Explanation for the unusual knowledge

Broad fields of knowledge will be opened up to you when you receive My Word from above, for I Myself will introduce you to knowledge which cannot be intellectually acquired by you. You, who should teach your fellow human beings, must first be instructed yourselves in everything that you humans need to know. But you should also be able to refute every objection when it comes to defending the only truth, when rational people try to undermine the spiritual conclusions Then you should be able to explain all correlations, and thus you first have to be guided into profound spiritual knowledge which can only take place through My direct Word For I can only address you directly if you, through a life in accordance with My will, have shaped yourselves such that My spirit will be able to pour into you, and only then will you also understand what is imparted to you as profound knowledge on account of which the same knowledge if it is passed on from person to person will only be understood and recognised as truth by someone who lives a life of love and has awakened the spirit within himself.

The spiritual information is comprehensive, yet it will always be imparted to you as you require it in order to first become fully mature yourselves and to then carry out the mission which you have accepted of your own free will And in view of the approaching end, broader knowledge has become necessary; My plan of Salvation has to be presented to people so that they will recognise the significance of their earthly lives and do whatever it takes to escape the fate of a renewed banishment And this plan of Salvation covers the development of all created beings, the origin, present state and goal of everything that came forth from My strength of love. The knowledge is extensive and new to many people, for so far it has not been necessary to inform them of it. Yet the time of the end requires that this information is now conveyed to people, so that they will live more responsibly And thus they shall also know about their previous infinitely long earthly process which they already covered as soul-substances This knowledge, too, was strange to them and therefore they can only accept it with difficulty. Nor will they be coerced into believing it yet mentally they can form their own opinion and derive benefit from it

However, no human being can ever intellectually attain knowledge which concerns My reign and activity which explains My Being, which substantiates everything, even the forthcoming event, the transformation of earth, the spiritual and earthly turning-point Such knowledge can only be imparted to you from above, from Myself It can only be conveyed to you through the `working of the spirit' and thus should also be recognised as an exceptional grace, which will still be granted to you in the last days And you humans should also understand that I Am only motivated by My greater than great love to inform you of everything in order to effect your voluntary return to Me, that you recognise My love and respond to it You should understand why I demand the spreading of My Word ever more urgently, why I would like to give this remarkable information to all people

This knowledge can only be conveyed to earth when certain conditions are in place. But wherever this is possible, that is, where people look for clarification, this is where they should acknowledge My direct activity and accept the gift of grace which can help their souls attain maturity during the last days before the end. For then they will truly receive knowledge which is presented to them by Myself and which also exposes every misguided teaching that was able to assert itself in the darkness of the spirit but which can no longer resist the bright light of truth The correct knowledge, which I offer you in My love, provides you with information and clarity, and it truly requires no further verbal human addition, it requires no further explanations added by human intellect My Word from above is offered to you in all clarity; it is comprehensible to everyone and provides you with the right concept of Me and My Nature, of My reign and activity

My Word from above guides you into truth, as I have promised, and should be distributed because all people shall know about My eternal plan of Salvation, because all people shall know about the end about the total transformation of the earth, which is intended by My plan of Salvation and will truly be carried out when the time is fulfilled

Amen

Scrutiny of spiritual knowledge

Contact Me when you are presented with spiritual knowledge for scrutiny, so that I will guide your thoughts into the right direction and give you the ability to form a correct judgment. For your intellect is incapable of making spiritual judgments; it requires an awakened spirit to guide your thinking into the right direction, and thus I Myself, the eternal Father-Spirit, must always be able to establish contact with your indwelling spiritual spark if your correct thinking is to be guaranteed, if your scrutiny for the origin of spiritual knowledge is to be accurate. The intellect cannot conduct such an examination and, were it to do so, there would be no guarantee for truth, for truth comes forth from Me and it will only be recognised by those who establish contact with Me, who appeal to Me for enlightened thinking and who therefore will not accept anything but the truth. And so you humans should not value your intellect too highly, for as soon as it concerns spiritual spheres I want to be approached directly, otherwise the `truth' would only ever be the privilege of those people who possess a highly developed intellect But My condition for correct and truthful thinking is different: I expect from you humans the love which awakens your spirit, which enlightens your thinking, which is a direct bond with Me, the Eternal Love Itself. A sharp intellect, however, is no guarantee for a life of love A sharp intellect **without** love can also be used by My adversary, and then truthful thinking can never be expected because the influence exerted by My adversary will always be **against** Me in order to undermine the truth which exposes him. Understand that only a person living a life of love is wise for he lives within divine order and is thus enlightened, he has gained realisation, the knowledge of the pure truth. So, of what use is a highly developed intellect to a person if he lacks love? He will not be able to offer you truth, as My adversary's tool he is more likely to lead your thinking astray, since the former will always intervene where a person's life opposes the divine order, where the principle of love does not predominate Love protects him against this influence, love characterises him as a divine living creation, love testifies to the bond with Me and therefore also always to correct thinking, and thus he will also always know the truth, he will be capable of forming a correct judgment

when he scrutinises spiritual knowledge, and he will reject all false spiritual information The degree of love therefore determines to what extent the human being knows the truth and not the amount of externally received spiritual knowledge, which will remain lifeless knowledge as long as the spirit is not yet awakened through love. The reason why so much error exists in the world and why error is far more likely to be accepted than truth is because people lack the ability to make correct judgments and therefore readily accept anything they are offered by people with great mental ability who are deemed `competent' to scrutinise spiritual knowledge for its truth. You must always approach Me directly for help, you must always appeal for My support, if you don't want to fall prey to error Always appeal to Me for spiritual enlightenment, for correct thinking and for recognising the truth And your desire for truth will guarantee your correct thinking, for I want you to know the truth; I also want you to pass a correct judgment when it is requested of you But I always want to be recognised and approached as the origin of truth, for only I can impart it to you through those whose spirit is awakened because they live a life of love

Amen

Knowledge of God's will

Responsibility

I speak to you because you should know My will You need to be given guidelines by which you should live your life for as long as you live on earth Thus you must be informed of My will, and the consequences of complying or not complying with My will must also be explained to you you must know **what** I expect of you and **why** I expect it. And then you should act according to your free will that is, you either accept My will or live contrary to it, but then you must also accept the consequences of your rightly or wrongly directed will. But you are free to make your decision you are not forced to make this or that decision, to live your life in this or that way. Even so, you decide your fate in eternity and therefore bear great responsibility. Were the information of My will not presented to you, you could not be held to account either but you would hardly reach the goal

BD 7923

on earth of attaining your original perfection, which you had lost because your will and activity opposed My will, because you ignored My will. For My will is nothing else but the law of eternal order, it is My will that you should integrate yourselves into this law, whose fundamental principle is love If you allow this fundamental principle to break through into you then you will adapt yourselves to My law of order, then you will fulfil My will, you will voluntarily subordinate yourselves to My will. If, however, you lack love, then you are outside of My law of eternal order then you are also outside the circuit of My flow of love, you are separated from Me, you are imperfect, because love is part of perfection, which you reject as you once did when you fell away from Me.

At the start of your human embodiment you have no knowledge, and therefore I Myself convey to you the knowledge of your relationship with Me and also that you had sinned against Me, that you had not fulfilled My will, that you had disregarded the divine principle of love and thereby left the eternal order. For this reason I inform you of My will and address you through My Word for this reason I require you to enter into My will, into the eternal order, and tell you to live a life according to My will But I do not compel you to live this way; I leave it up to your free will But one thing I keep preaching to you: Love for everything depends on your willingness to love, even your agreement to fulfil My will and to submit yourselves to the law of eternal order solely depends on your willingness to love. For that which you do as a result of love you do voluntarily. Thus 'activity of love' is My will of which I constantly inform you Activity of love is the law of eternal order activity of love is the path to reach the goal, for activity of love provides you with the strength to do what is required in order to perfect yourselves And therefore I will never cease informing you of My will through My Word, I will keep preaching love to you and make you aware of the benefits of a life of love I will always try to encourage you to subordinate yourselves to the law of eternal order, to ignite love within yourselves and fan it into a bright flame My Word will enlighten you as to the purpose of your earthly life, and I Myself will constantly follow you with My love so that your love for Me will be kindled, and then the principle of love will determine your whole nature, you will gain bright enlightenment, i.e., you will realise the purpose of your process across earth and the goal set for you This realisation will give you great

joy and you will eagerly strive for perfection For once love has ignited in you, you will also unite with Me through love, and then you will never want to let go of Me again, and I Myself will hold you with My love, I will merge with you since it is your own free will and we will never part again, for to have entered into My eternal order means to create and be active with Me and in My will in accordance with the divine principle of love and to be eternally happy

Emergence of the work of creation 'Earth'....

The progression of spirit substances over the earth extends over eternities, because spirit itself had turned into matter, of which the earth and all creations consist. Hardened spirit substance became matter by will of God; the entire work of creation earth therefore, as well as all creations in the universe as a whole, are erstwhile spirit energy formerly emanated from God, having been emitted from Him as beings, which nevertheless had altered to the extent of mere compacted spirit in the end, which was reshaped into creations of every kind.

Endless times were necessary for this, as the transformation proceeded in strict order - the development of what can now be seen as the inhabited earth took countless phases of development - it was not a work of God's creative power cast up suddenly - slow development too pursues its aim. Ceaselessly, dissolved spirit-particles were apprehended and recast. A developmental process of unimaginable time-duration had taken place, before the earth had shaped itself into a work of creation that could serve the ever-ripening spiritual for an abode and for natural life, as provided in God's eternal plan of salvation.

And this spirit substance also needed endless times to reach a level when it could be allowed to walk the earth as man, for final perfecting. This passage ultimately as man is as a moment compared to the eternities of the earth's pre-development. The creation of any form is, for God, indeed a moment's work, as any thought He sets forth as finished work, through His will and His power, but it is the resistance of the once-fallen spirit

which determines the time-lapse to its material re-modelling. Because God did not compel this reluctant spiritual, but His love-power apprehended it instead, until it relented somewhat in its resistance, to then encase it in accordance with His plan - to give it some form within which it should carry out a certain function, which was nevertheless so minimal that interminable times passed before these forms could again be slowly dissolved and changed.

It thus took endless times for the earth to develop sufficiently to be inhabited by living beings, and these in turn, after interminable times made the earth fit for man's ultimate training-ground. Man's soul had nevertheless in all its particles passed through the creations, because the fall to the depths, from the greatest heights, had been so immense that endless times were necessary for it to rise sufficiently to again be given self-consciousness which then makes possible its final perfecting, its ultimate ascent.

First of all the creation came into being, and this now harbours the fallen spirits, whose numbers were without limit, and whose return to God also shall require interminable times, and thus an end to creation is not foreseeable. It shall be animated by ever-new spirit-particles, which by perpetual change of outer form are, in their development, forever in the ascendant, and hence manifest a constant emerging and passing of every material creation. And all works of creation are in this way constantly renewed, serving the spiritual they harbour in its maturing - whilst also serving man in his fulfilment, by supporting his physical life on earth.

So long as free will is withheld from the spiritual, bound within the creations, upward development assumes its God-imposed path. The fettered spiritual serves within a given form, and it thereby gradually matures. But as soon as the spiritual passes over the earth at the level of man, it again possesses free will and may, instead of rising, also remain at a standstill, or even regress. In its last stage of development it can fail - and this retrogression can also lead to the spiritual in man - the soul, the once-fallen primordial spirit - to again harden its spirit-substance as heretofore, with the necessary consequence of its renewed dissolving into countless particles, demanding renewed progression through the material creations.

And the necessity of this last resort presupposes also the dissolving and transformation of creations of every kind - which can be described as the

end of an earth-epoch, and the beginning of another. And you men need thus to understand that, over time-spans set by God, violent acts of transformation take place upon the work of creation earth, which nevertheless are founded upon God's love and wisdom - and which always serve only for the salvation of the once-fallen spiritual. And you must also, at all times, reckon with such interventions on God's part, when men no longer recognise the true purpose of their existence - and therefore do not utilise their earth-life for the maturing of their souls, for final perfecting.

Because that is the sole object of every creation, to bring man's soul to maturation, to help it to become what it was in the beginning - a supremely perfect being - which came forth from God's love, but fell away from Him in free will. It is to return to Him, and God Himself has forged the path for its return by a progression through all the creations of this earth.

Amen

Jesus Christ opened the gate into the kingdom of light

The gate into the kingdom of light and beatitude was opened for you again when the human being Jesus gave His life on the Calvary cross as redemption for humanity's guilt of sin The gulf between Me and you was bridged by His crucifixion, the path which lead into the Father's house was clear for you again This act of compassion, accomplished by a human being Who had received the fullness of Myself in Himself and who therefore also had abundant strength, was unique, and will never have to be repeated again, because it was accomplished for all people past, present and future

The death of the man Jesus had been so agonising, His physical and psychological suffering so immeasurably great, that I let it suffice Me as atonement for the immense original sin of the spiritual beings'past apostasy from Me that My justice, too, was thereby satisfied and that My love was therefore able to accept you again without violating the law, which even the most perfect Being has to obey otherwise its perfection would suffer a loss I accepted the sacrifice of Jesus, the man, and the path was open for you,

My living creations, to return into your Father's house, to Me, Whom you once had voluntarily left

If you humans would consider the magnitude of your past guilt, if you would consider the immense suffering and torments of the human being Jesus, and if you would try to imagine the splendours in My kingdom, then you would also be able to understand how tremendously significant Jesus'act of Salvation is for you humans, and that you therefore also have to profess Him otherwise you will have to stay in darkness, since otherwise the kingdom of light and bliss remains closed to you until you acknowledge Him and consciously take His side. Only when it is explained to you that you had become sinful and what your great sin consisted of, will you be able to understand Jesus Christ's act of Salvation Yet you must know about it or your earthly life will have been in vain if you cross over into the kingdom of the beyond in the same darkness, if you are still burdened by the original sin which caused the deep gulf between you and Me

The bridge to Me was established by the human being Jesus for all of you, and you all are able to enter it you are able to return to Me again, yet only **with Him**, with Jesus, the divine Redeemer if you make use of the great act of mercy, if you acknowledge Him and Me Myself in Him, Who descended to earth in order to take abode in Jesus, in order to accomplish the act of Salvation **Myself in Him**, so that the gate to the kingdom of light would be opened for you again and you are now able to return to your Father's house

Your past sin of guilt has been redeemed through Jesus'crucifixion Yet every individual person also has to form an opinion about Him and His act of Salvation The bridge has been established, yet every individual person has to enter it himself and take the path to Me, Who is waiting for you on the other side of the gulf and happily wants to re-admit you into My kingdom Your guilt of sin is redeemed but you have to carry it under the cross yourselves, you yourselves have to want to belong to those for whom the blood of Jesus, the man, was shed Only then will you acknowledge Him and His act of Salvation, and only then will you consciously confess your guilt and appeal for forgiveness Then the divine Redeemer will have accomplished the act of mercy for you too, then His blood will have been shed for you as well and has cleansed your soul from all guilt.

And therefore you humans will time and again receive clarification as to the significance of Jesus' crucifixion for the whole of humankind; time and again you will be made aware of your immense guilt, which was immeasurable, because you once knowingly separated yourselves from Me despite brightest enlightenment and utmost perfection You had burdened yourselves with guilt the magnitude of which you are unable to assess, and it truly required an immeasurably great and difficult sacrifice of atonement The human being Jesus offered it to Me, and for the sake of His excessive love for His fellow human beings I accepted this sacrifice and let it suffice as an expiation of guilt.

And now you will have to make use of His supreme act of love yourselves, so that your guilt of sin shall be redeemed, so that you won't stand in front of a closed door when, after your death, you enter into the kingdom of the beyond Due to His crucifixion the gates were opened again, His death on the cross has brought salvation to you humans, with His blood He has bought your souls back from My adversary And thus He has truly become your Redeemer from all adversity, for He returned your life to you He has liberated you from sin and death He took all your sins upon Himself and walked with them the path to the cross.

The fullness of love in Him accomplished this act, and I Myself was this love Your Father of eternity, He Himself has built the bridge in order to fetch you home into His kingdom and you all will have to enter this bridge if you want to become blessed

Amen

Reason for painful strokes of fate

I will still create many opportunities for you before the end which shall enable you to find the path to Me Time and again I will reveal Myself to you, though often in a painful manner, yet you shall always recognise that you are unable to determine your own destiny, you shall always recognise a Power above yourselves Which intervenes in your life, and harshly so if there is no other option, in order to pull you back from the abyss towards which you are blindly striving

BD 7928

I want to save you, and all My admonitions and warnings bear no fruit this is why every so often I have to treat you harshly and inflict pain on you I have to take your most precious possession on earth away from you, I have to inflict death and disease on you, you will have to be struck by all kinds of misfortunes because you don't believe in a Power to Which you owe your life.

And there will be more and more instances when I will tear people apart, when death will come marching, when disasters will abruptly end people's lives I will manifestly show Myself, yet only be recognised by the willing person who then will find his way to Me and no longer can go astray The end moves ever closer, and thus My love, wisdom and might still will also have to frequently intervene Time after time humanity has to be shown the transience of earthly things anew, they have to come to realise the triviality of their aspired goals, and as a result will often have to suffer physically and psychologically, but they shall always also receive help if they turn to Me and appeal for My support in their adversity. And their fellow human beings, too, shall consider that they could suffer the same fate and realise that they don't live on this earth for earthly life's sake

Every stroke of fate can result in making other people think and question whether their own way of life corresponds to God's will, if they believe in a God Each stroke of fate can help people to believe if they turn to Me and through My obvious help will also be able to recognise Me Thus you, who receive My Word, should explain to your fellow human beings My occasionally harsh and cruel appearing interventions in people's lives explain to them that I will use all means in order to win people over for Me, and that I will not stop to keep expressing Myself, for every misfortune is an expression of Myself which can happen to anyone yet it only ever intends to turn their thoughts into My direction For there is only little time left and you humans merely pay attention to the world but not to the salvation of your soul

The world will pass away, that is, you won't be able to take anything belonging to the world across into the kingdom of the beyond You only ever chase after dead commodities, and therefore you will be repeatedly made aware of the world's fleeting nature. Again and again you will hear of accidents and all kinds of disasters, again and again you will have to suffer

the loss of human lives, and again and again you will ask yourselves why a God of love allows this to happen The God of love wants to win you for Himself, he wants to make you blissfully happy, and therefore He wants you to turn your thoughts to Him

My love alone is the reason for everything that affects you badly, for you will go astray again for an infinitely long time if you don't remember Me And only for this reason I reveal Myself to you and also intervene harshly and painfully if you ignore My loving admonitions and warnings For I don't want you to go astray I still want to save you before the end and protect you from a far worse fate from the new banishment into the creations of earth, which will be inevitable if you don't find Me anymore before the end of the earth

Amen

Did God cause the apostasy?

One day you humans will understand that I Myself will never exert and never have exerted My influence over the spiritual being which I externalised as free and independent For as soon as I created it as a self-aware being it was also endowed with free will, and this free will was not in the slightest tied to My will, to My illumination of love or any other influence on My part The will was entirely free and able to decide either way. But the fact that the being possessed free will was also the guarantee that one day it would be able to change the state of a 'living creation' into the state of a 'child', which would have been unthinkable without free will. But My objective at the creation of the beings was true 'children of God' thus beings of supreme perfection which, however, had to attain this perfection themselves. The question will always arise in you humans as to whether the thought of apostasy was implanted by Me in these beings, as to whether they, in a manner of speaking, had to fall away, because I had set Myself this goal 'true children'.... when I created the beings. In that case you can also dispute the beings' free will, but this was the cause of, as well as the possibility for, the apostasy. However, I foresaw from the very beginning how My living creations would use their free will and, therefore, I was also

able to recognise the justified goal in this apostasy. Yet neither the apostasy nor the goal was in any way determined by Me The apostasy was the result of free will and therefore did not have to happen The goal is the result of free will again It will be achieved one day but the time it takes is determined by the being And so it must be said that I certainly know everything, that one thing always substantiates the other and that no apostasy could have happened had I denied the being free will but that the goal I had in mind at the creation of all beings and which only signified supreme bliss even if it were preceded by times of immeasurable agonies, would then have become invalid Nevertheless, the voluntary apostasy of the beings was a transgression against Me and My love, for the being could have adapted its will to Mine, it did not have to turn away from Me and leave the law of eternal order And countless beings provided the evidence for this by remaining with Me and nevertheless being inconceivably happy These beings will also be permitted to attain the childship to God if they want to take the path through the abyss for the purpose of their fallen brothers' redemption

But the apostasy was not My doing, My will; yet for the sake of the highest goal I allowed it to happen and only ever emphasise again that these beings possessed absolute realisation, that they were illuminated by brightest light and that, through their wrongly inclined direction of will, they misused their freedom of will, which subsequently led to their wretched state. I did not prevent this apostasy or I Myself would not have respected their freedom of will, but this characterised the being as a divine one, because something perfect without free will was unthinkable. And once you have reached the goal of having become a true child of God, then My plan of deification will be completely understandable to you, and you will also regard the spirits' apostasy with different eyes, even though it gravely transgressed against My love. And since the law of eternal order is unchangeable, this deification could only ever proceed lawfully; it could not be attained in any other way because all divine characteristics, which I placed into the being at its creation, must be aspired to voluntarily which, due to the apostasy from Me, became a necessity but was also considerably more difficult than voluntarily remaining in the state of perfection The fact that the beings had fallen away and thus sinned against Me led to an extremely long state of torment which

could never have happened had I Myself caused this apostasy in some form or other These beings'perfection cannot be doubted and yet they fell which can only ever be explained by their freedom of will, which was also a gift of grace that will never be taken away from them And the fallen spiritual beings'process of return also provided the non-fallen beings with the opportunity of attaining the childship to God, because they may also take the path through the `abyss'for a redemptive mission that the `apostasy from Me'is therefore not the sole prerequisite in order to attain the childship to God, but that I truly have other ways as well of shaping My created beings into My children Hence the apostasy was not necessary but **possible** on account of freedom of will. And I foresaw it from the very beginning and was therefore able to base My plan of Salvation on it, which made Me as well as My created beings extremely happy and which I will certainly achieve one day. And you, too, will one day be in the state of **highest** perfection and realise and understand the immeasurable love I have for all My living creations and that this love can only ever bring forth goodness and, therefore, will also help those who died of their own fault attain eternal life again

Amen

You humans are heading towards the end

A redeeming period is ending, for the time is fulfilled ...For My plan of salvation is arranged since eternity, and it will be carried out, according to My decision by My love and wisdom. But you human can not estimate the meaning of the ending of a redeeming epoch, for the taking place of a transformation on this earth is unimaginable to you, which will destroy all creature, in which all creation, every life, will be dissolved and wiped out

For such a parallel mankind has never lived through, henceforth it is unbelievable to man that earth is heading towards its end. Mankind is standing before unimaginable events, but you won't be able to estimate the proper meaning in all events, because you are not aware of the seriousness in your situation.

You are heading towards the endWhat you see around you, what is in existence and what you can watch, that is what will cease to exist everything will be destroyed, and you yourself will perish in this destruction, if you do not belong to My Own, which will be guided away through My power and My will, like I proclaimed it which I will carry away before the eyes of the fellow man, because they belong to Me and I can and will transplant them upon the new earth, once the transformation has taken place.

For the time is fulfilledFor every redemption period is within a restricted time frame, regardless the endless length, that man no longer knows of the beginning, thus an end you therefore think impossibleThat you must experience this end, is only the result of your own will, in the resistance against Me, which you caused and are still causing with your spiritual setting within you, otherwise it could not have gotten lost, meaning you would not had to worry for the captivation into the matter in the creations of the new earth.

Your resistance alone is cause to your fate and your lot after the end of this earth, for as soon as you drop the resistance, you are turning to Me and will belong to My own, which I will save, before the coming end. For you human beings with no spiritual connection what so ever involved with everything that has to do with the End of the old earth, it is incomprehensible, and you will never believe the time has come, whereby every single person has to make the decision for life or death, you must make the decision, for none of you will be spared of it.

You should not gloat in confidence that there will be no end to this creation earth ...For faster as you can think; the end will be herebecause the time is fulfilled. And I Myself am constant and steadfast in My Being with My action and reign. Henceforth what I have told you I must fulfill, once the time has come, My plan must be carried out.

And that which I have brought your attention to it is here, it is apparent visible in many signs, to which I showed you every time I have mentioned the end of the earth For who has ears to hear, he might hearFor who has eyes to see, he shall seeBut you human will not hear nor see. Thus neither can I reveal Myself more plainly in order to force faith out of you.

But My indications will have no end, until the day has come. And blessed be the ones that believe My Word, who will live according to their believe and bind themselves to Me in love and trust. For those are the ones that are saved for time and eternity, for those I will take on in any earthly and spiritual need, and nevermore will they have to fear an end, because I will take them up beforehand the hour of horror but not without them being able to watch the scene of destruction, but only, for them to recognize My power and magnificence and for them to testify on the new earth, where there will be an end to every sorrow and where they can experience the happiness of the paradise. The time is fulfilled, and it will come just as foretold, for my word is truth and it will last forever

Free will must accept the light

I want to bring you light because you are living in darkness I want to lead you out of the darkness of night into the light of day, I want to enlighten your spirit and illuminate you with My light of love, I want to make you happy because you are miserable in your spiritual darkness. I want the sun of My spirit to shine upon you I want to give you that which you are lacking: the pure truth from God I Myself want to teach you, for then the darkness in you can no longer reign, then the light of My love will radiate into your hearts and make you blissfully happy, for then you will no longer repel Me, as you did when you fell away from Me, but listen to Me once again and accept the light of My love, as it was in the beginning The fact that you humans are lacking light cannot be denied by you, for you have no idea about the meaning and purpose of your existence, about the reason for your earthly progress, about the meaning and purpose of any work of creation you have no knowledge about the correlations and especially not about your relationship with your God and Creator You don't recognise your Father in Me and are unaware of the goal that you ought to unite with Me as your Father of eternity in order to be eternally happy again, as you were in the beginning. All this is unknown to you and neither do you question it, and thus you live in darkness and don't look for

the light but this state is a wretched one for you, because darkness also amounts to death, only light is really life But I want to awaken you to life from your lifeless state and therefore I bring you the light. And trust Me, this light will make you happy, you will be glad when you know about everything and can live your earthly life consciously because you want to reach the goal which comprises eternal beatitude. I do not want you to continue your life on earth in this dark state nor do I want you to take notice of the deceptive lights which neither spiritually enlighten you nor give you bliss

I want to give you true light, knowledge which corresponds to the truth and which must originate from Me because only I Am the primary source of truth, because I Am the light of eternity. You humans are My creatures and therefore possess My love because you emerged from My love. But I always want to give pleasure to that which belongs to Me Darkness is not a blessed state, only light can give joy to the being, and I want to give this gift to you. Yet I can only ever just offer you My gift of love and then your free will must be willing to accept this gift I can and want to do whatever it takes in order to return you to a state of happiness but one thing I Am unable to do is to give you **against your will** that which you need to be happy. I can certainly **offer** you light but I cannot force you to **accept** it and to let it shine into your hearts You must open your heart to Me and allow the ray of My light of love to enter it, then everything will become bright and clear within you and you will be happy And since your free will is the only decisive factor as to whether you move in the darkness of night or in the light of day, I can only ever enlighten you of the fact that this free will determines your destiny, your fate, in eternity that you have to direct your free will towards Me by relinquishing your opposition and strive towards Me with all your mind And you will be brightly illuminated by My divine light of love, then you will receive the kind of knowledge which will bring you joy, for you will realise all correlations and find out about your origin, about your process across the earth and your goal And as soon as you become enlightened you will also find the path which leads to Me And you will walk it of your own volition in order to reach Me, because in the light of truth you finally recognise Me Myself, because then you will love Me too and aim to join Me forever And I will

never ever let go of you again, for My love brought you into existence and My love will pursue you until you have become My Own eternally

Amen

Unchanged Word

Important missionary work

You should steadfastly continue on the path you have taken when you offered your service to Me You should only ever listen to the instructions given to you by the custodian of the house, for it is necessary to rescue the souls which are at great risk, since the end is approaching And thus you should listen to Me, you should only ever give Me the opportunity to speak to you, for you must know what My will consists of because you should live your life accordingly. And you should believe the information revealed to you through My Word I want to address all people through My servants on Earth who enable Me to speak through them. And you should always regard them as My messengers who proclaim the will of their Lord to you, who ask you to prepare yourselves and provide Me with an abode which serves Me well when I Myself come knocking at the door of your heart in order to enter it And I will truly bless those of you who are of service to Me by allowing Me to speak through you This voluntarily accepted task of yours, your mission, is very important, and you will indeed finish it in accordance with My will, for time and again I convey strength to you and always show you the ways which enable you to successfully work in My vineyard Time after time I repel My adversary from you, who will not cease in his attempts of extinguishing the light where it was kindled by My love Yet he will not succeed, for you are surrounded by spiritual guardians which weaken his activity. And you can safely continue with your vineyard work by serving Me as a vessel for the spirit into which I Am able to flow so that My Word can be transmitted to Earth and made accessible to people of good will. And anyone who is thus directly addressed by Me need not fear that his work will be in vain, that My Word will not serve its right purpose, that the 'living water' might run dry without having served the human being with its inherent benefit to purify the soul and to

strengthen it for its pilgrimage on this earth My Word will prevail, for it is strength and light in itself and My Word will truly not fail to have the desired effect `My Word', only that which comes forth from Me, has and will keep this strength. However, as soon as it is changed through human will it will lose its strength and then it can never be considered to be My Word This is aimed at all those of you who arbitrarily try to improve My Word and thus change it For that which originates from Me does not require any improvement, it can thereby only lose value, and for this you, who make such corrections, will have to justify yourselves, because you are as yet unable to appreciate the grace of a direct Word-reception.

However, those of you who are of service to Me and therefore accept My Word, don't let yourselves be misled but continue to work according to My will Allow Me to speak through you, for the human race needs My Word, it suffers great spiritual adversity; it needs an unusual gift of strength, it needs extraordinary signs and the evidence of My love, it needs to be strengthened in its faith, which is still weak Humanity needs My Word, and since I cannot manifest Myself openly on account of their freedom of will, I need you to serve Me as a mouthpiece so that you give Me the opportunity to speak to all people For I still want to rescue many people before the end, I still want many people to receive My Word which is blessed with My strength Therefore leave all your problems to Me, be they of an earthly or spiritual kind And keep working for Me and My kingdom, be faithful servants to Me who fulfil the will of their Lord and I will bless your work

Origin of the creation work 'earth'...

The path of the spirits across the earth will extend into eternity For the spirits themselves became the matter which earth and all its creations consist of God's will turned solidified spiritual substance into matter, thus the whole of the creation work earth as well as all creations in the entire universe is God's once emanated strength which He externalised as a 'being' but which so changed itself that it finally became mere **hardened** substance, which was then transformed into creations of all kinds.

This took place over an infinitely long period of time, because the 'transformation' also occurred in lawful order, the rise of what is now visible as 'inhabited earth' happened during countless phases of development it was not an instantly externalised work of God's creative power since even the slow development served its purpose Time and again minutely disintegrated spiritual particles were captured and reshaped, the process took an inconceivably long time before earth had formed itself into a work of creation which could serve as an abode and sustain physical life for the constantly maturing spiritual substance, as it was designated by God's eternal plan of Salvation. And even this spiritual substance took an endless time before it reached the degree when it was allowed to live as a human being on earth for the purpose of its final perfection.

This last earthly progress as a human being is but a moment in time compared with the infinitely long period of the earth's preliminary development Although the creation of every form was indeed the work of an instant for God, because His will and His strength externalised every thought as an existing work yet the resistance of the once fallen spirits determined the length of time until their physical transformation. For God did not force this spiritual substance but His strength of love captured it until its resistance had somewhat subsided in order to then encase it in accordance with His plan, to then shape it into various forms where it would perform some kind of activity which was so minimal that, again, an infinitely long time passed before these forms could gradually disintegrate and change

The development of earth took ages until it could be inhabited by living beings, and these, in turn, prepared the earth for yet another inconceivably

long time to become suitable for serving human beings as a last place of development The tiny individual particles of the human soul, however, had passed through all creations The fall from the highest pinnacle into the abyss had taken so long that thus an equally long time had been necessary to ascend from the abyss to the point when the being could receive its self-awareness again, that this final perfection then made it possible to travel the last path of ascent. But for the time being the creation had emerged, and this incorporates the innumerable fallen spirits whose return to God will subsequently also take an infinitely long time, hence an end of creation cannot be foreseen as yet

Nevertheless, the `creations' exist and everything will take its lawful course They are brought to life by ever new minute particles of spirit whose higher development takes place by way of constantly changing their outer form, and thus a continuous developing and disintegrating of every material creation can be observed All works of creation repeatedly renew themselves in this manner and thus serve the inherent spirit to achieve maturity, just as they serve humanity's continued development by safeguarding their physical life on earth. As long as the spirits bound in the creations do not have free will their path of higher development proceeds in accordance with God's will the constrained spiritual substance serves in some form or other and thereby matures gradually But as soon as the spirit lives on earth as a human being it is once again in possession of free will and then it is able instead of continuing to ascend to stop its development or to regress again. During the final period of its process of development it is able to fail And this regression can lead to the result that the spirit in the human being the `soul' or the once `fallen original spirit' ... will harden again as before. The outcome will be a disintegration of the soul into countless minute particles again which will have to take the path through the material creations once more And this process, which has now become necessary again, also requires the disintegration and transformation of all works of creation which can be described as the end of one earthly period and the start of a new one.

And thus you humans should try to explain it to yourselves, that such periodically enforced processes of transformation concerning the creation work on earth will take place in accordance with God's will. They are always

based on God's love and wisdom and only ever serve the redemption of the once fallen spirits And you need to also be prepared for such interventions by God when people no longer recognise the true purpose of their existence, when they thus do not use their earthly life for the maturing of their souls, for their final perfection. For the sole purpose of every work of creation is to bring the human soul into maturity, to help it become what it once was in the beginning a supremely perfect being, which originated from God's love but voluntarily apostatised from Him It shall return to Him again, and God Himself has provided it with the path of return through all the creations on earth

Amen

Coming in the clouds

You all should know that I will return in the clouds that I will descend to earth in the same way as I once ascended to heaven that My Own will see Me in brilliance and glory, just as My disciples once saw Me, and that I will take My Own from earth because the day of the end has come Admittedly, prior to that I Am already descending to earth in the Word, for I Am the Word Myself, and have given you the promise that I will stay with you until the end of the world but My obvious appearance will not happen yet, for it will constitute the end of one and the beginning of a new earth period

My coming in the clouds has to be understood literally, yet only few will see Me, for My flock is small and only My Own will be able to endure seeing Me, I will only be visible to My Own and allow them to behold My might and glory And this shall be your hope in hours of hardship and affliction by hostile powers to God for in the end everything will be hostile to God, the rulers and their followers, the people who take their side in the battle of faith. They all will take action against you, who want to remain loyal to Me and persevere to the end They will put you under great pressure and then you shall hope for My coming, for I will not leave you in distress of body and soul, I will save you and lift you to a place of peace, and your faith will be so strong that I will be able to show Myself

when I come in the clouds in order to judge the living and the dead Then the great separation of the spirits will take place and My adversary will no longer have control over you For he and his adherents will be bound for a long time. Only few people sincerely believe that My return is imminent But the time is fulfilled and I no longer say: I will come when the time is fulfilled, but I say: the time is fulfilled You can only count on a very short time, on just a few days, compared to the long period of time that has passed since an `end' was prophesied. You live in the last days even if you refuse to believe it

My coming is soon about to happen to you Hence take care that you, too, will belong to the chosen ones who will experience My coming while still in the flesh, who may behold Me in all My radiance and glory, whom I will lift to heaven just before the end Just **want to belong** to them and, truly, I will give you the strength to turn your will into action. Let Me speak to you time and again and always strive to accept My will and you will establish the connection with Me, you will join Me and also be counted as My Own whom I will rescue before the end happens. For it is **certain** that I will come Myself And you should also believe without a shadow of doubt that all of you with a living faith and who approach Me with love, will be able to behold Me, for My Word is truth and will come to pass.

People who deny `My coming', who only want to understand and explain this arrival figuratively, are not yet as profoundly devoted as to be united with Me, but the immense earthly hardship before the end will still strengthen their faith if they are of good will. And they themselves will pray for My coming, because they will realise that only I can provide the rescue which they cannot expect from another side any longer You should believe that I will save you from utmost adversity and await the hour when My promise fulfils itself. And then My adversary will be defeated, yet with him also his many followers, who will be taken in by the earth again Therefore hope and persevere, for the hour of your deliverance will come, the day of separating the spirits will arrive There will be an earthly and spiritual change which you will experience and which was constantly proclaimed to you in Word and Scripture

Amen

Life of love protects from error

I have to emphasize time and again that only truth can bring you joy How often was error explained to you already and you do not recognise it as such. By this I only refer to mental concepts which do not relate to earthly knowledge but extend into the spiritual realm, which you humans will never be able to prove, which can only be believed. This mental information, however, must correspond to the truth if it is to have beneficial effects You can be totally devoid of knowledge and need not endeavour to learn anything either but then your life as a human being is completely meaningless, for you will never attain its purpose: your perfection. But if the wrong knowledge is given to you, your earthly life can be equally pointless, because wrong knowledge is darkness of spirit But you should live in light, only then will you fulfil the purpose of your earthly life: your soul will mature fully, for you will live a conscious life and your conduct will be in accordance with My will. Consequently, imparting the truth and accepting it has to be the first condition for you to reach your goal

But you have free will, and this alone determines your attitude to truth. Only this determines whether you will ask for truth and want to reject error and then the truth will be offered to you with certainty, then you will walk on earth in the light of truth in every way and arrive at your goal. This will, however, is only weakly present amongst people, they mostly accept everything indifferently, and because of their indifference the error adheres to them far more they do not recognise it as such, and their earthly life can then have been in vain unless they become spiritually enlightened through a life of love and are saved from the downfall. And the crucial factor for a person is his decision to live a life of love, because then he will also be able to differentiate between truth and error

And thus, he should consider the divine teaching of love as the first and most important truth If he accepts it as pure truth and lives accordingly, it will be easy for him to recognise wrong teachings concerning the spiritual realm as misguided, and he will dismiss them But if other, humanly conceived, doctrines are presented to a person as credible they can very easily take precedence over his love for Me and one's neighbour, or I will no longer be regarded as the most perfect Being and therefore love cannot

be offered to Me either And then error has won already, it has spread darkness and clouded people's thoughts

Only truth will bring you true light And all of you are able to attain truth, for I do not withhold it from anyone who desires it. And you should know that the desire for truth will grow ever stronger when you fulfil the divine commandments of love. Hence, were love is preached to you, you will also be instructed in truth, for as soon as a preacher emphasizes the love for Me and for one's neighbour his thoughts are enlightened and his words will therefore always be truth He will deter misguided spiritual knowledge and never preach it to you, because he will be prompted by love to proclaim only the pure truth. And thus My constant reminder to you is that you should give full expression to My divine teaching of love Then you will not run the risk of falling prey to error, and your earthly life will certainly not be a waste of time You will walk brightly lit paths, you will be thoughtful and spiritually enlightened, for love is the Divine within you, I will always be present in you when you remain within love Only true thoughts can be where I Am, because I Myself will enlighten you through the spirit, which only ever will impart pure truth to you

Amen

Redemption only through Jesus Christ

Self-Redemption is not possible

You have been redeemed through the death of Jesus Christ, and not a single being in the entire universe is excluded from this redemption, for He has accomplished His act for all once fallen spirits, He has accomplished it for all people past, present and future But the being itself has to acknowledge it, it consciously has to lay claim on the blessings of the act of Salvation God's opponent is entitled to the spiritual being which had voluntarily followed him into the abyss It turned to him and away from God of its own free will of its own free will it has to turn away from him again and desire to return to God. However, it would never find the strength to separate itself from him, because its will had been totally weakened by the adversary It would stay separated from God forever if

the human being Jesus, in Whom God had manifested Himself, had not achieved the act of Salvation by means of his crucifixion, through which he acquired the blessings of a stronger will, which can now increase the fallen spirit's will and then also enable it to rise up against the adversary and strive towards God

The act of Salvation will not force any being to return, but its return is made possible for it, which otherwise could never have taken place. Yet it always requires free will, otherwise all fallen spirits **would have been** instantly redeemed and every work of creation would already be spiritualised But the redemption depends on the human being's free will who, as a once fallen being, is travelling the path across earth for the purpose of becoming free, if he takes advantage of Jesus'act of Salvation and His acquired blessings Then his redemption will be certain, then he will return to his origin as a child of God then Jesus Christ will not have died for him in vain he can still perfect himself in earthly life or ascend in the spiritual kingdom and be active in light and strength and freedom for his own happiness. It only requires your will to be redeemed, for Jesus atoned the guilt **on his behalf**, Jesus cleared the way for him to the Father, Jesus opened the gate to the kingdom of light But the human being himself has to **want** that the act of Salvation has been achieved **for him**, he has to consciously place himself underneath the cross of Christ, he has to acknowledge Him as Son of God and Redeemer of the world, in Whom God had manifested Himself in order to be able to become a 'visible'God for all His living beings Yet in that case one cannot ever speak about 'Self-Redemption', even if one's own free will is the first condition to attain the blessing of the act of Salvation The human being can never free himself from his great guilt of sin without the help of Jesus Christ, in his weakness of will he will never be able to lift himself up and detach himself from God's adversary

The redemption of all souls is **only** possible through Jesus Christ, and this is why the man Jesus Christ has suffered the crucifixion for all fallen spiritual beings and acquired the blessing of a strengthened will, which every being can lay claim to as soon as it has reached the stage of free will as a human being again. And this exceedingly joyful knowledge is conveyed to you humans. For now you are informed that you are not hopelessly lost, that there is a path of ascent for you, back to your Father's house the

path to the cross of Christ, which has to be taken without fail but which also assures you complete deliverance. If, however, you don't take this path then you will not find redemption either, you will not be released from your adversary and that means, that you will never be able to enter into the kingdom of light because your guilt of sin will prevent your entry. You yourselves are unable to free yourselves from this sin, but you can carry it under the cross, to Jesus Christ, Who shed His blood for your guilt and thereby also bought you back from God's adversary. Only, your will has to make conscious use of this blessing, and then your guilt will also be redeemed you will be free beings again as you were in the beginning, and need only perfect yourselves in earthly life, that is, through loving activity shape your nature into love again you need only seek closest unity with God, your Father of eternity, and your soul will mature and then, as His children, be able to enter the kingdom of light and bliss

Amen

Faith

You all have to acquire a much firmer faith and that means that you have to love even more, because love brings forth a living faith Performing labours of love creates a direct bond with Me, Who is eternal love It should be self-evident that you can no longer doubt or have a weak faith when you are connected to Me because then I Am the guarantee Myself that your faith won't be destroyed And although your will to believe can be strong but you must have an equally strong will to do works of love Love has to be the inner driving force of all your intentions and actions, then your faith will be firm and steadfast you simply will not be able to doubt anymore but will be sure of what you should believe. And this convinced faith will fill you with joy and give you inner peace because then I Am with you Myself, because your deeds of love draw Me closer to you without fail, because `those who love are in Me and I Am in them' Love unites us permanently and love gives birth to an unwavering, living faith. And when you pray for a firm faith then you have to pray for a strong will to love at the same time and you will achieve a firm faith indeed.

I repeatedly give you this information because you are approaching the time when you need a firm, unwavering faith to remain resolved until the end If you have this faith nothing can upset you, no matter what happens, because then you know that I will help you and thus you are giving yourselves into My hands with blind faith And then I Am indeed always willing to help, I will not leave you at times of physical or spiritual distress because your willingness to love, your way of life, has made you My Own already, you have joined Me again and I Am now able to work in and through you.

A firm faith is the best guarantee you can have because it gives you inner peace and calmness during all earthly events which I can avert from you or reduce their effects because you have faith And thus you should always pray: `Father, help me to do works of love and let my will to love become ever stronger'And the will to love will grow at the same rate because love guarantees My presence and My presence guarantees help at all times of distress Love also guarantees the recognition of all correlations and hence the understanding for everything which, in turn, contributes to the strengthening of faith. Love is everything and if you have love you are also filled with strength from Me and this strength enables you to do unusual things when necessary, when love is the driving force that makes you want to help Then you have the faith that moves mountains and then you won't fear whatever happens to you. Because then you are connected to Him, Who is Lord above all, Who can command the elements to spare you and Who wants to prove Himself as your Father Who loves His children and will not leave them to become victims of destruction Ask Me every day for the strengthening of your faith and the will to love, as this is a spiritual request which I certainly will fulfil because love and faith are necessary for your perfection

Amen

Only beings of light are permitted to teach

The spiritual world constantly endeavours to bring help to those people who desire help from the beings of light For all beings of light act in accordance with My will, and if I want to help people then it will often take place through My angels, through all spirits of light, whose happiness consists of implementing My will. But all these beings do not act in opposition to My will, because due to their spiritual maturity they completely entered into My will already, because they want nothing other than to comply with My will, in other words: My will is their will too, since they possess an abundance of love and wisdom and recognise that My will only intends that which is right for My living creations and therefore they unconditionally submit themselves to My will. And thus it is understandable that they will indeed impart the full truth if they are permitted by Me to bring spiritual enlightenment to people if they have the task to instruct people mentally, to proclaim the Gospel to them in the form of My Word, which I also convey to you through these beings of light but the Word which originates from Me will always be the same, because they receive My illumination of love and then pass it on again. For their bliss consists of their uninterrupted connection with Me, of the flow of My Word which is heard by them directly and which they pass on again according to My will. Thus beings of light can never disseminate untrue spiritual knowledge, and only beings of light are permitted to teach you humans if you have asked Me Myself for the truth, if you demonstrate your desire for truth to Me through your appeal for it. In that case you can only be taught the truth, for I will protect you from the intrusion of immature spirits who want to impart wrong teachings to you because they act on behalf of My adversary but which will never gain entry to people who desire truth And therefore you can safely accept the Words offered to you by beings of light as My Word, for they are merely the mediators of the pure truth from Me, which they themselves receive in form of a direct address

For My Word sounds in the kingdom of the blessed spirits in order to make them incredibly happy But then they will also work with it because the love of these beings constantly endeavours to bring light into the darkness, and My Word is the light which penetrates the darkness And if you

humans want to receive the pure truth from Me you need only make heartfelt contact with Me and appeal for it ... You can rest assured that I will grant **this** wish to you, and then you can also accept that everything given to you is given by **Me Myself**, even if it is conveyed to you through beings of light, for My strength of love, My Word, shines into them and through them down to you humans again, since these beings care for you with greater than great love and will also prevent misguided thinking from influencing your thoughts. They push all immature spirits away from you on My instructions, so that the pure 'Word of God' is not distorted, so that you humans may receive it in all purity and as accurate as it originated from Me. Nevertheless, the fact that My adversary is also at work and makes an effort to sow evil seeds everywhere cannot be denied Yet this will always be determined by people themselves, i.e. by their will, who allow themselves to be accessed by these forces, who thus do not entirely hand themselves over to Me and only strive for the pure truth who use their own will and allow themselves to be taken possession of by still unenlightened beings This is why a person should practise rigorous self-criticism as to what extent he has entered into the right relationship with Me And he should only ever hand himself over to the good forces, to the beings of light and the implementers of My will, he should appeal to Me for protection from being besieged by everything unspiritual he should only ever want to be addressed by Me Myself, Who is the primary source of truth and Who therefore will only ever bestow truth upon those who desire it However, I know and see through his heart and all his thoughts And thus I also know the substance of his innermost nature and accordingly he will receive, accordingly he will be surrounded by forces of light or of darkness. Yet the eternal light of love will always shine into a receptive heart which utterly opens itself to Me so that I can fill it with light and strength

Amen

God's protection in the battle of faith

Thus stand firm and don't let your faith waver, for I, your God and Father of eternity, Am and remain with you when the great battle of faith will begin by which My adversary also wants to cause the downfall of you who are My Own. Everything undertaken against Me will always aim to render Jesus Christ and His act of Salvation implausible to you And the fact that Jesus Christ will be denied, that people shall be deprived of all faith in Him and that they therefore shall have no opportunity to depart from this earth in a redeemed state shall be taken by you as an obvious sign of the approaching end For My adversary will openly challenge Me by attacking Jesus Christ in Whom I became a visible God for humanity.

And the more intense this battle erupts the more you can be assured of My presence, for I will not abandon My Own, I will not let My adversary be victorious over those who want to be and remain My Own. And when you are thus cornered by the requirement to deny Me as the divine Redeemer Jesus Christ when you will have to choose between Me and My adversary, then just put all your trust in Me as then I will be closer to you than ever; I Myself will fight with you and you need not fear My adversary, for My power is supreme and will protect you, no matter how threatening the undertakings against you may look. But then you can expect your deliverance within hours, you can count on My coming within hours and the end of the world, whence I will remove you at the height of affliction and danger

Do not become doubtful then, but remember that I have foretold you that you will still have to endure great tribulations for the sake of your faith Yet the stronger your faith and the more confidently you abide in Me, the easier will be the battle of faith for you, for I truly have the power at My disposal to avert even the worst from you, and My Own shall experience My love and power and therefore can confidently and fearlessly look ahead to this time. But it will come, for the believers will come under attack by the earthly authorities and those who are enslaved by My adversary My Own will have to give public testimony and should not be frightened, for the God Whom they acknowledge will also reveal His power and help them in earthly adversity and distress

Just be prepared that brutal measures will be used against you, who want to remain loyal to Me But don't forget that I Am Lord over life and death, over heaven and earth and that I truly have means and ways to lead My Own out of earthly hardship, even if it seems as if there is no way out. And whatever earthly things will be denied to you I will miraculously feed you and quench your thirst, for that, too, is within My power, after all, I created heaven and earth, I made all laws after My will and thus I can also abolish laws and nourish you supernaturally I can also surround you with a protective barrier, I can instruct My angels to form such a barrier around you

You only have to faithfully entrust yourselves to Me, your Father, Who will not leave His children in peril and Who will protect you from the enemy of your soul, from earthly and spiritual opponents For My might and My love is great And this will happen in the near future Yet prior to this you will still be subjected to tests of faith but these, too, will strengthen and enable you to stand firm in the last battle on this earth. And as soon as this conflict will flare up you will also know that the end is not far away, for My adversary will only wage battle for a short time, because for the sake of My chosen people I will shorten the time, I will bind him as well as his supporters. For the time he was granted for his activities on earth is fulfilled and the end of the earth is near, as it is proclaimed in Word and Scripture

Amen

Conclusion of earthly progress only with Jesus Christ

You have come a long way already but the fact that you are still walking on earth is proof that you have not yet concluded your path of development with exception of those who incarnated on earth for the purpose of a spiritual mission and whose souls thus had previously covered this progress of development and had found admission in the realm of light But I speak to you humans who are not yet perfect, who once had deserted Me and had to walk this long path of development so that you can now, at the human stage, voluntarily take the last test of will, the passing of which

ensures your entry into the realm of light. Hence you are not yet perfect but you have ascended from the deepest depth to the height, if only by law of compulsion The depth had to release you because My will had intended this long path for you which pulled you away from the force of My adversary, or your ascent would have been impossible But now he is given his rights once again because you are still his property since you formerly had followed him into the depths voluntarily and this free will has not yet made the new decision: for him or against Me, Who longs for your return but will not force you if you willingly want to stay with him.

Thus, at the human stage My adversary once again applies his power by influencing your will but he is unable to force it as you have to decide of your own accord which Lord you choose. However, I cannot stop him using all his persuasions to chain you to himself I cannot stop him from using ploys and to tempt you, only to keep your soul or to regain it if he has already lost it You now have to face him voluntarily yourselves and fight against him if you want to free yourselves from him. And you really need not fear his strength because you have a strong Helper by your side Whom you only need to ask to win the battle with Him: Jesus Christ, your Redeemer from sin and death Even though you, as human being, have already overcome the deepest abyss, even though you, due to My help, have also come considerably closer to Me during the infinitely long period of development yet the burden of your original sin due to your desertion from Me constantly pushes you down again and you would never be able to resist the will of My adversary if Jesus Christ would not help you, if He would not give you an intensified will which He Himself had acquired for you by His death on the cross.

My adversary's power over you is too great that you could resist it with your own strength But you are guaranteed a supply of strength by just giving yourselves to Jesus Christ and requesting Him to take upon Himself the guilt of which you are not yet released and which therefore inescapably chains you to My adversary Jesus Christ, in Whom I manifested Myself, will now take on the guilt because with His death on the cross He has paid the purchase price for all souls to the adversary who now has to release the souls, if they themselves want it And with His help you can conclude the path of your earthly life, with His help you can become free of all guilt and

enter through the gate into the realm of light, which otherwise is closed to you, but which will be opened by Jesus Christ for all souls who voluntarily have decided to take the way to the cross to liberate themselves from the burden of sin. As human being on earth you only have a short time at your disposal but it is sufficient to completely release yourselves from every form, however, this always depends on the human being's attitude towards the Divine Redeemer Jesus Christ ... because your former sin consisted of your rejection of Me and in the resistance of My strength of love ... In Jesus Christ, however, you shall know and acknowledge Me Myself, then you will also consciously accept My strength of love again and then nothing stands in the way of your unity with Me Then the infinite long walk through the creations of earth and as earthly human being has led to the right goal it resulted in your liberation and you are once again candidates for My kingdom which will admit you and offer you blessings as it was in the beginning

'Eye has not seen'

I have no other goal but to make you happy, to bestow the glories of My kingdom upon you, to let you see what no eye has ever seen, to give you infinite pleasure and to draw you to My heart as My children, because My love for you is beyond measure And one day I will certainly achieve this goal. Nevertheless, infinitely long periods of time can still pass by, because it is necessary that you, too, grant Me your love, that you voluntarily desire to return to Me from Whom you once originated And therefore I constantly seek to attract your love as well, I try to inform you of My nature, which is profoundly perfect, so that I will also gain your love when you recognise My nature correctly This is why I reveal Myself to you I provide you with the evidence that I exist, and I give you an explanation about My nature, My reign and activity, My eternal plan of Salvation I unveil a picture before your eyes which you can, and indeed will, love if only you open your eyes and accept this image in your heart And so that you can recognise Me correctly, I speak to you You humans

BD 7963

are still spiritually blind and therefore unable to form an accurate concept of Me, your God and Creator, Who wants to be your Father As a result of your past fall from Me into the abyss you lost all realisation and at the start of your human existence you are still in this dark spiritual state So if I want to gain your love I must enlighten your spirit, I must grant you a small light which illuminates the image of your God and Creator for you, so that you will learn to recognise Me I must give you an explanation about your creation, your origin from a supremely perfect Being Which, although you were unable to behold It, nevertheless made you immensely happy I must inform you of what you had been, what you are and what you shall become again This knowledge shall therefore contribute that you will learn to recognise and love Me, that you will strive towards Me and would like to be united with Me again The goal during your life on earth is to exchange your state of darkness with a state of brightest light, in which the spirit in you, being a part of Me, can speak to you and enlighten you ever more brightly Then you will come ever closer to your God and Creator and will be able to attain the goal during your lifetime on earth: total unification with Me and thus also the bliss, which I want to bestow upon you in the abundance of My love In that case your final return has taken place; My courtship for your love was successful and My love can now make you happy, and you will be able to behold Me face to face For now I have become a visible God in Jesus Christ for you and your desire, which once persuaded you to turn away from Me to the one whom you acknowledged as a visible God but who became My adversary because he revolted against Me, has been granted. Due to your apostasy from Me you were separated from Me for an infinitely long time in a state of wretchedness But now you can behold Me Myself in all power and glory, for in Jesus Christ I became a visible God for you And your bliss will be without end, you will constantly yearn for Me and My presence and your desire will always be granted And what no eye has seen and no ear has heard, that is what I have prepared for those who love Me because My infinite love is for you, My children, for all eternity

Catastrophe

Antichrist

Battle of faith End

What will still take place before the end of the earth can only ever be announced as something extremely difficult and sorrowful for humanity, for God's voice will sound everywhere, albeit in entirely different ways For where His Words of love are ignored He will manifest Himself more clearly; there will be suffering and adversity in all places, accidents and catastrophes will alternate with natural occurrences, where the elements threaten and destroy life And all this is God's working or His permission to disturb people and make them aware of the real purpose for their earthly life. And where people are united with Him the hardship will be easier to bear, since He will not abandon His Own even though they are in the midst of these happenings and unable to avoid the immense adversity during the last days before the end.

And you all only need to take notice of what happens around you and in the world, for they are visible warning signs and for the believer always recognisable as God's intervention or permission, because you were foretold that you will have to endure severe hardship and affliction before the end. All the signs which were predicted for the end are recognisable; yet you humans always want to see it in the distant future, you don't want to believe that the time of the end has come. But you have also been told that the time will be shortened for the sake of those who want to believe and stand firm. And thus everything will happen in very quick succession The affliction and hardship, the battle of faith and the Antichrist's fury which will emerge only too clearly, and this alone should make the end time credible to you. For the people who are enslaved by him will surpass each other in evilness, hatred, lies and vindictiveness, craving for power and tyrannies will clearly identify his actions, and people will support him because they agree with his will and ruthlessly proceed against their fellow human beings who still believe and want to remain faithful to God.

And these will receive exceptional protection and strength, for God will stay with His Own and lead them through all adversity and difficulties. And blessed is he who recognises the time and entrusts himself to the only

One, Who can protect him in every hardship blessed is he who believes blessed is he who lets Him speak to him and constantly receives strength from Him For even this difficult time will come to an end and the fate of those who endure to the end will be a blissful one. Sooner or later the power of God's adversary will be defeated, then he and his followers will be bound and there will be peace again on earth But not on this earth anymore because its end has come according to the law of eternity But it will emerge anew through God's might, and people who endure to the end will be relocated to the paradise of the new earth, because they believe in their God and Father Who will save them from utmost hardship and affliction For the time is fulfilled and the end comes as it is announced in Word and Scripture

Decision by predestined guidance or experience

Know that every earthly or spiritual experience affecting your life is intended or permitted by Me. For every person's course of life is always determined by Me in accordance with his spiritual development. And thus everything can be in your best interest, you don't have to suffer if you accept everything from My hand and even humbly accept your burdens, for your correct attitude towards Me will also allow you to assess every event correctly and your soul will mature. The only purpose of earthly life is for your soul to mature And all earthly events, be they suffering or joy, will approach you in line with this purpose Any event is able to lead you closer to Me if it is your free will to find union with Me.

But My adversary also tries to win you for himself, and thus you will be faced by temptations on his part which I allow because he still has a claim on you, and he will equally influence you but never be able to force you, instead it remains up to your free will to what extent you allow yourselves to be influenced by him. Hence you make your own decision by consciously turning either to Me or to him. And you can make this decision in every situation; every experience, every stroke of fate, every pleasure and every affliction can impel you to make this decision. And if you know

that nothing happens without My will or permission, then soon nothing will be able to worry you either for as soon as you turn your sights and thoughts towards Me, call Me to your side or commend yourselves to Me in prayer, you will mature spiritually and have achieved an advantage for your soul again.

All these are also tests of faith which you have to pass for My adversary will do anything to separate you from Me, to lessen or destroy your faith in a God and Father Who is always willing to lovingly help His children. He will always want to darken your spirit, he will try to spread darkness across you so that you no longer recognise Me as your loving Father of eternity And this is why he particularly tries to take precedence during misfortunes with the intention of causing reluctance and ill feeling in you And then you have to adamantly resist and know that **everything** I allow to come over you is beneficial for you, and that you only have to turn to Me in firm faith in order to banish even the most arduous adversity by handing everything over to Me, Who will truly help you to get out of every adversity. For My constant concern is only ever your return to Me

I want to tie you to Myself and not lose you, and therefore I will also always prove My love, and this love shall never be doubted by you. You have already travelled a long path which brought you ever closer to Me The last short stretch of the way requires great willpower by you, because you **consciously** have to turn to Me, to the pinnacle, whereas before you were drawn by My love But this love gives you even more, it does everything in order to guarantee your return to Me

Just grant Me your free will, strive towards Me in free will, don't let yourselves be enticed by the world which is My adversary's tool to win you over Believe in Me and My love, and in your heart long for the Father, and call upon Me in every adversity of body and soul And truly, every experience will only ever serve your ascent, for everything is based on My love and wisdom whatever you might encounter And rely on My love and My might, for I Am always willing to help if only you would call upon Me in your heart

Amen

You will live forever

You will live forever you will not lose this life anymore Is there a more enjoyable promise than that I want to give you eternal life and that you will thus be eternally happy? For life is blissfulness, because life is a state in freedom, light and strength, because 'life' is the state for which I have created you, which guarantees your perfection And this perfection will have been endeavoured towards by your own free will, otherwise no life would be possible, for prior to that you were in a state of death and only your free will was able to and can change this state of death into 'life'.... Furthermore, life means permanent union with Me, Who nourishes you with the necessary strength to live, which flows to you without restriction and will never again be limited Life is working and creating with Me and in My will and yet also in keeping with your will, for you have completely entered into My will because you are perfect, because you have become My images and will no longer think and want anything other than Myself and therefore you will also be incomparably happy.

And that is the final goal of the beings which once emerged from Me and My strength as living creations, which were indeed supremely perfect, since nothing imperfect can come forth from Me, but which voluntarily relinquished their perfection, fell away from Me and then had to travel an infinitely long path of development in order to achieve the highest level of perfection again, in order to thus return to Me, yet no longer as a 'living creation' but as 'My child', into which it will have voluntarily shaped itself through love which is indeed its fundamental substance because it came forth from My love, but which its free will had to arouse into the brightest of blazes but then eternal life in supreme happiness will also be guaranteed And this is the life I have promised you I Myself want to grant you this blissful life, and thus I will never cease in supporting you to achieve this said high degree of love, whenever it may be One day you will attain life and then never lose this life again This is truly the most glorious promise, for you can hope. You need not fear to be lost; you need not remain in the state of death forever, for I have told you 'You will live forever' And My Word is truth only you yourselves determine the time when you will enter into life; you determine the time when you

escape death, when you return to Me, unite with Me again and then also arrive at the life which lasts forever

And thus you can also endlessly prolong the state of death if you misuse your free will again, if you oppose My loving support which stimulates your love. And then you will prolong your state of misery too, for only life is happiness. Yet you have free will, and this prevents Me from giving you life against your will. For you have to attain perfection yourselves, which guarantees you life in eternity, otherwise you would eternally just remain My 'living creations', but the goal of becoming My 'children' requires striving for perfection in free will. As long as you humans are still in the state of death, as long as you lack light and strength because you lack realisation and the influx of My strength of love, you are also in a state of unkindness, for voluntarily practised love would also result in light and strength, and that also means an 'awakening to life'. And then you will no longer be able to fall back into the state of death, because you will be enlightened and also recognise the purpose of your earthly life and consciously strive for it. And this is why love has to flare up in you if you want to attain the life which lasts forever. And I, the Eternal Love, will leave no stone unturned in order to lead you to this life, for I can only unite Myself with life but never with death and therefore I will first awaken the dead to life, which My infinite love will indeed achieve sooner or later

Amen

Serious warning against psychic receptions

You should not trouble yourselves with doubts, but you should also know that you only receive pure truth from Me by merely wanting your thoughts to be correct and true. And you will always receive assurance that I do not contradict Myself, that therefore the spiritual information which originates from Me, which was conveyed to those of you through the 'working of My spirit' who allow My activity in you, must always tally. However, since My adversary's influence confused people's thinking, since falsehood and error are far more likely to be accepted by people, it has also become necessary to convey the pure truth from above time and again, for truth does not remain

BD 7977

pure for long among people, for unkindness reigns and this darkens the spirit, so that it is easy for My adversary to proceed against the truth and to intersperse it with error, without this being recognised by people. Light is all you humans need in order to find and travel the path to Me and to ascend In the darkness you take wrong paths which lead off course, and since it is My adversary's goal and intention to alienate you from Me and to gain you for himself, he will eagerly strive to confuse your thinking, and he will do so under the mask of an angel of light. And the danger that he will be heeded is particularly great during the time of the end, because people are lacking love and therefore possess no power of judgment either They fall prey to error and then he will have won them over. For this reason I keep making you aware of the cover under which he appears. For he is full of cunning and trickery, he tries to slip in where he can show himself as an angel of light, where people look for contact with the spiritual kingdom but where the preconditions are missing which guarantee a genuinely pure spiritual bond with the world of light

However, wherever the preconditions exist he is unable to intervene, and only **then** will the truth be guaranteed, because all beings of light work on My instructions and can only distribute pure truth which they receive from Me Yet can you humans know with absolute certainty that you demonstrate the preconditions which guarantee you this bond with the world of light? And can you therefore be certain that the spiritual realm conveys the full truth to you? Can you do this where it concerns psychic transmissions from the spiritual kingdom? Do you know whether it is impossible for the adversary to intervene if a person as a 'shell' forfeits his own will? Only a high degree of maturity will result in your protection by the world of light but in view of the great risk the beings of light will always try to influence people such that they allow the 'working of the spirit' in them in a **conscious state**, that they shape themselves into a receiving vessel for the divine spirit that they improve themselves in order to grant the beings of light the undisputable right to repel everything unspiritual from them and to only let the pure truth flow to them, which they receive from Me, so that they can instruct you humans if it is your will and you fulfil all preconditions

You humans must remember that the time of the end has come, that you don't have much time left, and that you should therefore accomplish the

work of improving your soul with increased vigour And you must know that My adversary will use all his power to try to prevent this endeavour Thus he will try this where he is not recognised, where a human being's conscious will does not offer him opposition He has great power and makes use of it when psychic receptions are desired whose truthfulness cannot be verified by you humans Be warned, for the point is not that it would be **impossible** for a being of light to express itself through a medium, but the point is that you humans are incapable of judging **whether** a being of light expresses itself or **whether** the adversary's clever disguise enables him to spread darkness And this darkness can have a disastrous effect on you; misguided teachings can be conveyed to you from which you can only detach yourselves with difficulty But a misguided teaching will always obstruct the path to Me, it will obscure the light in you or extinguish it entirely, and the path to Me will be prolonged by you I want to caution you of this, for there is not much time left, you are near the end, and once a misguided teaching has taken hold in you it will take quite a while before you recognise it as such, and this time might no longer be at your disposal The possibility that you are offered truth certainly exists, but you are unable to judge **whether** it is offered to you and consequently there is always the risk that your spirit will become darkened if I don't seriously warn and admonish you only to believe those Words which are conveyed to you through My spirit for it will guide you into all truth, as I have promised you

Amen

God's strength can also grant physical recovery

You are truly offered something precious when I talk to you directly, and you will always be able to draw strength by just consciously opening yourselves to My emanation of love if you want to receive the ray of strength from Me, if you desire to be filled with strength from Me if you want your hunger and thirst to be stilled by the nourishment you receive from Me Myself. However, you are as yet unable to recognise the real value of My gifts of grace even though you willingly listen to Me, even though you belong

BD 7980

to those who want to be nourished and have their thirst quenched by Me. Were you able to assess My greater than great love for you which constantly wants to make you happy and grant you gifts, you would also know that I only offer you gifts which have an extremely helpful effect on you you would know that I only offer you what will help you to attain perfection, to fully mature your souls, and you would only ever want that My gifts of love for you will not be limited. You would consciously open yourselves at any time in order to receive My gifts of grace, and you would become aware of an abundance of strength constantly flowing to you if only you have the will to receive it. You merely require profound faith in order to also become physically healthy through the strength of My Word

But you do not possess this strong faith as yet and thus you must only ever strive to raise your degree of love When you are entirely permeated by love then you will only have space in your heart for My strength of love, then everything else will be pushed away and you will be so close to Me that you will feel My presence which will also let you become aware of the flow of strength And then your body and soul will recover Open yourselves again and again to the strength of love from Me keep turning your thoughts to Me and establish the connection with Me which facilitates an influx of My strength of love in you and know that you receive the evidence of My presence when I can speak to you. And don't undo this bond again but let it become increasingly more tender and, truly, you will feel it yourselves and no longer need to fear that you will lack strength Just believe, and I will not let your faith be destroyed open your heart and accept Me in it, and My presence will make you aware of the strength that pours into you, you will hear My Word and recognise it as an incredible gift of grace You will distinctly feel the strength of My Word, you will psychologically mature, and this raised state of maturity will also express itself in an increasingly stronger faith, and a strong faith can achieve anything, it can also help the body to get healthy because nothing is impossible for someone who believes in Me, in My love and in My might

Mentally directing the will towards God

Every thought which turns to Me is an acknowledgment that you belong to Me, a flickering spark of love striving towards the fiery ocean of Eternal Love. It demonstrates that the test of will of acknowledging Me again as God and Creator, as it was in the beginning, has been passed I will not leave you in eternity, even if you yourselves voluntarily keep away from Me For you belong to Me, you are a tiny spark of My strength of love which I emanated when I gave you life. And one day this strength of love will flow back to its original source again, because this is the law of eternity But I care that your free will the mark of divinity is your reason for returning to Me. And it makes Me indescribably happy when this change of will, after your past apostasy from Me, has been accomplished, when you as a human being during the stage of free will turn your thoughts to Me Then I will take hold of you and draw you continuously closer to Me, and I have the right to do so because you will be trying to unite with Me again of your own free will

You don't realise how much strength flows to you when your thoughts apply to Me, for every thought is a bond with Me which enables the influx of strength; a contact which enables Me to permeate you with My strength of love, which spiritualises you and makes you the blissful beings again that you once had been. You have the option to receive My guaranteed influx of strength at any time you have a very reliable way to receive My strength by merely directing your thoughts to Me For you only turn to a Being Which you acknowledge, and I only want this acknowledgment from you in order to provide for you again as before, in order to permeate you again with My strength of love. When you think of Me you consciously open your heart you surrender every resistance that had kept you apart from Me, and then My love can take effect on you again, which ignites in you like a spark of fire and also lets your love flare up for Me. Hence it incorporates an immense blessing if you lift your thoughts up to Me time and again

Admittedly, the world will often prevent you from doing so, and anyone who is subject to the world will only rarely and with difficulty turn to Me, if at all But once you have voluntarily granted Me the right to

take possession of you again because you have voluntarily accomplished to break away from My adversary then you can also be sure that I will enter your thoughts time and again, and it will be increasingly possible for you to mentally stay in contact with Me until you can always sense My presence close to you, until you no longer start anything without Me. And then you will consciously fulfil the purpose of your earthly existence, then you will already be in close contact with Me even though you still live on earth, and I will not leave you again, I will always walk by your side, I will take abode in your heart and you will feel My presence and be very happy

Therefore, always stay in contact with Me even if the world will not yet release you completely As long as you still have to live in the material world you will also have to fight against its temptations and attractions; but once you have established the connection from you to Me, the material world can no longer harm you, then you will look for Me even more, because you will not be able to find true happiness in the material world after all but only ever in your heartfelt contact with Me And then My love will draw you to Me, then I will gladden you with My presence For then your will belongs to Me, as it has turned to Me entirely willingly, and you will have become and will stay My Own for all eternity

Amen

Awakening the divine spiritual spark will guarantee a change in character

You once deprived yourselves of your divinity by changing your fundamental nature into the opposite, you were no longer beings of light but had become beings of darkness, for you were devoid of all love because you had rejected My love which wanted to permeate you and make you happy for all eternity And in this ungodliness, in this totally opposite nature to Mine, you were distant from Me, you utterly reversed your nature and could therefore no longer be close to Me because you would have ceased to exist in My light of love, it would have consumed you completely However, it was not My will that the being which had once emerged from My strength of love should vanish, I only wanted its return to Me, but this necessitated a change in nature which reduced its distance from Me until, finally, this

distance was completely overcome by the fact that the being had adopted its original state again until it had totally become love again and My love was able to permeate it again as before This transformation into love required of Me an act of mercy and love: I had to place a tiny spark of My eternal love into you because you were utterly devoid of love and therefore also incapable of changing yourselves and your nature An exceedingly long and painful process of return had almost broken your past opposition to Me, yet then you entered into a state in which you received free will again, which prior to that had been bound And in this state of free will as a human being the re-transformation into love should take place again, which would have been utterly impossible had a tiny spark of love not laid dormant in you, which is a gift of grace I place into every person's heart and which characterises him as a divine living creation as soon as he voluntarily kindles the spark of love to flare up into a bright flame This work has to be accomplished by the human being himself. And he can certainly do it precisely because the divine spark of love lies dormant in him. This spark of love is a divine part, it is a minute spark of My eternal spirit of love which is inseparably connected to Me, which also incessantly strives back to the eternal Father-Spirit but which allows the human being complete freedom as to whether he yields to it or whether he smothers the small spark with his anti-divine nature on account of his connection with My adversary which he is not prepared to give up.

You are all able to love but whether you are willing is left up to you And although the spiritual spark in you, seeing it is part of Me, has tremendous strength, it will not force you to change your nature but it will make it easier, it is not an impossibility that this change of nature into love can occur during your short lifetime on earth. The connection with Me is in place, it just has to be striven for by yourselves for you to feel its effect when My love can shine into you again A bond between the spiritual spark in you and the Father-Spirit must be established, then the change of nature will irrevocably take place and you will become the happiest beings again, as you were in the beginning. But without this spiritual spark in you, which is My share, you would be hopelessly lost You are able to love, you have the ability to feel and to emanate love you are not entirely devoid of love if you don't resist this spirit of love in you, if you don't push towards My adversary who will always prevent you from carrying out loving acts but

who cannot stop you if you kindle the light in you, if you pay attention to the gentle voice within and comply with it, which will always stimulate you to be lovingly active. For My spiritual spark is truly mighty and full of strength because it is part of Me It will strengthen even the slightest will towards it and there is nothing My adversary can do to stop it, for he cannot fight against Me since I Am, after all, inside of you I just don't force you if you oppose Me of your own free will. And this divine spark of spirit, which is part of Me, is also the guarantee that you can change, for it is strength from Me which enables you to do anything you seriously strive for. And in order for you to muster this serious will the divine Redeemer will always help you, He merely wants to be acknowledged and asked to strengthen your will For He and I are one; you once rejected Me, you refused to acknowledge Me as your God and Creator and followed the one who drew you into the abyss And he will be in control of you until you appeal to Me for help and thus recognise and acknowledge Me in Jesus Christ And truly, the adversary's power will be broken if you confront him with My name; your will shall be strengthened and your desire for union with Me will constantly grow stronger The spiritual spark in you will seriously strive towards the bond with the eternal Father-Spirit, you will give in to the inner urge and will be impelled into kind-hearted activity because I Myself can once again permeate you with My love And your nature will again take on a quality which resembles My fundamental nature It transforms itself into love and will inseparably unite with Me, then you will never leave Me again; the child will have returned to the Father from Whom it once originated

Amen
