*Love 'He who remains in love remains in Me ....'*

In unity with Me you find your peace of mind. Your longing is satisfied as soon as you know yourselves to be as one with Me, if you have united with Me through love or heartfelt prayer sent to Me in spirit and in truth. Prayer is the will for unity with Me, activity of love, however, is the fulfilment, for 'He who remains in love remains in Me and I in him ....' Love is the most important .... and everything that is described as the maturing of the soul, the return into the Father's house and eternal beatitude depends on deeds of love .... And if you always only keep these words in mind 'He who remains in love remains in Me and I in him ....', if you always only remember that **I Am Love Itself**, then you will consider the fulfilment of My commandments of love to be the most important thing, and then you will endeavour to live a life of love in order to be thereby eternally united with Me. Love is everything .... it is redeeming strength, it is light, it is the divine principle, the centre of eternal order .... If a human being exists without love then he has completely left this order, his thoughts and activity are completely in opposition to God, he is spiritually blind, that is, he is ignorant, and he is unredeemed in the hands of the adversary who wants to exclude him from all happiness ....

I Am Love Itself, heartlessness is My adversary .... and anyone who therefore desires to be united with Me, who wants to attain Me **must** live a life of love, for then I must also be with him, because love is and has been My fundamental substance for eternity. I certainly bestow unlimited blessings, I certainly grant you what you don't deserve and don't strive for by yourselves, yet all My gifts of grace only intend to achieve one thing, that you shape yourselves into love, for even if I would like to bestow everything upon you .... you would nevertheless remain dead without love, without love you would remain judged beings .... you would only ever remain My living creations but never ever be able to become My **children**. Only love can accomplish My living creations' deification, only love can unite us, otherwise you will always just lead a miserable existence as isolated beings outside of Me. And this is why the first and most important commandment is to love God above all else and your neighbour as yourself .... And your spiritual state on earth as well as in eternity one day depends on your

fulfilment of this commandment .... This is why I instructed My disciples to go into the world and proclaim My divine teaching of love to humanity .... this is why I Myself exemplified to people on earth a life of love and sealed My teaching of love with the death on the cross, which I suffered on behalf of My fellow human beings because of My greater than great love .... because I recognised their infinite hardship and wanted to help them.

And as long as you humans ignore these commandments of Mine you will be unable to achieve beatitude, no matter how profoundly you humble yourselves in the dust before Me, pleading for My mercy .... My love for you cannot be exceeded any more and I want to win all of you over for Me, yet My bliss only consists of your reciprocated love, and you must grant this to Me voluntarily .... And your appeal for mercy has to be based on your desire for Me because you love Me .... and because you realise how far-away you still are from Me. You must try to reach Me, you must want to achieve unity with Me, and therefore you must live a life of love yourselves or unity will never be possible to achieve. Consider the fact that with every deed of love you draw the eternal Love Itself to yourselves .... but that It cannot enter your hearts if they are still completely contradicting God's fundamental nature .... You only unite with Me through love, and that is what you ought to bear in mind and seek to fulfil the commandment of love as the most important .... you ought to know that no human being can become blissfully happy without love.

Amen

*Redeeming work for souls in the beyond in God's will ....*

Put your trust in My Words and only believe that My love is watching over you and that I Am protecting you from all onslaughts by My adversary if you take refuge with Me during earthly and spiritual difficulties .... Your will also assures you My help and My protection. I only appraise your will, and according to this will you are either in My hands or in the hands of My adversary. If your will is directed towards Me and you desire to please Me you can also consider yourselves looked after by Me .... But if you want the world and its possessions then your will belongs to My adversary and

then he has also control over you which he, however, would never be able to have if you strive towards Me, if you look for and pray to Me in spirit and in truth.

Your faith is still weak, yet it will get stronger if you always just make the effort to live a life of love, and you will become increasingly more certain of the fact that My Fatherly love applies to all who are still unredeemed on earth and also pass away or have passed away unredeemed from this earth. All these souls suffer immense hardship and My love does not want to leave them in this adversity forever. And thus I create countless possibilities for them to escape their hardship but without determining their free will .... Nevertheless, I know every individual person's will and that of every soul in the beyond. I know when they are ready to take the path to Me, and I let you humans participate in the redemption work, since there is a tremendous amount of work to be done and every individual soul should be offered the opportunity to give up its resistance and turn towards eternal salvation.

Consider the immense number of souls which are still distant from Me, which have no faith and whom I therefore cannot approach because they don't believe in Me .... I constantly endeavour to provide these souls with the possibilities to come to Me by indirect means as well, and you humans can assist Me in this by taking care of these souls, by informing them of Me, because they are more likely to listen to you, providing they are at all willing to change their adverse situation. On the one side a regrettable lack of faith is evident, on the other side, however, a comprehensive work of salvation is taking place on the souls in the spiritual kingdom, because this work of salvation is mainly unsuccessful on earth. My adversary has great power over people on earth because they are too involved with matter and he tempts them with material goods. Many a soul in the beyond recognises the worthlessness of what it had pursued on earth because it experiences utmost poverty and darkness, and for that reason they can be easier won over, if only their faith can be awakened in them ....

And I truly have many ways which I implement and which are hardly ever unsuccessful. The situation of these souls in the beyond cannot be described to you exactly, there will always remain a layer which prevents your view into the kingdom of the beyond .... Yet you can believe that I look after all souls and for their deliverance also involve you humans if a

greater possibility for success is thereby assured. Anyone who wants to be of service to Me can certainly do so, and I will place him where his work will be successful ..... But you must always believe in My greater than great love and mercy .... Then you will also understand everything and you will no longer doubt the task which I give you .... Then you will gladly be of service to Me and also be convinced that your work is beneficial .... you participate in the redemption of countless souls from adversity and pain .... you show them the way to light and beatitude ....

Amen

*Awakened preachers ....*

My Gospel is certainly proclaimed throughout the whole world, and yet people are still so very distant from Me because it is not presented to them in a lively enough way, consequently they do not feel the strength which My Word is intended to impart on them. Not the mere letter but the spirit gives people true life. My spirit has to be effective in the preacher, only then will he speak such that his listeners will feel addressed by Me, then they will also accept the strength which will give them life .... they will wake up from their former dream state and live their earthly life consciously by striving towards Me. As soon as awakened preachers are at work it can also be expected that an awakening will take place amongst the listeners, and only then will the proclamation of My Word be a blessing .... whereas the repetition of My Words alone will not meet with any response in people's heart and thus they will bypass their ears without leaving any impression .... Hence, an awakened preacher is chosen amongst those who are called, who will never lack spiritual knowledge if he wants to pass it on to his fellow human beings .... For he receives from Me directly whatever he requires to work for Me and My kingdom .... He draws the water of life, which he wants to offer his fellow human beings, from the source, and he will indeed be listened to because the soul can sense that it receives My Word. The more intimately this proclaimer of My teaching is in contact with Me, the more lively he will be able to speak and, driven by My spirit, the more success he will be able to achieve, and this success will always consist of gaining souls which hand themselves over to Me, which have attained a living faith.

No lifeless preacher will be able to lead people into life, and preachers are lifeless as long as I Myself cannot be present in them, for then everything will only affect the human being's sense of hearing, it will not touch the heart, they will just speak dead words without life .... it lacks the life-giving spirit .... Yet I know hearts everywhere which are aroused in love for Me, which know no other desire but to work for Me, and I can be present in such hearts aglow with love and thus speak to people Myself, who then listen attentively because they feel My strength, because they feel seized by a power they are unable to resist .... who have to love even if they previously had a hostile mind. It will surely be understandable to you that I .... if I speak .... will have to have greater success than when a mere person speaks, even if he speaks on behalf of Me and My kingdom as well .... But I can only speak through a human mouth whose heart has come aglow with love for Me .... His great love draws Me to him and I won't resist such love .... I speak, and people feel themselves incapable of resisting Me, they let themselves be seized by My love and drawn to My Fatherly heart .... I can only express Myself through the mouth of an awakened person, and if all My servants on earth were awakened who proclaim the Gospel there would not be such great spiritual hardship amongst people, and I Myself would be able to address them Whom they truly would not resist for long. And I have called many to do so .... Yet only a few can be chosen as My instruments by Me, as shells in whom I can embody Myself, through whom My spirit can speak and My strength be transferred onto other people .... But wherever it happens there will be an obvious abundance of blessings, and My presence will not remain hidden from people who accept the Gospel due to their faith in Me Who, as Redeemer from death and sin, also wants to return their freedom to them again and therefore reveal Myself where My name will be avowed before the world ....

Amen

*Healing the sick ....*

*Signs and miracles ....*

*Evidence of faith ....*

I know My Own and I know their will, and corresponding to this will I call them to work for Me and My kingdom. Hence the kind of activity in My vineyard as well as My servant's nature differ, for everyone carries out the work which corresponds to his nature .... everyone serves Me in accordance with his ability, and I accept the service of anyone who is of good will and strives towards Me. Besides, human hearts are different too, thus the fields in My vineyard need to be treated in different ways and only I can make this judgment, Who knows the slightest stirring of a human heart which shall be used for a successful work of redemption.

I Am as recognisable in a storm as in the quiet rustling of a gentle breeze, the mightiest elements give evidence of Me and the softest breath bears witness to Me .... I Am always the originator, the source, the foundation .... Sometimes I Am barely discernible and at other times distinctly apparent but always recognisable by someone who wants to recognise and try to find Me .... And I always express Myself in accordance with people's needs, depending on their adversity and their ability to change .... What can result in a complete change of will in one person may well leave no impression at all on another, on account of which he will need greater evidence of My existence, which will then be given to him by My love in order to save him. But I Am also present where no external signs confirm it .... I Am just as present in the heart of a person who bestows his love and will on Me, and I will influence him gently and quietly, for he will need no obvious proof of My presence, he is aware of it and feels My nearness so clearly that he has the heartfelt relationship of a child to the Father and thus already owns everything he needs for his earthly way of life .... an unshakeable faith in Me and My love, which enable him to live in accordance with My will.

Where unbelief is so strong that Words alone will not suffice I will help with signs and miracles .... Yet this can also turn into a judgment for people if they lack the will to change themselves .... But the faith of the sick and unhappy merely requires an incentive in order to grow so strong that it will profess Me before the world .... Therefore I can reveal Myself in My

might and glory to the sick and unhappy, for most of the time they have already been purged by their illness and their souls can recognise Me easier if I come close to them .... The sick don't deny Me entry to their hearts, and if My Word is preached to them the effect on them is so powerful that the strength of My Word already has a beneficial effect, and they will get healed because they believe.

But unbelievers witnessing it and thereby gaining faith will first have to let it come alive through love .... And then it will depend on their degree of love how their faith will take effect, but their responsibility will be the greater if an obvious demonstration of My working will leave them unimpressed, so that they will have to believe after their experience but won't change their way of life as a result of their knowledge .... Therefore, don't wish for too obvious demonstrations of faith, for then you will receive an extraordinary grace which will also oblige you extraordinarily .... But if they are bestowed upon you then make use of them and take advantage of this grace in order to achieve a higher degree .... in order to then also speak on behalf of Me and My name before the world .... in order to be loyal labourers in My vineyard, whom I will bless for working for Me and My kingdom ....

Amen

*Hereditary sin ....*

Questions, which you would like to have answered, will have to arise in you time and again, then I can enlighten you as soon as you contact Me in heartfelt prayer and listen to what I say to you .... by regarding your emerging thoughts as My reply, if you are not addressed by Me directly through the voice of the spirit. Your desire and appeal to Me will ensure your correct thinking .... yet without Me you will not recognise the truth, without Me your endeavour for enlightenment will be futile, since without Me you will only have **misguided** thoughts which the powers from below will be able to convey to you .... precisely because you evade Me, Who is the provider of truth .... And thus listen to the following:

As long as you are not perfect you can only receive explanations in a **descriptive** manner .... You would never be able to understand the infinite

profundity of divine wisdom, you would never understand the reasons for My reign and activity, since your imperfection also means inadequate power of perception, and thus you are unable to find an explanation by virtue of your intelligence .... but you will be able to receive it in a flash as soon as you are permeated by the light of My love in the spiritual kingdom. On earth you will need to receive descriptive clarification, the processes that took place in My creation can only be described to you in line with your ability of comprehension .... And thus the spiritual processes in the hearts of the first people can only be intelligibly explained to you along the lines of earthly processes which, however, are but a faint comparison .... simply because you are still weak in spirit yourselves .... You humans are constrained by laws of nature because total freedom, which you forfeited through your past apostasy, first has to be regained by you during your earthly life .... For that reason I imposed a limit on the first human beings' will because I first wanted them to realise that they were **subject** to a Power and that they should voluntarily submit to this Power .... in order to then have their final freedom bestowed onto them. In the past they refused to acknowledge Me, which was the first sin, their opposition to Me from Whom they had originated .... Only voluntary acknowledgment could cancel this sin again. And I wanted to obtain this acknowledgment of Myself when I brought the whole of creation into being. As a result, the first human beings were endowed such that they **could** in fact recognise Me but were not compelled to do so .... And therefore free will had to make a choice which, again, should be tested against 'temptation'....

People had to see something they desired, while a prohibition and an enticement **at the same time** had to prompt them into a decision of will .... but, understandably, the enticement had to be linked to a promise, which they were then supposed to resist .... The prohibition and the enticement ensued from two sides .... since they involved the return of the fallen spirits to Me and their stay with My adversary, i.e., My created spirits achievement of their goal or their fall into the abyss again .... Consequently, the people had to have the desire within themselves and be offered the opportunity to satisfy this desire .... or to overcome it for the sake of a far higher goal: for eternal bliss with Me, which surpassed this earthly fulfilment of desire a thousand fold. Since regaining the deserted spiritual beings was a battle between Me and My adversary he also had to have the

opportunity to influence these beings' will .... only that he feigned illusive values and illusive happiness so that people should forfeit true happiness and a blissful life in eternity .... I knew of this temptation and therefore gave the first people a commandment with a simultaneous warning of eternal death .... This warning should have sufficed in stifling every desire in the people in order not to die .... And My adversary convinced them of the **contrary** .... he promised them **life** .... But they **recognised Me** as the supreme Power and yet followed the lie .... and thereby brought death into the world .... But what was it that made their desire so powerful that they succumbed to it? ....

They lived a blissful life in paradise, they were masters over all created things; everything was subject to their will and they felt happy in full possession of strength and power. And as long as this love was intended for Me and the partner there was no danger either that the test of will would fail.

But My adversary knew how to turn this love in the wrong direction .... He reversed it into selfish love by making false promises to them and thus kindling their desire to obtain happiness for **themselves** .... Their love became craving, selfish and low, and thereby they once again handed themselves over to the power of the one from whom they should and could have delivered themselves had they valued My **commandment** more than their desire.

You humans ought to understand .... that the time for Me to bless the first human couple had not yet come .... **Therefore** they became sinful .... for nothing is sinful that fits in with My plan of creation, nothing can be a sin that happens in lawful order .... and **the process of procreation** can never be **against** the order ordained by God. Yet the satisfaction of the senses without the will to bring forth life is no act of divine love, but it is selfish love kindled by My adversary which draws the human being down and totally submits him to his control .... The first human beings had fallen victim to this **wrong** love, and this **wrong** love was the sin, which in turn related to the original sin of arrogance .... which did not want to give itself but possess everything, which was the inheritance of its maker .... but which has nothing in common with divine love ....

Divine love rests as a spark in your hearts and can ignite itself into brightest radiance. But My adversary's goal was and is to reverse this love, and he has succeeded in doing so. What was pure and divine became soiled and changed into a love of self, which no longer merits the concept of `love' and can only be called lust, selfishness and love of self, and which is also capable of doing whatever My adversary wants you to do .... And thus the act of procreation became a means for My adversary to turn countless souls towards him, which would never have been possible had it taken place with My blessing .... where the divine love of giving and bestowing happiness should find its culmination in the emergence of a new life .... Hence the original sin consisted of the abandonment of pure divine love for the sake of impure selfish love ....

The divine spark in the human being was extinguished through satanic influence and replaced by a fire which destroyed everything that was noble and pure .... The senses became aroused and were driven into utmost greed, which in no way corresponded to My act of creation .... yet for the sake of My adversary's and My created beings' freedom of will it was not prevented .... since it is still up to the will of each individual person to resist this temptation by Satan .... The original sin was therefore not the act of procreation but the voluntarily ignited wrong and sinful love induced by Satan .... A happiness giving act of creation in the divine sense was reduced to a game of unclean spirits .... My adversary was permitted to take part in an act where I **Myself** wanted to be present in people with My blessing in order to increase the pure, divine love in them, so that it should also flow into the then begotten beings. And thus a new human generation would have arisen which would have found its way back to Me in increasingly brighter light without suffering and pain, which would soon have liberated itself through love, because it had to recognise Me **Myself** where love shines forth .... The first human beings could have passed this test of will .... but since I was struggling with My adversary for the human souls I could not prevent him from using means which would ensure his victory. For it involved My created beings' return in completely **free will** .... which, however, had failed and resulted in a fate for the whole human race from which it could not free itself anymore .... Until a human being in pure divine love achieved the act .... which redeemed all of humanity and

opened the path of ascent again .... For love is victorious and will not rest until even the last fallen being has found the way back to Me ....

Amen

*Apparent calm ....*

*Exceptional strength ....*

*The coming of the Lord ....*

I want to reward your loyalty to Me, which you demonstrate during the last days before the end, with an exceptional influx of strength so that even the most difficult situation will seem bearable to you, so that you will be capable of persevering until I Myself come to fetch you. You will manifestly experience your Father's love, feel My presence and therefore come to Me with every problem .... You will remain so closely connected to Me that you will expect the end fearlessly and certain of victory and only think in a spiritual way, that is, you will regard all experiences in view of your spiritual development and, therefore, also understand why everything that you experience has to happen. Then you will see how easy even the most difficult fate can be if you travel your path with Me .... This is why no-one need fear the last days if he feels connected to Me, wants to belong to Me and never excludes Me in every undertaking. World events will run their course .... calm will seem to have been restored, yet it is only the calm before the storm which will befall earth when it is least expected. For Satan will cause havoc amongst the human race and will not rest until he has turned everything upside down, until he has succeeded in confusing people to such an extent that they will increasingly turn against each other, that they will violently confront each other, excel each other in heartlessness and thereby give him great power which he will truly exploit in a frightening manner. And My Own will be particularly attacked by him, because he will incite people into persecuting you for the sake of your faith .... This will alarm and frighten My Own, yet as soon as they merely remember Me they will receive the necessary strength and go into battle, for they will know that they are fighting for Me but that I lead the way as their commander-in-chief, that they are fighting on My side and that they cannot lose the

battle even if they are far outnumbered by the enemy. Anyone who wants to remain faithful to Me will also be able to do so, for I will not abandon him and he will truly not come away empty-handed if he appeals to Me for strength and support; for if a person's will belongs to Me he is already My Own, and I will never let him fall into My adversary's clutches again. You humans can safely count on a difficult time ahead of you which will require all your strength .... Yet you will not be left without warning, time and again you will be informed from above and when you see how everything I foretold you comes true you can already draw strength from it .... Your faith will grow increasingly stronger and thus you will also confidently expect My coming .... and truly not in vain, for once the earthly adversity threatens to become unbearable I will snatch you from your enemies' hands and take you away .... They will not gain victory over you, for I will bind My adversary and all those who are enslaved by him .... as it is proclaimed in Word and Scripture ....

Amen

*Proclaim My Word to the world ....*

*(17th anniversary of receiving the Word)*

Thus I spoke to My disciples and filled them with My spirit so that they could proclaim Me and My teaching because they constantly heard My Word within themselves and then became living heralds of the divine kingdom .... They could never have accomplished this task had they not been in contact with Me through My spirit whose voice they listened to and whose guidance they followed. By the Word they knew Me and were conscious of My presence .... And if I now, in the last days, want My Gospel to be proclaimed to people, it again has to happen such that I choose disciples for Myself who are also able to hear My voice, who therefore allow My presence within themselves and let Me speak to them through the spirit. Therefore, it is not My disciples speaking to the people to whom they bring the Gospel but I Myself address My earthly children with My Fatherly love to bring them salvation, encouraging them to turn back before the end because they are not on the right path and are losing

**BD 5976**

their way again into the abyss. Human words would not achieve this .... My Word, however, can penetrate and cause enormous upheaval in a human heart because My Word has an incredible effect if it is not openly resisted. Where it is possible to speak to a human being Myself .... if only by way of My chosen instrument .... there is also hope for success, because this, too, requires a loving person, a mediator .... whose love overcomes the opposition .... just as I can only speak through such a person because his love permits My presence. My first disciples were filled with love for their fellow human beings, and similarly I shall choose the right disciples for Myself in the last days because it is necessary that My voice shall call to earth as a last reminder and warning. I want to proclaim My Gospel to humanity once more to save them before the Last Judgment .... to bring them salvation ....

And thus speaks the Word that is God Himself .... because I Myself Am the Word .... And when you hear My Word, I Am with you Myself. You don't hear a human being, you hear the Spirit of Eternity Who, in His power and love, called you into being and Who will always be connected to you through His Word .... And you should want to belong to this eternal spirit of love, for this reason He constantly appeals to you with His Word that you should listen to Him, recognise Him and completely give yourselves to Him. He wants to give you, whom He created in His love, unlimited happiness which you can only endure if you become light and strength yourselves .... which My Word should therefore achieve for you .... And wherever a loving heart allows Me to enter I will speak to you always and everywhere .... where My spirit is not rejected when it wants to express itself .... there will also be the Spirit of Eternity, Whose love includes all His living creations since the beginning ....

Amen

*Important mission ....*

*Spreading the Gospel ....*

Your mission is so important because My teaching shall be preached in all purity, for that which I once gave to people did not remain pure but became progressively spoilt so that it no longer contains the strength which can be found in My pure Word. But people urgently need this strength flowing to them from My Word .... they are weak and incapable of developing further and I can only give them strength by having My Word imparted to them .... as unspoilt and pure as it originates from Me. Only this Word is capable of giving them strength, only this Word is the right kind of nourishment for the souls which enables them to mature fully, which gives them strength. This is why no-one can attain eternal life without My Word, and therefore I convey it to people in a way which seems unusual and yet is an entirely natural process .... by speaking through a human mouth Myself, I Am speaking to all people and thus the absolute purity of My Word affects the ears and hearts of those who willingly listen to it .... Indeed, you only hear one person speak yet they are not his Words, it is not his doctrine which he offers to you .... it is really and truly the emanation of My love which you may take hold of because it is I Myself Who speaks to you .... It is I, of Whom it is written 'Behold, I stand at the door and knock .... if any man hear My voice, and open the door, I will come in to him, and will sup with him, and he with Me ....' I want to give you the bread of heaven, I want to revive and refresh you with nourishment which your soul is in urgent need of ....

I want to strengthen you and bring salvation to your soul .... It want to provide it with what it needs in order to become blissfully happy. There is immense hardship on earth; it is a drought which leaves the souls without sustenance, so that they starve and in their utterly weakened state are unable to lift themselves off the ground .... And I know of this hardship and want to help people. From My hand they shall receive the invigorating nourishment, I Myself want to entice them to the font where they can draw the delectable water of life and thus gain renewed strength .... and all adversity shall have ceased for the one who accepts what I offer to him: My Word from above, which I impart to those of you who want to be of service

to Me, which shall be passed on through you to people in order to help them .... My Word, which is only effective if it can touch the heart in its pure form and without being spoilt and which thus shall be spread anew throughout the world by disciples I choose Myself .... For the hardship is immense and My love wants to help .... it wants to heal the sick and strengthen the weak; it wants to give life to those who are dead and therefore convey the flow of life into barren land .... In the last hour My love still wants to wrest from death the souls which cannot resist it and through My Word make them blissfully happy ....

Amen

*Change of the true Gospel ....*

*Followers? ....*

You are being taught the pure Gospel and are learning to recognise the difference between My pure Gospel and that which is now taught on earth as My Word .... You are learning to recognise that My Word has been changed to the extent that it is interpreted and consequently observed differently .... that far too little attention is given to what is essential whilst the unessential is emphasised, and thus little spiritual progress will be achieved. I have shown people on earth the only feasible path by teaching and exemplifying My teaching Myself, by walking the path which all people should walk in order to reach Me .... It is the path of love, only by taking it will the human being be guaranteed the kingdom of heaven, that is, after his physical death he will be able to enter the spheres of light where the soul will blissfully exist close to Me .... My teaching has become a deviation .... it can only still be found hidden in a structure of human additions, wrong interpretations and the observance of unimportant commandments, which were never given by Me to people but which present the great danger that the only essential commandment will be disregarded and thus not acted upon.

It is of no use to you humans when you castigate yourselves, when you perform duty bound actions or confess Me with your mouth if you do not recognise the commandment of love first and foremost and act accordingly

.... You believe that you worship Me with your countless ceremonies, and yet you can only worship Me by doing what I ask of you .... And I ask of you to love Me and your fellow human being .... As long as you find that you lack love when you honestly look at yourselves, you are not yet on the right path, even if you go down on your knees daily and hourly and beat your chest .... This is demanded by people and only serves people too, whom you want to convince of your piety ....

Yet you are still far removed from true piety as long as you do not accept your fellow human beings with love, which also demonstrates your love for Me .... as long as you let your fellow human beings next to you live in utmost hardship and distress, as long as you do not attempt to help them first before you flatter yourselves with outward gestures .... before you pay homage to the world through mundane pomp, through everything that you call 'in honour of Me'. I do not want to be worshipped this way while there is still hardship crying out for Me, which you humans could certainly ease if you etched My commandments of love into your hearts .... As long as I lived on earth I cared for the needy, the poor, the sick and the oppressed .... You, who claim to be My followers on earth .... what are you doing for these needy, poor, sick and oppressed people? As long as you can help but won't, you are not My true followers even if you call yourselves such.

I only value the fulfilment of My commandments of love, since everything else .... profound faith, recognition of pure truth, unification with Me and, finally, eternal bliss .... are the results of love and can never be gained without love. It is already evident from this as to why there is such great spiritual hardship on earth, why people are without faith and live in error .... My pure teaching is the teaching of love, which I taught on earth. The moment this is taught as well as practised you humans will live in truth and will have started on the path which follows Jesus .... However, if you ignore these commandments you could outdo each other with external deeds .... you will not achieve any progress for your soul .... you will continue to live in error and take this into the spiritual kingdom, since I only value the degree of love attained by your soul until the time of your death ....

Amen

*Last Judgment is an act of divine love ....*

The Last Judgment also has to be considered an expression of God's love, for this, too, is based on the continued development of souls which had failed their last test of earthly life and which have to be placed into a new developing process in order to reach the final goal one day. Hence the Last Judgment is, in a manner of speaking, a finalising rearrangement of what had become disorderly .... it is for judging and integrating it into the various forms which correspond to the soul's degree of maturity .... it is the conclusion of one developmental period and the beginning of a new one in line with My plan of eternity which is based on profound wisdom and love. Even a **judging** God remains a God of love, because My justice is only able to take effect as My love deems beneficial for the soul and yet compensates the wrong thoughts and conduct of people who become subject to this judgment. Even the greatest sin will somehow have to be atoned if it hasn't been handed over to the One Who offered Himself as a sacrifice of atonement .... A balance has to be created in order to diminish this great guilt, and precisely this balance is guaranteed by the Judgment .... by placing the soul, having become sinful, into a situation where it **has to** reduce this guilt, since it had not voluntarily accepted the gift of atonement ....

The Last Judgment is by no means an act of divine wrath but just an act of love which also expresses My justice .... since this cannot be excluded from a supremely perfect Being. I could certainly let each person feel My righteousness separately, I could more or less punish every sinner immediately .... but this would not correspond to My wisdom, and in that case My love would hardly be recognisable. For I Am exceptionally long-suffering and patient and postpone a judgment, like the one at the end of a developmental period, for as long as possible, in order to still gain people for Myself beforehand .... And I place My protective hand over the unrighteous and wicked, because I wish to defeat them with My love and not be feared by them as a punishing God .... But once the point in time has arrived when I restore order, because there is no further hope of a voluntary return to Me, My love seemingly has to withdraw and yet, it alone is the driving force ....

My love brings a satanic situation to an end and prevents further destructive activity by My adversary .... I rescue souls from falling into the deepest abyss .... I constrain them within solid matter again and thus place them into the developmental process once more .... a judgment which yet again only intends Salvation and not everlasting death .... and which therefore indeed even more demonstrates My love for everything I have created .... for everything that is dead and shall attain eternal life ....

Amen

*Resurrection of the flesh ....*

The will for truth guarantees correct thinking and correct understanding .... You, who want truth, will receive the purest truth, you need not fear any error and thus will always be blessed if you want to spread the truth. Let Me know what you cannot understand as yet .... what gives rise to doubt .... and I will teach and enlighten you ....

The doctrine of the resurrection of the flesh .... as you humans would dearly like to understand it .... becomes untenable as soon as you have penetrated spiritual knowledge to some extent, as soon as you have come closer to the truth and tried to explain the meaning of My Words in a spiritual sense. What I said is eternal, unchangeable truth .... but the meaning you try to read into it is truly not in My Word .... But every person will be able to grasp the spiritual meaning of My Words if only he sincerely strives for truth. Anyone who prays to Me Myself for understanding, who tries to penetrate the truth, will soon plainly and clearly realise the spiritual meaning of the Word, and he will not get stuck to the letter .... `Resurrection of the flesh ...' These words mean the same to you humans as `life after death'...

To you, the word `life' has the same meaning as `to live in the flesh' as long as your spirit is not yet awakened, as long as the real meaning of `life' is still unknown to you. People who do not believe in a continuation of life believe that their existence ends with their physical death. Being in their physical body means `life' to them. However, they know that they will lose this shell through death but they do not believe in a trinity of body, soul and spirit .... Only the body exists for them, the `flesh', and once this has

died the expression 'life is over for them. Resurrection of the flesh signifies the resurrection of the body to them. They only associate this with their physical body, and it is a difficult doctrine .... the 'resurrection of the flesh', which people are expected to believe ....

Nevertheless, it can be a blessing if, due to this teaching, the human being believes in resurrection .... in life after death. As a result of this belief he will also change his nature and this change can result in an awakening, in an illumination by My spirit .... And then he will also understand the Word 'resurrection of the flesh ....' Then he will comprehend its spiritual meaning .... Resurrection means: to awaken from death into life .... to arise from a state of sleep .... to step out of darkness into light .... And thus, for the first time, everything that was concealed by the darkness of night will come into light .... It will arise and reveal itself .... it will come alive in order to bear witness .... In the state of death nothing happens that could be declared. However, what happened in life, in the state when you lived on earth in the flesh, now becomes evident, it reveals itself, it arises to give evidence for or against you .... And not, that the physical body of flesh rises again from the dust in order to shroud you once more for a new life. For this body of flesh is just a transient shell for the immortal soul, which cannot die but it can be spiritually dead on its departure from earth. Nevertheless, it can still awaken to life in the spiritual realm .... thus still rise from the dead even there .... if it finds its way to Jesus Christ, Who will then give it 'life'....

Even Jesus became flesh when He came to earth, and even this flesh had to suffer earthly death. Jesus rose from the dead to confirm to you that your life will not end with the death of your body, that your soul, too, can arise to eternal life .... but to confirm the truth of His Words He let His body rise from the dead too .... and yet, it was not a resurrection of the flesh, for His body had spiritualised itself. The soul had donned the garment of the spirit and withdrawn all spiritual substances from the earthly body since, due to His life and death, it had already become completely spiritualised .... Thus the body's physical substances, which are essentially spiritual substances too, had already achieved their final objective on earth and thus could join the soul and .... because it had been Jesus' will .... also become visible to His disciples in order to strengthen their faith. And since a perfect spirit is not earthbound, Jesus could rise into spiritual spheres .... when He ascended to heaven ....

You humans, too, will have a body after your resurrection .... a spiritual garment, and this will be in accordance with your flesh, for `you will reap what you have sown ....'If you have sinned in the flesh, the garment of your soul will give it away. If you have done good works out of love, you will be radiant and thus recognisable too. Yet your soul will never again put on the heavy earthly garment, which was its abode during the short earthly time in order to be able to survive in the material world .... Anyone who knows the meaning and purpose of the material creation, who knows about the fallen spirits' development through this creation for the purpose of ascending to Me, will not need such explanations, but he needs to be able to refute a doctrine which is absurd due to wrong interpretation ....

But if you absolutely want to speak about the resurrection of the `flesh', let the explanation suffice you that My Word will rise again to bear witness for or against you .... I Am the Word that was made flesh .... and I approach every human being in the Word .... And when the last day has come, when every one of you will have to be judged, My Word itself will judge you .... you, who received My Word and considered it in accordance with your will .... The flesh will rise again .... because it was offered to you as nourishment, you were meant to `eat My flesh'and `drink My blood', you were meant to accept My Word eagerly and let it strengthen you ....

And you will have to justify yourselves before Me how you have used My gift of love. This explanation also corresponds to the truth, and it should encourage you to use your life in the flesh on this earth by accepting His food and drink, Who is the eternal Word that became `flesh'for your sake ....

You will find wisdom shining forth from every explanation, even if you humans have not yet penetrated into spiritual knowledge. And if your spirit is awake, you will readily accept every one of My explanations, for they will satisfy you, whereas the wrong interpretation of My Word will only stir a will of resistance in you and must do so, because this wrong interpretation stems from My adversary whose aim it is to confuse a person's thoughts, to divert him from the truth and to remove any belief in life after death. A wrong interpretation such as this also proves the spiritually low level of people, and also of those who bring My Word to them even though they have not yet penetrated the meaning of My Words themselves .... The letter

kills .... only the spirit gives life .... And all of you should ask for this spirit, you should pray for enlightened thinking and strive for pure truth, and your prayer will certainly not go unheeded ....

Amen

*Arbitrarily taking one's own life ....*

You humans are granted a certain length of time for your final deliverance from bondage .... for the ultimate release from the form .... Yet the duration of this time varies such as I had recognised to be good for your soul. Your earthly life is not finished by Me arbitrarily, yet I know the maturity of every person's soul and thus I also know the risk of a decline or the possibility of further progress on earth.

And My love and mercy also ends a human life prematurely in order to prevent the soul from regressing .... or I can see the possibility of a change in the last hour and therefore prolong the natural life, always in wise counsel, for everything that serves the benefit of the soul is known to Me .... And now you will understand that your own ending of the body's life is a serious offence, that you commit a sin, that you act in advance of My love and mercy and don't utilise the opportunities which were offered to your soul to reach perfection ....

You interfere with My plan of Salvation and cause such damage to your soul which one day will trigger immense remorse and self-reproaches in you, yet which no longer can be put right in the kingdom of the beyond, for the advantages you should and are able to utilise on earth can never be offered to you in the kingdom of the beyond again. You have irretrievably forfeited something, even if you still succeed in improving the state of your soul by then striving to ascend ....

Yet there is a great danger that the soul will descend .... that it will rebel, just as arbitrarily taking its own life was a rebellion, and that it will continue to stay in opposition. Such souls require a lot of help as not to be lost for an infinitely long time, yet they, too, only get what they want.

I will truly help everyone, even in utmost adversity, which is instantly lessened when the person just thinks of Me, when he just calls upon Me for

help .... And adversity is, after all, only a means of directing your thoughts towards Me, so that you then will also be able to gain success from your earthly life .... Adversity will not befall a person without reason, for his soul is in danger from which it shall escape by means of this adversity. And the more its stance hardens against Me the more it is at risk, in order to finally defy My will and throw away the life which it was granted by My love and grace for its final redemption. For the embodiment as a human being is a grace for the soul .... a gift of My love .... it is the last step towards ascent which it is allowed to take in order to become eternally free and blissfully happy .... The soul has almost reached its goal and is therefore responsible for its actions if it does not utilise this gift of grace but throws it away in blindness of thought.

Every movement of a human heart is known to Me and I truly judge righteously .... I take the weaknesses of My living creations into account yet it is not without their own fault, and the human being's free will incriminates him if it was wrongly orientated, thus was abused. The human being is unable to end his adversity by his intervention, he will have to continue suffering because of it, he will not be able to escape his distress, and that is why the soul will suffer inexpressibly in the kingdom of the beyond .... until it can master it in the same way as it should have done on earth .... until it takes refuge in the One Who is Lord over suffering and adversity, because He is the victor over sin and death ....

Amen

*The church of Christ ....*

The congregation of Jesus Christ is made up by all believers who see in Jesus Christ their Redeemer, who believe in Him as the Son of God, Who descended to earth in order to offer the sacrifice of atonement as a human being for the whole of the human race .... and therefore want to follow Him .... The 'church of Christ', which He Himself founded on earth, has to be understood to be all profound believers; all, who seriously strive to be active Christians; all, who are not just Christians observing formalities; all, who have a living faith and consciously place themselves under the

cross of Christ .... Jesus Christ must be acknowledged by the members of His church, and from this acknowledgment arises their duty to live in accordance with His teaching .... thus to consciously live a life of love, as He Himself exemplified to people and requested with His call 'Come and follow Me ....' Anyone who complies with this call and acknowledges Him also belongs to the congregation which is described as the 'church of Christ'.... This is the invisible church which nevertheless can be and indeed is represented in every denomination because there are people everywhere who believe with heartfelt love in Jesus Christ, who are also absorbed by love for their fellow human beings .... who can be called true Christians, because they demonstrate by their way of life their affiliation to Him, Who crowned His activity of love with His death on the cross.

Hence this congregation exists wherever true Christians reside .... for they all belong in the church of Christ, and wherever two or three such Christians come together in His name He will be in the midst of them, the founder of the church of Christ, and will permeate them with His spirit .... Consequently their thoughts and words will also be right and even more relevant than the word of a preacher who is as yet not a living representative of the divine doctrine of love, whose words are not yet revealing his inner life, the spirit, which is the characteristic of the members of the church of Christ .... And this spirit will always express itself by plainly and clearly preaching and interpreting the Word of God .... which can also quite naturally take place in the smallest circle as a simple conversation wherever members of the church of Christ are together. For nothing of an external nature will confirm this membership except the individual person's spirit of love who strives towards Jesus Christ with a living faith in Him as the Son of God and Redeemer of the world, in Whose human shell God embodied Himself in order to redeem humanity from sin and death ....

Amen

*Silent prayer ....*

*Public confession ....*

Let those who worship Me do so in spirit and in truth .... Only what comes from the very bottom of your heart is pleasing to Me and will also reach My ear .... Hence, I only look into a person's heart and disregard the words spoken by the mouth if the heart is not involved. If you are able to completely withdraw from the world in order to enter into heartfelt dialogue with Me, then you are already praising Me without words through your willingness to make contact with Me, then you are sending Me in thoughts a silent prayer, a true worship, which will be a great blessing for your soul, for the connection with Me lets you gain strength and grace which is experienced by the soul as help for its maturing. This sincere form of prayer is the true prayer which is pleasing to Me, for then you have voluntarily approached Me so closely that the strength of My love can touch you, drawing you ever more affectionately towards Me. If you want to speak to Me then the spoken word is truly unnecessary, for this can easily intend to hide or pretend something, which I certainly recognise but which need not be evident to another person who allows himself to be easily deceived and then will use the same form of prayer himself ....

Step into your closet if you want to pray .... Withdraw into complete silence, you will be able to find Me there far easier and communicate with Me like a child with its father .... And you will tell Me everything without fear and in childlike trust .... And your requests will be granted to you because then your prayers will reach My ear .... For I have promised you this with the Words 'Come unto Me all ye that labour and are heavy laden, and I will give you rest'.... Thus I will keep My promise with anyone who comes to Me, and this more evidently so the more trustingly he approaches Me, the more intimately he unites with Me and entrusts himself to Me in silent conversation. The spoken language is intended for your communication amongst yourselves .... But I don't need words for I know everything, I look into your heart and read your thoughts, and thus you cannot deceive Me no matter how beautiful your words are .... just as no words are needed if you want to exalt and praise Me .... because a silent expression of thankfulness,

a humble call upon Me, a life after My will, a faith made alive through love will truly please Me and include praise and thanks as well.

Yet you shall confess Me to your fellow human beings with your mouth .... Where it concerns your attitude towards the faith you shall confess Me freely and openly and not fear the consequences of your courage of conviction .... For this confession shall in turn be an incentive for your fellow human beings whose faith is still weak, and at the same time it demonstrates that you support the truth, that you don't want to give an outward impression which does not concur with your inner thinking, with your conviction. You shall always be true and put Me and My name above all else if this confession is demanded of you ....

But whatever you want to tell Me Myself can be presented to Me by you silently and in secret, for I want to hear the voice of your heart and not just words spoken by the mouth without the involvement of the heart. And such prayers are tremendously powerful if they are sent to Me in unison .... if people come together imploring Me to grant a particular request .... if they all appeal for the same, if they send the same plea to Me, and even if it is just a short call .... I will hear it and grant it if they pray to Me in spirit and in truth ....

Amen

*Various gifts of the spirit ....*

The spirit of God manifests itself in various ways, since its working depends on a person's ability, on his spiritual maturity .... and it also depends on his disposition which spiritual gift will be given to him. The receiving of a spiritual gift always presupposes that you are shaped by love, thus a voluntary total transformation of the being. God's spirit can only flow into a suitable vessel .... a vessel, which thus has been prepared for the reception of the divine ray of love through unselfish deeds of love .... Anyone who has not yet achieved this transformation into love cannot expect a gift of the spirit. Consequently, the gifts of the spirit are always merely the result of a loving way of life and never arbitrarily granted gifts .... They have to be 'endeavoured', which anyone could do but which is rarely done. The

way God's spirit takes effect depends on the task given to a person who was shadowed by God's spirit during his earthly life, which God's wisdom certainly recognised to be beneficial for humanity but nevertheless requires the human being's free will. God truly knows who wants to serve him and how that person shapes himself, He will therefore place him where he is able to work most effectively ....

People in the last days have to be shaken up since their thinking will become completely superficial, thus they will need to be extraordinarily impressed in order to disturb their contentment. But even unusual phenomena have a completely natural explanation, yet what appears to be natural to one person is inconceivable to another because he is spiritually blind. Hence these 'spiritually blind' people will be confronted by someone with 'vision' who can detach himself from his earthly tie and, as you might say, be lifted into the spiritual realm, and who returns from this spiritual realm to earth with a gift which cannot be gained in an earthly way .... He will work with powers which enable him to achieve the seemingly impossible .... by way of the Word he will be able to heal the sick or see the future clairvoyantly, he will possess profound wisdom and thus will also be able to inform his fellow human beings .... or he will know what is otherwise concealed from people .... He will be able to speak foreign languages .... the working of the divine spirit will clearly manifest itself .... but only in order to gain people's souls for the spiritual kingdom, because the spirit of God only affects people spiritually and does not promote earthly interests. Hence the holder of a spiritual gift will always be a labourer in the vineyard of the Lord ....

As a result of this gift he will be God's representative on earth who wants to establish and increase His kingdom and has made it his task in life. God's spirit will only manifest itself noticeably to other people through His willing servants, although every person can be permeated by His spirit and thus is also able to understand clearly and precisely and be qualified to pass his knowledge on to other people. Nevertheless, people only receive in accordance with their will, and a prerequisite for receiving an obvious gift of spirit is their willingness to work for God and His kingdom. For God wants to reveal Himself through people to all of humanity. God wants to be recognised in His working, hence a person has to act as an intermediary as long as God cannot approach people Himself, as long as unbelief and

spiritual blindness make this utterly impossible. It follows that God reveals Himself through His spirit, which manifests itself through a human being, in order to guide people into faith, to enlighten them, to make them see the light shining from above onto people .... in order to let them know the purpose of their earthly life and to illuminate the path to the goal .... All spiritual gifts only serve to influence people's souls in the divine sense. Then powers will be released in a person which clearly testify of a divine influx .... the influx of strength that originates from God .... the strength of divine spirit ....

*Speaking in tongues ....*

*Warning against wrong spirit ....*

And then the human being will accomplish things which seem unnatural to other people, which far exceed a human being's natural ability .... He will know about things which are usually hidden to people, he will be able to clarify matters convincingly and comprehensibly to his fellow human beings, which a person cannot ascertain with his intellect alone .... he will be able to enter regions which are inaccessible to others .... He will have the strength to cure the sick, to perform miracles or even be able to see the future clairvoyantly, abilities will become evident which he never developed in himself .... he will speak and also understand foreign languages when it is necessary and beneficial for other peoples'spiritual development .... He will be influenced by divine strength in every way .... but will generally only have one of these gifts, since the requirements vary for each spiritual gift and all requirements are rarely found in one person. But each spiritual gift has to fulfil its purpose, i.e. it has to be possible to derive a benefit from each one .... The gift of healing the sick, apart from physical recovery, will undoubtedly also contribute towards the souls'recovery, since people learn to believe in the power of the spirit, which is activated by the healer's as well as the sick person's firm faith. Predictions of future events, too, can motivate people to change their way of life, to do penance and return to God, because these predictions only ever relate to the earthly consequences of people's

spiritually low level .... Proclaiming the truth through the divine spirit also contributes towards the awakening of faith and a change of lifestyle, and again, should be regarded as a purely spiritual factor of utmost importance. Only what contributes towards achieving spiritual benefit can be described as the working of the spirit, because whatever originates from God can't be anything but illuminating .... It has to bring light and reveal the ambiguous, it cannot emanate even more darkness than is already amongst humanity ....

However, God's spirit can also affect a person in order to remove his state of darkness, to kindle a light in the person's heart .... to reveal the soul's layers, so that the soul rejoices and cheers and praises its God and Father, Who bestowed it with enlightenment. This influence applies more to the soul than the person's intellect, hence the spiritual gift need not be perceptible to people, but it occasionally affects the outer person so intensely that he tries to express himself with incomprehensible words .... People call this process 'speaking in tongues', but it always just affects the human being himself .... it is a gift of the spirit which almost every spiritually awakened person can call his own but only in rare cases is it so intense that other people notice a change. For every spiritually awakened person feels the contact his soul experienced such that his soul raises itself to God praising and thanking Him, that it gives itself to Him and finds inner peace and beatitude .... Then his inner ego communicates with God in thought, then he will constantly talk with God without words .....

Everyone should endeavour to gain this spiritual gift for themselves in order to speak to his fellow human beings on behalf of God and His kingdom, in order to accomplish the redemption work himself as His co-worker, which is blessed. But beware of the wrong spirit, because this, too, makes itself perceptible wherever it can slip in, where pride, self-satisfaction and need for recognition still prevail, thereby offering this spirit the opportunity to express itself in a manner that seems equally unusual. But instead of light it only leaves confusion and agitation .... caused by conditions which are off-putting to serious fellow human beings and only result in joy and approval in those who belong to this spirit themselves. Therefore: Do not believe every spirit .... and scrutinise it by taking notice of the gleam of light, of its intensity of light .... Because God is light .... what comes forth from God

is light .... and therefore divine gifts of spirit categorically have to leave an effect of radiant light, otherwise they are Satan's works of deception, which he will particularly use during the last days with the intention of dazzling people's eyes as well as their souls in order to plunge them into even greater darkness and render them unable to recognise the true light ....

Amen

*Everything serves to attain perfection ....*

Regardless of what confronts you in life it will serve you to attain spiritual perfection .... Yet it is up to you yourselves as to whether you also make use of all encounters. The correct attitude towards all happenings concerning yourselves and your surroundings will further your development .... whereas the wrong attitude will bring it to a halt .... The right attitude, however, consists of the fact that you look for the bond with your eternal Father, or strengthen it if you already have found it. Then everything will be a blessing for you, even the greatest sorrow .... Spiritual advancement can only ever be possible through overcoming, fighting or humbly submitting to it if it is not possible to surmount it .... And My strength must always be requested for this because you are not strong enough on your own. The request for My strength requires your contact with Me and will also assure your spiritual progress. I always truly endeavour to draw you towards Me, to turn your thoughts to Me, and if you won't do so of your own accord when you are urged by your heart to seek Me then I will have to affect you such that adversity must encourage you to come to Me .... or .... if you are volitionally already My Own .... I want you to hold on to Me ever more sincerely, in that case your adversities will come upon you so that you will join Me ever more closely. The connection with Me guarantees your soul's ever-increasing spiritualisation, for wherever I Am present everything else is excluded .... where My presence is longed for there is no more room for earthly desire.

And this is all I want to achieve when I allow you to get into difficulties, to endure suffering and feel weak and without strength. The Giver of strength is always at your disposal, yet My strength can only flow into you if it finds

a receptive vessel, which your will must thus open itself. This is why you need not fear earthly hardship, for you can resolve it yourselves with My strength, which is more than amply available to you .... Surrender to your destiny and know that I stand above it all, Who can change everything in an instant. What today still weighs you down can tomorrow bring you joy .... if you entrust yourselves to Me, if you unite yourselves in prayer with Me and thus the spiritual purpose of every adversity will have been achieved .... by having come one step closer to Me again, Who wants to be aspired to by all My children so that the strength of My love can permeate them and they can safely proceed to ascend ....

*Compassion ....*

You expect compassion from Me and should therefore also grant it those who ask you for it .... You should consider that you are all sinful and that My mercy and compassion protects you from the fate of going astray forever .... Consider, that My death on the cross was an act of compassion of immense proportion, for I took pity upon your adversity which was caused by your own fault .... I took pity on your weakness and your darkness even though they were the just consequences of your sins .... My love for you was greater than My righteousness, My love accomplished an act of profound mercy .... it took upon itself your guilt of sin and atoned for it. Hence, you, too, should practise mercy, you, too, should overlook your fellow human being's fault and only see the immense hardship he got into and help him to rise above it again, always remembering that you, too, experienced My mercy or have to lay claim to it if you want to attain forgiveness for your sins .... Your love must be so great that you dispose of all guilt in order to help your brother. Your compassion should start where justice would like to come to the fore .... because all of you, without exception, need My mercy in order to be redeemed from your guilt. An act of compassion is the evidence of genuine neighbourly love, it is proof of a gentle and sympathetic heart which may always count on receiving mercy from Me as well, for wherever I detect pure and unselfish love My love is always

willing to help. Therefore, don't harden your hearts even if a rejection seems to be justified .... Practise mercy and act as you would act towards a fellow human being who innocently incurred destitution .... Grant him love and be willing to help him in every way. Try to ease his fate and know that you thereby awaken love in return and can achieve far more .... that, spiritually, you do him a favour too; for his soul will sense your love and feel urged to respond to it .... And where love is kindled, there is also hope for redemption ....

*Concept of eternity ....*

*Perfection ....*

Infinitely long periods of time have passed in which My creative will has been active in order to guide the estranged spirits back to Me .... Infinitely many creations have thus emerged which were intended to make this return possible, and countless souls have reached their goal to dwell with Me in the light again .... Yet far longer periods of time will be necessary until all spirits have travelled the path back to Me. For innumerable beings came forth from Me and once strayed from Me of their own free will.

These are eternities, periods of time the duration of which is inconceivable to you humans, and therefore the word `eternal' can indeed be applied without being a wrong concept for you, even if one day the point in time will arrive when the set time for every period comes to an end .... For even the longest period of time is just like a moment for Me, but infinitely long for all living creations in the state of imperfection .... **In the state of imperfection ....** And now you will understand that a limit of time only ever exists in the state of imperfection .... whereas **perfection does not know any limitation**, that the concept of time can no longer be applied to everything perfect, and thus it is irrelevant to Me Myself **when** the complete return to Me will be accomplished. Yet for you, My living creations, who became imperfect of your own fault, it is of utmost importance how long you will remain in a condition which is agonising for you and the duration of which will consequently be shortened or prolonged by yourselves.

The deeper you are entrenched in sin, the further away you are as yet from perfection, the more the concept of time and space will frighten you, precisely because it is incomprehensible to you and yet it cannot be denied .... because your lifetime on earth is strictly limited and yet infinite ages in the past as well as infinite ages of the future have become a certainty for you .... The latter is even your firm conviction, so that you do not consider it possible for an era to end. Your conviction is in so far justified as that there is no such thing as an `end', that the spirit will always and forever exist, but this alone is `real'.... only the unreal things will vanish, which are only the means of return to Me .... And the human being all too often counts himself as the unreal, as what is not permanent, which passes by like time .... because he ignores the soul within himself which is not subject to limitation and which can **never cease to exist** .... but which is able to suffer eternal torments because it requires eternities to become perfect and then it will also be able to be infinitely happy in utmost freedom, independently from time and space .... because it will stay with Me again, Who is without beginning and end and everywhere, Who exists from eternity to eternity ....

Amen

*In the Father's house are many mansions ....*

In the Father's house are many mansions .... The mansions I have prepared for all souls correspond to their maturity at the time of their earthly departure. Accordingly they are very different and are abodes for the souls for as long as they are content with them, although they can be changed, which is the soul's own responsibility. The soul's surrounding in the spiritual kingdom depends on its character at the time of its physical death .... radiant, bright, offering the spiritual eye a magnificent vision of breathtaking harmony which fills it with happiness beyond description .... or bleak and cold, squalid and disturbing, turbulent, dreary and depressing, causing the soul unhappiness and wishing itself to leave this environment. And yet it can only be offered what it had acquired for itself on earth, it cannot be moved into blissful realms to which it had never aspired nor can it be

**BD 6022**

given light because this would consume the soul due to its immature state. Nevertheless, every soul has the option whether it wants to improve its environment.

And to awaken this wish is the work of innumerable spiritual beings of light which descend into poorly lit mansions to inspire their inhabitants to improve their fate and their surroundings. Yet even this has to happen such that it does not force the soul's will but results in its own desire. Hence they do not perceive the beings of light as such, instead the beings of light join them by using the same cover as the souls and request to be admitted, then they will seek to guide the souls' thoughts to change their present situation .... The souls' will has to be motivated to improve their fate; and as soon as the will is motivated the soul will suddenly find itself amongst needy souls who request its help, and now it depends on whether it listens to their appeals, whether it is willing and attempts to help them ....

The stronger its impulse to help the more alive it will feel and darkness will give way to a faint twilight which gladdens the soul immensely and increases its will to love. Imperceptibly its environment assumes another shape as the twilight shines through until everything appears clearly to the soul's eyes and its state seems to have improved considerably .... Yet it is always up to the soul's will whether it continues to be helpful or whether it contents itself with its present situation .... which, however, worsens again if it stops making an effort.

Every soul will find what it wants; and if it longs for light, for love and supreme happiness it will certainly achieve its goal and arrive in extremely charming regions where everything is enlightened and where it can settle for as long as it wishes .... Because it also gives what it requests for itself, and this love changes the soul's nature, the love which it receives from the beings of light if it is not entirely obstinate in refusing to ascend from the poorly lit depth and resists all assistance and indignantly rejects every suggestion. Then it also has what it wants .... darkness, which will become incessantly more agonising in order to motivate the souls to change their will.

And for that reason I spoke the Words: 'In My Father's house are many mansions ....' Although the condition of every soul is taken into account no soul is forced to remain where it is sent after its physical death .... it

will be admitted wherever its will takes it .... it is able to arrange its own surroundings according to its will and thus it can elevate itself from the lowest realms into radiant heights .... providing it takes notice of those whom it encounters as messengers from above, although not recognised by the soul as long as it is without light itself but so touched by their will to love that its own love gets kindled and therefore the path upwards becomes clear .... Eternal love Itself descends into the abyss to elevate what will not resist .... I also redeem the souls from the darkness and countless beings of light take part in this work .... They all help to build those mansions to improve the fate of the souls; they all radiate light and love and entice countless souls from the darkness into their region .... where there is light and strength and bliss ....

Amen

*God's end-time revelation ....*

You are approaching the end .... And therefore I reveal Myself to you so as not to leave you in ignorance of what this end will mean for you. I reveal Myself so that you will prepare yourselves, so that you will live in the right way and need not fear an end. You humans don't believe in an end and reject all admonitions and warnings which you receive on account of My revelations .... You ridicule and laugh at those who proclaim the near end to you, you deem yourselves knowledgeable and feel superior to the knowledge which is imparted to a person in an unusual way. You are spiritually blind and unable to see anything, and yet you don't believe those who have vision and therefore tell you in which hour you live .... And it will be as in the time of Noah when I also announced the near judgment to people and found no belief, when the proclaimers of the judgment only reaped scorn and ridicule until the day arrived when My proclamations came to pass, until the day arrived when the scorners fell prey to the judgment .... And once again it will be like this, again the Judgment has been announced a long time in advance, and it will be proclaimed time and time again, yet the last day for this earth and all its inhabitants will come suddenly and unexpectedly, for My Word is truth and it will come

true when the time is right. But who believes that people live in the midst of this time, that they will only have a short time left until the end .... Who believes that they are facing a change for the worse, something which no-one on this earth has ever experienced? .... Who allows himself to be impressed by divine revelations, by predictions concerning the near end? Which one of you humans is consciously expecting the end and preparing himself for it?

There are only a few who believe that which was proclaimed by seers and prophets, and these few only reap scorn and ridicule if they profess their belief in it and also try to inform their fellow human beings .... few people listen to My voice and live their life such that they are not afraid of the end but rather feel pleased in view of the blissful time which will follow the end of this earth. However, I want to increase their number, I would like many more to realise that the time has been fulfilled .... I also would like to reveal Myself to those who are without knowledge .... Yet their will is defying Me and I will not compel anyone .... Therefore I content Myself with those who believe My Words and stand up for them, and I will grant them great power of speech .... I will let them speak in My place and although they, too, will have little success, although their words, too, will not be taken seriously, the world will nevertheless take notice of the proclamations of the near end .... There will be no shortage of indications and all over the world an end will be spoken of, but it will only ever affect a few such that they will believe and prepare themselves for it. And I will support those who have accepted the task of spreading enlightenment. I will bless all efforts which aim to distribute that which is conveyed to you humans in the form of revelations .... And the information of the forthcoming end will reach far and wide .... However, My revelations will prove themselves to be true faster than you suspect. For people will experience days of terror and thereby the truth of My Word will be pointed out to them .... And then they will still have sufficient time to prepare themselves for the end which irrevocably will follow these days of terror within a very short time .... And regardless of whether you, who spread My revelations, find credence or not .... don't stop proclaiming the forthcoming event; warn and admonish your fellow human beings and convey My revelations to them .... Proclaim to them the imminent Judgment which will affect everyone, even if they don't believe your words ....

Amen

*The path of love and faith ....*  
*Acknowledging God ....*

You have to take the path of faith and love if you want to attain Me and eternal bliss. You should simply believe that you were created by a Power Which loves you and Which therefore wants to see you in a state of perfection, because only something perfect can be united with It and thus also happy .... But It wants you to be happy because It loves you ....

You should believe in Me Who created you out of My love .... Even the assumption of that which you are as yet unable to believe will cause you to surrender to this Power and you will learn to believe ever more convincingly, because this acknowledgment is already an expression of your original nature, since you emerged from Me in perfection and remained perfect for as long as you acknowledged Me as your God and Creator of eternity. Nevertheless, you voluntarily forfeited your perfection when you turned away from Me and towards the one who indeed participated in your creation through his will, but who first received the strength for creating from Me. You acknowledged someone else and denied Me .... And only when you entirely voluntarily recognise and acknowledge Me again as your God and Father of eternity will you have entered the state of perfection again which enables you to stay close to Me. Hence first I require faith in Me .... But you can only gain the right faith if a light is kindled in you which provides you with clear realisation .... For you must be able to confidently represent that which you should believe as truth and thus it must be very clearly recognised by you ....

Consequently, something that so far had been concealed from you must become brightly illuminated by light, and this light is the spark of love which needs to be kindled in you and which can easily be kindled if you turn towards Me so that My ray of light can touch your heart and ignite, that is, that you then will only ever implement what a voice in you cautions you to do, that you will do what you would want to be done to you .... Each one of you humans is able to place himself into the position of a fellow human being suffering hardship, and he will know what then will seem desirable to him .... And thus he should act accordingly to his neighbour .... This feeling of experiencing relief when he is helped will be present

in every person ..... Thus he also inherently knows that he should do the same .... And anyone who gives in to this inner urging opens his heart and can be struck by My ray of love and the light which thus illuminates him gives him clearest realisation .... Then his faith will come alive through love .... Whereas prior to this it was a purely intellectual belief, which certainly affirmed My existence as God and Creator but which did not show him the path to Me as his eternal Father .... This realisation is solely caused by love in the human heart, and therefore I say that you must take the path of faith and love .... that faith without love cannot be called a right faith as yet, that only love will bring it to life and that there cannot be any realisation without love, because the intellect alone would never be able to fathom the correlations which, however, are easily grasped by the love in a person's heart .... Also, faith without love can be easily given up again, whereas faith having come alive through love will never ever be relinquished, because the knowledge has now become a conviction, and therefore the human being is first expected to believe, so that the person can put his feelings in order regarding this Power Which created him .... And My illumination of love depends on how strong his desire to enter into contact with the Creator is, yet the human being must approach Me in absolute freedom of will, he shall take the path of love and faith in absolute freedom of will, but then it will irrevocably lead to Me and to eternal beatitude ....

Amen

*The Coming of the Lord (to be understood literally) ....*

The hour of My return comes ever closer, for the end of the earth is near, and once the last day has come, I, too, will come in the clouds in order to fetch My Own before the earth's destruction ensues .... However, this is not to say that Earth will cease to exist as a planet, instead, only its surface will go through a complete transformation which for you humans is nevertheless the same as a complete destruction, since nothing alive will escape this destruction because all creatures will be affected. This is why I can come to Earth Myself in order to save My Own from this final work of destruction, for apart from My believers there will be no-one else who survives the

final work of destruction and thus might be able to describe it afterwards. I Myself will come when My Own can no longer see a way out, when on account of their faith My adversary will openly proceed against them. They will experience serious difficulties until the end, and only their firm faith will keep them going and able to resist, for they will await My coming and I will not disappoint their faith. I will appear in brightly radiating light and yet soften My brilliance so that My Own will be able to endure it .... Nevertheless, that which will trigger great joy and jubilation in My Own will cause panic in the others and be their judgment .... For although they will be unable to see Me, they will nevertheless notice the unusual occurrence that the people they had pursued will disappear upwards before their eyes .... And this experience will become their judgment, for suddenly they become aware of their wickedness and also convinced that they are facing the certain end, which they cannot escape. Were they able to behold Me in this hour, they would certainly all stretch out their hands to Me .... Yet this handing-themselves-over to Me would be utterly pointless, because it would be an enforced faith caused by the supernatural phenomena of Me Myself .... Yet even the rapture of My Own could still let their belief in Me arise at the last minute, I would truly be merciful to them before the very end .... However, they will already be too ensnared by the adversary and will no longer be able to release themselves, hence they will descend into the earth and a renewed banishment in solid matter will be their self-inflicted fate .... Almost all people will doubt My Coming on the day of Judgment .... And yet, My promise will come true .... I will come to you and you will be able to behold Me in splendour and magnificence. For My Own truly have earned their deliverance from profound adversity and because nothing seems supernatural to them anymore which relates to the end they recognised as certain. The end will come, and I Myself will descend to earth just as I once ascended to Heaven .... in all glory and visible again to those who believe in Me, who are My disciples in the last days before the end. These are not metaphorical Words, not parables for future events .... they are the events themselves and it will literally happen as I have promised you, and you can await it every day when you are extraordinarily besieged by those who are enslaved by My adversary .... As soon as the battle of faith begins you will know that the last hour has come, for this will be his final act, it will be the last battle on Earth which will end with his ultimate

defeat .... Then a time of peace will commence on the new earth, for with My coming to Earth and your rapture this period on Earth will end and a new one will start .... The Earth will be transformed and changed into a totally new one and you, whom I will fetch, shall be the new inhabitants of this paradise-like world .... a time of peace and heavenly bliss shall be your fate in the paradise of the new Earth ....

*New Revelations ....*

*Reason ....*

*Bible ....*

It is very dangerous when My Word gets wrongly interpreted, when the meaning of My Word becomes distorted and this misinterpretation is then used as a foundation again. For then My adversary will have easy access by confusing people's thoughts more than ever and distance them ever further from the truth. No-one will ever be able to quote a Word from the Scriptures which proves that the Father will never speak to His children again because He has already declared His will in the Scriptures .... There is no Word which could give people the right to deny new Words of love by God .... there is no Word which would support the opponents of My New Revelations, for I would never have spoken such a Word, because only I know that My living creations on earth will require My Word time and again in order to reach the objective of becoming My children ....

I speak to people in different ways indeed, and therefore not every human being needs to hear My voice directly; yet if I didn't speak to people time and again only few would, in fact, reach their goal .... For without the working of My spirit people would be unable to think correctly, to separate truth from error and even to understand the Scriptures correctly .... Thus I also address people when I teach them to think correctly and establish the right goal for their feelings, but whatever a person thinks who is guided by My spirit he will also be able to voice it, and this communication through a human mouth is then likewise a revelation from Me, for then it is My Word which was imparted to the human being by My spirit. For I want to

Speak to people, and if someone willingly places himself at My disposal by wanting to proclaim My Word to people .... then My Word will be voiced through this person's mouth .... Every true messenger of My Word offers Me the opportunity of revealing Myself anew ....

And likewise, I can voice My Word when someone is willing to listen to Me .... when a person attentively listens within himself and desires to be addressed by Me .... Would a loving Father stay quiet when His child desires to hear Him? .... Does My love limit itself? Am I not a Lord of infinite riches which I Am constantly willing to bestow? Do you humans want to impose restrictions on Me or deny Me to speak when and to whom I want?

If you believe that I can be present with you, then you also have to believe that I will reveal Myself when I Am with you, and yet you want to argue that I speak to people who want to hear Me .... But I have promised you My presence with the Words 'Whenever two or three of you come together in My name I Am there with you ....' And what will you talk about then? Will you discuss worldly affairs?

No, you will make Me the subject of your conversation, you will speak righteously, and you will say what I put into your mouth, for I Myself will speak through you so that you recognise My presence .... And thus I Myself will be wherever people unite to hear My Word .... wherever I Am allowed to speak, wherever My spirit can work, and you humans will always receive the same Word since it is your desire to hear Me ....

I know how much people need My Word, and therefore I will never stop conveying My Word to you, and I will enlighten people about error and misinterpretation of the Scriptures; I will impart My pure Gospel Myself to those who open themselves to Me, thereby wanting to be of service to Me and their fellow human beings .... for I will bless every good will and every desire for truth, and My blessing consists of speaking to them Myself just as I once spoke to My disciples, and I will give all those who are able to hear Me the task to spread My pure Gospel, for I speak through them to everyone who wants to hear Me ....

Amen

*Hour of death without fear ....*  
*Readiness ....*

Always be ready to exchange your earthly life for a life in the spiritual kingdom, then the hour of passing away from this earth will never come as a surprise to you and neither will you ever have to fear it. Whatever you think and do, always ask yourselves whether it is right before My eyes, then you will live consciously and work to improve your soul .... thus you will live for the kingdom of the beyond, and this kingdom of the beyond will be the kingdom of light for you, for which you will gladly surrender your earthly life because it is your true home.

If only all you humans were able to realise that you merely live on this earth as a test, that it is not real life but just a preparation for this real life, and that you therefore should only ever focus on evaluating it correctly .... But you regard earthly life as the only important life and consider real life in the spiritual kingdom far too little .... if you believe in it at all. You use all your strength for completely irrelevant things and don't prepare yourselves enough for the life that lies ahead of you.

The hour of death was intended to be the hour of your deliverance, when you discard your earthly garment in order to enter in light and freedom into the kingdom of peace and beatitude .... You were meant to consciously and joyfully look forward to this hour and gladly relinquish earthly life in exchange for a far better one. However, you will acquire this consciousness when you, in living faith, have lived a life of following Jesus, because only then will you clearly recognise the purpose of your earthly life and your objective .... because only then will you know of all correlations and also of a free and blissful life in the spiritual realm .... Then your spirit will be awakened, and then you will therefore place little value on earthly life and consciously strive towards the life in the spiritual kingdom, in light and happiness ....

You are certainly informed of it but you will only accept it as truth when love has kindled a light within you .... Hence you first have to live a life of love .... Then death will not longer scare you, then you will already have the connection with the spiritual kingdom, then so many hands will reach

out to you from there which will show you the way until the end of your life .... And then you will live every day on earth as it is My will .... Then you will prepare yourselves for a blissful end, and the hour of your passing away from this earth will be for you the awakening into a life in light and magnificence ....

Amen

*'Enter into thy closet ....'*

Withdraw into your closet if you want to pray, for only in solitude can you find the connection with Me, only in solitude can you unite with Me so intimately that I can hear your voice, that your prayer is sent to Me in spirit and in truth. And even if you are in dire trouble while you are amongst people or are put under pressure from outside you must detach yourselves for a few moments from your surroundings and send a short but heartfelt call to Me, and I will hear you and help you .... I just want to hear your heart speak and not merely your mouth .... And therefore you must enter the closet of your heart, you must withdraw from the world and from everything that might disrupt your silent prayer. You must avoid everything that attracts your eyes, that makes such an impression on you that it will take your mind off Me .... you must completely disregard all outside impressions. You must withdraw into solitude and turn your thoughts to Me .... only then will you be able to pray in spirit and in truth, only then will you come to Me like children come to the Father and confide all your problems to Me.

And then your Father will always be willing to help you. Then you yourselves will apply strength to your prayer, you yourselves will determine the fulfilment of your requests, for if you speak to Me like a child speaks to its Father I cannot deny you any wish and My help is assured to you. But if the words are only shaped by your mouth, and if this happens for hours on end, they will not reach My ear, they will fade away unheeded, for this kind of prayer has no strength, such a prayer is abhorrent to Me .... And therefore it is up to yourselves whether your prayers will be granted, for I promised you that I will give you what you ask of Me .... And My Word

will indeed come to pass. Nevertheless, I only pay attention to the words of your heart but you often believe that you have done enough by prattling with your mouth and are disappointed if your prayers are not then granted .... Withdraw into the closet of your heart and then speak to Me freely, with complete confidence, and your wishes will indeed be granted ....

*Last Judgment ....*

*Act of love and righteousness ....*

It is not just My righteousness alone which demands a recompense and therefore imposes the last Judgment upon the human race .... it is far more determined by My love which foresees its inevitable descent into the abyss and wants to put a stop to it. For even if the earth remained in its old form, even if I delayed the Judgment .... it would only damage people's souls which would not benefit thereby but enter into a darkness that would be impenetrable for an infinitely long time. The last Judgment on this earth is an act of love by Me too .... in My eyes this act is people's only salvation if I don't want to leave them entirely at the mercy of their destiny, i.e., to My adversary. It is, in the true sense of the word, a rescue mission which one day you will certainly understand but at your present low spiritual level do not appreciate. The last Judgment and the disintegration of this earth are, in fact, far more determined by My love than by My righteousness .... although this also will have to emerge so as to establish order again, since this is totally disrespected and has to lead to greatest chaos. The individual person can certainly still restore his own order again; he can still become aware of his task and his purpose and strive to live accordingly .... and the last Judgment will not affect him so much that he would have to dread it; for him, too, the last Judgment will only be a demonstration of love because he will be transferred into another life .... be it on earth or in the spiritual kingdom .... a life which will make him happy. And in order to still achieve this with individual people I make it known time and again what the earth and its inhabitants will have to expect .... and good for him who takes these indications seriously and rearranges his life; good for him who will make

the effort to live in divine order .... For he will also understand My last rescue operation and regard it as an act of love, since as a result of his life he will also gain the understanding for all events which will take place due to My will and My might.

Only I know the result of an utterly godless way of life, and this is why I must intervene, because My love wants to rescue everyone or provide them with the possibility to free themselves from Satan's control, which can only happen if I bind him Myself .... by putting an end to his activity .... The fact that innumerable people will lose their lives when the last Judgment on earth occurs may well seem cruel to you humans; but it is only an enforced interruption of that which will inevitably lead to death .... so that the souls will at least have the **possibility** to come back to life again one day .... while it is Satan's goal to keep you **forever** in his possession. My love, therefore, is the **reason** for the end of this earth and the destruction of all created beings thereon, and My righteousness will then place the spiritual substances into external forms which correspond to their conduct on earth .... I will put everything right again .... in accordance with My eternal order and will give all spiritual beings the external form they deserve. Only when you humans know the meaning and purpose of earthly life and your task will you find My reign and activity comprehensible, for there is more at stake than your physical life, it concerns the whole of eternity, it concerns the life of the soul for which spiritual death is the most appalling state. And I want to protect it from this death and therefore have to use means which make you doubt My love and yet are only based on My love. I cannot force you into another way of life, I can only admonish and warn you through My Word, which comes as a direct address to earth, and thus all people are being addressed by Me through the mouth of a servant devoted to Me .... I can only draw your attention to the consequences of a wrong way of life and with Words of love try to entice you to enter the right path .... If, however, all these reproaches are in vain, My **sentencing** Fatherly hand will have to intervene in order to protect you from the worst .... For order must be restored again on earth, so that it will become a place of education for the spiritual beings once more, so that the souls can fully mature according to their destination ....

Amen

*Fate in the beyond corresponds to thoughts and wishes on earth ...*

Your thoughts and wishes on this earth will be your fate in the spiritual kingdom after the death of your body. If you searched for light and truth on this earth, light will be waiting for you over there .... if you preferred the darkness because earthly matter had deluded you, then you will stay in dark surroundings over there too, in a realm where you feel unhappy for lack of light. Yet it will happen in accordance with your will .... Light is constantly made available to you on earth and the path to eternal life is clearly and brightly illuminated, you need only enter it to find the kingdom of light after the death of your body .... If, however, you escape the light, if you walk the dark path, then you can only arrive in dark regions too ....

You humans occupy yourselves very little indeed with what happens to you after your physical death .... You dismiss such thoughts from your mind when they occur to you, you constantly turn towards the world and its matter, and since this is transient you cannot take it with you into the spiritual realm. If material goods are your only riches on earth you will indeed arrive poor and naked in the spiritual kingdom .... Why do you not gather possessions on earth which are long-lasting, which accompany you on your way into the beyond ....why do you only lust after the transient possessions of this world?

The consequences of your way of life are presented to you time after time, your attention is drawn to your fate after your departure from this earth .... yet you pay little attention to the warnings and reprimands, you scrupulously carry on living from day to day even though you could be called to your final resting place tomorrow .... And then you will receive what you desired on earth .... light or darkness .... you can't be given anything else but what you acquired during your life on earth. Consequently, as long as you live on earth think of the time after your death, think of your soul which is immortal and whose fate in the beyond you prepare while you live on earth .... strive towards the light on earth and create your soul's happiness in the spiritual realm ....

Amen

*The time of the end is imminent ....*

The end has certainly been announced to you by Me as being imminent, yet you don't know the day and hour, and therefore even you, My believers, are not diligent enough in your work of improving your soul, for you, too, still reckon that it will still take a while until My announcements will come to pass .... Even you don't expect the end so quickly, otherwise you truly wouldn't think your earthly affairs so important anymore .... otherwise you would live as if you anticipated something extraordinary to happen for which you must to prepare yourselves and act accordingly. Admittedly, until the end you should fulfil the tasks which your earthly field of duty demands of you, nevertheless, the care of your souls should come first and the thought that tomorrow you might already be relieved from every earthly worry, that tomorrow you might be judged according to your soul's maturity, should impel you to work eagerly, for time and again I say to you: The day will come sooner than you think .... but until the end you will count on a postponement or a delay because the idea of a sudden end is inconceivable to you ....

And for this reason you, too, will be taken by surprise although you don't disbelieve My announcements. Your fellow human beings, however, don't believe at all, hence they will never believe that the time is very near .... but you should therefore be twice as diligent in your work of improving yourselves, for you will still be able to help a few people to attain faith before the end if your own faith is unshakable so that you, by virtue of your faith, can overcome conflicts which are inevitable due to the near end .... The more you accept the thought that the last day will strike very quickly the calmer you will also deal with earthly affairs, with all kinds of failures and worries, because you will realise that they are necessary and regard the state of your soul as more important .... And don't let yourselves be misled by the apparent calm .... no person will be able to enjoy it for long, for suddenly everything will change, and all of a sudden global affairs will also take an alarming turn, and then the end will be approaching with giant strides, and good for him who has prepared himself for this, who takes My Words seriously and lives as if only a few more days are granted to him

.... For he will not be surprised that everything will come to pass as I have announced long in advance ....

Amen

*Earthly and spiritual issues ....*

*Inhabitants of other planets (flying saucers) ....*

You only receive the kind of information that will benefit your soul. As long as you want to stay in contact with Me you will never be allowed to look into areas which will harm your soul .... However, with the help of satanic strength you are also able to acquire knowledge unlawfully. But in that case you do not belong to My Own whom I protect from damaging influences by My adversary .... You are taught by My spirit and thus you receive knowledge which serves your higher development .... You can work with this knowledge again, you can pass it on again to your fellow human beings and thereby guide them onto the right path .... thus you can help to bring light into the darkness, as it is My will ....

And as long as you are willing to spread the light you will be supported and the knowledge you receive will correspond to the use you make of it .... Whatever is needed to kindle a light for a soul walking in darkness will flow to you, and the more questions you are asked the more abundantly you will receive from Me if you want to answer these questions .... Yet I will not merely satisfy idle curiosity, I will not bestow knowledge which is neither needed nor suitable for spiritual development .... But at the same time I will not remain silent either when a child pleadingly asks Me. For it should put its trust Me and therefore it shall not be disappointed .... There are secrets which the human intellect cannot grasp but which nevertheless have an entirely natural explanation .... There are laws, natural forces, which can become active if the conditions for them are met: extraordinary developed intelligence of people, who are thus able to calculate effects and then use these calculations for experiments by which natural forces apparently will be of service to them .... thus people are more or less in control of these forces by using the known effects for their purposes.

To less intelligent people such undertakings seem impossible and what they cannot understand they gladly ascribe to the realm of the 'supernatural'.... Then they are more willing to take this step into the spiritual kingdom than if they were advised to enter spiritual regions for the sake of their spiritual maturity .... When human intellect reaches its limits the human being makes concessions, and he starts to consider possibilities .... Yet his thinking goes astray; he combines earthly with spiritual issues .... And a gap remains between the two. No human being will ever be able to make contact with beings outside of earth in anything other than a spiritual way .... Thus, the human being is indeed able to make spiritual contact with inhabitants of other worlds if this is intended for spiritual development; but such contact will never occur in a visible form, to the extent that inhabitants of those worlds will meet up with people on earth .... this is completely impossible because every living being requires a different sphere, which is likewise determined by fundamental law.

Here, too, satanic influence is noticeable which confuses people's thoughts even more, for these wrong conclusions do not promote people's spiritual endeavour, who now also try to address the supernatural with intellectual reasoning, and who thus will purely scientifically utilise the alleged evidence of living beings on other celestial bodies but who are not willing to believe that these beings also develop or progress spiritually .... In accordance with eternal law the celestial bodies are separate from each other, and they will stay separate .... because their purpose is the development of souls and this happens on every single star under entirely different conditions. The explanation of unusual phenomena in this respect is also erroneous .... but the fact that an unusual effect of strength is utilised in an as yet still inexplicable way should make you humans think ....

For this is also a sign of the end, the fact that unusual powers are becoming active and that the reason for using these powers also betrays their origin .... My adversary, too, has a lot of power in the end, and he uses it to his own advantage .... If people succeed in utilising as yet unknown powers for the benefit of their fellow human beings then their effort will have My blessing .... But if the reason is determined by dishonourable motives then it is the work of the one who wants to ruin you .... And he will not reveal what he is doing either, he will throw people into confusion, he will prevent

everything that would help to clarify the situation .... But what is divine, righteous and true will come to the fore and will not keep itself hidden ....

Amen

*Approaching trouble ....*

You are approaching a time of immense trouble and require great strength of faith in order to master it, because with your physical strength you won't be able to resolve it but certainly with spiritual strength. However, the affliction will befall you on account of your faith because the final time will have come when all of you will be demanded to make a decision .... Admittedly, the earlier worldly adversity, even though it is also inevitable, will affect all people and be a wake-up call for all, yet this adversity is a natural one and will therefore also be humbly endured .... However, the immense trouble affecting people on account of their faith has spiritual reasons and spiritual consequences, for then both the people, as God's opponents, as well as God Himself will demand a decision, and life in eternity depends on this decision .... People will be requested to deny their faith in God, and thus they will be forced by the ruling power to make a decision .... Then it will require tremendous strength of faith to defy this obligation and to openly profess God before the world .... However, anyone who has the will to do so shall also have the strength to resist, for this shall flow to him from the One Whom he fearlessly professed. And thus the affliction will arise from the fact that God's faithful followers will be placed under severe pressure by their opponents and be greatly damaged and demeaned in an earthly way, that these few will become a target for people to run riot in a God-opposing sense. A strong faith fends off all attacks but a weak faith becomes unstable and needs support which will indeed be granted to him when his will desires God. Yet this time must come because the day of the end comes ever closer and because the separation of the spirits must take place first. Many people will still be recalled who, without question, would descend in such times of affliction, and God will only preserve the life of the strong who offer resistance by virtue of their faith .... But He also knows who inexorably strives towards the abyss; He

knows where any change of will is impossible .... And He will allow these people to keep their life so that what is proclaimed will come true .... that the goats will be separated from the sheep so that the great cleansing on this earth can take place, which will be followed again by a time of peace, by a time of righteousness ....

Amen

*Connection with God guarantees truth ....*

Strive only ever to establish and remain in contact with your Father of eternity .... Then you will also always be spiritually enlightened, unresolved problems will no longer exist for you, for every problem will be resolved by the **One** Who knows everything and Who also wants to convey this knowledge to you. No limitations are imposed on your knowledge as soon as you take the path to Me and request My clarification .... But I also know which knowledge helps you achieve happiness, and this information is always at your disposal providing your desire for truth is **spiritually** inclined .... that you expect My explanation .... that you **earnestly desire** it .... For I give without limitation but only ever to someone who wants it .... And what I bestow upon you will always be appropriate for you and the circle of fellow human beings to whom you shall pass on My gifts .... I speak to you simply and clearly because it is My will that you penetrate the truth yourselves so that you can also wholeheartedly advocate it. And so seemingly insolvable problems for you can be solved by Me in a way that the explanation is easily comprehensible for everyone who, like you, desires clarification .... but which will always remain incomprehensible for people who only deal with them intellectually. I speak to the human being's heart and the heart understands .... But the heart of someone who prefers to be addressed intellectually is not receptive to Me as yet, and he will hardly become enlightened. Therefore, come to the Father like children so that he will educate you in line with your receptivity .... And the subsequently kindled light in you will be suitable to give you complete understanding, for you are being instructed by My spirit and this is truly powerful. You humans have invaluable spiritual knowledge at your disposal, yet only a

few make use of it. People try to intellectually penetrate information which can only be conveyed to them by My spirit, because they either don't know the simple path or won't take it if it is shown to them .... the connection with Me through love or prayer .... Only the connection with Me is the source of truthful knowledge, and if this is not established, the received knowledge .... even if it corresponds to truth .... will remain incomprehensible or lifeless knowledge to people which does not contribute towards the soul's maturity. And the connection will only be established when the human being yearns for Me Myself .... Then he will exclude all other sources .... then he will no longer seek an explanation from other people, then he will turn to Me directly and I will be able to influence him through My spirit so that he will recognise what is truth from God and what is rationally gained knowledge .... Then the living water he draws from the source will refresh and revive him, he will be able to receive, without limitation, all he needs for eternal life from the font of life ....

Amen
