not recognise it as My help but regard it as his own merit. Yet for My children I will even out their every path, even if it appears difficult to travel. Just hand yourselves over to My guidance with complete trust and you will always feel a loving Fatherly hand which will guide you safe and sound through every calamity of this world. And always draw comfort and strength from My Word Let the Father speak to His children, and accept every Word of love so that it will impel you to love in turn. Never let the Father's voice go unheeded but be glad that you may hear it, that the Father thereby reveals His love for you, and follow Him and His Word with joyful zest And you will gain My approval, you will feel My Fatherly love increasingly more, you will no longer fear any adversity and be safe and secure in My heart

The end is determined by people themselves

Low level

My eternal decision included the end, and thus it will come without fail when people's low spiritual level demands it The end will therefore be preceded by a time when people distance themselves from Me of their own free will, so that I can no longer influence them with My strength of love because they will prevent it themselves. But where My strength of love stops, i.e. where it is no longer able to affect the spirit, that is where life activity will also come to an end. The spiritual being will descend into a state of solidification. This will be the result of insufficient strength, to which it will have shut itself off. The human being as such will still be in possession of vital energy, but since he will be using it in a completely wrong way during the last days, since he, instead of striving towards Me, will strive away from Me completely of his own free will, I will also have

BD 3625

to take his vital energy away from him, which will therefore signify the physical end of countless spiritual beings which are embodied as human beings on earth and which, deprived of their final form of development, will subsequently completely solidify again, thus descend into weakness and darkness, until My love gives them a form once again in which their process of development can start anew. The spiritual being cannot live, thus be active, without an influx of strength, yet this strength will not flow to it against its will while it is in a state of free will. At the start of its incarnation as a human being the latter is certainly weak-willed, or his will is still undecided, and he can use the vital energy he is granted as a gift of grace in any way But once people have reached the lowest point when they no longer make use of this vital energy in order to attain spiritual strength, when they consciously resist the influx of strength from Me, I will also withdraw the energy of life from them They will have to repeat the process of development once more, which starts again with an utterly weak state in the most solid form, in hard matter, the overcoming of which takes an infinitely long time again I would like to spare the spiritual beings this long captivity, and therefore all conceivable means will be used by My love beforehand, yet people are beyond learning

If My servants explain their spiritual hardship to them, if they are reminded of the serious consequences of their unbelief, if their attention is drawn to the shortly approaching end, they close their ears. They don't believe in My eternal plan of Salvation, they don't believe in Me and My never-ending love and thus they precipitate the end themselves They not only remain on their low spiritual level but continue to descend ever further Their own will hastens the dissolution of that which shelters spirits, just as their own will lets the human being return to that which his soul had already overcome long before It is not My but people's own will which determines the end, yet I have foreseen this will for eternity and thus will constrain it once again because freedom of will is being misused. Anyone who has My Word knows about My love, he knows about My plan of Salvation to redeem the souls and he also foresees the end, for he recognises the spiritual hardship. Yet anyone who does not recognise this hardship is not imbued by My love, he is still in spiritual darkness and can hardly step out from this into the light of day. For he needs My Word to do so, the light which illuminates him and enriches his knowledge And

he will understand the physical adversity of the time, which is caused by the immense spiritual hardship. Anyone who has My Word will expect the end with profound faith, for everything will come to pass as I proclaimed in Word and Scripture. Therefore, pay attention to My Word when it is imparted to you through My messengers pay attention to the Word which is conveyed to you from above, which guarantees you the absolute truth which originates from Me, the Giver of truth, and which I impart to you with all My love, so that you will find the path to Me through the Word, so that you will not be lost to My kingdom, so that you need not go through the process of development again, which would mean indescribable agony for your souls Pay attention to the Word so that you will belong to My Own, who will be spared at the end in order to enter the kingdom of peace, as I have promised

Amen

The souls' purification process in the beyond

The departed soul's purification process in the beyond starts immediately after the decease of the body but in accordance with the soul's will. Spiritually completely dark souls experience the darkness as agony, and this right from the start of the process, because it is intended to contribute towards the change of the soul's will. Although the duration of this varies, it is always the principle of the purification process. God's love constantly gives the soul the opportunity to change its will, but in the beyond it does not always recognise these methods as the working of God's love, and yet they can soon lead to the goal providing the soul is not too obstinate. It has to purify itself completely before it can accept light, and until it can receive light it is in a state of torment, and thus the fate of an immature soul is lamentable. It can never receive too much help from people by means of loving intercession or mental instructions and advice to act with love. However, if the soul is not too obstinate it will constantly progress in its development, every torment melts the hard cover, it becomes receptive to help and will try to liberate itself, although occasionally it can take a very long time before the purification process is completed and the soul, as a recipient of light, is able to act with kindness.

BD 3627

But even more mature souls will still have to become more receptive to light, because the light can touch a soul at various degrees of intensity, depending on its state of perfection, which can reach an increasingly higher level. On entry into the spiritual realm the soul can already be so advanced in knowledge that it no longer needs to linger in dark surroundings, it is able to see and understand everything, it finds itself in a more or less brighter pool of light and thus is also able to work accordingly. And yet it still has to shape itself to receive more light. It still has to crystallise itself to utmost clarity and this again through loving work with needy souls, because devoted love for those unhappy souls will purify the soul and make it progressively more receptive to light, while due to its redeeming activity its own happiness intensifies at the same rate. As soon as a soul has the will to ascend it becomes diligently and untiringly active, and because of its will to help other suffering souls it constantly receives strength for its own happiness and sustained helpfulness. Always providing, of course, that it has overcome its weakness of will, that its engulfing impenetrable darkness is broken, that it is receptive to the merciful rays of light which God sends into the darkness, and that it wants to escape its dark state. Its struggle towards ascent, its torments and the darkness of its surrounding are taken into account as purifying factors, its layers dissolve, it becomes receptive to light and its ascent towards the light is assured. In accordance with the soul's own will God's continuous help enables it to ascend until, penetrated by light, it can work in the spiritual kingdom as is its destiny

Thoughts from the spiritual kingdom

Thoughts flow to you from the spiritual kingdom, if you are spiritually minded and therefore also look for contact with the enlightened beings of the spiritual kingdom. Consequently, every thought can be a blessing for you provided you sincerely want to become enlightened, thus to know the truth. Yet in order to be taken care of by helpful spiritual beings it is also always necessary for you to conduct your life in accordance with God's will, since you are also surrounded by forces of darkness which seek to lead your

thoughts astray. And you yourselves reject or allow their access to you, depending on your conduct in life, on your will and your attitude towards God and towards good.

And therefore you have to seriously scrutinise yourselves whether you strive to live in keeping with God's will, whether you want the truth. You must know that thoughts are the activity of spiritual beings in the beyond which they try to convey to you, and that you allow yourselves to be influenced by forces which you draw to yourselves by your way of life and your will. For this reason you have to observe your thoughts whether they lead towards God or divert you from believing in God. Every good thought teaching love and referring to God is the activity of good spiritual forces, and you should take it up and let yourselves be affected by it, for as soon as you pay attention to it, it will also shape your way of life and be beneficial for your soul.

But as soon as you pray to God for correct thinking, good spiritual beings will always be your teachers and guides, they will influence your thoughts and also try to transmit spiritual concepts which will heighten your maturity of soul; they will provide you with power of perception which will enable you to render the activity of evil forces ineffective by instantly recognising it as error and rejecting it. If you unite yourselves with God, if you live intending to please Him, then you will not have to fear evil spiritual forces which deceive your thoughts, for you give yourselves into the hands of good spiritual beings which will take loving care of you and direct your thoughts such that they will correspond to the truth and promote your spiritual development, because you strive for it yourselves

Amen

Cosmos

Changes

Catastrophe

Whatever takes place in the cosmos is unknown to you, and neither will you ever ascertain the laws of nature in such depth that you will be able to determine when and how changes take place which, according to God's eternal plan of Salvation, must take place in order to prepare the work of Earth's redevelopment. The events happening in nature will always take you by surprise, consequently, you will also unexpectedly be confronted by a powerful natural event, which is understandable to someone with spiritual vision but which remains incomprehensible to the majority of people because they fail to recognise the correlation between all happenings, including cosmic ones, with the spiritual development of people and all tangible beings, and because they have no knowledge of the approaching end and the transformation of a work of creation which is only meant to serve spiritual development and has become pointless now due to people's God-opposing will. The preparations in nature proceed imperceptibly and people therefore pay little attention to them. And yet they would be able to observe many deviations which should make them suspicious if they were vigilant and allowed Creation to communicate with them more. Changes are occurring in the interior of the earth which will lead to eruptions. At first they will only partially break through in order to then, at a specific time, lead to a complete destruction of the earth's surface, so that God's eternal plan of Salvation can take the course His will had determined. Countless spiritual beings in the Earth's interior will liberate themselves and God will give His approval, He will allow them to become active at a specific time, because their activity does not oppose His law of eternity And the Earth will tremble when these beings become active It will open up in places and thus clear the way for the beings to enter different shapes than before And where this activity takes place it will cause great changes on the Earth's surface to the horror of the inhabitants who will be subject to a dreadful natural disaster However, this will only be a preliminary event for the subsequent total destruction of Earth; it will be a final wake up call for all those who survive it and an indication of the near end, which

will have previously found no credence with people. Nevertheless, God's language will be understandable to everyone who wants to understand it.

Everything that happens in the universe, including every cosmic change, is due to spiritual development, and even if people don't understand it on account of their lack of knowledge they must nevertheless be affected by the activity of beings which are still constrained in the interior of the Earth and which strive towards liberation for the sake of their higher development. Countless human lives will fall victim to this eruption and enter the spiritual kingdom in a more or less mature state. Yet countless beings will also be released and be able to strive towards ascent in different forms. And so the immense event in nature is simultaneously a process of release after an infinitely long time of constraint within hard matter and a transition for the indwelling spiritual substance into less painful forms, but it also ends the process of development of spiritual beings in the last stage on earth which could have used their free will for their deliverance. No-one can predict this cosmic event in advance unless, in profound faith in God, he is informed of it by the spirit of God, for the divine laws of nature are not perceptible for people, so that the day and hour will always remain hidden until the first tangible manifestations announce themselves, but which will be ignored at first. Yet as soon as the day approaches, great restlessness will come upon all living beings, human beings and animals alike will inwardly feel it, and only spiritually awakened people will be able to explain it and yet not be listened to by the worldly-minded, who will never want to accept a destruction of Earth and thus be taken by complete surprise by the eruption of the natural elements And God will repeatedly announce this event, He will not leave people in ignorance as to what they can expect in time to come. Again and again He instructs His messengers to mention the forthcoming event. For the day will not be long in coming Any careful observer will also recognise the changes, and he will look upon it from a spiritual point of view, for the goal of everything that comes according to God's eternal plan of Salvation relates to the spirits' development, which is in danger and which God's love wants to help

Amen

'Did you not know, that I must be in My Father's house ...'

Listen to the voice of the spirit: Every person shall shape himself such that the Father can take abode in him, thus, he himself shall become God's house in which the Father can be effective. You all carry the divine spiritual spark within you which is therefore My share, hence I lay dormant in you waiting to be awakened through your loving activity and heartfelt bond with Me However, as long as you remain inactive you will not feel My presence, even though the spiritual spark rests in you. It can only become effective if you shape yourselves into a receiving vessel for Me Myself, only then will I be active in My house, then I will be able to dwell in you and instruct you according to absolute truth. Then I will be in My Father's house then wisdom will be where love exists Then you will have become a house of God yourselves, which shelters the Holiest of all, which God Himself takes as a dwelling place I will be with you and never again will you walk alone on earth, but you will always and forever feel My presence and be permeated by My spirit, which will guide you into all truth, which will teach you just as I have taught in My Father's house For when I became wisdom through love I had to be constantly active on earth Dispensing love and wisdom, I had to give to other people what I Myself had received because I wanted to help them attain beatitude. And thus I had to be in that which belongs to My Father, where I was able to proclaim His Word, where people gathered in order to hear His Word Consequently, God's house will always be where His Word is taught where it is either externally offered to people or is inwardly perceived wherever the Father can be effective, that is, where love makes people receptive for the wisdom from Me For I always want to be active in My house, and My house consists of the hearts of people who want to accept Me and thus shape themselves into love so that I Myself, the eternal Love, can unite with them. My house is wherever My spirit can manifest itself but without the working of My spirit you will linger in empty halls even if you have chosen a place where you assume you will be able to find Me I can only be where My Father is, and the profundity of My Word can only be heard where love exists However, I Myself Am the Word and if you want to hear Me you must shape your hearts to become receptive, you

must change yourselves into love and then open the doors for Me so that I can enter into your heart and make your heart My dwelling place wherever you may be

Significance of the act of Salvation

And remember the One Who redeemed you from all sins His act of Salvation is of such momentous significance that you cannot be exhorted strongly enough to cast your mind back to it. You must always bear in mind that you would be lost for an infinitely long time had Jesus Christ not taken your guilt of sin upon Himself through his crucifixion in order to redeem you. However, you will have to profess Him yourselves if you want to partake of the blessings He acquired for you through His death. You have to believe in Him and consciously place yourselves underneath His cross, you must live with and for Jesus Christ, i.e., in memory of Him accomplish your every action, be helpful and thus comply with His teaching of love, in order to make yourselves worthy of His gift of grace, to make yourselves worthy of His love, which wanted to protect you from an infinitely long time of torment and suffering in the beyond. The divine Redeemer has mercy upon all sinners He carried their guilt and suffered and died for it, He sacrificed Himself as atonement, because He loved people and wanted to lessen their immense spiritual hardship.

And thus He offered people a gift, the magnitude of which they cannot judge on earth, and He only asks for their acknowledgement of His act of love, their acknowledgment of Himself and their conscious avowal of His crucifixion He asks them to keep Him in mind at all times People should not forget this, they should always remember that without Him they would be lost for an infinitely long time Hence He approaches people time and again by reminding them of Him time and again He tries to direct their eyes to Him, time and again the person, as a bearer of the cross himself, is admonished to remember Him, and every suffering is intended to draw his attention to the One, Who took all sins upon Himself and constantly helps people to carry their suffering as well if they,

in profound faith in the divine Redeemer, burden Him with it and appeal to Him for grace and love People don't carry their suffering without merit, Jesus Christ, however, was entirely without sin and took humanity's guilt of sin upon Himself, He therefore carried a far heavier burden upon His shoulders, a cross which was so immensely heavy that He almost broke down under it, nevertheless, He accomplished the act of Salvation since His love for humanity was great and gave Him the strength until the end

Bond of love

Unification with God

An indestructible bond is wound around God and the spiritual being which tries to join Him due to love. It will remain inseparably connected with Him, always coming closer to Him, forever striving towards Him, being seized by Him and in blissful happiness merging with the eternal Love, once the being has become perfect. This bond is the goal of all spiritual beings which once emerged from His strength. God is the eternal centre of Power from Whom everything originates and to Whom everything will return again according to God's eternal order. Only that which has returned to God again is happy, it is perfect, permeated by strength and light and thus able to actively create and shape. This state will never ever be changed again, insofar as that the being's beatitude will diminish, but it will constantly increase because perfection knows no limits, because God, as the supremely perfect Being, will always and ceaselessly be aspired to for all eternity. To be merged with the eternal Deity signifies participation in the shaping of works of creation, it signifies guidance and care for the spiritual beings which are sheltered in these creations; it signifies redemptive activity on the bound spiritual beings, it signifies bliss and harmonious striving for unification with equally mature beings and revelations of undreamt of splendours which immature beings are incapable of beholding.

Eternal life is not a state of weakness and darkness anymore but activity in light and an undreamt of abundance of strength. Jesus Christ promised

this eternal life to those who believe in Him and keep His commandments, who, by fulfilling and complying with His teaching of love, establish the connection with God on earth already, the bond, which connects the soul with God ever more closely until it has entirely united with the eternal Love. And thus the human being must inevitably attain faith in Jesus Christ as the Redeemer of the world, otherwise the bond with God can never ever be established, for due to the being's imperfection the distance is too vast and cannot be reduced by the being itself, since the distance from God signifies weakness at the same time. Jesus, however, acquired the strength on behalf of people through His death on the cross He descended to Earth in order to deliver people from their weakness of will and lack of strength and to show them the path which leads them to God while they are still on earth. However, without faith in Him and His act of Salvation the human being will never be able to overcome his lack of strength and weakness of will, he will never be able to lift himself up because God's adversary keeps him down and wants to prevent his life in eternity. But anyone who believes in Jesus Christ shall be saved, he will live up to His commandments, he will make an effort to live a life of love and thereby receive the strength to establish the connection with God, and God will never let him fall again He will wind the bond of love around him and not allow it to slacken, instead it will embrace those who strive towards Him ever more tightly until they are inseparably united with Him

Two worlds

Divine law of love

Divine law requires love, consequently everything unloving is ungodly, it is very distant from God, it is His adversary's part which is entirely without love and for this reason he is God's direct opposite. God and His adversary rule over two worlds which will always stay apart until the law of love is fulfilled and unites both worlds. Nevertheless, God's power also extends to the world where His law is ignored, because everything in this world emerged from God too, it has merely distanced itself from His sphere

of love. And His power shows itself in as much as that He also rules in the kingdom of the heartless, i.e. he directs all events in accordance with His will. In spite of God's adversary having great strength and power at his disposal, it is nevertheless limited and does not extend to the works of divine creative power, it does not extend to the creations in whom heartlessness was constrained in order to change itself into love In this state the spirit, which had previously fallen away from God, is isolated from His adversary's power and compelled to fulfil the law of love, although its will does not yet determine its actions. It enables the spirit to cross more easily from the ungodly world into God's world when it is permitted to undergo this test on earth.

But then the power of God's adversary comes into its own and with cunning and force seeks to hold on to the spiritual essence of his world He tries to increase its heartlessness, he attempts to make it give up the divine, he endeavours to withhold from it the divine law of love and make it wholly inclined to his wishes But God in His merciful love will not leave the spirit to His adversary without a fight. During the last stage as a human being He will repeatedly give him the knowledge of His law of love, he will constantly approach the person by requesting love and offering him the opportunity to fulfil the divine commandment. He will present His world to him, either in thoughts or through his fellow human beings, and thus will urge him to make a decision for one of both worlds. And if he is willing to carry out the requirements of divine law, if he is willing to apply love, he will also recognise the right path leading to the kingdom of light. He will see the darkness of the realm which belongs to God's opponent, he will see the consequences of heartlessness as he recognises the strength of love, and he will voluntarily submit himself to divine law He will shape himself into love and therefore be an applicant to the spiritual kingdom, the world which belongs to God He will renounce God's adversary in order to belong to God eternally, Who is love in Himself, because he has become love itself

Amen

Language of creation

Essence - Creative power

Learn to understand the language of creation God Himself is speaking to you through creation, He is constantly facing you by revealing Himself in all the work that emerges from His strength of love. And He has given you the ability to perceive His creation, to stimulate your intellect and thus it is He Himself Who is mentally instructing you, providing you are willing to accept His instructions when you look at the creation around you, when you ponder its meaning and purpose, its origin and the One Who brought it into existence. Every relevant thought is a question answered by God Himself, providing you truly want it answered The eternal creative power cannot be denied if you contemplate the origin of the works of creation The eternal creative power has to be acknowledged by every person, but its origin, its source, is frequently disputed by people. They do not always want to acknowledge a perfect Entity as the source of creative power. Creation has not yet spoken to them clearly enough, they have not yet understood its language, and their thoughts first have to aim in the right direction in order to come to the right conclusion

Creation exceptionally and distinctly reveals a conformity to law, an orderliness, which cannot be surpassed. Something so orderly is always the result of a strong will, of an Essence Which claims this strong will as its own. Furthermore, order also testifies to the wisdom of the Entity Who produced it well thought-out laws which eliminate all imprudence, a wisdom which brought nothing into existence without meaning and purpose and which also allows its meaning and purpose to be known. Hence the Being, Which would be the originator of the creative power, has to be intelligent and, by virtue of His will and power, be able to let His thoughts take shape. Thus it has to be a supremely perfect Being Who reveals Himself in every work of creation, Who wants to be recognised in His perfection Who in turn is using His strength to provide other intelligent beings with proof of His existence, because He is in closest contact with these intelligent beings in as much as they too emerged from Him, that they too are the product of His creative will and His creative power, whom He wants to bring into a state of perfection in order to make them carriers of abundant strength

as well, so that they too can be creatively active for their own happiness. The Creator's close link with His living creations has to be recognised, the human being has to become aware of the relationship between himself and the eternal creative power. As a being in his own right he has to acknowledge the Power, Which is infinitely stronger than himself, as an Entity or he will be lost in creation as the only intelligent individual being which is in possession of (free) will and yet incapable of actions for which he lacks strength.

Furthermore, it is absurd to assume that a Power, Which gave rise to everything, would give life to intelligent beings without being intelligent Itself The same applies to the human being's inherent will which, however, is being denied to the origin of natural power What would creation be without intrinsic inhabitants of what purpose would this unsurpassed order be could it not be recognised by beings, if it did not give testimony of a supreme Being, which wants to be acknowledged What would the human being be without intelligence and will an imperfect living creation which would not need orderly creation to exist The fact that the human being is able to think and has free will is proof of a Creator Who, in utmost perfection, is capable of thought and, in accordance with His will, uses His ability with wisdom and in full possession of strength It is also proof that the human being was not created without reason and purpose, and that he was given thought and will in order to recognise the reason and purpose and strive for it He has to realise that he does not master earthly life in spite of thought and will, he has to acknowledge a stronger Being above himself Whose will is decisive, and he has to accept Its wisdom and love and bow to It

And God speaks to people through creation, He motivates them to contemplate it and willingly offers explanations if these are sincerely wanted, if people, abandoning their knowledge, hand themselves over to the eternal creative power Who has given them their intelligence. Then their thoughts can be guided in the right direction so that they too will live in the order which is intrinsic to every work of creation but which the person can also revoke, because he is in possession of free will. Nevertheless, should he want to live in God's ordained order, then his will shall be observed and he will be given knowledge about everything he wants to know

Amen

Love - Wisdom

Selfish love - Error - Darkness

All darkness will leave you, every veil will fall from your eyes, the love of God will reveal itself brightly and clearly to you if you make the effort to live with love, since out of love comes wisdom, the realisation of pure truth, and you become knowledgeable, depending on your attained degree of love. Yet without love you will stay in spiritual darkness, without love you will never become enlightened, you will never be able to distinguish truth from lie and error, you will never understand the depth of the Deity, and His rule and actions will remain hidden to you. And for this reason Jesus taught love on earth

For this reason He could only bring the truth to those people who followed His lessons of love, for this reason He was able to teach His disciples and impart on them profound knowledge, because He recognised the love in them and that is why he chose them to become His disciples. People first have to be encouraged to love, otherwise they cannot find the truth. Love is God, truth is God and therefore, whoever is without love is without God and walks in error. However, to live in love means to be good to other human beings from an innermost urge of heart, to help whenever they need it, when they suffer hardship, yet always without self interest, always at the prompting of the heart, then it is divine love and not selfish love which the human being has to oppose if he wants to please God. Selfish love prevents the human being from acting kindly towards other people, it is therefore the greatest danger to him as it leads him into wrong thinking, into error and into darkness of spirit, because selfishness formerly led to the fall of the spirit

The completely enlightened being fell into spiritual darkness due to the wrong kind of love, it could no longer discern the truth and became a subject of the one who fought against the truth, against God. Thus every person who exists without divine love will be a servant to the one who is entirely without love and will be as distant from the truth as he, due to his heartlessness, is distant from God because God, Love and Truth are One. And that is why only the human being who acts kindly himself and who on account of his love is led to wisdom, can live in truth and know God

on earth. All veils will fall from him, he will recognise the goal brightly and clearly since God will reveal Himself to him, He will guide him into truth and turn him into a recipient of light and strength, even on earth. This will enable him to work with love for the souls of his fellow human beings and to show them the path which leads to truth and light, so that he can convey to them that only the adherence to Jesus' teachings of love will result in right thinking, in enlightenment of the spirit, in order that the fellow human being can also know the truth and therefore God Himself as the eternal truth

Strength of faith

Help in every need

You may ask for My help in every need even though the fulfilment of your request seems impossible to you. Only then will you understand the strength of faith when the remarkable guidance of My will resolves this need as a result. My power and My love copes with what appears impossible to you providing your prayer shows Me a strong faith, providing you entrust yourselves unto Me with complete confidence Therefore, take refuge in Me with all your needs, tell Me your problems, relinquish your worries and fears, and appeal for My help And truly, I won't let you call in vain when your prayer expresses profound faith and you humbly await My help. Hence you need not fear anymore, providing you firmly believe The deeply devout human being belongs to Me eternally, he belongs to My Church, he is one of those whom I will never leave and who therefore always enjoys My protection too.

But now, for the sake of other people and even for yourselves, as a test of faith I send worldly perils time after time that you should prove yourselves, that your fellow human beings should find Me and through you find evidence of strength of faith, that they too should learn to believe and thus reduce their spiritual poverty. And although everything takes place in accordance with My plan of eternity, the faithful human being need not fear anything because My guidance is miraculous, My power is more than great,

and My love always finds a solution to every problem for those who belong to Me. Thus, what is unavoidably necessary for the whole of humanity, what it perceives as hardship and misery, can leave someone with complete trust in Me utterly unimpressed; he need not be affected by it even though he stands right in the centre of an event which the entire human race identifies as disastrous because he holds on to My hand and this guides him safely and unharmed through all difficulties. You are able to banish everything with a firm faith, and neither people nor spiritual forces can harm you if you escape to Me with a firm faith, entrust yourselves unto Me and unconditionally abandon yourselves to Me and My mercy.

I, however, know the strength of faith in every single person, and his destiny is arranged in accordance with his faith But in order to become perfect the soul has to struggle for this strong faith, it cannot be given to the soul without its contribution, without its aspiration and sincere prayer. But someone who struggles for deep, steadfast faith will also attain it because his prayer is for spiritual wealth and won't remain unheard. Therefore he is confronted time and again with events which should deepen his prayer, which are intended to strengthen the faith. Hence you may turn to Me with all your needs and ask Me for prevention or help And I certainly won't disappoint you, I will always be ready to help, so that you learn to know Me, My love and My omnipotence and your faith becomes ever deeper until you live your earthly life completely carefree, because you know of the strength of faith and at all times put your trust in Me

Psychological work

Scrutinize yourselves and recognise your weaknesses and then strive to overcome them. This is psychological work, that you try to shape yourselves into human beings who remain within My order, who live in accordance with My will and thus shape themselves to love. Because every weakness, every mistake, every bad habit has its source in unkindness and selfishness. Gentleness, peacefulness, humility, patience, mercy and justice are signs of love for other people; if you lack any of these signs you are not filled with

love and need to actively work on yourselves. But in order to do so you have to recognise your weaknesses and faults yourselves and this requires honest analysis, serious reflection and correction of your relationship with Me and your fellow human beings. You have to acknowledge Me as Father and every man as brother because you are all children of one Father. And you children should love each other, then you will find My favour, because then I Myself will be able to stay with you, My children.

However, every bad habit prevents Me from doing so and this is to your disadvantage because without Me, without My presence, you will remain weak and imperfect and will not be able to achieve your goal on earth. Your goal is to become perfect, to change yourselves into love and to change your nature into the original state that you once abandoned voluntarily. For you are only happy in your original state and as long as you are far-away from it your fate on earth as well as in the spiritual realm will be insufficiency, ignorance and weakness. I, however, want to lead you back to happiness and thus constantly caution you to aspire towards it; that you start the work of transforming your being; that by observing your inner self you learn to become aware of how little your thoughts and actions correspond to My will because you are still selfish. And therefore you have to make an effort to change this imperfect state, practicing love wherever and whenever an opportunity presents itself. Because you can only become happy with love, you can only master your faults and bad habits with love.

And if you cannot feel this love within yourselves as yet then use your intellect to shape yourselves into righteously thinking people be gentle and peace-loving, humble and patient and try to bring help to your fellow human beings and the feeling of love will awaken in you, it will make you happy and encourage you to perform loving deeds. Then you will no longer be moved by your intellect but by your heart, then you will be on the right path. Therefore observe yourselves, meditate and seriously ask yourselves whether you think and act righteously, and your heart will answer you And I Myself will come to your aid, providing you genuinely ask yourselves this question, I will give you strength to carry out what you seriously want, and the work on your soul will advance successfully, you will find it satisfying yourselves, submit to My will and continue your ascent as soon as it is your will to become perfect

Amen

King of kings

The King of kings governs His kingdom in wisdom and love and all rulers of the world must fear His power if they do not respect His will, if they are not subject to Him with humility and acknowledge Him as their Lord. For His power directs all destinies according to His judgment, including the destinies of every nation and their rulers, since He governs with wisdom and His activity is determined by profound love. Even if He allows people free will and thereby allows these rulers to act and govern according to their will, He will nevertheless appear as King of kings when the time comes, when the spiritual and earthly adversity on earth requires Him to resolve it by using His power. The time does not seem to have come for the world, because the princes and kings of this world strive for a peaceful solution, nevertheless, they will not succeed. It will fail because the one who is Satan's servant on earth will resist it. Spiritually, however, the time has come which necessitates a radical change, for humanity no longer acknowledges the greatest Ruler and for that reason they shall find out the hard way And once Satan's activity consists of instigating strife instead of supporting peace, the time will also have come on earth for the King of kings to appear and oppose the will of the earthly ruling powers with His will Then there will certainly be peace among humanity but neither happiness nor prosperity Then a different kind of adversity will start and this, too, must be endured by people in order to prepare themselves for the near end. For a brief period of time the earthly power will be broken, yet it will rise again worse than ever and initiate the final work of destruction it will declare war against everything that chooses the King of kings it will not accept Him, it wants all people to turn away from Him and profess the authority which is governed by Satan and thus openly fights against God. And then the end will come He will only reign for a short time in order to relinquish his dominion for an infinitely long time, for he will be apprehended and deprived of every opportunity to reign And only One will govern and this One governs in love and wisdom for the benefit of everyone who lives on earth These will acknowledge the King of kings for they became His subjects of their own free will, they have proven this by courageously professing Him and His name before the world, before His

adversary, and thus they will be rewarded on the new Earth with a blissful life in paradise

Spiritual creations

Beatitude

'Eye hath not seen'

Everything that is visible to you testifies of My might and strength and love. Yet My strength of love also produced invisible creations which will delight you in the spiritual kingdom, but only when you have achieved the degree of maturity which allows for spiritual vision. Then you will indeed marvel at My love's works of wonder, they will enchant your eye, nevertheless they will also be comprehensible to you, for then you will recognise Me Myself as strength and love, then you will already be so pervaded by it that you will be able to understand that it is the primary cause of every creation, and then you will forever glorify the One Who employs His will for constant works of love.

The spiritual creations are inconceivable to people on earth, they are the epitome of proportion, perfection, beauty and versatility, they are exceptionally magnificent formations and their ever changing appearance makes them increasingly more wonderful to behold and they will never tire or oversaturate the onlooker's eye but forever cause immense happiness and gratitude towards Me, the Creator of heaven and earth. Indeed, earthly creations occasionally also appear lovely to a person and let his heart beat faster in the realisation that he is facing the eternal Creator, Who is almighty and full of love. However, the most beautiful creations on earth are but a pale reflection of the spiritual creations which are incomparable, since it is not possible for My love be so evidently visible on earth because people have not yet changed themselves into love.

But I can bestow the abundance of My love to souls which have become love, My creative love can reveal itself to them and I can show them and bestow on them what I have promised 'Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath

prepared for them that love Him'And the more profoundly a being is able to love the more glorious will the creations become Profound love gives them an insight into My reign and activity in the spiritual kingdom, they are no longer opposite Me as imperfect beings, but have become what I Am Myself love they are full of might and strength themselves, and in highest perfection are able to create and shape in harmony with My will through My strength.

No comparison can be given to people on earth about their activity in the spiritual kingdom since it is subject to completely different laws and spiritual activity has nothing in common with physical activity, with work on earth. Yet it is a blissful activity, an activity which signifies supreme happiness for the being which has become love, which can think, feel and want, which is able to see and hear, which feels like an individual being and yet is extremely happy in unity with other beings because it thereby increases its strength and love and intensifies its ability to be active. The inhabitants of the spiritual world exist in a state of utterly blissful harmony, a state which is constantly aspired to as soon as the soul has attained realisation on earth or in the spiritual kingdom.

I would like to place all beings into this state because I love them and would like them to behold the glories of My kingdom. For the activity of My love constantly applies to My living creations'happiness, My love is infinite and wants to give and delight, and thus I want to make My living creations worthy of being allowed to stay in spiritual creations; yet they themselves have to want it, they must shape themselves into love of their own free will so that they can be made indescribably happy in the spiritual kingdom for all eternity

Amen

The spirit of the Antichrist has been in the world since Jesus Christ accomplished of His act of Salvation. He has constantly attempted to undermine His act, he has always and forever fought Jesus' followers, he has always and forever driven people into heartlessness, thus he has actively opposed Christ's will and teaching on earth, partly by means of spiritually confusing people's thoughts and partly, in human appearance, clothed in a gown of knowledge and intelligence. The teaching of Jesus Christ was opposed by a human teaching at all times which aimed to weaken it, thus it was antichristian, and this has always been Satan's work, the work of forces from below which intended to cause people's desertion from God or to obstruct their way to Him. And this antichristian activity is steadily on the increase and will be blatantly self-evident before the end Satan himself will be active on earth in human form, the Antichrist in person, whose activity will be extremely ominous for the whole of the human race. For he will initiate laws which aim to eradicate spiritually-minded thoughts, which will prevent all spiritual endeavour and intend to entirely secularize people. And this will be the last work of the one who fights against God, for he will be transgressing the limit of his authority, which is relentlessly punished by God The change of worldly events will be rapid, extensive worldly changes will occur in short succession and a ruling power will come to the fore by wanting to direct the state of affairs of all nations and, instead of order, will cause utter disorder. For his regulations will first and foremost apply to the suppression of all faith. He will find many supporters on earth, and that will be the sign for the End. For people won't resist it but will almost unanimously profess and celebrate him as a hero and victor whose goal they acknowledge and consequently also support.

And this will be the start of the most difficult time for believers. It will seem incomprehensible to them what is going on in the world, it will seem incomprehensible to them that God's love and patience allow His most sacred name to be slandered and ridiculed and Jesus Christ's followers to be ostracized and pursued in a most brutal way. Yet they penetrate the truth of the divine Word ever more, which has predicted all this, and thus they also faithfully commit themselves to God's guidance. The Antichrist rages

in a most frightening way, he dazzles people by the actions he implements with support of strength from below Satan himself works through him as the opposing spirit of the One Who works in the living creations of love and faith, in people, who love God above all else and firmly believe in Him and thus have to suffer great adversities due to God's opponent. People will pay homage to him, they will erect altars, they will proclaim him as the Messiah bringing salvation to them, for he will achieve feats which will impress people, yet they will not be works of love but mere activities of arrogance and craving for power. He will work as a human being, try to explain his strength as human strength and oppose and deny everything that is divine, that points to and testifies of God. And his willpower will be rock hard He will give orders, and anyone resisting his command will be destroyed by him He will seek to prohibit all teachings of Christ, all knowledge of Him and His act of Salvation, he will try to drag everything through the mud and regally reward those who assist him in his quest against Christ, just as he, full of hatred, will also take actions against His followers

The Antichrist's stature will be recognisable by its external good looks, by his physical strength for Satan conceals himself so as not to be recognised for who he is. And his extraordinary abilities will draw humanity's attention to him, there will be no end of admiration. He will reside on earth in external splendour and grandeur, in contrast to Jesus Christ Who lived inconspicuously amongst his brothers, devoid of all earthly possessions with a love-filled heart for his fellow human beings. But the Antichrist's heart will be callous and unemotional towards all worldly hardship and yet humanity will jubilantly applaud him, blinded by his external brilliance and strength. He will appear suddenly and unexpected at a time of utmost earthly adversity and, with strong hands, promise relief, seize power and authority without meeting any resistance, because people only pay attention to the harsh conditions on earth and ignore this hero's spirit, who will want to distinguish himself and, with the help of like-minded people, elevate himself as a ruler. And then the end will be near For the resulting battle of faith will be the prelude to the entire work of destruction of earth It will only last a short time but with such intensity that it will require an extremely strong faith as not to succumb.

Yet once again God Himself will confront His adversary For He is in spirit amongst those who fight on His behalf, and the Antichrist runs in vain against the bastion of faith And he will fall from his throne into the mire of damnation His government will not last long but will cause unspeakable misery amongst the whole of humanity which will predominantly support him and abandon all faith in God, which will believe his earthly implementations and will thus finally also share the damnation, for it will be subject to God's adversary and therefore also share his fate. And this will be the End Jesus Christ will remain victorious and His church will continue to exist for all eternity

Amen

Call upon Me in times of need

Depth of faith

In your hours of need you only have to call Me trustingly and I will be closer to you than ever. All mental contact with Me results in My closeness to you because I Am a spirit Whose smallest element is within yourselves. And if your call to Me comes from the bottom of your heart, the spiritual spark within you, which is inseparable from Me, will strive towards Me, the eternal spirit of the Father, and will thus draw Me to itself. Although I Am, in fact, always close to you, I Am only perceptively close when your will consciously strives towards Me and you request My presence. You will feel My closeness by an inner calm taking hold of you which is the result of your firm faith in Me and My help. Call upon Me in times of need and I will hear you And if you believe that I exist and that I love you, that nothing is impossible for My power and My will, then you will also call upon Me with your heart and await the fulfilment of your request, My help, without any doubt. And you will be helped

But every disbelief weakens the strength of faith, you make the working of the spirit within yourselves impossible, you yourselves prevent it from striving towards Me, the Father-Spirit, and it cannot give you the strength which flows from Me to you through the spiritual spark. I truly want believing children to call My Own who utterly trust the Father's Word,

who abandon themselves to Him in every adversity and danger, who do not fear and become fainthearted, because they know themselves to be safe in the protection of the loving Father. This depth of faith makes you outstandingly strong in spirit; it banishes every earthly and spiritual adversity because a firm faith allows My unrestricted action and constantly perceptible presence. Then I will also be able to work visibly, I will be able to accomplish what appears to be impossible, because the abundance of strength is the result of profound faith by which the human being himself, or the spiritual strength on his behalf, becomes the master of all his worries.

Have faith and you will always receive help, by your faith let yourselves be filled with My strength and let the spirit within you give you calmness and certainty. Your increased strength originates from Me, it is an emanation of Myself, and hence I Am in and with you Myself, depending on the intensity of your faith and the sincerity of your call to Me. As long as you are on earth you will never be able to understand that I Myself, the spiritual spark within you, love, strength and light, are One, that I Am therefore always present where the spirit can work in you, where love is practised, and I Am recognisable as strength and light If you could understand this you would no longer doubt. But you should try to understand it and should ask the spirit within you to inform you and to shed light on what is yet inexplicable to you, on what you don't understand And the spirit within you will teach you And again, it is Me Who teaches you, Who wants to draw you to Him and give you truth so that you can find Me, so that your senses are directed towards the spirit and you desire to contact the Father-Spirit. Then your faith will become ever more profound and stronger, you will always and forever know Me, you will feel My constant presence and with complete calm submit yourselves to My guidance, and truly, you will be guided well on this earth, you will take the right path which leads to your eternal home and safely reach your destination

Amen

Praying with humility

True prayer requires true humility, only then will it be pleasing to Me, for humility towards Me is also proof of love for Me, because love will never want to dominate but only ever be of help Anyone who therefore appeals to Me with a feeling of love in his heart will also be able to humbly approach Me and I will respond to his love and grant Him My grace However, anyone lacking true humility merely sends a fearful call to Me, Whom he certainly acknowledges in his heart but Whom he does not love because he has not become love himself and, because he does not love his neighbour, cannot receive love and grace from Me either. This is also often the reason why prayers remain unanswered, for I request humility of heart since it is the evidence of love for Me. Humility of heart excludes every arrogant thought, it excludes heartless actions, for love and humility go together and are not in opposition to each other. This is why a humble heart is well-pleasing to Me and which I will provide with grace and love in abundance. Profound humility, however, does not show itself in a person's external demeanour, for this is at all times abhorred by Me Humility towards Me only manifests itself in prayer and humility towards another person in helpful neighbourly love. External gestures, however, often feign humility while the heart does not feel it. I, however, look at the soul's motivation I won't let Myself be deceived by appearances, and therefore the sign of My grace will only rarely be found where an outward appearance of humility is given, where fellow human beings are intended to recognise such in gestures, in attitudes or humbly sounding words

I only pay attention to the humility of heart and these are the people I consider, although outwardly they assert themselves and don't display any kind of subservience. But anyone who actively engages himself in helpful neighbourly love will not elevate himself, he will always remain a servant of the Lord, for he complies with My commandment, he lives up to what his Lord requested of him, he subordinates himself to My will without having been forced to do so. And if he thus prays to Me his request will likewise be that of a servant to his Lord or that of a child to its Father, to Whom it subordinates itself in love and profoundly humbly entrusts its worries to Him it will not demand but request, which is a sign of

humility, the acknowledgement of the One Who should grant its prayer and its request will not remain unheard Pray correctly and your wishes shall always be granted request but don't demand remain deeply humble in your heart so that My grace can flow into you and know that I will never require an external gesture, that external gestures are never pleasing to Me because they easily become a cover for those who are not profoundly truthful, who want to deceive and whose hearts feel different than it seems. Therefore take no notice of them or copy them, but be of loving service to your neighbour and you will be graced by true humility of heart which will find My pleasure and which I will be able to reward with grace in abundance

Amen

Serious scrutiny and will for truth

All information must be scrutinised first before a person accepts it as absolute spiritual truth, that is, before it becomes his possession. And the sincere will to possess the truth must form the basis of this scrutiny. Consequently, he must turn to Me, the eternal Truth Itself, and appeal to Me for enlightenment of his spirit, for turning his thoughts in the right direction and providing him with the intellectual capacity to comprehend and form an opinion. And he will truly not be led astray by Me if he desires the truth You must remember that it is always and forever My goal to guide My living creations into truth, and that the human being can be certain of receiving the truth providing his will strives for it. I only need his will in order to convey the truth to him. However, where this will is not sincere, where it is merely replaced by words and thus his desire for truth is not recognisable by Me, as I Am even able to look into the furthestmost corners of his heart, the human being will hardly be able to carry out a serious examination and therefore not possess the complete truth from Me. All spiritual information is available to him, he does not defend himself against misguided teachings, but neither does he recognise the truth as such; he allows himself to be pushed into a traditional school of thought without actively investigating its value. Nevertheless, one day he will have

to justify himself for his thoughts and intentions because he failed to use his gift of intellect and thereby prevented his own spiritual ascent. Nor will he be able to use his conscientious observance of the rules given to him as an excuse, because the right relationship with the eternal Father makes every person also realise his task on earth, and once the human being has established this right relationship with Me, he will consider Me and My will more important than the laws he was given by those whom he regards as My representatives on earth. And he will give greater credence to My Words, because I influence the thoughts of those who want to be My true children in order to lead them into truth. I only require the human being's sincere will If it is inclined towards Me, then the human being will soon feel as My child and will willingly accept every gift from the Father's hand with gratitude, he will rather accept what he receives from Me Myself than from those who call themselves My representatives on earth. For the heart of a true child will always tend towards the Father's heart, it will take the direct path and won't try to attain the Father's love and kindness in a roundabout way. And I will also always cross its path so that it will be able to find Me with ease And what better gift could I possibly offer more gladly to My child than the purest truth? Those of you who have not yet established direct contact with Me, who still adhere to external formalities too firmly and don't want to relinquish them, should bear in mind that I Am not to be found in the external shell but that I want to be recognised within yourselves in order to then be present for you at all times. Engage your intellect and form a mental opinion about the information you receive from external sources. And call upon Me for assistance And I will help you to recognise what is right and true and liberate you from error, for only the pure truth will lead you to Me, only the pure truth will gain you eternal life And therefore you should diligently endeavour to know the truth if you want to become blissfully happy

Amen
