God's Word will be heard eternally

I have promised to stay with you until the end of the world And My Word will be heard by you, My living creation, as a sign of My presence The connection between your God and Creator of eternity and you, His beings having emerged from Him, will remain forever My love for you will eternally express Itself by speaking to you, because since the beginning It found greatest pleasure in being able to be in touch with Its living creations through the Word, and because the happiness of all beings will also eternally consist of constantly receiving My strength of love, and this transmission of strength is expressing Itself through My directly imparted Word. I reveal Myself through the Word I transfer My thoughts onto you and find My happiness by stimulating you to respond in kind, so that the dialogue between Father and child can take place, which in itself provides supreme beatitude

The more perfect the being is, the more clearly it can hear My voice within its heart which has to be spiritually understood insofar as that the being is moving within brightest realisation, within the same will and the same thoughts as Mine, with Whom it is intimately united due to its perfection. Yet even a being with a lesser degree of maturity can still hear Me if, in awareness of itself, it establishes contact with Me Nevertheless, the degree of happiness will be higher or lower respectively, for once it is united with Me again the being will have come alive the state of death will have been overcome, which alone excludes the hearing of My Word But only very few people know that their God and Creator would like to speak to them and that they could indeed hear Him if they lived a way of life in accordance with His will. Only few people experience the happiness of a direct communication and enter into a heartfelt relationship with Him And if fellow human beings are given the knowledge of it they find it incredible and only laugh at those who tell them so

Yet 'Heaven and earth shall pass away: but My Word shall not pass away' And this promise of Mine, too, is usually interpreted differently in as much as you believe that the 'written Word' will be preserved unchanged Yet even for this it is necessary that My Word be repeatedly conveyed to earth because human will does not retain anything unaltered and the

purity of the once spoken Word will not remain guaranteed But this promise of Mine has an even more profound significance still 'My Word shall not pass away'My Word will always and forever be heard by the spiritually tangible beings, My Word will always and forever give evidence of the bond of all created beings with Me, My living creations may always and forever be able to hear Me, for their happiness rests in the fact that they will be spoken to by Me directly, that they will always know of My will and harbour the same will within themselves, that they may associate with their God and Creator like children with their Father that profound realisation, supreme wisdom and truthful knowledge will permeate them and make them infinitely happy

And all this is only the result of the dialogue with Me through the Word If My Word could not be heard within all spiritual beings there could not be true life either, for only My Word is the life, the strength and also the happiness, or I would forever be a distant, inaccessible God for My living creations, with Whom there would be no reason to make contact and no effect could be recognised either 'I will be with you until the end'You will not be without Me and My presence anymore unless you still belong to My adversary into whose domain I will not intrude, instead you have to turn to Me voluntarily. But as soon as you have separated yourselves from him and seriously strive towards Me, My Word will also be heard within you, albeit very quietly at first as the voice of conscience yet you will be able to hear it increasingly more distinctly if only you hand yourselves over to Me so that you are inwardly urged to speak to Me in thought Then you will also receive an answer, only that you will not recognise it as such at first but regard it as your own thoughts However, the more you withdraw from the world and look for Me, the louder My voice will sound in you, and the belief in My speaking to you can also enable you to consciously expect it

And you will hear Me It entirely depends on your soul's degree of maturity, it entirely depends on your degree of love, how you will hear Me and My Word And since you, as belonging to Me, are constantly ascending, My Word will not exclude you either I will be and remain with you and always and forever speak to you and you will become increasingly happier as a result of the constant dialogue with Me through My Word

Amen

The condition to attain perfection on earth

Consider, you humans, that you are weak as long as your soul still lives on earth in the flesh, and that you therefore always have to request strength from Me if you want to reach your goal your perfection while you are still on earth. For only the strength from Me will strengthen your will, which is weak as long as the adversary can still influence a person because he is not perfect yet. Your determination especially will always be undermined by him, and I died on the cross for the sake of reinforcing your will, hence you must avail yourselves of the graces acquired on your behalf: strength and reinforcement of your will. And your weakness will always manifest itself such that you are not yet able to completely detach yourselves from the world Admittedly, you still live in the midst of the world and therefore have to do justice to all demands But there is a difference whether you just fulfil your duties or still want to enjoy earthly pleasures yourselves, whether your heart has already freed itself from worldly wishes or still has earthly longings For then your will to achieve spiritual perfection is still weak, its aim for Me and desire to unite with Me is not undivided You still make concessions and thus have to 'apply force'.... you must seriously try to accomplish detaching yourselves from the world and this requires strength which you have to request time and again, and which you will also always receive

Hence it is crucial as to which direction your sincere will turns to towards Me and My kingdom or towards My adversary And again it is your degree of love which determines the choice of your will's direction, for a heart full of love will always find Me and My kingdom more desirable than the earthly world Therefore you should first examine yourselves as to how far you have overcome selfish love to what extent you are filled by selfless neighbourly love, for this is the same as love for Me, and only this love establishes union with Me not the mere longing for Me, which can be selfish love as well in order to gain the highest delights of blissful union with Me However, the right love for Me is only demonstrated by unselfish neighbourly love. And only this raises the degree of love. As long as you still desire small pleasures for yourselves you should also try to give a little pleasure to your neighbour, yet without calculating earthly or

spiritual advantages, but urged from within by the desire to give happiness and joy. Such selfless demonstrations of love will refine your nature, you will find your own happiness in giving pleasure because your love will grow increasingly stronger and at the same rate diminish your love for the world. And this is why you should seriously call yourselves to account as to whether you love your neighbour as yourselves

Your perfection depends entirely on the degree of love you attain on earth, and you can only be called 'children of God' if you acknowledge that your fellow human beings likewise originated from the Father and you therefore also love them like one brother loves another and do everything for him that you would like to have done to yourselves. Always subject your neighbourly love to serious criticism and work at improving yourselves request the strength from Me and you will reach your goal, yet you won't be able to achieve anything by your own efforts But I want you to perfect yourselves on earth, consequently I will also help you in every way as long as you seriously want it Yet you will always have to apply force as long as this world still keeps you captivated If, however, you can detach yourselves from the world then the attainment of the goal will also become steadily easier, and then you can rightly say 'My yoke is easy, and My burden is light' Then you will no longer need to use force, then you will be full of strength, and then you will only strive towards Me for the love in you is the strength which indeed achieves anything. And you can also understand that a loving human being is full of humility which expresses itself in his conduct towards his neighbour to whom he gives his love Never forget that neighbourly love is the indicator and that you will have to prove your love for Me through selfless neighbourly love 'for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?' And thus your will can indeed be inclined towards Me and this also guarantees that I will take hold of you and not let you fall again Yet the degree of your perfection is determined by yourselves and only ever by the degree of love for your fellow human being But you can attain it if you sincerely subordinate your will to Mine, and then you will always think, act and want like I do Myself, and you will surely reach your goal on earth to unite with Me in order to be eternally happy

Amen

Encouragement for diligent vineyard work

The fact that I Myself arouse the thoughts in you to convey My Word to those who will derive the greatest benefit from them should also spur you to carry out diligent spiritual work. People so often ponder over questions which I answer for them through you, and often they are delighted that they are granted this answer and thereby also recognise Me Myself and My activity Nothing truly happens by chance and I know every thought I convey My Word to you and Am therefore in constant contact with those of you who also think of Me, for it requires a heartfelt bond for My Word to affect you, be it directly but also indirectly, if you receive it through My messengers. But you, to whom I can speak directly, should use every opportunity to pass it on and always know that you thereby radiate many blessings, that nothing is done in vain and that I Myself guide you and direct your thoughts and only require your will to let yourselves be guided by Me Once a person has recognised My voice, every Word from Me will be a tonic for his soul, and the right nourishment and right refreshment will constantly be desired by him He will no longer be satisfied with human words, My Word alone will grant him strength and his soul will nourish itself by what it is offered from the Father Himself And thus you can believe that I will always be willing to pass the bread of heaven to those who long for it You will also feel urged to pass My Word on and shall always comply with your inner urging and truly, you will spray sparks of light in many a heart which ignite a fire again. And the desire for Me and My presence will grow ever stronger, it is the purpose of My address from above that people shall be affected by it and that their faith in Me will come increasingly more alive, that their desire to unite with Me becomes ever stronger and that My will, which is revealed to people through My Word, is subsequently also complied with Through diligent vineyard work you can contribute much towards it, hence you should not tire in distributing My Word and make use of every opportunity to inform your fellow human beings of the divine transmissions from the spiritual kingdom of the working of the spirit in the human being which I Myself promised when I lived on earth You should try to draw your fellow human beings onto the spiritual level, which certainly is hard work but it can be achieved

Your willingness to serve Me, and your love for your neighbour will always let you find the right path, for I Myself direct your thoughts and will always be active in you as well. I will lead the people to you whom you should please again, and I watch over you so that your work will not be disturbed by My adversary. And therefore you can rest assured that you are not at his mercy even if he would like to stop you and your activity on earth The end is approaching and I need your work in My vineyard, for people need to speak up where I Myself cannot express Myself but where I also want to be active so that people will attain beatitude For time is coming to an end and much work shall yet be done, this is why I bless every one of My servants who works for Me and My kingdom

Prerequisites for hearing God's Word

If you are able to hear My Word within you then the relationship of a child to its Father will have been restored, then you will carefully listen within and hear My speech because you desire to be addressed by your God and Father of eternity. In that case you have made the right decision of will, for the soul the incarnated original spirit on earth will never be able to hear My Word against its will, but it has voluntarily come steadily closer to Me and changed itself into love again so that it can subsequently hear My voice once more, as it was in the beginning. Although the return to Me will indeed have taken place, nevertheless, the souls' degree of maturity can considerably differ according to the degree of love, which can continuously be raised and thereby My Word can be heard ever more clearly It is always an influx of My thoughts into the human heart It is always a manifestation on My part to a person who is closely united with Me through love My voice is not heard by the human ear, I speak through the spirit to the soul which, in turn, conveys the Words to the intellect, and this accepts the Words and determines the human being's will to write them down in order to preserve what My love wants to reveal to people These thoughts are radiated by Me from the spiritual kingdom, for the human being as such would be unable to provide himself with the kind of

knowledge which is imparted to him through My revelations because all thoughts are flowing to him from the spiritual kingdom and it merely depends on their place of origin how they may be used Hence, the fact that I Myself Am able to speak to a person is already proof that the original state will soon be attained, otherwise the person would be incapable of hearing My voice. Every human being can certainly prepare himself as a receiving vessel for My flow of spirit which affects the person in the form of My Word Yet people only rarely know this, and only rarely will a person reshape himself again into that which he once voluntarily rejected. But anyone who does, will, through living a life of love, also attain the living faith that I speak to him, that he is able to hear Me, and then he will also attentively listen within

And truly, I will reveal Myself to him, he will hear the Word again as in the beginning and be very happy. For he will receive extensive knowledge, he will regain the realisation he once had lost he will become brightly enlightened, and through his close contact with Me he will also receive spiritual strength, which flows over to him through My Word. His dormant abilities will be reawakened, because love must awaken them first The person will increasingly deify his soul and unreservedly fulfil his purpose of life on earth: He will completely unite with Me again and be able to enter the kingdom of the beyond in a perfect state after the death of his physical body Yet a person only rarely forms such a heartfelt bond with Me that he can hear My Word in him But if it happens then it will also be in conjunction with a mission: to pass My Word on to those whom I cannot address directly because not all prerequisites for it are present Thus, it also provides Me with the opportunity to inform people of My will, for all people should know My will in order to subsequently comply with it And anyone who accepts My revelations will also make an effort to live according to My will, and then every one will be able to shape himself such that I can address him directly be it by either steering his thoughts in the right direction or by enabling him to read My Word which is conveyed to Earth directly. But his will must always be willing to listen to Me, if that is the case, he will only ever derive a blessing from My Word whether it is given to him directly or conveyed to him through My messengers But every person is blessed if he has the inner conviction that God Himself speaks to people everyone is blessed who has the grace of being

informed of My Word blessed is he, who does the work of improving himself such that he becomes a receiving vessel for My spirit For he can be certain of My presence, My presence will manifest itself to him when he hears Me Myself in him, and then he will also know that he is not far away from Me and his goal, when he will be ultimately united with Me, when he will hear My Word again as it was in the beginning, when he will be able to communicate with Me and be eternally happy

Amen

Holding on to misguided spiritual knowledge

Desire for truth

It remains an impossible venture to convey the truth to people who believe that they already possess it, for they are unapproachable and don't accept anything, no matter how appealing it is offered to them They stubbornly hold on to the spiritual knowledge in their possession without considering whether it can lay claim to truthfulness. And the longer such spiritual knowledge continues to exist among the human race the harder it is to eradicate it, the darkness is so immense that no ray of light can penetrate it But since people deem themselves in possession of the truth, they will not appeal to Me Myself for truth either; consequently, it is not possible to convey truthful knowledge to them. And even if people debate the issue of truth and untruth at times, they only ever merely use their intellect and will therefore never reach the goal of recognising error and untruth correctly. The concept of the 'working of the spirit' in the human being is also incomprehensible to them. They only ever abide by the knowledge they accepted by way of education, which they believe to be true, and do not allow anything else to shake this belief And yet they are profoundly mistaken and don't realise it as a result of their spiritual darkness Imparting the pure truth to such a person will remain unsuccessful until a messenger of My Word succeeds in shaking this person's firm conviction, until he succeeds in clearly exposing the truth and in arousing the person's doubt so that he will dwell on it and thus there is a chance that his thinking might become enlightened. Even then, this will only be possible if a person

lives a life of love But since especially people living in error prioritise unimportant, humanly decreed commandments while the commandments of love are often set aside or are merely marginally taken notice of, they lack the love which would grant them spiritual enlightenment And thus only a person's degree of love is decisive as to whether and to what extent he is receptive when purest truth is given to him Only a person who is willing to love will therefore feel affected by and be receptive for the truth, and only a person willing to love will accept My direct revelations and revise his present thoughts. In that case it will be a significant gain, for he will also advocate the truth wherever possible. Yet on the whole, all efforts of liberating people from erroneous thinking will be in vain, they will be unwilling to exchange it for the pure truth, they will resist the light and be content with deceptive light, which merely reduces their eyesight so that they are no longer able to recognise true light.

However, the truth does not establish itself forcibly, nevertheless, everything will be done to make it accessible to people, but where the resistance cannot be broken it will remain dark, because the people themselves offer resistance, which cannot be broken by force. And neither will large campaigns succeed in changing people's thoughts, for every human being is responsible for himself, and regardless of what a person's awakened spirit tries to explain, he will only ever be accepted where the ground has been prepared by a life of love, where the preconditions are in place for clear and correct thinking, for the recognition of truth. Therefore the error cannot be systematically eradicated either, every individual person must come to terms with it by **wanting** to know the truth. As long as this will, the **desire for truth**, is not present, every effort to teach people otherwise will be futile One can only ever try to motivate people to live a life of love, to explain to them the significance of love, that love is the only possibility for attaining beatitude and that all other actions and traditions won't benefit the soul in the slightest if love has not been kindled in a person. And if a person takes this message of love to heart and makes an effort to perform selfless deeds of love, much will have been achieved already. Then it will no longer be hopeless that he will think clearly, for love will ignite a light in him, it will awaken the spiritual spark to life and this will successfully influence the person from within He will doubt, question and also receive an answer as soon as he genuinely desires it. Nevertheless, a revival will only

ever gradually take place, because people are already too engulfed by the darkness of night and they lack the will to reach the light. The conviction of knowing the truth is the most effective poison the adversary could have administered to people And yet, people who want to escape his influence are not hopelessly lost However, they have free will and therefore they can only ever be preached love and, depending on their fulfilment of the divine commandments of love, their spiritual state will change as well They will be able to step out of the darkness of night into the light of day, they will realise the truth and will subsequently also want to release themselves from error, and My strength and grace will always help them to accept the truth

Amen

The Revelation of John

Everything concurring with My Word can be accepted and upheld by you as truth. And thus you will also know how to judge the mental concepts presented to you For this is what you, who are directly instructed by Me, must be able to do For you are required to reject everything that is wrong and advise your fellow human beings not to accept it.

Part of spreading the pure truth from Me also includes denouncing error as coming from the adversary and to protect yourselves as well as your fellow human beings from his influence. He equally makes use of human vessels in order to succeed, in order to undermine the pure truth, for he causes confusion amongst people who no longer know what to accept. But as soon as you recognise that My adversary is at work it is also your duty to take action against it. And therefore I want to provide you with an explanation which yet again can only be given to you by the One Who knows everything, to Whom nothing is hidden and Who is able to impart this knowledge through the spirit:

Many things are hidden from you humans which only I can reveal to you. And I have always informed seers and prophets of events which were still in the distant future. However, according to people's state of maturity My predictions or visions were usually veiled and always required

an awakened spirit to summon the right understanding for it. And since many prophecies related to the last days before the end they also remained incomprehensible to people, because I Myself wanted to lift the veil when the time was right. The visions they saw were even concealed from My seers and prophets, and they described them partly impelled and partly enlightened by My spirit, which also let them behold and report things which were in the distant future. And thus records exist and were preserved until now which proclaim the visions of My disciple John records, which will be explained in the last days before the end and which previously were meaningless to people and consequently not understood by them. Yet they have a profound meaning, they merely depicted what My disciple who had received the spiritual vision had seen but who was unable to interpret his visions himself because it would not have been beneficial for him or his fellow human beings, since the whole time of development was still ahead of them, which was meant to be utilised through Jesus Christ's Salvation but knowledge of the visions' significance would have stifled all spiritual impetus thus it would have restricted free will. For I knew that My adversary's activity would take on immense proportions at the end of a period of salvation, and that humanity's spiritually low level would be so widespread at the end that the precise knowledge of it would have been damaging to people.

But I allowed My disciple to spiritually foresee all these manifestations of the end, yet in an awakened state when he recorded his visions he only saw images he didn't understand himself which thus was My will

You cannot fail to recognise Satan's activity in the last days, yet you humans have no idea of the immense spiritual disaster his activity will wreak on all human beings My disciple saw the clearly evident state of affairs in the last days as well as My adversary's activity which was the cause for the terrible vision, which showed his activity figuratively and which only remained veiled to people because they would have abandoned their spiritual endeavour in view of the failure and My adversary's supreme control.

But John also foresaw the fall into the abyss and My adversary's captivity, and for that reason the disciple's vision was intended to be preserved, for

one day they will understand everything, if only in the spiritual kingdom when their spiritual state results in their realisation. And thus you know how to evaluate messages which are allegedly from above and yet originate from below You know that everything contradicting My Word is erroneous spiritual knowledge and particularly highlights My adversary's activity in the last days, who wants to cause confusion wherever possible and who avails himself of My name as a disguise in order to be believed

Be vigilant and don't allow yourselves to be driven into darkness when a bright light is shining for you which very clearly shows the path to Me, Who still wants to save all those people before the end who have the will to let themselves be saved. Look for Me in all sincerity and, truly, I will not let you fall into My adversary's hands, I will enlighten your thoughts if only you sincerely ask Me for the pure truth But then you will receive it through your heart, so that the intellect need not be involved, for My adversary avails himself of the intellect as long as the heart does not reject him.

You fully consciously have to break your connection with him who wants to corrupt the world You have to closely unite with Me and appeal to Me for My protection against his influence And truly, your prayer will be granted as soon as it is sent up to Me in spirit and in truth

Amen

God wants to answer questions

Error

Believe and do not doubt, for My Word to you from above is truth and everything you were foretold will come to pass You should believe that much will, in fact, evade your understanding as long as you are still unable to penetrate the depth of wisdom, but what I give to you now will still become comprehensible to you in due course Time and again I say to you that I instruct you in accordance with your degree of maturity, which you can raise at anytime, and that you also receive replies to questions posed by people on earth or by beings in the kingdom of the beyond

which I answer through you But only at the stage of advanced maturity of soul will you possess profound understanding of My plan of creation and Salvation, then everything will be explicable to you, even that which presently still gives you reason to doubt. Only purest truth can originate from Me, and that I Am working in you through My spirit will have to be acknowledged, for I informed you of this process Myself when I lived on earth.

And you cannot accuse Me Myself of being a liar, for I Am truth Myself You can only be comprehensively informed about the events of creation after you have achieved perfection yourselves, and knowledge that is already made available to you in advance will frequently give rise to questions from you And this is what I want to achieve, for I can constantly convey more to you when you occupy your mind with questions which only I Myself Am able to answer. Besides, I always want to stimulate your thoughts such that you will try to discover the mysteries of creation, because I want to give but require your desire in order to bestow you with unlimited knowledge that also reaches into areas which are intellectually impenetrable.

The more profound your knowledge of truth the more illuminated you will be and then darkness will never scare you again Time and again I invite you to raise questions, so that you recognise My love for you in the answers, which wants to grant your every request For as soon as you ask and expect a reply you open your heart to Me, and that also means that you prompt Me to take up residence in you, that you desire to be united with Me. And this is what I Am waiting for in order to bestow My unrestricted gift of grace Therefore I will also always enlighten you about error, for it will draw the souls into ruin I will even illuminate your thoughts so that you will act in accordance with My will and proceed against error

For it will cause devastating confusion during the last days, because people rather accept error as truth than allow themselves to be convinced of the pure truth. And thereby they stay in My adversary's realm, in darkness, and cannot find their way out. You, who receive My Word, have the task to fight error and constantly confront it with the truth, which will certainly be acceptable to every human being with good will. I will always help you to think and act correctly, to speak where I ask you to speak, for you have voluntarily offered your services to Me and I have accepted same. You shall

now work in accordance with My will, and therefore I can trust you with a task which only ever concerns the distribution of truth and the fight against error.

And it is for this reason that everything will approach you such that you will react to it in line with your feelings, because I Myself will trigger this feeling in you, thus I will also guide your thoughts such that they will serve your task. My adversary works with cunning and trickery I will take action against him and expose his doings, and it is only up to people themselves whether they will listen to Me and believe My Words Yet only love can recognise pure truth, where love is missing hardly any success can be expected Nevertheless, the truth about My adversary shall be revealed to people, who will also disguise himself as an angel of light and not hesitate to use My name in order to deceive them and pull them onto a dangerous path, for it will lead into the abyss if people fail to recognise his activities in time and turn back I always want to help you with this, you need only approach Me and ask Me for the pure truth

Amen

'God sent His Son to Earth ...'

Time and again it is explained to you that Jesus'soul came from the world of light to earth in order to embody itself in the man Jesus for the sake of a mission which required a **pure** soul, for God Himself wanted to take abode in this soul, and He was only able to do that in a pure soul without sin He sent His Son to earth Can there be a clearer word to confirm this? It was a **non-fallen** soul, as opposed to the human souls which have to take the long process of development through the creations and start their human embodiment in a very imperfect state But that does not rule out that Jesus'soul had to struggle and fight incredibly hard against everything unspiritual which besieged it from outside for His body was immature matter and, due to the adversary's influence, the soul was badly besieged by these unredeemed substances All earthly passions clung to the body and its instincts, which still adhered to the body as part of the very immature substances, demanded gratification. Jesus'soul came to earth in

a completely pure state, yet untold immature beings clung to it which the soul was not permitted to shake off; instead, it needed to pacify and mature them. Jesus, the man, was also inundated by external immature substances, his environment so affected His soul that it had to endure the same inner battles a fallen soul has to endure, and therefore it is untrue that because of His perfect soul it had been easier for the man Jesus to accomplish this act of Salvation On the contrary because it was pure and without sin His soul suffered far more in the immature environment, His pure soul reacted exceedingly sensitively towards sin, towards everything that due to the adversary's influence inundated Him on part of his fellow human beings The darkness which the soul of light had to stay in caused it indescribable pain and yet, it was filled by burning love for this sinful human race and wanted to redeem it from sin and death. So although everything of a satanic nature crowded Jesus soul, it nevertheless did not succeed in making Jesus Himself fall into sin. He withstood all temptations, He fought against His adversary as well as against everything unspiritual pestering Him His love for His brothers in need did not diminish and He also succeeded in spiritualising his body's unspiritual substances through love, which constantly increased, and so filled the man Jesus that the Eternal Love Itself took possession of Him, Which would never have been able to manifest itself in a sinful soul without causing it to perish Why won't you humans accept these Words `He sent His Son to earth ...'? That which comes from Him is perfect and thus it is said `He came down to earth'and not `He ascended from the abyss'Although Jesus'soul was surrounded by satanic elements to a great extent, they approached His soul from outside and His soul nevertheless resisted them and did not allow itself to fall as God's adversary had intended Regardless of whether He was pestered by His body's immature substances or whether unredeemed beings were trying to cling to Him as Satan's emissaries His pure soul resisted and fended off everything of a satanic nature, whereas it matured its body's immature spiritual substances so that it was able to join the soul in a spiritualised state when Jesus had accomplished His act of love. As soon the soul entered the realm of darkness it was subjected to satanic forces yet it did not succumb to them, it resisted them instead because it was full of love and this love provided it with the strength to persevere until the end.

However, the soul brought love along from above, it did not sacrifice love, instead, it united itself increasingly more with the Eternal Love and thus the unification took place, which should be every person's ultimate goal on earth. Jesus, the human being, deified Himself on earth through His great love and His extreme suffering and agonising death Yet He, too, had to struggle in order to attain this deification, it did not come any easier to Him than any other person, for people also possess the divine spark of love and can constantly nourish and fan it into a bright flame They can appeal to Jesus for help, whereas Jesus only ever drew strength from love but this love sheltering within Him was God Himself. And then again, God was only able to shelter in a being without sin, He would never have been able to enter a fallen soul which had travelled the path of ascent through the creations a soul which had once fallen away from Him and rejected His love After all, this had been the original sin which burdened all fallen beings, and this original sin would have had to be redeemed first before a union with God was possible again Therefore, had the soul of the man Jesus been a 'fallen'soul, it would not have been redeemed prior to the crucifixion and God would never have been able to take abode in it However, He did shelter in Jesus for He was the Love God Himself had become human. God's human manifestation would never have been possible in any other way but this is and will remain the greatest mystery of all A pure being had to accomplish the act of atonement for humanity's original sin, for a fallen being was still subject to God's adversary's rule and would never have been able to muster the strength of detaching itself from the adversary, its prison guard Now it is possible for a person, because Jesus Christ died on the cross for it A soul of light had to take up the battle against the adversary and Jesus won this battle because His strength was love, because He waged this battle in unity with God Himself, the Eternal Love, and thus God Himself redeemed the human race from sin and death You humans need to be given the relevant information, for mistaken opinions will also lead to mistaken conclusions. Lucifer would not have had to fight against Jesus had he been in command of Him And every fallen soul is still subject to the adversary's control until it is redeemed by Jesus Christ No fallen soul would ever have succeeded in defeating the adversary The act of Salvation had not been accomplished as yet, therefore Jesus'battle would

have been unsuccessful, for a fallen being which had once resisted God's strength of love had indeed received a tiny spark of love from God, but it would never have fanned it into a bright flame because the adversary would have stopped it and because the being itself was too weak You humans should understand that you lose yourselves in wrong thoughts if you don't let go of this opinion that Jesus'soul is Satan's share, thus once a fallen away spiritual being With this point of view you would only make the problem of God's human manifestation even more incomprehensible and questionable And therefore the pure truth must be repeatedly presented to you, for only the truth will enlighten you correctly and the truth will only ever come forth from God Himself

Amen

The Lord looks after his servants

I Am always willing to relieve you of your worldly cares if you want to work as My servants in My vineyard You cannot do anything without Me, hence My blessing has to rest on your work if it is to be successful, and since you, who are willing to serve Me for love of Me and your fellow human beings, only strive for spiritual success you can also always be assured of My blessing and My support. You will always be guided in a way I consider good and successful for your own soul as well as for the souls of your fellow human beings. And I will always direct your thoughts such that they shall move within My will, so that you will always act in accordance with My will, in other words: you can do what you want it will always comply with My will since due to your dedication to Me you have taken refuge in Me and shall always receive My protection. If you thus encounter worldly difficulties and think that you are no longer able to work for Me and My kingdom, place your trust in Me anyway because nothing is impossible for Me, there is nothing you cannot ask of Me, for My might is unlimited and My love is boundless My wisdom, however, knows all pros and cons and directs everything as is beneficial.

You don't realise how much I need people who only work for Me and My kingdom, you don't know how extremely valuable your work is which

concerns the salvation of erring souls Yet I shall not take any of My servants away from earth until he has completed the task I set him following his decision to work on earth for Me and My kingdom And when his missionary work on earth is done, he can calmly leave everything else to Me, I will fill every gap because I know whose love for Me and his fellow human beings is strong enough that he can take his place. And everything will, in fact, come to you by itself and you will recognise My hand and My guidance and be very happy, yet only rarely will I work in an unusual way so that your freedom of will remains unimpeded. This is why your unconditional dedication to Me is most important and the only thing I require of you in order to also work in unusual ways and yet always within natural law, so as not to subject you to compulsion.

Where necessary I will bring My Own together to help each other and to work together for Me and My kingdom I only require your trust in My guidance and you will distinctly experience it Consider that you are still living as people amongst people and that I cannot so openly testify to My pleasure in your spiritual endeavours that it would compel your fellow human beings to believe in miracles Yet everything will happen quietly and approach you in accordance with My will, hence you need not worry but just appeal to Me every morning for strength and grace for the day ahead And truly, you will receive abundantly, for I Am a good Caretaker Who lovingly looks after all His servants and gives to them whatever they need for body and soul But like a Father I also always try to draw My child closer to Myself and thus keep providing you with evidence of My Fatherly love which will also let your love flare up brightly and you will join Me ever more closely and feel protected in My Fatherly embrace. Let everything approach you and do not worry, for I look after you and know what you need in order to serve Me in accordance with My will

Amen

Belief in God in Jesus

It is only necessary for you to believe in Me and take the path to Me when you suffer hardship for you, like children, to take refuge with the Father, Who will protect you in every spiritual and earthly adversity because you entrust yourselves to Him Time and again I emphasise that you only ought to contact Me in thought, through kind-hearted activity or in prayer and, truly, you will not be able to go astray anymore, because your bond with Me also guarantees you My help to be delivered from My adversary and to return to the One from Whom you once originated. Admittedly, evidence for the existence of a God and Creator cannot be given to you, you have to **believe** in Him Yet if you are willing to do so then you will see the evidence that bears witness to Me in everything that surrounds you And by just thinking about it you will already be able to come to believe in Me I just do not want you to spend your life thoughtlessly, to only take notice of the world and believe that your earthly life is an end in itself

You should always ask yourselves **why** and for **what reason** you live on earth in order to then also get hold of the thoughts about a God and Creator, which will time and again encircle you like waves, for the purpose and goal of your earthly life is to recognise a God and Creator, to acknowledge Him and to desire making contact with Him. Then this God and Creator will also take hold of you and never ever let you fall again And He will also convey the knowledge of Jesus Christ, your Redeemer, to you . For you will have to find Him so that you lose your weaknesses, so that your ascent to the pinnacle is assured For even if you recognise Me, you will have little willpower to seriously strive for Me, since you are too weak due to the sin of your past apostasy from Me And for the sake of strengthening your will the man Jesus died on the cross in order to acquire the blessings of a stronger will for you I Myself came to help you in your great spiritual adversity which was the result of your original sin, and I Myself accomplished the act of Salvation for the redemption of your guilt in Jesus the human being . So the path of return will now be possible for you if you appeal to Jesus Christ for strength, if you place your guilt of sin at his feet and express the sincere will to return to the Father, Who took abode in Jesus, Who united Himself with Him for all eternity Even if

you thus believe in God as the Creator and Redeemer, this God can never ever be regarded as being separate from Jesus Christ, for God and Jesus are one, God merely made use of an external human shell which people called 'Jesus', but Who sheltered the fullness of Me in Himself.

I created everything, even the human shell of Jesus came forth from Me, Which I chose for Myself in order to be able to stay amongst people. You humans, too, came forth from My will yet you once separated yourselves from Me voluntarily, for only love establishes a bond with Me but you forfeited it of your own free will, whereas the human being Jesus was permeated by love, thus My fundamental substance was in Him, for this is Love Hence, in keeping with His nature He must be God Himself, and only his external shell was human until He spiritualised it as well, so that it was able to unite with His divine Soul and nothing human remained once Jesus had accomplished the act of Salvation Anyone who therefore has recognised Me in Jesus has also escaped the darkness, for then the Light Itself will draw him into higher spheres, for I Myself Am the Light, and the light shone to earth through the human being Jesus because it permeated the human being completely. And I would like to send this ray of light to all of you, yet your heart has to open itself to Me, you must direct your thoughts towards the One Who created you You have to muster this will freely but then you will also be seized by My merciful love and everything will be done to impart the correct knowledge about Jesus Christ to you and if you acknowledge Him as God's Son and Redeemer of the world Who became as one with Me you will never ever be able to go astray again

Amen

Earthly flourishing
Swift decline

From a worldly point of view you are able to observe continuous thriving, for people strive overzealously for earthly improvements and prosperity, all their thoughts and intentions are purely earthly minded and they seem to bring everything under control to better their living conditions. And yet, from a spiritual point of view, it is a constant decline, for people keep moving away from God, they lose their faith in Him and therefore also every connection, and that means that God's adversary takes complete possession of them, that he is most successful with those people who only pay attention to his domain and are therefore also enslaved by him People's goals are earthly prosperity, honour and fame, spiritual goals are unknown to them, and neither do they feel the bleakness and emptiness in their hearts because these are completely filled by earthly thoughts and earthly plans And only rarely can their experiences unsettle or change their present thinking only rarely will people get tired of their earthly activity and look for another goal to support Then destiny must come down hard on them and people's thinking must be forcibly turned into a different direction when they themselves are incapable of averting this fate and thus will also have to fight Then they might dwell on the futility of their earthly life they will recognise a higher Power above themselves which is stronger than their will to live and makes people aware of their own weakness. But every severe stroke of fate is only a means to shake people out of their tranquil earthly existence This is a means I use in order to achieve a change of attitude, which is indeed possible when they, through suffering or illness or other difficult situations, have to recognise the futility of their earthly endeavours and start to reflect on their own inadequacy and weakness to have control over such strokes, that they are dependent on a higher Power. Only then might their thinking change, and then they will also strive for another goal than the one they had before And there will only ever be a few who turn their way of life around, who will be able to detach themselves from the world and its possessions and then no longer allow themselves to be deceived by worldly flourishing and achievements.

Nevertheless, worldly accomplishments will become increasingly more amazing, for it is a sign of the end that ever greater plans will be pursued and also undertaken which, however, will more and more divert from that which God demands from people and which is of value for eternity Wherever earthly matter is given priority that is where God's adversary is involved, for people who only chase after material goods and only make plans to improve their prosperity already belong to him. And these people will also be willing servants to him, they will get ever more enchained by matter and therefore also determine their later fate themselves For even if you humans can observe constant thriving and steady progress around you you will only be able to enjoy it for a short time, for soon everything will fall prey to destruction and you will lose all earthly acquired possessions because God Himself wants to prove to you the fleeting nature of all that which occupies your thoughts and yet is completely worthless Therefore you, who are already on the right path, should not let yourselves be deceived Don't let your thoughts be misled by believing that the earth can still count on a long existence in view of the fact that so many human plans are being accomplished, which denote worldly progress and a high living standard Everything progresses in a worldly way, sooner than you think it will come to an end and people will experience living conditions which you cannot possibly imagine For a divine intervention through the forces of nature will give rise to a complete change to which people will have to resign themselves and will only be able to do so if they are in close contact with God and pray for strength, which they then will certainly receive, so that all those will surely be helped who find and take the path to Him Only then will you humans realise the transience of earthly matter, and good for him who draws the right conclusions from this realisation, who will be able to detach himself from worldly things and only seeks to gain spiritual wealth He can always expect God's blessing and support, he will hand himself over to Him and be guided through all adversity

Amen

The Word of God ought to be listened to

You should listen to God's Word For His Word grants you the strength you need for the maturing of your souls You should only **want** to be addressed by Him And truly, He will speak to you, regardless of how and in which way you hear His Word Only your serious wish to be addressed by Him is the decisive factor, for then His spirit will penetrate you when you hear His Word, and then you will no longer hear the speech of a person but the voice of God Who speaks to all those of His children who want to hear Him. You can then, in solitude, attentively listen within and enter into a dialogue with your Father of eternity, then all subsequent thoughts will originate from Him directly, and thus you will hear the Father's voice too, only in the form of thoughts You can also read His Word in the Scriptures, and again, it depends on your attitude towards Him, your God and Father, as to whether and how you will be affected by the Word you are reading Then He is also talking to you through these, providing you sincerely desire the Father's communication His Words can also be imparted to you through a human mouth if, in religious places, you listen to a sermon with the desire to hear Him, your Father of eternity if your thoughts are so closely united with Him that you consider every Word to be addressed to yourselves, then you can also truly say that you have been addressed by God Himself Additionally, you can accept the Word of God from servants sent to you on His instructions in order to convey God's direct communication to you, which informs you that He Himself speaks through the spirit when He has a suitable vessel at His disposal which receives His flow of love that wants to pour into such a vessel And if you are touched by these Words you will also feel yourselves addressed by Him and you will not have anymore doubts that God Himself speaks to you indirectly But you can receive His Words from Him directly, too, if you unite yourselves with Him in profound love and believingly listen within Then you will hear His direct communication and be extremely happy And an abundance of strength will flow into you which will truly enable you to still achieve your perfection on earth, for the direct communication is the greatest gift of grace which all of you can acquire if it is your sincere will. You need to hear the Word of God because you require a light from

above which illuminates the path which will lead you to perfection You require a small pointer in the right direction; you simply need help in order to be able to reach your goal on earth You are weak and blind in spirit you must receive strength and regain your ability to see. And both occur through the imparting of the divine Word, which you therefore need to hear in some form or another As soon as your heart desires to be addressed by God Himself, the divine Word will not fail to be effective and give you what you require in order to enable you to fulfil your task on earth

The one and only point is that you humans should establish the connection with your God and Creator of eternity, that you should enter into the relationship of a child with its Father and desire to be addressed by Him, then your earthly life will truly not be futile. The connection with God had once been voluntarily severed and in so doing the being, which He created out of His love, became wretched and of darkened spirit The connection must consciously and voluntarily be restored again in order to come out of this unhappy state, and therefore the human being must also want for God to speak to him, for this proves that he strives towards a connection with God once more, and then his higher development can proceed in his earthly life, for then the person will receive strength through accepting His divine Word and he will become inwardly bright and clear Then his spiritual blindness will have been overcome too, he will know about the meaning and purpose of his earthly life as well as about his imperfection and guilt and how he can be released from them The divine Word first imparts to a person the knowledge about the divine commandments of love And if they are already being lived in accordance with then the person will gain further knowledge, he will become enlightened because the eternal Light will shine into him since the connection has been re-established, which is the meaning and purpose of earthly life by itself And for this reason you need the proclamation of the divine Word, of the Gospel of love And new disciples have been chosen again to proclaim God, Who is the Word of eternity And they will bring the truth to people again, because God's Word is truth and will affect every person as truth if he seriously desires it. How else should you accept it if not from Himself which is purely determined by your desire Who hath ears to hear, let him hear For an inexhaustible measure of grace will still be poured out before the end,

because it is God's will that all people shall become blissfully happy and therefore He will also address all people who desire to hear Him And they can all still become blessed through His Word

Amen

Guarantee for receiving the truth

You ask, how it is possible for My adversary to frequently intervene with people's thought even if they are willing to be of service to Me Bear in mind, that you humans are imperfect, that all of you still shelter much unredeemed spiritual substances which react to My adversary's influences if you don't unite yourselves so intimately with Me that a protective shield is erected which My adversary cannot and will be unable to climb, because he knows that I Myself stand before this wall. Consider furthermore, that you are often mistaken when you believe that you hear My voice that you often formulate and quote your own thoughts or are driven by the forces of the beyond to express such thoughts if you are of weak will and allow yourselves to be taken possession of by those who claim to be 'spiritual guides'.... You establish the connection with the world of the beyond yourselves because you want information from it And although you hope that I should be the Provider you are frequently lacking the preconditions which enable My direct communication with you. Who gives you the right and the guarantee to claim that I Myself, your God and Father, audibly express Myself? Don't you think that the concept 'audible communication by the Father' is greatly abused? I certainly speak to all people who desire My communication, yet this communication will be felt by the person within himself, it is the voice of conscience which constantly advises him, which admonishes and warns him to comply with My known will and to refrain from all anti-divine actions I certainly speak to a person directly too, if he has to accomplish a great task then he will be able to hear Me directly Yet then I will also expect this person to fulfil all conditions which guarantee him to hear My Word audibly, for the fulfilment of these conditions also erect the said wall which My adversary will not climb In that case he **cannot** intervene, and then the purest truth

from Me is guaranteed, which should subsequently be spread, for that is the great task which is linked to the receipt of the truth

I continually want to convey purest truth to earth, yet people themselves prevent the transmission of the pure truth as long as they are not completely permeated by their desire for it and as long as they don't release themselves from the spiritual knowledge they already possess but which prevents the influx of pure truth from Me. I can never express Myself through My spirit where a heart is not entirely empty, so that I Myself can thus fill it However, that is precisely where My adversary's influence will be and express himself in the disguise of an angel of light. And sometimes it will be very difficult for you to test the spiritual knowledge which is given to you You wonder why My adversary intervenes where I Am speaking And I say to you: I don't speak where My adversary has the opportunity to slip in and express himself They are **misguided** assumptions to presume that it is My working which he can interfere with Where I Am working the said wall is erected, for wherever I Am working the prerequisites are in place which justify the erection of a protective wall, and that is where My adversary will fight in vain, that is where countless spiritual guardians prevent his entry and drive him back with their bright light. And thus he will only ever choose those spheres for his activity which won't deny him entry, where he is entitled to intrude due to the similar disposition of those whose circle he tries to penetrate. Negative thoughts alone suffice to motivate him into misguided thinking which he tries to transfer on those who are willing to accept spiritual infiltrations And that will always be the case when all the people coming together in order to receive spiritual statements are not in the same spiritual state and thus a defence against immature forces is not guaranteed. If I say time and again that I speak to all people who desire My Word you should not conclude from this that you will audibly hear My divine voice but that I speak to every person's heart and that he need only listen within himself in order to be able to understand Me To hear My Word audibly requires such an exceptionally high degree of maturity that this only happens very rarely and then it will be in connection with an important spiritual mission too If you therefore hear a person speak and believe that you hear Me Myself, i.e., that you hear My voice directly, then you will generally be mistaken, although it is possible But then it will not and cannot happen within

a large circle, because not all will have the same degree of maturity which is required for My voice to be audibly heard And you can believe that every single person also needs to be handled **differently** if he is to derive a blessing for his soul Unless two or three come together and I can be in the midst of them, then I will also express Myself through them, but they will speak in their own way but in absolute truth, as I have promised you

Amen

God's special care for His labourers

My special love and care is granted to all those of you who are active on My behalf, who work for Me and My kingdom. This assurance should eliminate all the worries you are occasionally prone to when you think of what is awaiting you. The time you are approaching will be difficult and yet, with the measure of strength you receive, you will not find it as hard as your fellow human beings whose contact with Me is not as heartfelt as yours and who will therefore be so weak that they will be in danger of being overwhelmed by the events. Each human destiny is known to Me since I Myself impose it upon every individual person, and since I certainly also know its consequences My help will be correspondingly. So, regardless of what happens to you, turn to Me at all times, take hold of My hand and let yourselves be guided and, truly, you will be able to overcome everything with ease and inner calm. For even then you shall still serve Me as proclaimers of My Word And during the time of adversity it is particularly necessary that you inform your fellow human beings of My working in you, of what is about to happen and of the Father's love for His children They shall become convinced that I Am a God of love, then they will take the path to Me in their adversity and I can clearly provide them with help for if you can convince them that I Am a God of love, they will pray to Me in their heart when they appeal to Me for help. Then I will be able to help them without **compelling** them to believe But time and again I assure you, My servants, that I will not let go of your hand, that you will not be threatened by anything which seems to go beyond your strength

.... You should only ever believe in My love, wisdom and power and, truly, this faith will be your strength and will also enable you to speak on My behalf to your fellow human beings Then you will serve Me and I will reward your service and protect you in every way I will also grant you physical strength when your work for Me is required, consequently you can approach the forthcoming events without worries and know that you will always be guarded by a loving Father to Whom nothing is impossible if He wants to help His children in their adversity.

The stronger this faith is and the more you entrust yourselves to Me, the less will you be affected by that which causes fear and trepidation in your fellow human beings Remember that everything is good, regardless of what happens, even if it does not look that way And everyone who listens to you will experience My protection when you inform them of My Word, when you proclaim the Gospel of love to them for everyone will suffer adversity in the coming time and only the strength of their faith will lead them through all tribulations They, too, will be seized by My love and be helped because they possess a living faith and thus pray to Me in spirit and in truth Only a close bond with Me will help every person to endure their fate, for then they will faithfully entrust themselves to Me and no longer impose limits to My power Then, and depending on the depth of their faith, I will be able work in extraordinary ways. Therefore, do not allow yourselves to become depressed by thoughts that you might succumb to your weakness What seems impossible to you today, you may experience yourselves in the form of remarkable help at the time of great adversity My adversary's activity will assume exceptional proportions; he will achieve inconceivable things and thereby prompt equal countermeasures on My part. But I will expose him and open your ears and eyes, My servants, so that you will clearly recognise the artful trickery of the one who wants to corrupt you And you, too, will be suitably equipped for your encounter with him You will destroy his web of lies with the sword of your mouth; you will publicly denounce him and be protected by Me against his interventions for he will pursue you wherever possible. The signs for the near end will become progressively more distinct, just as My love will express itself consistently more obviously, because anyone who belongs to Me need truly not be afraid of anything. But anyone without a living faith will fall prey to My adversary and his deceptive work, he will

let himself be misled and not recognise the danger he is in. Nor will he take any measures to come out of it and only great adversity can teach him to think differently Yet the person who utterly belongs to My adversary already will receive strength from his side. This person will also master the adversity with his support but instead totally lose his soul to him, who will not set it free anymore and thus his followers will be bound at the same time as him when the day of the end comes

Amen

Gathering strength ahead of the chaos

Keep drawing strength from My Word for you will need this fortification in the forthcoming time and should gather strength now, since you will be unable to collect your thoughts in prayer when My long-announced intervention will take place Whatever is decided by My wisdom and love will also be implemented, and every prediction which I sent to you so that the event will not take you unawares without warning will be fulfilled

You shall always remember it and try to set your heart free from all earthly longings You shall try to let go of matter, for one day you will have to give it up, and the less your heart clings to it the easier will be your loss, the less you will be burdened by My intervention Again and again I Am telling you to prepare yourselves for this period of unprecedented chaos when only your heartfelt bond with Me will give you the support to do justice to all demands. For anyone not directly affected by the disaster by losing his life will then have to lead a difficult existence, because there will be no ordered living conditions and you will be burdened by earthly adversities which you will be unable to handle on your own, without My help.

Time and again you shall accept My Word in your hearts and draw strength from it, you shall gain such strong faith from My direct Word that nothing will be able to unsettle you in the forthcoming time, that you will completely rely on Me and only ever wait for My help And believe that I will help you that just the heartfelt bond has to be established with Me

which, however, can only be achieved by a person who is completely dedicated to Me and who will merely recognise the fulfilment of My predictions in the huge disaster and thus will even more devotedly wait for My help, which indeed will be granted to him. Then I will carry out the seemingly impossible on those who place their complete trust in Me.

And every human being should get used to the idea that the orderliness surrounding him will not continue, he shall believe that the earth will be affected by an unimaginably huge tremor, and that countless people will fall victim to a natural disaster the survivors, however, will experience extremely difficult living conditions which require much strength and confidence in My help in order to cope with them. Then it will become evident where neighbourly love will be practised, for only there will My help be evident as well And anyone who is just anxiously concerned about himself and his well-being will also have to labour by himself and yet be unable to master his situation For you humans must learn that love is strength and that you will be able to achieve much if your actions are motivated by neighbourly love.

Time and again I refer to the time when a great chaos will befall you caused by a huge natural disaster because I still want to give you humans a last sign of a Power Which is in charge of you But you, who receive My Word directly or given to you through My messengers, you shall constantly listen to My admonition, engross yourselves as often as possible in My Word and your strength will grow, even at times of extreme adversity you will not lose the connection with Me and then you will also always be certain of My help, for I manifestly want to help My Own to strengthen their as well as their fellow human beings' faith so that they will establish and never again abandon the living bond with Me.

And don't count on being spared, don't believe that other, distant regions will be affected This disaster will be far-reaching and involves a large area, even though it will not affect the whole earth Consequently, the immense adversity will not pass anywhere without a trace, which you will only understand after the occurrence has happened, when My voice resounds in the world and you realise the dreadful effects the full extent of which will take a long time again to be assessed.

As yet you are still living in peace and are unable to imagine such chaos But I draw your attention to the fact that everything will come to pass what was announced in advance, I only want to influence you insofar as that you should do everything that will give you the strength to endure For I will not abandon you, who have submitted yourselves to Me and want to belong to Me And I will always provide you with strength Let Me talk to you time and again and draw strength from My Word and truly, you will be able to find Me even in utter suffering, and I will always be ready to help, I will always stand by your side and through you also bring help to those whom you lovingly try to take care of

Amen

People's duty is to draw attention to error

Everything motivated by love is pleasing to Me And thus, when you live with love everything you do or don't do will be in accordance with My will However, you have to consider the motives of your actions, whatever they may be Do you want to help a person or the world at large do you want to help and protect your neighbour from all manner of harm? Do you want to give light and understanding? In short, do you want to give or do you want to take, destroy, cause confusion and burden your fellow human beings or do you want to take action against error and bring truth to your fellow human beings instead? You have to consider all this in the light of love, thus it has to permeate you if your every action is to correspond to My will

But I also want to draw your attention to the fact that I want erroneous belief to be corrected, that I expect you to spread the truth and that this task has priority For I transmit pure truth to earth so that its light should shine into the darkness And spiritual knowledge which originates from Me will never contradict itself, or I would not be the source of the flow of spirit

Erroneous spiritual knowledge cannot originate from Me and thus you, who receive the pure truth from Me, have the right and the duty to fight it, but always beware not to offend against the law of love, that you are

messengers of truth when you approach those who live in error. As soon as you, with My Word from above, can refute the doctrine they believe to have received from Me, they can, with good will, recognise who speaks to them through you. For I will always use reason to expose the error so that it can be recognised as such, and I will be able to do so through a vessel which is suitable to receive My flow of spirit

It is true, though, that everyone will claim to be a 'vessel of God' but the genuine investigator will recognise My voice and will not find it difficult to come to the right conclusion. Because error will be exposed in a manner that demonstrates knowledge. Nevertheless, people also have to employ their will in order to recognise My voice If this will is not present then even the most lucid reasons will not be understood, and the person will hold on to his misguided belief in spite of clarifications and appropriate references. But this is certain, every spiritual instruction by Me also reveals Me Myself as the Provider, in so far as its wording and content give evidence of a perfect Provider, Who clearly and understandably solves the kind of problems which cannot be solved intellectually Imperfection and ignorance are eliminated, for by the latter you humans recognise the influence of powers which are not yet perfect, not yet enlightened, to carry out My instruction of transmitting spiritual knowledge to earth

If the human being himself in his arrogance fails to recognise such imperfection then the pure truth given to him by My messengers will not give him clarity either, because he lacks the inner humility which would also guarantee his understanding of eternal truth. Hence time and again you will meet with resistance where the adversary has already established himself by giving false information and people are not willing to let go of him in the firm belief to have received the information from Me Myself. However, I allow every human being's freedom of will, I will merely contact him now and again and try to make him take notice but only his will makes the choice

Amen

*Accepting truth is a commitment**Errors*

You are supposed to spread the truth That is the task you accepted voluntarily and which you should now put into practice if you want to serve Me as My disciples in the last days. But to spread the truth also includes fighting against error as soon as an error becomes evident to you. I keep telling you that you cannot be tolerant where it concerns the pure truth from Me, that you should support it firmly and not, due to alleged tolerance, allow for a continued existence of error You should denounce it as error and not shy away from proceeding against it, because it is My adversary's doing and will never serve to provide benefit for the human soul.

And especially you, who recognise the error because you have been instructed in the truth by Me Myself should not shy away from it, because you have the right to fight it. You are sent by My amongst people as bearers of light with an ample supply of spiritual knowledge that justifies your actions against error because you are able to refute and decry it as a work of My adversary He is at work where error exists because only purest truth originates from Me, but he constantly tries to undermine the pure truth.

The human being has free will which will be seized by the direction of its choice. If he looks for contact with Me he will be given pure truth indeed, and he should work with it too, i.e. he should pass it on to his fellow human beings whose thoughts remain misguided as long as they are not educated by Me Myself as the eternal truth.

My adversary will try to work in the same manner and will also be successful with people who are not aware of the great responsibility, who do not understand what it means to receive purest truth and to pass it on who do not fear error as it should be feared and who therefore do not inwardly resist when My adversary tries to convey error to them. My adversary will also disguise himself as an angel of light but he will not be able to deceive you, My bearers of light. You will recognise his activity and then should also take action against it, since this is the task which you have volunteered to do for Me.

Wherever you recognize wrong thoughts you should enlighten your fellow human beings about the pure truth, you should help them to let go of the error and realise what is right. Show them their wrong opinion clearly and openly, so that they, too, will arrive at the truth and deliver themselves from My adversary, who is still able to influence them because he still somehow has a claim on those he plunged into error due their similar inclinations It is not advisable to abandon such a misguided person, rather, he should be helped to recognise his error and agree to accept the truth, only then will he derive a benefit from it himself, and only then will he, too, be a true vineyard labourer for Me.

A bearer of truth cannot be tolerant and leave his fellow human beings in error due to kindness He should clearly point out that the other person does not think correctly, that he was influenced by My adversary irrespective of how the error was imparted to him For the adversary will always be able to interfere with a person's thoughts who is not so intimately in contact with Me that I can protect him But it is certain that I Myself do not transmit spiritual knowledge to a person which does not correspond to the truth, and this has to be clear to the person, otherwise My love, wisdom and might could in fact be doubted It follows that a direct transmission of My Word to a person cannot have taken place if it is associated with error

You humans cannot be careful enough and always have to fear the adversary's influence as long as you do not give yourselves to Me completely and ask for My protection, which I will truly grant everyone who sincerely wants to live in utmost truth and pass it on to his fellow human beings in turn, if they are destined by Me for this truth Error is true poison for the human soul, consequently you should take action against it and repeatedly oppose it with truth, since you received it from Me because it is necessary that light should shine into the darkness Your free will allows the influx of misguided thoughts, for if you would inwardly resist them in the awareness only to serve the pure truth, misguided mental concepts could not become established in you But I can never acknowledge that something which contradicts the pure truth has originated from Me You therefore should only ever make sure to spread purest truth and declare uncompromising war on error, and you will act in accordance with My will and on My behalf

Amen

Truthful knowledge can lessen resistance

Regardless of what earthly objections you encounter, firmly hold on to the fact that you are working on My behalf even if they call you fantasists and deny your direct bond with Me, your God and Creator. They are unable to understand as long as they have not established this bond themselves, but those of you who have already attained it shall not let yourselves be shaken by them, for they still belong to the world, while you already aspire to the spiritual kingdom, which is not of this world. People will often be so distant from Me that they will ridicule your faith in My presence But you hold visible proof in your hands you are in possession of My Word, which has not come forth from any other source but from Me directly, for you will be able to prove to them that you have not received it through any other means than through the working of the spirit in you Anyone who listens to you will be able to verify the truth of this statement, but anyone who instantly refuses to listen is and will remain completely uninformed, and thus he will forfeit a great gift of grace because he fails to make use of it and, without blessings, he will never be able to become blissfully happy. Every person must dare to take the step from the earthly into the spiritual kingdom, only then will his understanding grow, he will look upon everything with different eyes, then he will allow for a second life beside the purely earthly life and only then will his earthly life gain in significance, because then he will have a goal he consciously wants to reach. Yet it will become increasingly rare for a person to form a serious opinion about the spiritual knowledge you offer to him, usually they won't even listen to you in the first place but instantly reject any kind of spiritual discussion, they find everything inconvenient which might awaken in them the slightest sense of responsibility, they are so deeply involved with the earthly world that a spiritual kingdom seems doubtful to them and therefore they do not want to deal with spiritual subjects either. Nor can you provide them with proof unless you prove that your knowledge is something unusual so that they will have to believe that people are directly addressed by a God and Creator, yet they will only be able to gain this faith if they are of good will themselves, because no person will ever be influenced against their will For this reason nothing else can be done for the

salvation of such unbelieving souls than to repeatedly draw their attention to the actual purpose of earthly life and to stimulate their mental activity. And I will always support your efforts through destined interventions, so that people will have to face up to situations in life when they will find themselves helpless and thereby must learn to recognise a higher Power above themselves so that for the time being they would have to deal with other thoughts than purely with the earthly world. Then they will also be more accessible to spiritual conversations. Nevertheless, it is a great blessing if such people are confronted by a true messenger appointed by Me Myself, for then he need not search in the first place, instead, the truth is carried to him, and with good will realisation would come much easier to him. For the truth will not fail to have its desired effect, it will be easily understood and also please a person who takes possession of it.

And thus it will only ever be your task to inform your fellow human beings of My working on and in yourselves, so that they will first reflect on it and then can be inwardly taught by the world of light so that they will start to think about it and subsequently may always approach you for confirmation, because you advocate the same spiritual knowledge which is mentally offered to them by the world of light always providing that they desire the truth that they not only thoughtlessly accept what is presented to them but that they only want to recognise and accept what is right If someone bluntly rejects you, let him be, but take care of those who are undecided and only need to be introduced to the right knowledge in order to accept it. No greater means of help can be offered to people anymore than the transmission of My Word from above For this contains the strength which will also impress those who are still spiritually weak, who merely require an impetus in order to gain faith and who will surely receive this impetus if they are given an explanation as to why they live on earth A truthful reason for their earthly existence can tear down a person's every resistance and make him receptive for additional knowledge. And you, My servants on earth, can at all times provide your fellow human beings with this truthful knowledge and they will not be able to disregard it However, you must always give them the opportunity to pose questions, which you will then answer correctly. The truth will always be effective; it will be understood by those who seriously ask you with the will to find the right answer. Nevertheless, those who lack this will won't

believe you and thus the work of leading them to the spiritual path will be unsuccessful. And if you, who possess the pure truth, cannot succeed, then it will definitely not be possible for other people who know too little themselves to instruct their fellow human beings. And time and again I will still make use of the means which can be successful, such as severe strokes of fate, diseases and suffering, in which they can recognise their own helplessness and turn to the Power Which they must acknowledge above themselves I will react to the slightest thought of Me and truly, it will only be in your best interest, for it is not My will that even one person should go astray, instead, it is My will to give everyone the life which lasts forever

Amen

Process of return

Nothing can be lost forever once it has arisen from Me and My strength It continues to exist because it is everlasting and will infallibly return to Me as the eternal source of strength, because this is based on My law of eternal order. However, the being which came forth from Me as a perfect and divine being was also able to voluntarily reverse its nature into the opposite, it was able to relinquish its perfection and shape itself into an anti-divine being And so it did and was not stopped by Me because I pursued a plan, because I had a goal in mind for all `created' beings: that they would become My `children' which I was unable to `create', instead, they had to shape **themselves** into it of their own free will Thus I did not prevent their apostasy from Me but prepared a process of return for all once fallen beings: I reshaped the **strength** I once emanated as a **being** into all kinds of works of creation I dissolved the beings into countless minute particles, which animated the works of creation and thus the strength became active again according to My will that is, every work of creation had to fulfil its designated task as a matter of natural law, for I created nothing without reason and purpose Each work of creation had its function and thus My love and wisdom and might created an earthly world which sheltered all these fallen tiny particles of soul which gradually increased in maturity

because they were intended to one day come together again as individual beings, and this is because they were intended to embody themselves in a human being as the once fallen original spirit in order to pass the final test of will: to voluntarily turn to Me again, just as it had once voluntarily turned away from Me And this infinitely long path of higher development signifies a path of service for the tiny particles dissolved from the original being in contrast to the fall, which was based on the being's arrogance and thirst for power The return can only take place by way of constant service which, admittedly, happens in the state of compulsion until sooner or later, in the state of a human being, the being shall **voluntarily be of service**, driven by love which then will guarantee its certain perfection on this earth. The path the once fallen being has to take until it can make its final decision in the state of free will as a human being is infinitely long This path is so excruciatingly painful that his past memory has been taken away from the human being because he should make a free decision and the knowledge of the agony and suffering in the bound state would enslave his freedom of wanting and thinking as a human being For fear would impel him into making the right decision, but this would be utterly worthless for the soul and its perfection

The human being should freely want to be of service for the sake of love and attaining maturity himself, this is why he lives on earth For the human being is the once fallen original spirit to whom My infinite love opens up all possibilities in order to become again what he had been in the beginning: a supremely perfect being but which has attained perfection of its own free will which I was unable to give to the being and thereby the 'created work' has become My image, My 'child'.... This is the goal had I set Myself from the start, which required an infinitely long path of development and which is to be understood as 'My eternal plan of Salvation'.... And now you humans know that you are these fallen spirits and have almost reached the goal of voluntarily uniting yourselves with Me which, in turn, means that you should change yourselves into love in order to be able to unite with Me, the eternal Love Now you know that your existence did not simply start as a human being but that you already existed for a very long time You know that you did not originate from Me in the state that cannot be called perfect, for as humans you have weaknesses and faults, you are not perfect creatures and therefore cannot have come forth from Me in

this state, since I can only create something perfect And this knowledge should make you think and also lead to the realisation that your earthly life must have a purpose: to achieve the perfection again which was yours in the very beginning and which you voluntarily gave up Thus you also know your task which consists of changing into love, which is your fundamental element, for you are the same as I Am in your fundamental substance Admittedly, as a human being you are still far removed from perfection, nevertheless, you are and remain divine living creations which can never cease to exist anymore and whose perfection I will take care of time and again, who I will never let fall and who one day will very certainly reach the final goal of being and remaining intimately united with Me for all eternity The fact that you know little about it is only due to your weak degree of love, otherwise you would be fully enlightened and also close to perfection. Nevertheless, the knowledge of it is given to you by My side as long as you are merely willing to accept it as long as you merely desire to know the correlations concerning you, your God and Creator of eternity and the whole of Creation Then you really will be instructed in all truthfulness and also consciously travel your path on earth with the goal of final union with Me You will attain perfection and a life in beatitude which will last forever

Process of creation and apostasy of the beings

Believe Me, I will gladly instruct you when I recognise your longing for truthful knowledge, because I only emanate light and this light permeates the darkness However, you are still in an area of darkness where light has to be sent to you until you are so filled by it that you can also pass it on again yourselves But you are receptive for My ray of light as soon as you desire clarification about regions which are still in darkness to you Then I can illuminate you, I can once again gradually return you to the state of enlightenment and introduce you to knowledge which will make you happy. And there shall be light in you, you shall know where you came from and your final goal on earth You can only receive this knowledge from Me Myself, Who created you for My pleasure

You came forth from Me Myself My strength of love externalised living creations who were like Me Myself, who were independent beings created by Me as miniatures of Myself. I gave life to these creations, i.e. they were able to create and work like Me, they were also able to hear My voice and therefore knew of Me Myself as their God and Creator, and they were faithfully devoted to Me and tremendously happy But you humans know little or nothing about the kingdom of these once blissful spirits This kingdom was originally created when I wanted to recognise Myself in images of Myself, when I created vessels into which I could pour My love I created spiritual beings because My infinite love wanted to give itself, it wanted to flow into similar beings whose perfection gave Me unimaginable bliss I created a spiritual world with living inhabitants for My delight, I populated it with creations of the most magnificent kind and rejoiced in the beings' bliss, to whom I gave such happiness because love, which was and remains My fundamental nature, motivated Me to do so

This spiritual world existed for an infinitely long time in harmony and most intimate unity of all beings with Me, their Creator and Provider For an infinitely long time these beings' will and love concurred with Mine Because the first created being, which I Myself had externalised in complete perfection, loved Me deeply and devotedly. It found unlimited bliss by constantly creating new beings brought to life through his will and the use of My strength which corresponded to My will, because the love this being felt for Me resulted in the same will. Consequently, there was no discord in the spiritual world, nothing contradicted My will, it was a world of unlimited happiness because all spiritual beings were teeming with light and strength and were able to create by using their own will which was also My will as long as the strength of My love permeated all My living creations But this perfect state did not last For I did not constrain the spiritual beings by My will, I gave free will to every single being as a sign of its divinity

The first created being Lucifer also had this free will and he misused it However, Lucifer voluntarily could have wanted the same as I Myself and he would have been infinitely happy and remained so forever But he misused his freedom of will and directed it wrongly, which

resulted in a spiritual rebellion the consequences of which you humans cannot possibly understand. Nevertheless, you humans are the products of this past spiritual rebellion Lucifer, the first created being, with whom I was in constant contact through the Word, was able to think, as were all created beings, and therefore he was also able to infer a wrong meaning to My Word He had free will and could therefore also change the direction of his mind. He was able to leave the law of eternal order and set up completely wrong concepts and, by doing so, caused mental confusion in himself as well as in the beings who followed him, which resulted in momentous consequences He also transferred his wrong thoughts to the beings brought to life by his will and the use of My strength A general opposition to Me ensued, the beings resisted Me, they no longer accepted My illumination of love unreservedly and thereby grew weaker and darker They revolted against the law of eternal order, their thoughts made their own way

This resulted in an incredible chaos in the host of the first created spirits who then had to decide whom they should follow which resulted in the desertion of countless beings from Me. However, I did not put a stop to it, I only saw in it a means which would lead to even greater bliss than I could give the 'created' beings who certainly had emanated from Me in all perfection but who nevertheless were always just My 'work'.... Now, after the apostasy from Me, they had the opportunity to return again as 'children' which would heighten their bliss by far, because the return to Me as a 'child' has to be achieved entirely voluntarily but then the being is completely independent from Me, My power and My will, yet it will exist totally within My will since, due to its perfection, it has totally accepted My will You humans are on this way of return to Me while you live on this earth, and if you are of good will My eternal light of love can permeate you once again, and all the knowledge you once possessed but voluntarily surrendered can be regained by you And I know of no greater bliss than to give you this knowledge, than to offer you My immense love and to change your state of darkness and ignorance, so that you will become as you were in the beginning, so that you will achieve unlimited happiness again, so that you will reach your goal and return as true children to Me, your Father of eternity, Whose love is and eternally will be for you who once came forth from His love

Amen

Why is God speaking to people?

Consider, you humans, what it means when your God and Creator draws close to you in order to speak to you Himself, for thereby He must be pursuing a goal which you are unable to grasp in its full depth I bend down to you Myself in order to speak to you, thus it must be very important that you hear My Word, that you receive certain knowledge from Me because I deem the latter necessary. I don't just pass on admonitions or warning to you but try to raise your degree of realisation and provide you with instructions of how the latter can be accomplished First I want to remove the darkness in which you live, and thus I also want to tell you what is causing this darkness and how you can resolve it, I want to enlighten you because the darkness is a wretched state for you given that in darkness you cannot find the right path to the light of day.

You renounced all light, all realisation You don't know anything about Me anymore, your God and Creator Who wants to be your Father; you don't know anything about yourselves, what you were in the beginning, why you changed and for what purpose you live on earth And this is an ignorant state which cannot be called divine. You, however, are of **divine** origin, you once were perfect and thus you also were illuminated, you knew of everything, of My overwhelming love which constantly permeated you and prevented the said darkness, so that you brightly and clearly understood all correlations and possessed the knowledge which only a divine being was able to possess. You voluntarily relinquished this knowledge, the light, the realisation, and fell into the dark state your concepts became confused, and you were no longer able to understand anything, neither yourselves and the purpose of your existence nor the relationship with Me with the One from Whose strength of love you emerged You plunged into darkness, and the darkness will keep you imprisoned until you voluntarily desire My illumination of love again, which will also grant you a light of realisation once more.

And into this darkness My Word rings out from above Can you comprehend the depth of My love which wants to grant everything to you again which you once renounced of your own free will? Can you therefore recognise the tremendous value of My Word as the greatest gift of grace on

My part which I impart to people in order to make their retransformation into love easy and possible? I Am speaking to you directly, I Am bridging the vast gulf which still exists between us and I Am sending a flow of grace from the kingdom of light onto earth, which is intended to irrigate and revitalise the extensive spiritual drought on the dark earth I want to change the miserable state people live in and present them with the help to find their way out of the state of darkness by sending them a beacon of light if only they are willing to accept it and allow it to illuminate their future path of earthly life, so that they will find their goal for sure, which will only ever be in the light and never in darkness It is a greater than great act of compassion which I bestow upon humanity that I offer those who once rejected the light of love, the same light of love again, that I send it to earth despite the fact that people don't express any desire for it apart from a few, whom I use as go-between bearers so that they will carry the light where darkness still prevails

Yet all people may partake in it, I don't want to withhold My gift of grace from any human being, I want to guide every single person into My sphere of light and try to illuminate him, so that he will begin to sense the correlations, think about them and then be able to be guided by the world of light, which only ever waits for a person to become accessible to their loving care And I will keep radiating light down to earth, for the darkness will continue to intensify before the end; but the light will shine for anyone who desires it He will enter the state of realisation again because I Myself will initiate him into profound knowledge, which cannot be given to him from external sources unless he accepts it from one of My messengers whom I have guided into this knowledge Myself I will still offer My gifts of grace to many people, and even if someone just asks for a small light, it will shine for him and guide him into truthful knowledge which will also make him happy For I will still pour out an abundance of My gifts of love before the end, and anyone of good will can still change his unsatisfactory state until the end, he can accept light and increase it himself through a life of love, and he will not have to fear the end once he knows the purpose and goal of his earthly life and then also consciously strives towards this goal For then his will shall have made the right decision, he will want to return to Me and thus will also safely reach his goal

Amen

Purpose of earthly existence as a human being

Consider your human existence purely as a brief chapter of an infinitely long period of development which, however, is of immense importance, because during this short time you have to make your decision of will which determines your fate in eternity For you can bring this process of development to a conclusion; but you can also prolong it again for an infinitely long time which signifies beatitude or agony for your soul the human being's real Self thus you yourselves make this decision as a human being. You humans do not spend much thought on it, but the time of your earthly life passes by quickly and then its result will take effect Time and again you are informed of it and yet you pay little attention to what you are told or you would live consciously and make an effort to strive for the right goal. But then you must also believe in a God and Creator to Whom you owe your existence, and by making contact with Him you will also receive the strength to live your life according to His will. You must be aware of this God and Creator in order to submit yourselves to Him and His will And you must know the reason for your existence as a human being in order to live expediently on earth i.e., to reach the goal on account of which you live on earth You will not be kept in ignorance, time and time again God's will shall be proclaimed to you, no matter in what manner it will happen. For God speaks to people, He addresses them directly as soon as the conditions for it have been fulfilled Or He will enlighten a person through mediators Yet He will never leave people without knowledge about His will, since this knowledge enables them to live their earthly life correctly and thus complete their development while they are living on earth. However, they can also keep a closed mind to every explanation; they can distance themselves from God, become disbelievers and refuse to accept any deeper reasons for living on earth. They can merely deem themselves as inhabitants of a creation, whose life is purely an end in itself, and only deal with their life from this point of view Then they do not accept God's will either, Who requires a life of love, but their own will predominates, which is purely based on selfish love, which only would like to provide itself with the greatest possible pleasure and will only ever consider itself but never its fellow human being A person like that is

thinking completely wrongly, and unless he changes he will never ever reach his goal on earth He will live his earthly life in vain and prepare a dreadful fate for his soul But neither can he be prevented from it since he has free will and he will not be deprived in any way either as far as the recognition of truth is concerned, since he will always receive it in some form or other, he need only form the right opinion of it and his soul will derive the right benefit too.

However, precisely this forming of an opinion is omitted by him, he will be satisfied with that which he can comprehend with his earthly senses the world and its possessions and he will let himself be captured by them and never take a step forward in his development because every condition is missing for it, such as love and heartfelt contact with God, through which he could attain inner realisation and which testify to his correctly focussed will But the human being's will is free and also has to be free during his life on earth so that he can make a decision and once again have the opportunity to enter his original state and to become as he had been in the beginning For he would never be able to attain supreme beatitude were he to remain an unfree being and unable to voluntarily take the path to God, Who will guarantee this utmost bliss Everything that came forth from Him as a free being must remain in this freedom and desire to reach Him, then it will also be and remain very happy without limitation God's created beings once forfeited this freedom and were in a wretched state which lasted for eternities, yet one day God will return this freedom to them but only for the purpose of their final return to Him for the purpose of making a free decision for or against Him nevertheless, time and again the human being's attention will be drawn to the meaning and purpose of earthly existence. And one day he will also have to justify himself, because every person will sooner or later be informed of the fact that he only lives on earth for the sake of a purpose And anyone who seriously tries to ascertain this purpose will also receive enlightenment, in everything that happens to him he will be able to discover a wise guidance, then he will also begin to realise the purpose of his earthly life and endeavour to live up to it, he will live responsibly and soon learn to recognise and love his God and Creator Then he will truly not live his earthly life in vain, he will inwardly mature and soon attain the right goal: his **union with God through love** He will recognise the significance of life on earth

and do whatever it takes in order to bring one period of development to conclusion, so that he will be released from every physical form, from every chain, and be able to enter the kingdom of light and beatitude when his hour has come

Amen

God corrects misguided teachings

I only ever merely want to clarify your misconceptions and offer you the purest truth instead, and for that reason I speak to you time and again And all I ask of you is the serious desire for truth, and the will to think correctly and to be able to distinguish between truth and falsehood Then the communication from above can come about, and then you humans will live in the light too. However, there is not much will for truth, thus My adversary has great power, he can offer inaccuracies which will not be recognized as such. Subsequently the human will itself decides to what extent it experiences the right thoughts, the truth. He should always approach Me Myself in order to receive the purest truth, for even if he is not yet able to hear My Words directly I will nevertheless convey them to him through My messengers when I recognize his sincere will and desire for the pure truth. Because the adversary will constantly want to insert inaccuracies and also deceive those people who think they have true spiritual knowledge, which he will corrupt again and again unless acute care is taken to prevent it. Therefore you cannot be observant (careful) enough, you cannot ask Me often enough for the truth. Because I Am always willing to transmit the purest spiritual knowledge to you to let living water flow to you, which is still unpolluted from all additions, and which consequently also helps to heal your soul.

Hence you should draw from the source and even then you should make sure that the pure, healthy living water does not get polluted and come to you in a different condition than it is supplied at the source My adversary uses many methods to pollute My pure Word and people do not notice it They unhesitatingly comply with him when he attempts to induce them to make changes or alleged improvements, thus offering him the opportunity

to scatter it with false seeds which will grow and then considerably reduce its value, providing the error is not recognized and corrected in time. It is therefore very important for My Word to be proclaimed from above time and again, because imperfect human beings will not leave anything unchanged. Hence they will always add human knowledge to a supremely perfect spiritual treasure as well, they will also intellectually move in the wrong direction and give explanations which no longer correspond to the truth. And these in turn can only ever be confronted by the pure truth, which flows from Me directly to earth again when I consider it necessary to correct errors and to highlight the adversary's actions

And depending on the individual's desire for truth he will also respond to it, he will accept pure truth if he genuinely wants it, or he will indifferently hold on to erroneous thoughts, but to his own disadvantage Because as soon as shadows creep in I will always bring light and will therefore not cease to speak directly from above. Because people will not cease to let themselves be influenced by My adversary either and make changes to the spiritual truth which initially came from Me Myself Time and again they will use their own thoughts, their intellectual reasoning, and this can be controlled by My adversary, so that error creeps into a spiritual truth which had originated from Me And for the sake of humanity's freedom of will I do not prevent it but I will always make sure that those who want truth shall also receive it again in its purest form. Hence you should never discard spiritual facts which had originated from Me, but rather you should make sure they remain unaltered and compare them with My messages, which will come to you directly again

Because I know why I speak to you time after time, I know when it is necessary for Me to intervene in order to clarify misconceptions which if only slightly will continue to result in new errors and thus, since it originates from him, the adversary has to be fought. The human being himself will always reject error once his spirit is awake, but those who have not yet delved into spiritual knowledge to discern every error will accept it, and this is comparable to a well where the water, instead of quenching your thirst, causes you damage instead. Error originates from the adversary and can never result in a healing effect for the soul However, if you can receive the living water directly from the source you are protected from bad

influence, then My Word will come to you in all its strength and guarantee you purest truth, and then you can indeed believe everything because you truly cannot receive anything untrue from Me But you should always be watchful and realise that My adversary will use every opportunity to slip in wherever he can in order to confuse people And even if he only succeeds in pushing people onto a different train of thought, causing them to make false assumptions which do not correspond to the truth and which thus result in darkness as a development of thought which cannot be penetrated by light. Then ask Me Myself for enlightenment, for clarification, and truly, I will do so because I want you to live in truth, for only truth is light, and only through truth can you become blessed

Amen

Spiritualisation of soul and body

What is the physical body?

I will answer your every question in a way that it is comprehensible to you, even if you are as yet incapable of understanding the most profound correlations because of your low maturity of soul. Nevertheless you will not be left in the dark about problems which occupy you and you are unable to solve yourselves. And you shall be enlightened as soon as you desire light: The reconstruction of the human soul happened in the same way as the disintegration of the being took place after its apostasy from Me, after the solidification of its substance The individual tiny particles, having gone through the works of creation for the purpose of maturing, were gathered again, the mineral, plant and animal world released all particles belonging to a fallen being again and these united in the end and now constitute the human soul Hence this soul is the once fallen original spirit which shall return to Me, to its origin, when it passes the final test of will in earthly life, which necessitates its free will This soul embodies itself in a cover of flesh, in a material body, and this consists again of countless spiritual substances which are still at the beginning of their higher development For all matter is spiritual substance at the start of its development, which already shelters more mature spirits within which

must be of service and thereby mature fully Matter itself has a far longer path ahead of itself until it, too, can embody itself as a `soul'.... Yet the time every spiritual substance takes to travel the path can differ considerably Spiritual substance **within** matter can mature faster, but matter itself can also be dissolved quicker if it complies with its serving function without resistance if the resistance of the bound spirit within matter subsides quickly and it is helpful This is the case if it is in surroundings where there is a recognisable and conscious striving towards Me, which has a beneficial effect on all spiritual substance and also shortens its path of development because it is often permitted to be of service.

Understand it like this: Where an inclination for matter still exists, where no spiritual striving is noticeable, that is where matter is being hoarded, it is given little opportunity to serve and this extends the state of constraint in this material item just as it can be considerably shortened if the human being does not strive to increase his earthly possessions and thus constantly gives the few material possessions he owns the opportunity to be of service Then the human being himself, through his attitude towards Me and matter, contributes towards a faster dissolution of the latter and the bound spiritual substance therein will be able to change its external form far more often and faster and also reach the stage when all particles have come together again sooner and the embodiment as a human soul can take place. Even the soul's earthly-physical cover is still consolidated matter whose substance belongs to a once-fallen original spirit which likewise shall pass the final test of will as a soul on earth one day If, during earthly life, a person succeeds in spiritualising his body of flesh simultaneously with his soul which, admittedly, only happens rarely but is nevertheless possible then its spiritual substances will join the soul and attain a certain state of spiritual maturity, so that the beings of light, which take care of the fallen spirits, will also influence the spiritual substance bound within the form such that it will quickly reach full maturity, because a soul which achieves such a spiritualisation together with the body, emanates extraordinary strength on all substances of a soul which still has to go through the process of development Thus the soul takes its spiritual body along into the spiritual kingdom and emanates these spiritualised substances again as strength to the original being they belong to, and this being will travel its process of development in a far shorter time, because the fully mature

spirit will also prevent a relapse when the soul lives on earth as a human being For the body's substances have been redeemed by its indwelling soul and can never experience a relapse again Instead, they will also exert influence on the soul in the form of strength and drive the latter into increased spiritual striving this is why the human being should consider it a very great task to spiritualise his body as well why the human being should do everything in order to achieve this spiritualisation by not only helping his own soul but also the soul whose substances served him as a material cover during his life on earth

Earthly matter will fade away when the hour of death has come A spiritualised body, however, joins the soul and flows again as strength to that original spirit to which it belongs, so that the latter will noticeably feel the help and, while in the human stage, can never fall back into the abyss because the already spiritualised substances prevent it from doing so Through physical suffering and pain you can still help many of its still immature substances to mature fully You can still make small sacrifices of atonement for these spiritual beings if you, in a conscious state, humbly bear the suffering which is indeed caused by the body's immature substances but which, through your love for everything that is still unredeemed and your willingness to help, contributes towards the body's spiritualisation. Then you will not only attain your own soul's maturity but you will also help another original spirit to mature faster if you redeem everything unspiritual in you, which still belongs to My adversary, through your love and your will to help wherever it is possible If this redemption does not take place the body will go its natural course by dissolving and decaying and serving the untold number of tiniest living organisms again to grow and then its path will be much longer, but even these substances will gather again one day and the final embodiment in a form on this earth will take place. Always remember that matter is spiritual substance at the beginning of its development which already shelters more matured spirit within itself, in order to enable the latter to be of service, by means of which everything spiritual ascends.

You must differentiate between body and soul, and then it will be easier for you to understand the purpose and reason of physical suffering and pain and why Jesus' path to the cross is presented to you humans, Whom you

should follow For He carried the sins for you humans, His soul was entirely without sin and yet He suffered indescribably And if you suffer, then consider that you, too, should be willing to make a sacrifice for that spiritual substance which serves you as an external form so that you will attain perfection You can also considerably shorten its path of suffering, and your love should induce you to provide redeeming help for everything that has become sinful

Spiritualisation of Jesus'body

The body of Jesus Christ, which rose from the dead entirely spiritualised and continued to exist as a visible cover for Myself in order to be and eternally remain a visible God for My created beings is, however, an exception Jesus'body was indeed physical matter as well, yet it was created by divine strength The substances His biological mother gave birth to were likewise of a spiritual nature which adjusted their demands, cravings as well as weaknesses to their environment, which were therefore so influenced by their physical surrounding that the body's desire was just as inclined as that of other people that the body reacted to all external temptations but as a result of Jesus'willpower resisted them time and again And this necessitated a constant battle, it necessitated a constant willingness to act with love, because Jesus also wanted to redeem all substances which, due to His human existence, made contact with His soul but which did not belong to another fallen original spirit. Instead, it had been an act of creation by Me for which I had chosen a person capable of giving birth to a human being in God-intended order, who thus carried the substances within which thus also formed the physical shell for Him which were also meant to be redeemed yet stay with the soul sheltering within Do understand: Jesus'body and the body of Mary were created in all purity and without sin but they took abode in a sinful world and therefore were not spared the temptations of this world They had to prove themselves in it, they had to fight an even harder battle against such temptations because My adversary was still able to express

himself through matter, because he had the opportunity to influence a pure soul through everything surrounding it and his activity consisted of the manifold temptations which every person is subject to and which is every person's task to fight against

This will still be incomprehensible to you humans: nevertheless, you may always believe that the complete spiritualisation of Jesus'body as well as Mary's succeeded, but that Jesus was the only being Who took His body along into the spiritual kingdom and retained it, because I wanted to become a visible God for all My created beings and that the complete unity of body and soul took place, which can never be undone again. The fact the many unredeemed spiritual substances clung to Jesus'soul and besieged it is also certain and that Jesus battle against these forces of darkness was very tough is also constantly emphasised, for on orders of My adversary these forces tried to make Him fall. And thus Jesus also had to fight against temptations which did not arise from His own body but were caused by the said dark force which availed itself of everything externally surrounding Jesus the man in order to tempt Him, and thus He had to suffer incredibly and fight against all kinds of these pressures despite His pure and sinless body. However, He redeemed many immature substances, which then were also permitted to fully mature as a human being on earth and these people were subsequently often recognisable by their obvious attitude towards Jesus and a way of life which followed Him It must never be assumed that His struggle was an easier one because of His pure body without sin, for enough immature substances adhered to His soul which He was not allowed to simply shake off but which He wanted to redeem as well in order to help them on their further path of development. But the fact that His own body in its entirely spiritual state also became and remained part of the soul must be equally credible to you human, for My dwelling in a human being presupposed all these unusual conditions, just as a purely spiritual conception and an unusual event at birth revealed divine intervention Nevertheless, Jesus was a human, and His battle as well as the spiritualisation of all bodily substances occurred in the same way as with all other humans: love and suffering accomplished it and love and suffering will be necessary time and again for the human being's complete spiritualisation on earth

Amen

Explanation of matter and its task

All matter is solidified spirit And thus the whole earthly-material world consists of My once emanated spiritual strength which initially did not fulfil its purpose since it was not forced to do so but which, according to eternal law, should become active and therefore was reshaped into manifold kinds of creation whose function was subject to natural law and had to be fulfilled in the law of compulsion. Through its lawful completion of activity the spiritual substance acquires a continually higher degree of development, and thus creation is fundamentally spiritual substance in the most varied degrees of development The development proceeds from the hardest rock, as plant or animal up to the human being and is guaranteed by the constantly serving function of every single work of creation. Time after time matter will be dissolved again, that is, the spiritual substance constantly changes its external form and receives another, more advanced form and thus gradually matures until the last stage, when it may embody itself as a human being in order to release itself, again by means of useful activity, from the final form on this earth.

Physical shells or external forms will always shelter more mature spiritual substances within themselves and serve them to mature The shells themselves will always be dissolved again, and the spiritual substances within will likewise unite with equally mature substances and accept their next forms until all the strength, which was originally emanated as a 'being', has gathered again and exists in its original composition again yet devoid of all love, which it once no longer wanted to accept from Me. This love is then added by Me as a gift of grace in the form of a tiny spark to the original spirit who then walks across earth as the human being's soul, and then he will be able to attain perfection again, he will be able to become as perfect again as he was when he first originated from Me, and then the ultimate goal I had in mind when I created the beings will have been achieved

But it takes an infinitely long time for the former being to travel the path through the creations of earth, for what is visible to you as matter needed long periods of time for its transformation already, since the initially hard matter, the world of rocks, does not easily let go of the spiritual substances. If lawful natural influences did not cause a dissolution of the hard external

shape it could take eternities until a slight loosening occurs, until the world of rocks shows a small flicker of life in so far as that it changes within itself or falls apart and releases the constrained spiritual substance, which will then be bound again in a lighter form. And thus the form will be ever easier to dissolve, and all works of creation provide the spiritual substances with the opportunity to mature in them thereby gradually bringing this initially completely hardened, lifeless spirit to life The succession of external shapes proceeds ever more rapidly, and a continuous cycle of life and death, of development and disintegration can be observed throughout creation Yet the spirit's process of development takes an infinitely long time which comes to an end as a human being on earth. The fact that every external form is spiritual substance at the beginning of its development, and the fact that every external form, in turn, shelters spiritual substances within itself which have already acquired a higher degree of maturity and are meant to mature further within the form, has to be kept apart And thus the external shell need never be rated as highly as the spiritual substance that shelters within it, the dissolution of the external form will always be an act of liberation for the captive spirit therein and simultaneously signify a degree of higher development for the matter which, as external form, envelopes the substances of soul. These covers still need a long time until they, too, complete their final earthly progress as part of a soul. Yet the more willingly such a shell carries out its 'service' the faster it will progress, but always within lawful order. And thus, even the final external cover the human body has a very significant task, the fulfilment of which can also enable the body's own intrinsic spiritual substances to rapidly progress in their development if the body totally complies with the soul's demands it can thus also be spiritualised during its earthly life, which could mean a shortened earthly progress for a fallen original spirit, whose body's exceptional service and suffering contributes towards the original spirit's return to Me, when he travels the path across earth as a human being and no longer needs to fear a new descent into the abyss because these already matured substances assure him certain completion The knowledge of this can motivate you to **fully consciously** strive for the body's spiritualisation during its earthly life and thus lead a way of life which completely corresponds to the commandments of love, for love is the way which leads to complete spiritualisation of the body

Amen

The meaning of earthly life
Kind-hearted activity

Time and again I want to inform you of the circumstances relating to your process of earthly life as a human being, because this knowledge makes you live your life responsibly, as soon as you believe in it. It can also be presented to you and met by complete unbelief, yet during your earthly life you will repeatedly get into situations when you will reflect on the purpose of your existence, and then such thoughts will indeed arise in you time and again and you will remember the conversations which were intended to provide you with an explanation. And every thinking person will also reflect on it and, depending on his will, come to the right conclusion. I simply don't want the human being merely to deal with worldly issues but I want him to drift into an area which is unverifiable and yet cannot be denied, if it is seriously thought about For only if the human being travels this path intellectually will his course of life be successful for his soul, the maturing of which is the meaning and purpose of earthly life.

Hence it is essential for the human being to be repeatedly reminded of the fact that he is not just living on earth for the sake of acquiring an outwardly good living standard and riches Although by and large he will not want to believe it nor can he be forced into believing it but he will nevertheless dwell on it occasionally and then also be able to change his mind, so that he will intellectually occupy himself more with the realm which cannot be proven to him. And then it will depend on his general way of life whether he will become a believer, for as soon as he does not disregard kind-hearted activity, as soon as he is prepared to help and is of good will, he will also learn to believe and advance in his development. This is why fellow human beings shall only ever just be encouraged to carry out deeds of love, which can often already be achieved by being a good example Then unbelief will also diminish, for love will invariably awaken a living faith. Hence it is absolutely necessary to live a life of love in order to attain faith

Love between people, however, has grown cold and hearts will have to be touched in order to become willing to love, for every human being has the ability to love, since I instilled in him a tiny spark of My spirit for his earthly life And the willingness to love can, in turn, only be aroused by

great adversity, by serious strokes of fate affecting people where one person depends on the other and a willingness to help comes to the fore, providing a person is not entirely hardened and therefore My adversary's follower, who subsequently will be hopelessly lost when the time for the maturing of his soul comes to an end. Earthly life is at a standstill without love, the soul cannot gain anything and remains in its previous state, if it doesn't descend even further into the abyss from which it had already worked its way up and just had to cover the final ascent. Without love it cannot move one step forward, and no human being can be forced to love, it is a matter of free will but the only option to reach the goal on earth for the soul to become perfect and change into its fundamental nature again.

And so the divine teaching of love has to be proclaimed time and again, people's attention must be drawn to the commandments of love for God and other people, time and again they have to be touched by adversity and misery so that their spark of love will ignite and turn into a bright glow. And this is why I keep educating teachers for Myself on earth who preach love to their fellow human beings, who proclaim My will to them and try to introduce them to the kind of knowledge which can only be gained through living a life of love This is why I send the disciples into the world again during the last days, so that they will proclaim My Gospel which I convey to earth Myself Time and again I work visibly and remarkably in order to be believed, because people have greatly distanced themselves from belief already and no longer visit the places where My Word is proclaimed, and because even there My Word has lost its strength if the preachers of My Word are not spiritually awakened People shall come alive, they shall learn to gain a living faith, because only then will they strive towards Me and learn to love Me and then also advance in their development Without love, however, they will achieve nothing on earth No matter what is done, it always has to be based on love or they will be dead works You humans should know all this and question the motives of what you say, do and think And only if you are urged by love will everything you think, speak and do be good before My eyes and gain you a higher degree of maturity But everything is futile without love For you only live on earth for the sake of changing your life into a life of love, and only this is and will remain your goal, so that through love you will unite with Me, the Eternal Love Himself

Amen

What was the human being and what is his earthly task?

As a human being you certainly enter the stage of the self-aware being again, you recognise yourselves as something spiritually tangible, yet you are not conscious of the supreme perfection you once possessed and that your existence as a human being at the start of your embodiment is but a pale reflection of your former Self You are indeed the same being again which recognises itself as a self-aware being with intelligence and free will, but you are missing a specific degree of maturity which characterises you as a divine being; you became imperfect as a result of your former apostasy from God and first have to attain your original perfection again. Nevertheless, you are self-aware beings who are capable of thinking and in possession of free will, and who now shall use their intellect to achieve their final full maturity on this earth. And in order to tackle this maturing completely consciously you have to know what kind of relationship you have had with the One Who had created you you have to know that you once have had an intimately close bond with your God and Creator and that you had distanced yourselves from Him voluntarily but that, in order to become perfect again, in order to adopt your original nature again, you must join Him once more, or you will remain without strength and light, because He alone is the eternal source of strength and light, from Whom all created beings will have to accept strength and light in order to become again what they had been in the beginning supremely perfect beings, images of God true children of the Father, Who had given them life

This maturing into perfect beings is the human being's task on earth, who therefore also has the ability to accept knowledge and assimilate it, to mentally come to terms with this knowledge and to always use it in regards to his perfection For during his existence as a human being he is given the possibility to intellectually (intelligibly) form an opinion about the knowledge conveyed to him on the part of God, which can be externally imparted to him through messengers as well as internally through the voice of conscience, for he can and ought to use the gift of his intellect, and with good will he then can also penetrate more profound knowledge if he always yields to the inner influence of his conscience and actively starts to

carry out deeds of love Then he will start on the path of return to God, then he will begin to look for contact again with the One, Who is his Father of eternity Then he will also slowly mature fully and be able to reach the pinnacle he once had been on and which has to be regained if the being wants to come into possession of light and strength and freedom which, in the very beginning, had made it indescribably happy

Consider, you humans, what task you ought to fulfil in earthly life, that you shall arise from a state of weakness and darkness and work your way up to bright light and utmost strength that you are certainly able to do so if you are of good will and comply with the divine will to live a life of love You are certainly able to fulfil God's requirement to become perfect, for He grants you strength and grace in abundance, He is always ready to support you with His help, and He also places His will into your heart, so that you only need to be observant and accept your feeling which will prompt you into doing good deeds, speaking kindly and thinking correctly if only you are willing to fulfil your earthly task For in the state of self-awareness as a human being you will also always be informed of God's Word, in whatever form it may be You will receive the knowledge about a God and Creator, and then you will also be able to reflect on it yourselves and mentally receive explanations from the spiritual realm

The possibility to perfect yourselves on earth is given to every one of you humans For you are no longer bound in the form, you are passing through your final embodiment on this earth and possess all the abilities which will guarantee your progress but you also have free will, which alone determines how you will use your abilities. And you have to turn this will into the right direction yourselves, therefore you will be repeatedly informed about the importance of your earthly life. Your intellect can form an opinion of it and determine the will But the free decision shall always be your own, and that is your responsibility, for your future fate in eternity will be accordingly For although you will not go astray forever, the state of your soul's weakness and darkness can nevertheless last for infinite times and result in renewed agonies instead of happiness Yet you yourselves have to make the final decision during your earthly life in complete freedom of will, and good for him, who will push towards God and unite with Him again on earth

Amen

Love for God is demonstrated through neighbourly love

I always keep telling you the same: take care of your fellow human being in his adversity help him, irrespective of whether he suffers spiritual or physical distress; practice unselfish neighbourly love and you fulfil the purpose of your existence. For you only demonstrate your love for Me when you give love to your neighbour, who is your brother. I Am a Father to all of you; I long for your love which should apply to all My living creations who have emerged from Me. Your fellow human beings very often suffer hardship, and it will mainly concern spiritual difficulties in which you should help them, for earthly difficulties come to an end but spiritual adversity continues and will always require help, regardless of whether they are on earth or in the kingdom of the beyond.

Spiritual adversity largely consists of unkindness and therefore the soul's imperfect composition which, however, should mature in earthly life through love Hence, if you love your neighbour it can awaken reciprocated love and encourage the other person to change his nature if he wants to emulate you, if you are an example to him by living a true life of love Giving love is the greatest help but you should also make the Gospel known to your neighbour, that is, you should also describe his Creator and Provider as a God of love Who is everyone's Father and also wants to be called upon as a Father

You should only ever try to impart spiritual knowledge to your fellow human being, and you will help his own maturing if you offer everything to him with love. Yet you should also support your neighbour in earthly adversity and thereby likewise inspire reciprocated love, for love is strength in itself and will never remain ineffective unless your neighbour still completely belongs to My adversary, then he will reject you and not experience the results of love either. And you yourselves will only ever mature through actions of love consequently every opportunity should be used by you to act with love And notice should be taken of every hardship suffered by your fellow human being, you should not pass him by indifferently and leave him in distress, for then you are heartless yourselves and do not fulfil your earthly purpose which solely consists of accepting your fundamental nature again, of becoming the love you were in the beginning.

The commandment of love will always be the first and most important one, and the Gospel which teaches to love God and your neighbour will always have to be proclaimed to people However, you will never show love to Me Myself if you ignore your neighbour, no matter how strongly you are moved by your emotions True love for Me can only be expressed in loving activity for the next person. And thereby you also prove your love for Me. But anyone who is half-hearted and indifferent in his love for his neighbour will never feel true love for Me, for how can a person love Me Whom he cannot see, if he ignores his brother whom he can see

In the last days the love between people has grown cold, and therefore they are also very distant from Me Who, as Eternal Love, can only unite with a person through love And this is why the spiritual adversity is so great, for to be heartless also means to be without faith, without knowledge and without strength Furthermore, it means to still be subject to the power of the one who is devoid of all love and who will always stop people to act with love but who also wants your downfall by keeping you away from Me. And he is the one you have to resist, you have to try to contact Me and will only ever attain this through loving activity For this reason I say 'What you do to the least of My brothers, you have done to Me' I Myself consider your love for your fellow human being as love for Me

How else would you be able to demonstrate your love for Me? If you believe in Me that I, as a Father, grant love to all My children, then you also have to return My love as children, and then you also know that all you humans are regarded by Me as children, that you are all the same living beings who had originated from Me, and you have to love one another and move towards Me together But one also has to carry the other, you have to protect the other from suffering harm, you have to help him in all kinds of difficulties, you have to stick together and establish this true relationship between brothers and then strive towards your eternal Father together. Only then will you have the kind of love for each other which I require of you humans, because you are the same in your fundamental substance because you came forth from the divine strength of love.

And once the relationship between you humans has changed, once all your thoughts and actions are determined by love, your will also become more perfect, you will become again what you had been before: living creations

permeated by love which only ever work for each others beatitude For where love exists there also has to be a receptacle for this emanated love, irrespective of whether I Myself as the primary source, or you as terminals of My strength of love re-emanate this love there always has to be a vessel into which you can radiate your love

And thus on earth this vessel is your fellow human being the person next to you to whom you give your love, which you yourselves receive from Me For you cannot give anything that you wouldn't have received from Me first I nurture the spark of love in you such that My love enlightens you consistently more and inspires loving actions, and this work will apply to your neighbour again, for you will be inclined to be constantly of assistance once My love is able to enlighten you.

And your activity of love for your neighbour demonstrates to Me that you accept My rays of love, that you open your hearts and grant entrance to Me and My love it demonstrates to Me that you are committed to Me in love again or you would keep your hearts closed and I would be unable to work in you. And you will always mature providing you don't lead a one-sided life but always consider your fellow human being and take a personal interest in his physical and psychological circumstances, providing you try to lead him on the path to Me and also support him in earthly adversity if he approaches you and requests your assistance. You are living together for the purpose of mutual maturing. And you will always be given the opportunity to carry out actions of helpful love You just have to be of good will and allow yourselves to be guided always in view of Me, your God and Creator, Whom you acknowledge as a Father and to Whom you show the love of a child Then you will love each other as brothers and benefit each other And then your soul will mature on earth and achieve its goal: through love it will unite with Me, the Eternal Love, and then will be blissfully happy forever

Amen

Relationship of similar souls

Only what you receive from the spirit is the pure guaranteed truth, for if the human intellect had been involved the truth may well have changed already, because the intellect can be influenced by the lord of darkness. Thus caution should always be taken when assertions are made which cannot be proven, involving spheres which are intellectually inscrutable And this applies to such spiritual assertions which are akin to wishful thinking, where the wish becomes the father of a thought and this thought subsequently occupies the intellect more than the heart and thus could also have been influenced by God's adversary Deep down in your heart you humans have the desire for a profoundly harmonious relationship with a partner. All human beings long for happiness which they can experience and enjoy together, because the desire for happiness is still part of the bliss which the soul experienced prior to its desertion from God. It need not always be expressed by the person (during earthly life) but it exists and, as a rule, will usually remain a dream, because earthly life does not guarantee a continuous state of bliss. And if the person tries to create this condition himself then, due to imperfection, the opposite usually will happen: unkindness will destroy harmony, and indifference or animosities will become people's companions in life, although within themselves they harbour the desire for unity and mutual understanding. But such people will create their own desired ideals, especially since they have the wrong idea about the spiritual kingdom, about life after the death of the body And what they are unable to find on earth they hope to find in the spiritual kingdom: souls who are aligned with their own soul, who will join them and enter into a harmonious relationship which will guarantee blissful happiness They believe to find the partner, for whom they had searched on earth in vain, in the kingdom of the beyond

And they are right in as much as the harmony and love of equally mature souls will elate every individual soul extraordinarily Their thinking is correct in as much as the unification of souls with the same degree of maturity in the spiritual kingdom will always result in supreme happiness, because in a state of perfection every impure characteristic will vanish, and the former relationship between the souls will be re-established, as

it was in the beginning; love will link all souls and this itself will already signify unlimited happiness. Whereas relationships can be formed on earth between good and not so good partners, and consequently these relations will either be happy and peaceful or progress inharmoniously Thus in the kingdom of the beyond the individual souls will then either separate from each other or continue to stay in close contact Souls are able to find other partners who, due their spiritual degree of maturity, will share the same spiritual aspiration, the same awareness and the same light, and who will make each other happy through their similarity and their acquired degree of love. These souls will attract each other, they will create and work together for their own happiness, because the same spiritual state of maturity is always a prerequisite for the unification of souls. Hence entirely unfamiliar souls can come together on earth and will recognise that they belong together by the strength of their light. And this common bond had indeed existed before the apostasy from God in as much as they had worked together, that they had the same tasks which every soul carried out in accordance with God's will, when innermost love still connected all living creations with each other and their Creator

An infinitely long time passed by in which the first created being was intimately linked by love to its Creator, and countless living beings emerged from this love. And in accordance with Lucifer's bond to the God and Creator of eternity their nature was always alike, and thus all these souls, who initially were united in indescribable bliss, will find each other again It is also possible that such souls will embody themselves on earth at the same time, that they will find each other during their life on earth and enter into an earthly union. But then profound understanding, innermost affection and the same spiritual aspiration will reveal their common bond, and such a relationship will not be dissolved in the spiritual kingdom either. It will be a marriage 'made in heaven', but it should be understood differently than an earthly marriage, which is conducted for the purpose of the souls'embodiment as human beings yet it has nothing in common with a spiritual marriage. Love is the only bond which really unites the beings, but which will always culminate in love for God. In this way they will not aspire towards anything other than their God and Father of eternity, so that they will constantly receive His strength of love and they will be continuously infused by His strength. By working together they then utilise

this strength and pass it on where their mutual, i.e. intensified, activity is needed, and the bliss of souls who are linked to each other will constantly increase because they will always want to help and serve God and therefore they will always want to take redeeming actions too

Amen

What did Jesus'body consist of? I.

Nothing is impossible to Me, your God and Creator Everything I want, happens, and what I want to create instantly appears in front of Me as an accomplished thought I have no limitations, neither concerning ideas nor executed actions, be they of spiritual or material substance. For basically **everything** is spiritual substance, regardless of whether you see physical or spiritual creations. But how this substance is natured can only be judged by Me Myself Only I know whether it is spiritual substance which had once fallen away from Me and had hardened into solid matter or whether it is My directly emanated spiritual strength which took on a shape according to My will, for I can use any strength to change or form all kinds of works of creations. I can also give My directly emanated strength those characteristics which cling to the sinful spiritual being if it, in its final form as a human being, shelters a soul for the purpose of attaining perfection A body created by Me of non-sinful spiritual substances can, through My will, experience a state of weakness or incorporate characteristics which adhere to all other bodies if it serves a specific purpose **Everything** is within My will and within My power But through contact with the world, with matter which is impure spiritual substance everything of a pure, divine nature will always be influenced by the latter and experience problems, and since Jesus'act of Salvation involved an extraordinarily important mission, impure adverse forces made a special effort to exert influence on the purely Divine, Jesus'external form. For this divine-spiritual emanation of strength, which His body has to be regarded as, did not take effect by destroying or preventing everything of an adverse nature instead, it was sufficient to render the same resistance, like any other external form should, by pacifying the encroaching spiritual substances and thus

waging the same battle against all temptations, for as a human being Jesus wanted to **exemplify** the kind of life which all fellow human beings should live in order to release themselves from the forces of darkness.

However, the fact that Jesus'body consisted of earthly matter cannot be denied: nevertheless, this earthly matter was a product of My love, wisdom and might, its substance was not taken from a fallen spirit but My emanated strength which My will compressed into shape Even so, the demands it imposed on Jesus were by no means less arduous, for as soon as strength from Me comes to earth hence, as soon as perfect spirit enters My adversary's realm, it will be besieged by unspiritual substances and all substances which clung to Jesus'soul and more or less took possession of the body were meant to be redeemed. Thus He had to fight so as not to succumb to them but without using His strength beyond human means since He was meant to serve people as an example and, therefore, Jesus the man was not granted any privilege due to extraordinary strength As a human He had to be like all other people, and even the fact that His body was a product of My strength did not give Him any advantages in His striving for deification It was nothing more than a shackle which continuously tormented His soul, because it was used to freedom and the brightest of light and had to take above in darkness And this darkness also inundated the body, causing it much pain which was felt by the soul and yet it could not be spared for the body. For as a result of His love Jesus recognised all correlations and was resigned to His fate, which He exactly foresaw and through which alone He already endured indescribable pain. Nevertheless, complete deification could only be achieved by extraordinary suffering and an abundance of love And the fact alone that a pure body without sin and a soul from the kingdom of light had to reside in the realm of the prince of darkness contributed towards that, because they constantly had to defend themselves against him and his forces, which made every effort to tempt the body into becoming sinful in order to cause the downfall of Jesus, the human being, albeit he did not succeed. However, it was a hard fight, and yet, Jesus the man prevailed and thus provided all people with proof that through love they also acquire the strength in order to resist all temptations by the adversary. Besides, through His crucifixion He also acquired the grace of greater willpower for you humans, so that it is **possible** for all people to release themselves from the shackle of their prison

warden, so that they will not be at the adversary's mercy but find help in Jesus Christ in Whom they can confide and Who nevertheless understands them as human beings and will truly snatch them from the adversary's control if they appeal to Him, for He knows how much he torments your body in order to prevent your soul from maturing He is aware that the battle in earthly life is hard because the body still belongs to the adversary, who does not want to release it, but Jesus made the sacrifice on the cross for you so that you can become free, He redeemed you through His blood so that you will be released from all sin

Prayer for strength and grace

Pride

Humility

Be mindful of the fact that you can always request My blessing, for yourselves as well as for your fellow human beings and all souls in the spiritual kingdom Your plea for a gift of grace is always an act of humility if you request it for yourselves, for you thereby acknowledge your weakness and in this weakness ask Me to strengthen you. And a person feeling weak will always approach Me with humility, and I bestow My grace upon the humble And if you request grace for other people, for another human being or for souls in the beyond, then it is an act of selfless love, for you want to help those who are weak in spirit, you request strength for these equally weak souls and then, for the sake of your love, I can give them strength. But it is always a spiritual request that you ask of Me, and truly, it will also always be granted to you. And you will only ever ask Me with a humble heart, you admit your weakness and know that strength and grace can only come from Me, and thus you confess your imperfection and desire to become perfect by requesting My support

And if you now consider that you once deserted Me because you deemed yourselves strong and didn't believe to need Me and My strength any longer, then you will also understand that you had voluntarily deprived yourselves of your perfection But you are embodied on earth as a human

being for the purpose of returning to Me, and this return has to take place in reverse order to the apostasy from Me You had been arrogant and believed to have abundant strength Now, however, you have to recognise and confess your weakness with profound humility by appealing to Me for a gift of strength

Since you once turned away from Me of your own free will you have to appeal to Me for grace, for a gift you don't deserve, which you had arrogantly thrown away yourselves But believe Me that I very gladly grant such an appeal for strength and grace, for I Myself want you to attain perfection and be able to join Me again in order to receive blessings which only the unity with Me can provide Just your admission of unworthiness and weakness motivates Me already to bestow a wealth of gifts upon you Therefore you can ask Me time and again for a gift of strength and grace It is a spiritual request which I will grant without fail, for My bliss consists of constantly providing My living creations with the strength of My love to enable their progress and to come ever closer to Me. For you won't be able to do so by yourselves as long as you are not exceptionally kind-hearted and thereby acquire strength for yourselves.

But a prayer in spirit and in truth for a gift of grace and strength is an absolute guarantee for its receipt, for time and again I stress: I bestow My grace on the humble, for only a humble heart will ask Me for it. And time and again I assure you that this request will be granted, since you, after all, thereby admit your wish to come close to Me, and thus you already pass your test of will on earth: your voluntary turning towards Me from Whom you once turned away in arrogance and imperiousness However, anyone who asks is neither arrogant nor imperious, he submits himself to Me, and due to his humility I can now also give to him abundantly, and truly, no-one will go without if he approaches Me with this plea, which I very gladly listen to and also grant

Once this thought of requesting strength and grace from Me comes alive in you, then you will also acknowledge Me as your God and Creator Who wants to be your Father, you are already in contact with Me, which is always demonstrated by a heartfelt prayer, irrespective of what you ask for But strength and grace are spiritual possessions which I will never withhold from a praying person, because they prove his humility, and I will always bestow My grace upon the humble, as I have promised

Amen

The broad and the narrow path

Anyone who has devoted himself to the world will hardly find the path into the spiritual kingdom He takes a broad and even path which offers him many enticing images to captivate his senses, giving his body a sense of well-being and making it impossible for him to take his eyes off them He will behold flourishing gardens, his lust for life will be stimulated and he will not tire of absorbing all attractions, given that his disposition desires them and his desire will be satisfied by the one who wants to prevent a person's thoughts from turning to the spiritual kingdom. His soul, however, will be starving, for none of the possessions the world has to offer will satisfy the soul's hunger and thirst, which requires a different nourishment in order to mature and recover. For the soul is ailing and unhappy if it is only offered worldly things. Yet time and again messengers stand by the crossings where narrow paths are branching off wanting to entice people onto these narrow paths. But only rarely will they succeed in persuading a person to discontinue his journey on the broad street and to use the narrow path instead which leads faster and with certainty to the goal. If people listen to My messengers and accept their guidance they will truly be helped, and soon they will look upwards and courageously start to go uphill, because they behold a marvellous goal and even obstacles or exertions of any kind will not hold them back, they will follow their guide and overcome all difficulties, for My messengers know how to describe the goal in such glowing terms that they will muster all their strength in order to attain it. But only a few people will take this narrow path at all, for the most part My messengers will not even be listened to, and the difficult and arduous climb scares those people off who only consider their body but not their soul The broad path, however, is a misguided path, it irrevocably leads into the abyss, they get caught up in the impenetrable undergrowth and are unable to free themselves from it unless they call upon the help of the One, of Whom they certainly know but in Whom they didn't want to believe He alone can send helpers even into this confusion, which will release them and guide them to another path, yet only a few will appeal to the One for help and their end will be a dreadful one.

Always remember that you don't live on earth in order to enjoy yourselves and to merely provide a good living standard for your body, but believe that you should first consider your soul. And in order to help your soul you should patiently accept all difficulties, walk the narrow path in the knowledge that it requires strength to ascend and believe that it will lead to the goal, that it will become increasingly brighter the higher you will climb, and that at the end of the path there will be One Who already expects you, that He will send his messengers to meet you who will support you and help you overcome all obstacles that your eyes need only look upwards in order to receive strength and light so that you will not go astray and prevail over all discomforts on the way But don't let yourselves be deceived by the attractive images lining the wide path that leads down into the abyss. Your goal is up high, in the light, and truly, you will only have to make an effort for a short time in order to reach the pinnacle, yet this effort will be richly rewarded, for then you will no longer need to fear any evil if you no longer disregard the goal which is Me Myself, Who wants to guide you into paradise, into the kingdom of light and bliss However, this can never be reached on the broad path, for this is My adversary's means, who wants to show you all the riches in the world in order to keep you away from the goal to unite yourselves with me again. He only influences people's senses, I, however, want to gain your souls and therefore must deprive you of everything which might damage your soul, which includes all worldly pleasures and delights, for 'My kingdom is not of this world' If you strive for this world you will not attain My kingdom, therefore shun the world wherever possible even if you have to comply with all requirements which life on earth demands of you But don't let them become your purpose in life, instead only aspire for My kingdom, and you will truly not regret it and gladly travel the narrow path leading upwards, because you will soon recognise Me in the guide Who walks by your side Then I Myself will be able to escort you because you have made Me the goal of your earthly life and because I also know that you are turning away from the one who only promises and offers the world to you And the further you distance yourselves from the said broad path the easier will be your ascent, for the heights you aspire to will become ever brighter until you are finally surrounded by the brightest shine and you enter into My

kingdom which will reveal unimaginable splendours to you, and then you will live in light and strength and freedom and be supremely happy

Suffering spiritualises soul and body

You only need to enter My flow of strength, that is, you only need to fully consciously submit yourselves to Me and open your hearts to My illumination of love and My strength of love will become active in you, yet your soul will always experience this influx of strength more than your body and subsequently advance spiritually again. Remember that the body is meant to help you achieve this but that immature spiritual substances are still inside of you, for you are not perfect yet. And these immature substances require your help in order to mature on earth as well. Your help consists of entrusting these spiritual substances to Me by asking Me in silent prayer to impart strength to them. My adversary often tries to prevent your spiritual work by using these unspiritual substances to bother you physically or psychologically But you should know that your prayer on behalf of these still immature spiritual substances within you will always be successful, and therefore you should appeal to Me for My help and protection from all attacks by My adversary. And believe that nothing is impossible and that I can also take unusual actions if you have this strong belief Then these immature spirits will have to leave you, if they do not allow themselves to be calmed and spiritualised by you, but they forfeit a great blessing which was granted to them in the privilege of being allowed to join you in order to also reach full maturity in your physical shell, in your body. Keep reminding them of this blessing and try to persuade them to accept your will and to mature like your soul, so that they can shorten their process of development if they take your advice to heart. Yet whatever suffering you can bear accept it humbly and patiently, for it will surely mature you and one day you will even thank Me for the suffering you had to endure.

However, if, due to your submission and patience, the immature spiritual substances also reach maturity, then you will attain a high degree of maturity on earth, so that you will be close to perfection when you have to

relinquish your earthly life. But My strength is always at your disposal and it is truly sufficient for the spiritualisation of the substances which are at the beginning of their development; yet you should consciously request My strength and let it radiate into your heart you should pray to Me, your thoughts should look for Me and only ever desire My presence You should yearn for My ray of love which I will gladly fulfil You only need to give yourselves to Me and be willing to receive the flow of My love's strength, which always requires heartfelt contact with Me. If you become absorbed in thoughts which only ever involve the spiritual kingdom, your God and Creator, then you are also ready to receive My flow of strength, then you will open your heart and I can illuminate you again as in the beginning when you were blissfully happy in burning love for Me. My love for you has remained the same, only your love has diminished but shall reach the same degree again which gave you unspeakable pleasure in the very beginning. And therefore you must come to Me yourselves and I will always be ready for you, I will give you what makes you happy and permeate your body and soul with My strength of love, which then will also lead you to full maturity, to final perfection. In association with Me you will no longer be able to suffer, even if it seems like that to your fellow human beings. A close union makes you insensitive to all pain, then My strength will be stronger, and it will permeate you either resulting in your body's complete recovery or if your hour has come in your painless passage into the spiritual kingdom, for if you are intimately united with Me you will also have attained your goal on earth

Amen

Painful means can lead to faith

If only people would believe in a God of love Who wants to make them happy. Yet in view of the immensely harsh conditions which strike people time and time again, in view of the harsh strokes of fate and all kinds of disasters, people cannot muster the belief that every adversity is also a work of love by Me, because I know by what means a person can still be saved and achieve beatitude Less painful means have no effect on you and

if I speak to you with gentle Words you won't listen to Me, and yet you have to be persuaded to turn to Me, and when all painless means are in vain I have to use painful means so that you will think of Me, ask for My help and then receive it, so that you will then be able to recognise a God of love. You all could truly hear My loving Fatherly Words which merely inform you of My will, and as soon as you fulfil this will your life can then proceed calmly and yet successfully But if you ignore My gentle Words I have to speak more clearly to you, because My love will not abandon you, because I will try everything to win you for Myself in order to awaken you to a life which will last forever. For you belong to Me, you merely stay away from Me yourselves, but I want you to return to Me of your own free will, and whatever you encounter in form of suffering and harsh strokes of fate are only ever means which I recognise as successful and which I use because I love you and will never let go of you, no matter how long you oppose My love.

Therefore don't be surprised that hardship and sorrow will increase, for you are approaching the end and I still want to save souls from the fate of a new banishment, which is only possible if you acknowledge Me as God and Creator, if you call upon Me in desperation believing that a Power exists Which can help you, from Which you had originated And you should believe that your distress will truly diminish, that you will clearly feel My help. And then you will also be able to recognise Me as a God of love, for your bond with Me will inwardly enlighten you about Me.

But many disasters will still happen on earth in the forthcoming time, and only those who have already found Me will recognise therein helpful means intended to lead people out of spiritual adversity, the others, however, will doubt or completely deny a God of love, for they are so attached to the world that they have no contact whatsoever with the spiritual kingdom, with the kingdom that is not of this world. They are purely worldly minded, and they scornfully reject every reference to God until they themselves experience adversity and can't see their way out Then I will come very close to them again, I will let the thought of a God Who is able to help arise in them, and then the great danger can encourage them to turn to this God Thus all sorrowful events, all disasters and other fateful blows will become explicable to you, for they are no coincidence but destined by

Me or My permission, so that souls will still have means of help granted to them which should let them find Me But if their hearts remain hardened then only a natural event of immense proportion can make people stop and think, but even this will not compel them to believe, for totally obstinate people will not want to recognise and acknowledge a higher Power even then, but in that case they are completely subject to My adversary and their soul's fate of a new banishment is certain. However, as long as the earth still exists in its present form I will try to persuade people to change their will, and I shall still use many means which you will not find compatible with the love of a God. But I know what benefits every single person, I know the state of his soul, and accordingly I will affect him.

But you humans are fortunate if you are convinced of a loving God and Father Then you will calmly accept everything, whatever comes your way no matter how severely it affects you and only ever take refuge with Me, and I will truly not disappoint you. For a devout person will always receive My help, because his faith enables unusual influences. But true faith arises from love, and love also strives towards Me, the Eternal Love The human being establishes a solid bond with Me, and he will never distance himself from Me either. He has passed the last test of will on earth; he has voluntarily chosen Me and separated himself from My adversary for good And this is all I try to achieve as long as the human being still lives on earth. For I want him to be able to enter his true home again, to be able to enter the kingdom of happiness and beatitude, where all suffering has come to an end and where he then will find everlasting life

Amen

The human being may not be compelled into believing by way of evidence

I don't want to exert pressure on you because you must be able to believe freely and may not be compelled into belief by way of evidence. Nevertheless, with good will it is easy for you procure your own proof if only you allow your heart to speak and not just your intellect alone. If you are therefore pleasingly touched by My Word then you have the evidence already, in which case you should also let your heart speak, and knowing that I only express Myself through the heart you can also be convinced of it, and thus believing will be easy for you. But I must let you keep this freedom, this is why you will never be able to produce a hundred percent proof that you are addressed by the Father directly and yet, the evidence will be within yourselves and with good will you can have inner conviction. But your will to enter into contact with Me must remain completely free, which would not be the case if you compelled by proof established this contact purely out of fear, if you certainly thought of Me but not with love and such mental contact would be worthless for your soul. Therefore it must also be possible for you to reject My Word because you doubt that it is 'My Word'.... For the acceptance depends on a certain degree of love which subsequently enables a person to recognise it as My Word, and thus My Word will only find admission to a person's heart where love has already been kindled, but then one can no longer speak of spiritual compulsion through the Word Yet where there is insufficient love, the Word is not conclusive enough to be nevertheless accepted. Hence it is left up to every person what he makes of My Word; but it nevertheless remains a great help for a person to find the right attitude towards Me in the first place, if he thinks the Word through, if he, for once, occupies himself with such thoughts which My Word can inspire in him If the human being regards it as a human thought product and examines it in good will for its value as such, he begins to think about it and can thereby also attain the right attitude towards Me if he recognises a God above himself and makes mental contact with Me, nevertheless, this always presupposes good will otherwise no such examination will take place and My Word will fade away unheeded

This also explains why so few people feel affected when My Word from above is conveyed to them by My messengers, because not many people have the will and desire to attain Me and because only a few people lead a life of love Thus My Words will only remain hollow words to which they pay no attention even if it is conveyed to them. On the other hand, however, it should not give cause for My vineyard labourers to tire in their work for Me and My kingdom For time and again individual people will feel themselves addressed by Me, and these few will be saved from ruin And for the sake of these few I will still delay My Judgment which, according to people's spiritual state, would be long overdue already, but I will not divert from the day I have designated for the end from the start. Until the end, souls will still repeatedly be found which will detach themselves from My adversary's chains, to whom I can still speak in the last hour and who will also be so affected by My Word that they will change and grant Me their will. But this will always comes about without any coercion to believe, for what might even be seen as evidence will not be regarded by them as such, and only a person full of love and spiritually awakened cannot doubt anymore, because the `working of the spirit' alone is proof for him that it is true what I convey to people, and because they find it quite natural that the Father speaks to His children so that they need no other proof in order to believe with conviction. But the spiritually awakened and loving person will also recognise every error as such, for the light is in him and illuminates his thinking Nor will he allow himself to be deceived by wrong spiritual knowledge which originates as deceptive light from My adversary, who would always like to work in the same setting and will also dazzle those again who have no real bond with Me and are therefore easily taken in by My opponent if they don't defend themselves against his influence with a strong desire for truth He will not be able to deceive these, for the desire for truth is synonymous with the desire for Me, and I will truly not let them fall prey to error, for I want to bring light to wherever spiritual darkness still exists I want to penetrate the darkness and not increase it, and I will certainly succeed where the person desires light

Amen

God Himself conveys the truth to people

With immense happiness I convey the truth to you humans with immense happiness I inform you of the true purpose of your existence, about the cause and ultimate goal of your life on this earth For only if you are enlightened about it will you begin to live consciously and also strive towards the goal. Before that you are spiritually dead and every day is lost to you although it could, with the right will, lead you towards the goal. But you humans don't want to believe that your God and Creator, your Father of eternity, is speaking to you Himself and that you therefore may also accept that the information is true Nor do you consider that I Am a God of love and that love wants to give you everything you need in order to reach your goal on earth. And your goal is your final return to Me, from Whom you once emerged and voluntarily distanced yourselves And therefore you also ought to know the circumstances relating to your earthly existence, furthermore, you ought to know how you should live your earthly life so that you can achieve success. For the whole of your earthly progress can also be to no avail and I want to prevent that. I Am the Light of eternity

The light is brightly radiating. You yourselves are still walking in dark regions for you are completely ignorant and unaware For this reason I want to let My light shine into this darkness and, truly, it will make you happy to receive the knowledge which corresponds to the truth. For you can also be wrongly educated by your fellow human beings who don't have the right information themselves. But in that case the darkness surrounding you will not be penetrated because they are deceptive lights which don't radiate brightness and only confuse your thinking. I instruct you gladly and you can receive an explanation about everything providing you meet My condition that you are serious about wanting to know the pure truth You only have to muster this will and then entrust yourselves to Me Who, being Truth Himself, can also guide you into the truth And truly, you will be taught and receive knowledge in abundance which will make you very happy Everything will be comprehensible to you, every question will be answered and the light of day will be within you, you will have stepped out of the spiritual night and enjoy the light which illuminates

your spirit. But you will only request the pure truth if love has been kindled in you For love, light and truth belong together; one without the other is unthinkable A heartless person will not ask for the truth from Me and will never ever ask for a light

However, anyone who lives a life of love also wants to escape the darkness and the fire of love emanates the light of **wisdom** everyone who is lovingly active will become knowledgeable, for I Am Love Myself, and a person who consciously allows for it will be educated by Me through the spirit And the more illuminating knowledge I can bestow upon you, the more I delight in the spiritual state of people who have escaped the night and thereby also the prince of darkness, who would like to keep all people in spiritual darkness so that they will be unable to recognise Me their God and Creator. But since I Am Love, since you all emerged from My love, I only ever want to make you happy. Yet this necessitates your unity with Me, it necessitates your will to draw close to Me again, and then you will also accept My gifts of grace, you will allow yourselves to be taught by Me and fulfil My will, which I proclaim to you through these instructions. Thus you voluntarily take the path which leads you back to Me, from Whom you once originated, because you already have a light within yourselves which illuminates the right path for you since due to My instructions you have gained realisation and know about the meaning and purpose of your earthly life. And the truth from Me will please you, you will request Me to speak to you if only you believe that I Am addressing you. And this belief will come alive in you through love Thus you only need to live a life of selfless neighbourly love and you will thereby intimately unite with Me, so that I can speak to you and guide you into the truth, as I have promised you

Amen

Jesus'act of Salvation was the beginning of a new phase in the work of return

When the human being Jesus died on the cross a new phase in the work of My living creations' return began, for until then all people were still living in the spiritual darkness that My adversary had spread across all fallen spirits All human beings were still afflicted by the original sin and no one was able to approach Me since My justice did not allow it until the original sin had been redeemed. However, countless people had already walked across earth and amongst them were also a few of good will but without enough strength of their own to release themselves from My adversary, since they all had been unable to establish the right kind of contact with Me due to their lack of love

They were controlled by selfish love as a sign of their affiliation with My adversary And neither did they know the cause for their earthly existence, their apostasy from Me they were spiritually utterly ignorant yet in a worldly sense extremely busy, and therefore they forever endeavoured to gain advantages at other people's expense They lacked selfless love through which they could have attained a higher state of maturity. Although the few exceptions in fact sensed their spiritual hardship and also acknowledged a God and Creator above themselves they did not recognise Me as a God of love, but only as a God of vengeance and wrath. People would never have been able to progress in their spiritual development; they would always and forever have stayed the same selfish generation which was unable to attain higher awareness as long as the burden of the original sin pushed it down My adversary would always have kept people on the ground if a Saviour had not arrived for the sake of the few who felt wretched and in their distress had called for a Saviour.

And a possibility to establish a connection with Me was indeed meant to be created again one day which, however, should now apply to the Father People should be able to call like children to the Father, whereas before they had only recognised in their God and Creator a Power they refused to bow down to, because they still harboured this opposition against Me as result of their past original sin A relationship of love should become possible again between the living creations and Myself which, however, had to be established by people themselves through their willingness to love.

But prior to Jesus' crucifixion a human being was only very rarely willing to love and then he was excessively tortured by My adversary so that he almost despaired of My existence. But knowing his will I helped him and took him from earth

Jesus Christ's act of Salvation brought an era of people's greatest distance from Me to an end His crucifixion atoned the original sin of all fallen beings, and now, in the stage of human beings, they are able to establish the right kind of relationship with Me again if, with the help of Jesus Christ, they live a life of love, if they release themselves from the adversary's shackles through the blood He had shed on the cross and thus see in Me the Father and are urged towards Me by love towards the relationship they once voluntarily severed and thereby became wretched. Jesus' death on the cross brought humanity's hopeless state to an end A new era began where the human being only needed to take the path to Jesus in order to be guided out of My adversary's dark domain where the gate into the kingdom of light was opened again too It was now for the human being possible again that he could change himself, that he could shape his nature into love, that he could become again what he had been before his apostasy from Me

The first redeemed souls returned to Me, I was able to admit them into My kingdom of light and bliss, which would never have been possible if Jesus had not redeemed the original sin through His death on the cross For I Am as supremely perfect also righteous and therefore could not cancel an unredeemed guilt. Much time had passed when people almost broke down under the burden of sin yet did not recognise their guilt and therefore repeatedly revolted against Me, Whom they could not deny as a 'Power' but to Whom they did not surrender with love. For they once had rejected love, and all they had left was mere selfish love the wrongly directed love transferred to them by My opponent. Hence, in their nature they still belonged to him entirely And this nature first had to change, which was only possible after Jesus' crucifixion, Who acquired for them the will and the strength to rise and relinquish their selfish love All these were purely spiritual processes, for in an earthly-human sense they certainly had an enjoyable and good life, yet no one had any consideration for his fellow human being, instead everyone just thought of himself, and

the strong person oppressed the weak who was unable to defend himself, because My adversary delighted in seeing the wretched state of the souls he had plunged into the abyss, for he himself was completely without love but full of hatred and animosity And his nature also reflected itself in people's nature Anyone who was strong likewise oppressed other people and knew no mercy for he had no love, just like his lord the lord of darkness was without love.

Jesus, however, tried to guide people onto the right path through love. Jesus lived and taught love and demonstrated to them that love was a strength which even defeated the adversary, and that people can only release themselves from him through love.

Thus the human being Jesus had exemplified a life of love for the first time for people, until He then accomplished the greatest work of love and mercy by sacrificing Himself on the cross on behalf of humanity's sins, so that they would be set free and through a right kind of life attain strength and light again in order to then travel the last path into their true home, which Jesus had preceded through His death on the cross Whom they now only need to follow in order to enter My kingdom in a liberated state, returning to Me into the Father's house, to the Father from Whose love they had emerged and in Whose love they will now stay forever

Amen

The atheist's fate

It is the adversary's greatest triumph if he totally dissuades a person from having faith in a God Who brought the world into existence and also created himself Then he will have achieved what he wanted, to displace God completely from the human being's thoughts. Then he need no longer fear to lose him. Yet a person who completely denies a God is generally also an unkind person in life, therefore the adversary is able to influence him, while a person with just a spark of love left can still gain the realisation that a spiritually tangible Power exists Which determines his destiny and on Which he is dependent. The former, however, is wholeheartedly attached to the world. Nothing else exists for him apart from this earthly world, and he

believes that he will cease to exist and return into nothingness again after his physical death, as a result he will take whatever earthly life offers him. And although such a person can possess sharp intellect he will be misguided by God's adversary, he will even arrogate himself to quote substantiations which intend to shatter the belief in a God. He will try to explain that all creations arose from a natural power However, he will refuse to accept the fact that this natural power must be an intelligent **Being** in possession of will, and his thinking will continue to be wrong and confused as long as he fails to kindle a small light within himself through kind-hearted actions which, however, are completely unknown to him. Thus he will still be totally enchained by the adversary. And therefore an atheist will almost certainly approach a renewed banishment, for he will completely fail in his last decision on earth. He will still be as opposed to God as he was when he apostatised from God, he will belong to the adversary and in the end will also have to share his fate Such a person cannot be intellectually enlightened either because he does not want to believe and will therefore also dismiss all spiritual knowledge as imagination and fantasy

Trying to convey spiritual knowledge to this person would be entirely futile, for God's adversary is his lord and he will never allow him to become enlightened, he will always keep him in profound darkness and let the world's deceptive lights appear the more brightly to him, so that the person will be totally incapable of accepting spiritual knowledge. The adversary will have taken complete possession of him and will no longer let go of him either. But in earthly life it is only important that the once fallen original spirit will now acknowledge God in the stage of a human being that his original sin will be taken from him, which can only happen through Jesus Christ, Whom he must acknowledge and Whose act of Salvation he has to profess, then he will also acknowledge God Himself Who, in Jesus, accomplished the act of atonement for his original sin But for as long as the human being lives his earthly life entirely without faith he will remain burdened by his guilt and will never ever be able to enter the spiritual kingdom but will have to endure the process of development through the creations of earth in horrendous pain for an infinitely long time again. For even in the kingdom of the beyond it will not be possible to change an atheist's mind and to persuade him to surrender his resistance to God because, like on earth, he remains closed to all instructions, and he cannot

be enlightened against his will. However, were only a person on earth who believes himself to be unable to have faith seriously interested in knowing the truth as to whether a spiritually tangible God and Creator exists then the efforts would truly not be in vain, for then he would keep thinking about it and also achieve a different result by intellectual means, for enough evidence exists within Creation which could change his mind But even such people will time and again receive blessings, time and again they will be given small gestures of support, for God's love also pursues these people and tries to win them over for Himself, time and again He offers His hand to them which they need only take hold of so that they would subsequently be able to release themselves from the adversary's control. Nevertheless, his will shall never be forced, and therefore the person determines his own future fate and will have to take the path across earth in a constrained state again, because this complies with the law of eternal order

Acquiring virtues

You ought to practise patience and make an effort of cultivating a life of peacefulness and gentleness in mercy and righteousness and humility, in which case you will also always live a life of love, for love alone will shape you such that you will acquire all these virtues, that you will endeavour to treat your neighbour with love and therefore live according to My will. And precisely that which I expect of you will be lacking in you as long as you are still controlled by My adversary. And you can also recognise to whom you belong if you seriously scrutinise yourselves as to what you still need to become perfect. For you possessed these virtues in your perfect state when you still belonged to Me and were blissfully happy By turning away from Me you changed yourselves into the opposite, all the bad characteristics awakened in you when you accepted My adversary's nature who lacked all love You shall reach perfection again in earthly life and therefore must also cast off all negative attributes and adopt your fundamental nature again; you must live a life of love which will awaken all virtues in you so that you will become divine living creations again. Yet

BD 8608

this will always require an inner battle until you discard your initial nature, for time and again you will be provoked by My adversary into impatience, contentiousness and a quick-tempered nature, time and again he will want to harden your hearts, to obscure your sense of justice and prompt you to become arrogant, for he does not want you to become perfect but keep hold of you as beings like himself whom he can dominate. Yet you will have to wage this battle, for every ascent requires force towards the one who keeps you constrained. And you can become victorious if you hand yourselves over to Me in Jesus, if you appeal to Me to help you become again what you were in the beginning.

You must always consciously work on yourselves, you must recognise when you have failed and relapsed into your old mistakes, and you must repeatedly request strength from Me for the transformation of your nature. Then I will recognise that your will is sincere and I will truly help you in reaching your goal. Most of all you must discard all arrogance, overcome all faults, because then you will also recognise them as faults once the arrogance has given way And as soon as you live with love this love will also encourage you to change your nature, then you won't be able to help yourselves but think righteously, to let mercy prevail, to also quietly and patiently endure your fellow human beings' failings and you will try to gently influence your neighbour if you want to help him accomplish his change of nature like yourselves... As soon as all divine qualities break through in you again due to love you will also safely reach your goal of unification with Me, which can only take place with a similar being as Myself, because this is based on My law of eternal order Time and again you should exercise self-criticism as to how much control the adversary still has over you and influences you. And you should always resist him when he wants to tempt you into reverting into faults which you endeavour to discard. One thought of Me and he must let go of you and can no longer oppress you It is just that you have to muster the serious will of accomplishing this transformation of your soul, for you will be approached by temptations every day, often motivated by your neighbour who is impelled by the adversary to agitate you so that you fall back into your old mistakes. And time and again you will have to prove yourselves, yet as soon as you prevail, as soon as you consciously work at improving yourselves, a glorious reward will also beckon you, for earthly life does not

last long but the spiritual kingdom will grant you a blissful life and you will be able to work in light and strength and freedom with Me again, for your nature will have become like My own again which will also signifies an eternal unity, for you then will have become as perfect even as your Father in heaven is perfect

Reason for the work of transformation

You will find it increasingly more understandable that a tremendous change will have to happen, which will involve people's spiritual as well as their earthly life For the state they have reached can only be improved by a massive intervention, and although this will take place in an earthly way it will also result in a spiritual change For everything has become disorderly, people's spiritual development has come to a standstill and in many cases even a decline can be noticed, hence the earth is barely fulfilling its purpose anymore and needs to go through a transformation lawful order has to be restored again, all spiritual substances must be allocated the place which corresponds to their degree of maturity or development. And people must especially integrate themselves into the right order again if they are to reach the goal one day: to become perfect according to their purpose Were you humans able to have an overview of the spiritual as well as the earthly chaos which presently prevails on earth, you, too, would realise that the only way out is a huge change, yet for the most part you are spiritually unenlightened and have no idea about your actual purpose of existence. This is already part of the low spiritual level, for you do nothing to obtain a little light as to why you live on earth. And you also reject your fellow human beings when they want to enlighten you of it. Everything has become disorderly because people's free will itself revokes the order, with the result that all still developing spiritual substances are unable to make progress, since people prevent their being of service and yet they can only advance by way of being of service Therefore divine order has to be restored again one day, and everything must fit in with this law People must voluntarily live in divine order, then they will also help

BD 8609

the spiritual substances still bound within the works of creation to fulfil their serving function, they will be used appropriately and thereby slowly ascend too. Anyone who is spiritually enlightened, who, through a life of love, has awakened the spirit within him to life, will recognise the urgent situation and will also fully understand the work of transformation, which will shortly be carried out on earth, for he knows that there is no other way out, he knows that all spirits are in the midst of a process of return, that this has come to a halt and that something urgently needs to happen so that this process can continue with promising results.

The time granted for the spiritual beings' development has come to an end, and thus all that which failed when it reached the state of free will must start the process of development again according to its degree of maturity, whereas the still bound spiritual substance will enter into new forms, also in line with its degree of maturity. This, therefore, necessitates a total transformation of Earth, the termination of all life, the dissolution of all external covers which still held the spiritual beings captive, and a complete redevelopment, the emergence of new creations. And this new work of creation will also be inhabited by people again who had reached full maturity on the old earth, who had remained faithful to their God and Creator even during their worst temptations through God's adversary, who remained faithful to Him until the end until they were lifted away in order to be returned to Earth again as the root of a new human race You humans are facing this enormous transformation, and you are told time and again to prepare yourselves for it so that you will not belong to those whose fate will be a renewed banishment into the creations of the earth And if you only have a glimmer of faith in a God and Creator, then pray to Him that He may save you from this fate, and He will truly grant your prayer If you are unable to believe, that is, if you are not convinced of an end, then at least take the possibility into account and live your life on earth accordingly, for the time which is still granted to you until the end will pass by quickly and you should and still can use this time well if only you didn't reject the thoughts in you which keep reminding you of that which is proclaimed to you through your fellow human beings Live as if the next day would be your last, and truly, you will not get lost And only pay attention to what is happening in the world and around you, and you yourselves will realise that the only successful solution is for everything

to be replaced that a new Earth has to be created, so that the spiritual development can be continued again with a favourable outcome

Intercession for souls in the beyond I.

I repeatedly emphasize that people still live in too much darkness and that therefore a light shall be kindled for them. But much is described as light which is more likely to intensify the darkness. For deceptive lights emerge from My adversary and are transmitted to people by spiritual powers who have no authority to teach but who express themselves where contacts to the spiritual world are established which can be intervened by immature spirits, because the conditions that guarantee the transmission of pure truth do not yet exist My adversary will always aim not to lose his followers, and therefore he will try to prevent people from loving activity of any kind. First and foremost he will try to stop the souls from leaving the abyss, from coming out of the darkness into the light of day. Thus he will do whatever it takes in order to prevent the souls being released from the abyss, if they entered the kingdom of the beyond still not having found faith in Jesus Christ. Such souls can only be helped through loving intercession because this means certain rescue from the fall into the abyss, from the worst darkness But this is what he wants to prevent people to do, since loving intercession is the only means to strengthen the will of these unfortunate souls, so that they become receptive to the teachings given to them in the kingdom of the beyond by spiritual guides

All unredeemed souls lack the strength to improve their situation. They depend on loving intercession by people which in turn gives them strength without any kind of obligation No being will be able to resist love forever, and that is what the adversary wants to prevent

If a human being willingly accepts to be taught by the spirit within himself, he will always receive truthful clarification But if the working of the spirit in the human being is questionable, if he does not receive knowledge from Me directly but from beings in the spiritual kingdom which he cannot control himself, he should be cautious and seriously scrutinise whether the

imparted teachings correspond to truth For then he can easily become Satan's helper if he spreads spiritual knowledge which contradicts the truth. It is easily verified if a person uses love as a guideline

Does it corresponds to My love and wisdom to deny help to an unhappy being? Would I allow a being, which is longing for redemption and light, to remain imprisoned by Satan's claws?

Only the being's will decides whether it accepts help, but help will never be denied, Satan will never be granted this power, for I will never condemn but only ever try to rescue the souls from the abyss. And this salvation if the soul itself is too weak can only take place by means of strength of love which is imparted to poor souls by people or by the beings of light And loving intercession by someone on earth has the effect of strength which benefits the soul and fortifies its will but the will of the soul will be complied with. The fact that My act of Salvation is continued in the kingdom of the beyond has its foundation in My immense love for all My living creations Time and again I will help the fallen beings to ascend, although I respect their free will.

A person's love on earth for such unredeemed, unhappy souls is a flow of strength which touches the souls and can stimulate their will to accept the instructions which they are also able to receive in the spiritual kingdom, providing them at first with a faint light which will increase in proportion to their willingness of accepting instructions. My love has no end, it also applies to these souls, and I will never allow the adversary to stop them when they look for the path to the light So I continually entrust these souls to people that they may remember them in silent intercession and truly, no soul will be lost who is remembered in loving intercession.

Preaching people the futility of intercession for souls in the beyond is a truly satanic doctrine. This teaching cannot have originated from Me since it is completely contrary to My plan of Salvation, which includes the kingdom of the beyond, and everyone on earth can participate simply through loving intercession

Time and again I say to you that you could redeem all inhabitants of hell by virtue of intercession For My adversary is powerless in the face of love, love will seize from his hands every soul he would like to keep captive Compared to love he has no strength, and thus he wants to stop people

from acting with love by lying to you humans about the effectiveness of your loving intercession. And he finds willing people who accept such error and eagerly endorse it as truth And if these people would consider that their doctrines totally contradict My love and wisdom, they would soon realise their error themselves, for I will always try to redeem and never condemn the souls. And every human being who is willing to love will support Me in this act of Salvation so that I, for the sake of their love, can bestow strength and yet do not act in opposition to the law of eternal order

Amen

Creation is God's work

My works of creation demonstrate My infinite love for you, My supreme wisdom and My omnipotence because they solely originated for the sake of salvation, for returning the once fallen spirits. Thus the entire work of creation is the expression of My infinite love because it was especially intended for the spiritual beings which opposed Me, which therefore rejected My love and likewise were no longer worthy of My love And yet, precisely these opposing spirits motivated Me to bring forth works of creation so that they might give up their resistance and return to Me again.

Hence love paid no attention to the resistance at first but imprisoned the fallen beings, i.e. My wisdom and might disintegrated the beings into countless tiny particles and the strength of My love encased them it reshaped the once emanated strength of beings into works of creation and My wisdom assigned them their purpose again Love, wisdom and power were constantly at work for the emergence of a work of creation; consequently, the creation was and is, in the true sense of the word, **divine work** which testifies of My fundamental nature and should appear to you humans as the greatest miracle, if you seriously think about it. And this creation will remain a miracle, for the works are not lifeless things but change constantly. The functions of the individual works of creation provide every thinking human being with the evidence of a living God

full of wisdom, Whose strength of will and love is inexhaustible, Whose power is limitless Who constantly creates forms containing minute particles which are of service within the works of creation through the law of compulsion Since I withdrew these fallen spirits from My adversary's power, from the power of the spirit who once had caused their downfall, whom they once had followed voluntarily even though they belonged to him, precisely because they had followed him voluntarily he was deprived of his power over the spirits which My strength of love had turned into matter These beings were removed from the adversary's influence and are now subject to My law They were no longer free, since they had given up their freedom, but for their own sake I placed them into My law of service in a constrained state

All of creation is a work of My love for this fallen, unhappy spiritual substance which travels the path through the creation in great agony But once the previously fallen being has made its way through the creation and then lives on earth as a human being he will also recognise the work of creation to a limited extent and can rejoice in it, since his state of agony is over. Before him he will see the works of creation in all their glory, which will give evidence to him of the Creator's love, wisdom and power as soon as he begins to abandon his last resistance to Me. He himself is indeed free to some extent but now he is subject to My adversary's influence again, who previously had no power at all over the being. The human being still belongs to My adversary until he has voluntarily detached himself from him

And thus you have to understand correctly: Creation can and will please you humans because it is My work, but I used the strength which emanated from Me in the shape of spiritual beings for its origin I simply reshaped them into My love and wisdom's most diverse creations but they are nevertheless the fallen spirits in substance, thus part of My adversary, and they will remain so until they, entirely redeemed, return to Me again. You humans do not see the fallen spirit in creation but only see the works of My love, and you may enjoy them, you may recognise Me Myself therein and consider yourselves fortunate to have covered the path through My creations already and are nearing your perfection. But you should also remember that the real world is a **spiritual** world which can only be seen

by someone with spiritual vision that everything visible to you humans is but a pale reflection of this real spiritual world You should remember that all matter is hardened spiritual substance and that this solidification was again only the result of the resistance to Me, the rejection of My strength of love Then you will also understand that the material world in its substance is spirit in opposition to Me which My love and wisdom merely oblige to be of service in order to break its resistance and to return it to its original state once again.

Hence the solidification of spiritual substance was caused by the beings' apostasy from Me, and therefore the hardened spirit substance still belongs to My adversary until it is spiritualised once more. However, this does not prevent Me from removing his power over this spirit substance and reshaping it into all kinds of creations for the purpose of its final, voluntary withdrawal from him and return to Me. And thus creation always remains divine work, a work of My infinite love and wisdom which only I Myself, Who possesses all power and strength and Who can implement anything His love and wisdom wants and has recognised to be successful, was able to bring into existence

Amen

Wrong portrayal of God

Error

Many misconceptions are widespread in the world and people do nothing in order to gain the pure truth, they are indifferent towards everything which is, after all, the most important thing in earthly life: to inform themselves about the spiritual kingdom, about their God and Creator and His will And even though I mentally influence them time and again, the truth cannot penetrate the error since, due to the misconception, I cannot be recognised as a supremely perfect Being, and I Am usually portrayed to people as a punishing Judge, as a God of wrath, who merely has vengeance in store for everyone because they are sinful. As a result, they don't strive for such a God either and a distance remains between Me and the human race which should, in fact, be reduced in earthly life and

finally completely disappear. And everything I send upon the human race through providence to make them think and turn to Me is more likely to be regarded as evidence that **no God** exists, for they are unable to reconcile a God of love with the fact that people must suffer. They are unable to recognise Him because they are instructed entirely wrongly, because they don't know the reason for their human existence and the purpose of their life on earth as human beings. They could certainly be taught correctly but they won't accept anything because they still harbour an inner resistance against Me as long as they don't practise love Love, however, has grown cold, people are governed by selfish love and therefore by the one who instilled this love in them, who is and will continue to be My adversary for an infinitely long time. Consequently, only error will come forth from him, whereas I will convey the truth to people Yet the human being always determines for himself as to whether he accepts error or truth neither My adversary nor I will exert force on him. But because of the human being's immature nature My adversary will be far more successful, particularly during the last days before the end, when error will dominate and the truth will only be accepted by a few people. For many schools of thoughts and ecclesiastical organisations openly endorse the error as truth whilst the followers of the truth will only be those people whose will is seriously inclined towards their God and Creator and who, as a result of this will, enter into contact with Me and receive the truth from Me Myself. As long as people still doubt My greater than great love, wisdom and might, they will not know the truth as yet.

Thus, misguided teachings originate from My adversary and he will always portray My nature in a distorted way in order to prevent people from loving Me He will describe Me to people as a being which must be feared, and they will never strive for and hand themselves over to such a being. But all I want is My living creations' love, therefore I must convey the pure truth to them, in which they can also recognise Me as a supremely perfect Being Whom they will then love in return. Error leads people into completely wrong thinking For it is a most blatant error if they are told that I demand practices and rituals from them, that they can thereby acquire beatitude, because people are never assessed by Me according to their fulfilment of earthly decreed commandments, instead, only love is of value before My eyes. And this love, which I Myself taught when I lived on earth,

is certainly taught as well but it is not emphasised as so important, or those who believe that they live according to My will would practise it more. For countless people conscientiously comply with their religious duties and yet live a life without love This should make all of you think, the fact that these people are subject to great misconception against which the truth can hardly prevail, for they will not let go of their error which they could, however, recognise as error if they first fulfilled the commandments of love, for then they would become enlightened, because love would kindle a light in them. However, were these commandments of Mine fulfilled first and foremost, there would truly not be so much misery in the world, as can be recognised by every person, no hatred and enmity would exist between nations, it would be calm and peaceful, because this is the result of a life of love Instead, the whole world is in turmoil and clearly controlled by Satan which, in turn, is the evidence that the error is spread throughout the whole world and that the truth finds little acceptance with people, for the error is officially acknowledged and endorsed as truth Only love alone incorporates truth, everything else which is endorsed as being important yet does not include love can only be error, because it comes from My adversary who will always keep people from loving activity so that they will not recognise the truth, so that they will be unable to recognise Me Myself and offer Me love, which simultaneously signifies their release from him. Believe it, you humans, that spiritual darkness is spread across you, that your thinking was led astray, and accept the pure truth when it is offered to you by My messengers, as they impart spiritual knowledge to you which originated from Me Myself and which will kindle a bright light in you, because in the truth you will recognise Me and My nature and the love, which unites you with Me again, will flare up in you. Just test everything that is given to you as truth as to whether it will stimulate you to be lovingly active, and accept that But don't waste your time with external practices and rituals which cannot be regarded as loving activity and which are therefore also completely worthless for your soul, for I take no notice of such conduct, I only take notice of what love impels you to do, for this alone benefits your soul for eternity Just contemplate the state of the world, how all of people's intentions and thoughts are purely concerned with earthly possessions. But the only purpose for your existence on earth is to prepare yourselves for the spiritual kingdom Hence your thinking

must be going in the wrong direction, and this is My adversary's doing. And therefore, as long as you live wrongly, your thinking is misguided; you are far removed from the truth consequently, I will try to convey the truth to you time and again and blessed it he who accepts it when it is offered to him

Amen

Intercession for souls in the beyond

II. Reply to the doctrine that only 'qualified' praying men are entitled to pray for souls

I will only ever explain the Gospel of love to you, because you will achieve your task in earthly life when you accept this Gospel, when you fulfil the commandments of love for God and your fellow human beings. Hence you need only ever ask yourselves whether your thoughts, words and conduct correspond to My commandments of love. But only the love which is kindled deep within your heart will be required, for I cannot be satisfied with mere words and gestures And thus all labours of love have to be done unselfishly, since the expectation of reward diminishes love, and then the deeds will merely be valued by worldly standards. The innermost feeling of wanting to help and to bring happiness will always be decisive. When I ask you to live a life of love I mean selfless, giving love, only this will result in your maturity. But this pure, divine, selfless love unites you with Me, and whatever you ask of Me in this love for your neighbour will be given to him, be it an easing of earthly hardship or the conveyance of spiritual values Your love for your neighbour will always accomplish it. Prayers without love, which are m spoken by the mouth but do not arise from the bottom of your heart might just as well not have been spoken, for they do not reach My ear and therefore cannot be answered either.

But since the actual the purpose of earthly life is to do works of love, I will not stop preaching love either. I will only ever assign the labourers in My vineyard to spread the Gospel of love, to appeal to every human heart and stimulate it into selfless activity of love That I will never prevent a person from doing a kind deed goes without saying. It only matters that he is

lively and prompted by love, because I ignore formalities since they are worthless for a person's soul. Thus I Myself shall assess the human being's will, and only I know whether or not his heart is involved in everything he thinks, says or does.

You humans should always just preach love, but you may never prevent people from doing kind deeds which also include the prayer for the deceased For do you know the degree of maturity of those who pray? And do you not cause doubts in people you caution about such prayers? Do you believe that they can judge for themselves whether their prayers are heard by Me? Do you also want to stop those from praying who are worried about their deceased and would like to help them or they would not be praying in the first place? You will cast doubts into their hearts, because a humble person is not convinced of his maturity, and only that should qualify him to pray for those souls And who can claim to have such a profound basis of faith that only his prayers are valuable?

Judging a prayer's value should be left to Me alone, because I even value every soul's will to help, and truly, I will shield every praying person from My adversary's power. Only empty lip-prayers are worthless, but such praying men are still subject to My adversary's power or their faith would be alive and their prayer would come from their hearts. Thus you should not warn against prayers for the deceased, because it is not true that a praying person becomes subject to My adversary due to his prayer. A prayer just cannot be answered by Me if it is merely voiced by the mouth. And such prayers will truly not save the souls from the adversary These praying people need not fear his revenge because they do not take any souls from him.

Let Me tell you that I only want to correct your thinking which became misguided, because you did not get such teaching material from Me, as it contradicts the truth which I send to earth for a light to shine in the darkness which was spread across humanity by My opponent. Wherever a spark of love is kindled the human being draws nearer to Me, and only such a spark of love will prompt a human being to pray for souls in the beyond And a person like that is not without faith or he would deny all continuation of life after death and never forward a prayer for the souls

Amen

*Spiritual results should not be underestimated
Spirit is superior to intellect*

You can receive clarification about anything you reflect upon if you approach Me Myself and appeal to Me for truth. I impose no limitation on what I give but I only give according to the degree of maturity, so that a person will always understand what is conveyed to him, be it in thought or in a direct form through My address from above. All the same, it will always be the same truth, and even if I cannot instruct a person in the most profound knowledge, his questions will nevertheless always be answered according to truth, yet always such that he can comprehend it. And thus all instructions, which originate from Me, will have to be in accord, otherwise you could doubt their source. But everyone can raise his degree of maturity and thus also be introduced to ever deeper spiritual knowledge, and he will be beneficially active on earth, because spiritual knowledge will constantly spur him to pass it on Once a person has accepted My instruction he will be unable to keep silent. And then harmony will occur between people who appealed to Me for correct thinking and for truthful knowledge And people who think correctly will also always be willing to render vineyard work, for they are impelled from within, by their spirit, to enlighten their fellow human beings. However, once a person is instructed by Me Myself through his spirit, so that knowledge is conveyed to him which is written down, then he is also characterised as a vineyard labourer, for then he has the task of distributing the existing spiritual information, because I want to speak to all people and choose a mediator who is capable of accomplishing such a mission. And then his task will be obvious, for such comprehensive spiritual knowledge cannot be denied nor be conveyed to Earth without purpose. Although a certain degree of maturity is necessary again so that this spiritual information can be accepted and understood it will nevertheless contribute towards stimulating people to live a conscious way of life once they have taken notice of this unusual knowledge. It will always depend on the human being's will and his desire to receive knowledge of the 'truth'.... For sooner or later questions will arise in every person about subjects which are inaccessible to the intellect but which can be fathomed by the spirit in the person. And depending on the person's maturity of soul

he will be granted the pure truth for the benefit of his soul. But a person should never value the results of his intellectual thinking more than those revealed by the spirit in him For the spirit stands above the intellect, to the spirit which is My part nothing is **unknown**, it can explain **everything** to a person, whereas the area which can be investigated by the intellect is limited and never extends into the spiritual realm.

Divine revelations should therefore never be underestimated, quite the contrary, no intellectual thinking, be it ever so sharp, produces comparable results. And thus you will also be able to assess the immense significance when I convey such extensive knowledge to earth through a human being, and you will understand that it is My will that this knowledge shall be distributed and that I will therefore support all efforts made by My bearers of light in order to carry light to their fellow human beings you will understand that I bless people who want to be of service to Me as labourers in My vineyard, for can there be anything more important in earthly life than to know the truth thus to convey the truth I send from above to fellow human beings? People can consider themselves fortunate that they are granted clarification where they still have erroneous thoughts For only truth grants them the light which illuminates the path that leads to Me. Anyone who sincerely desires the truth also thinks correctly, because I Myself enlighten him and he will be happy to discover the confirmation of his thinking in My Word. Yet many people must first be led to the path, they must first be informed of My will and be admonished to live in accordance with My will, only then will a second life start for them, so that they live a spiritual life next to their earthly life, and then the desire for truth will awaken in them and they can receive according to their desire. For this reason you should all try to raise your state of maturity, then you can be guided ever deeper into truth, even the most profound wisdom can be revealed to you which, however, would be incomprehensible to you while you are still in a low state of maturity. Yet I will never limit My distribution as long as you merely desire My gifts of love I will consider you spiritually as well as in an earthly way, for you will receive what you require for your soul and body as long as spiritual possessions are more important to you. For your body will cease to exist but your soul will remain, and it shall therefore be taken care of first, and its desire will always be granted

Amen

Chaos after the intervention

I keep telling you time and again that you will experience an incredible chaos due to My intervention The forces of nature will get completely out of control leaving you unable to think; only My Own will be able to pray to Me, although these will only be desperate prayers by sending short, pleading thoughts to Me, but I will hear them and protect them from the worst. Yet everything will become disorderly and throw people into bitter states of adversity And this will already signify the end for many because they will lose their life although it is not yet the end of this world.

However, before the final end I will still try to rescue what will allow itself to be rescued I want to reveal Myself to those of weak faith so that they will call upon Me in their need and receive obvious help, so that their faith will be strengthened and they will still be helpful to Me when the earth's last phase begins. And I assure you that it will almost be too much for the individual and only One will be able to give you strength and send you help if you call upon this One in utmost need

But you humans cannot be spared this intervention, for it is a last attempt to save the souls who are still without or of little faith. When they see no other way out people can nevertheless still remember their God and Creator a Power above them Which alone is able to help. Once the huge natural disaster will be over, the adversity will not end and the chaos will constantly increase. And then it will show where there is still a living faith, for this alone will master all adversity

Anyone with a living faith will completely entrust himself to Me and truly, I will not let his faith be destroyed. Time and again he will be helped, and he will also try to lead his fellow human beings into faith, and depending on their will and personal inclination to help they, too, will receive help, for the desperate situation will motivate actions of love and thus will have fulfilled its purpose of awakening neighbourly love which, again, guarantees that I will give people My love and the strength to deal with their situation.

You, who belong to Me and want to fulfil My will and be of service to Me, truly need not fear this time of adversity, for your constant bond with Me assures you My protection and a great extent of strength. Besides, I

will also need you again to spread My Gospel of love, which will then be extremely necessary, for once again people will display their nature and only few will be helpful and assist their fellow human beings and they, too, will be helped time and again, of which they can be certain But, on the whole, ever greater selfish love will surface, and people will ruthlessly take what does not belong to them in order to improve their living conditions The aggressive person will prevail and want to ruin the weak. And this will particularly characterise this time of hardship and reveal that humanity is ready for its downfall. Nevertheless, My Own shall always rely on the fact that I know of their difficulties and will also remedy them for, truly, everything is possible for Me, and I will also take care of your earthly lives and provide the most remarkable help so that your faith will become ever more alive, and with the power of faith you will prevail over everything and yet cannot be overcome by your enemies

You may well believe that this time is approaching; after all, I Am still using all means of help to still win over souls who are not yet entirely enslaved by My adversary I also want to reveal Myself in My love and might to them as soon as their faith is a **living** one, for conventional faith will be completely abandoned since it was not a convinced faith, which remains steadfast during such earthly hardship. And all those who previously had revelled in an excess of earthly possessions will be bitterly affected by this hardship as the transience of earthly possessions is visibly brought home to them. And the effect depends on their souls' maturity, they will either take refuge with God and appeal to Him for help or try using their own strength to succeed and that at the expense of their neighbour, because they lack love or they would take the path to Me.

This time of adversity will make great demands on you humans, nevertheless you will survive it with My help Therefore ask for it, and also appeal to Me in advance for the strength to be able to endure once the chaos starts. For you will be able to achieve much in unity with Me but you will remain weak and helpless if you rely on your own strength and presume not to need divine help For I Myself will be with everyone who calls upon Me in his adversity

Amen

What did Jesus'body consist of?

II. (Supplement regarding no. 8586)

You need never fear misguided teachings if you turn to Me directly for clarification. I will always provide you with the correct explanation as soon as something is incomprehensible to you. For you, who shall spread the truth, must also be able to refute every objection, you yourselves must know how everything relates to each other, otherwise you cannot be true representatives of the truth And thus you should also know that all matter is solidified spiritual substance spiritual strength, which was once emanated by Me as a being and did not fulfil its actual purpose because these beings refused to be active according to My will. As a result of this refusal the spiritual substance hardened, that is, it solidified and I gave shape to this substance The hardened substance became matter

However, by virtue of My power I can also let matter arise which has not first gone through the process of hardening of spiritual substance By virtue of My will I can solidify spiritual strength into a form This is what I did in order to create a cover of flesh for Myself which, however, was not meant to be any different from that of any other human being, with the exception that it did not originate from My adversary's realm but I joined the spiritual substance directly to creation, so that it indeed took the path through the creations which matter has to take in order to carry out its serving functions and thereby gradually develops to the stage where it shall serve as an abode for a soul

Every person's cover of flesh is still at the initial stage of development, it is not yet spiritualised and after a person's death it must generally still travel a very long path of development until it may shelter as part of a soul in a body The time the spiritual substance needed in order to serve a soul as a body was also granted by Me to this solidified strength in order to travel the path through the creations until it was permitted to serve Jesus as an external form. For this soul required a body which was of the same consistency as any other human body, because He wanted to spiritualise this body as well and because, through His body, He was also subject to all temptations by immature spirit which had hoped to gain influence over the soul through the body.

Thus, His body's substance was effectively **non-fallen** spirit, yet it had travelled through the realm of the fallen spirits, the body likewise belonged to the creation which shelters the fallen beings and during this path of development had to prove itself already by experiencing and enduring the pain of its bound, constrained state which was part of Jesus'act of Salvation as well, nevertheless also contributed towards the complete spiritualisation of Jesus'body For as a result of the process through creation the body was as similarly natured as any other human body, and Jesus the man had to fight the same battles against cravings and weaknesses, and yet the body was without sin because it was intended to serve Me as an abode and I already dwelled in Jesus the infant and at times also proved it to Jesus.

It must be understandable to you that Jesus'spiritualised body could not have belonged to another original spirit, that I therefore took care of this physical body Myself and that it was an act of My power and wisdom but that, on the other hand, its nature had to be such that its spiritualisation could also take place in order to substantiate the process of His resurrection and to give people the incentive to strive for the body's spiritualisation as well. For this purpose the individual substances of Jesus'body took the path through the works of creation too and endured the torment of constraint, so that Jesus'act of Salvation would be a complete and utter success For then the external immature forces exerted influence on Jesus the man, they tried to entice the still weak bodily substances to become sinful, yet Jesus resisted them, He fought against all temptations and silenced the body's every craving, so truly, His battle was not an easy one despite the fact that he was without sin Nothing was spared Him precisely because He wanted to exemplify to his fellow human being how to live, He wanted to provide the evidence that it is possible for every person to achieve the same to spiritualise body and soul

Nevertheless, even if it is not yet entirely comprehensible to you, you should believe that Jesus'body and soul were without sin and that precisely because of this Jesus had to suffer far more, because He had entered a sinful region and had to succeed in the harshest battle on earth a person will ever have to go through, for everything of an earthly nature besieged His body and His soul, and only His greater than great love stood up to these

pressures, for Jesus, the human being, sheltered the fullness of 'God' within Him and together with Me He was victorious and broke the adversary's power

Amen

Inscrutability of the Deity

You should believe that you humans will eternally be unable to fathom My fundamental nature. It is not possible to make you understand what I Am in essence, for your thinking is still limited, and thus you are incapable of comprehending the infinite. Infinite, however, is the spirit for Whom you created the term 'God'. And what this spirit is in Itself again cannot be explained to you either, because He has no form and you always imagine everything in existence as a form especially when it is of substance, thus when it possesses a thinking will. I, however, certainly exist but Am **not** conceivable in any shape I Am unlimited strength Which works without limitation And thus this strength permeates the entire universe, It permeates every physical and spiritual creation. And It always and forever works in lawful order For a thinking will directs this spiritual strength according to a plan in love and wisdom. This 'thinking will' entitles you to imagine a **Being**, you just may not give this Being a form but have to regard everything that is visible to you and all spiritual creations as imbued by My strength of love by My spirit with Which, however, you are able to make mental contact, because I **Myself** Am a thinking Being.

My fundamental nature, My spirit, My love, My strength everything is the same. The all-pervading strength is God love in itself is God The spirit is God. And yet God is a **Being**, for a thinking will determines how the love, the strength, the spirit expresses itself, it determines My every reign and activity. And though the strength of love dispersed itself into countless tiny sparks each tiny spark is again the same as I **Myself**: a spirit with the same characteristics as I **Myself**, only extremely small and yet powerful, for it is a carrier of the eternal Deity Itself again or it could not continue to exist if it were not permeated by My strength of love. And thus the human being can indeed liken himself to Me **Myself**, because you

all are images of Me. Nevertheless you are finite beings, you are a part of Me which has to be looked upon as finite as long as you are still imperfect. Once you become perfect again, as you were in the beginning, then the fusion with Me will take place again too, and then it will be easier for you to form a concept of the Deity, albeit I Am and will remain inscrutable to you in My innermost nature. But then you will no longer apply limited standards as you do as human beings and which is the reason for your frequently misguided reasoning.

I Am a spirit, that Is, I Am a Being Which is not perceptible to your human senses but Which nevertheless exists Which, however, is a Being because you can recognise meaning and purpose in everything I brought into existence and thus arrive at the logical conclusion of a Might capable of thought and will. Therefore you should contact this Might Which cannot be denied by you. For only this connection, the union, makes you realise that you are the same in your fundamental nature And when this Might speaks to you, then it does not address your external shell the body but what is inside of this shell, which characterises you as a divine image: your spirit, which thus emerged from Me (was given to you) and is part of Me which you once rejected and which was given to you again as a tiny spark for your existence as a human being, with other words: I speak to the eternally immortal part in you, I speak to what belongs to Me Myself, which emanated from Me Myself as a minute spark and shelters in your human cover, which is only evidence again that I Myself wanted to find Myself again in you, My living creations, and thus you will also stay inseparably connected to Me, because My spirit is undividable Because My strength of love assures your existence, because you can never again cease to exist, for you are My emanated strength which, according to eternal law, has to return to the source of strength again.

You will only understand all this in the state of perfection, your thinking will no longer be limited but you will also know that I Am a Being to Whom all your love belongs, you will know that I Am love Myself, and you will understand why you were unable to grasp all this as a human being. For as long as I Myself My spirit My love, cannot take full possession of you because you are still imperfect I cannot permeate you such that you are radiantly enlightened either. Yet I Am active in you, as far as this is possible,

as far as your degree of maturity permits it bestowing ever more light upon you, so that one day you will reach perfection

Amen

Deceptive works of the adversary (UFOs)

Many times you will still be thrown into serious doubt and caused to ask questions, for during the last days you can still count on big surprises from My adversary's side. He will not hesitate to use any means to disturb you and keep you from the truth, he will do anything to distract your thoughts from your actual task of improving your soul, and he will do so cunningly to make it difficult to recognise it as satanic activity, because he will always disguise himself with a garment of light. He will pretend that you will be protected, that in times of earthly difficulties you will receive help 'from above' by beings of light, by inhabitants from other stars who will take care of people. For he certainly sees the chaos that exists on earth and even uses it for his own proposes to add to the confusion. Indeed, countless beings of light are ready to give you humans every assistance on My behalf, both spiritually and earthly, but they will only work on a spiritual level, they will influence your thoughts, they will urge you towards Me in Jesus Christ, they will arrange your fate such that your souls will be able to benefit from it.

They will give you mentally good advice and you can also appeal to them for help in every need as soon as you are in contact with Me so that I can instruct these beings of light to assist you Yet visible things are truly not necessary to give you this help, they will not approach to you by manifesting themselves to you or even operate physical objects which you can see with your eyes For the inhabitants of the world of light, the inhabitant of My kingdom, who are instructed by Me to help you need no physical covers to apply their will, they are spiritual beings who only ever influence you spiritually My adversary, however, influences you humans differently by trying to deceive you. He wants people to believe that supernatural beings take care of earthly inhabitants and instructs his followers to flash deceptive lights, for it is in his interest to stop people

from giving themselves to their God and Creator, so that they will turn and entrust themselves to those beings and thereby become subject to his rule

He has great power at the end which he truly uses well for himself I can only ever warn you humans not to be so gullible. If you believe that beings from other planets come to earth in order to help you in any way then you should first consider that all visible stars are inhabited by beings in need of maturity but who, in accordance with eternal law, may not leave their assigned world that spiritual contact can in fact take place but that people on earth should not look for such contact with inhabitants of other stars since you do not know the degree of maturity of those who want to communicate with you in spirit. Although these beings are indeed able to transmit messages to you by spiritual means through mediums you are unable to verify their truth content. And therefore you should dismiss such messages as questionable, for when I want to instruct you it will either happen directly or through beings of light in My kingdom who receive the teaching material for you directly from Me. You should stay away from contact with spirits as long as you have not learned to differentiate between the spirits

My adversary, however, will always interfere where people willingly open themselves for messages from the spirit world. The desire for the supernatural alone offers My adversary a reason and he will always oblige the seekers, yet never for the benefit of their souls. During the last days he will also try to deceive people through materialisations by making non-material objects appear as phantoms before the eyes of individual people who seek unusual experiences and therefore can also be easily influenced by My opponent. In addition, people, too, launch experimental objects into the universe which are sighted again as material objects, so that people are no longer able to distinguish between illusion and reality. Yet both are of satanic origin, whether it originates from people or from the spiritual world which, however, is always the realm of darkness, just as people are prompted by the prince of darkness to conduct these experiments.

The end is approaching, and that is the reason for Satan's extraordinary activity. But I Myself also work extraordinary by conveying the pure truth to people, and I would truly also let you know should these `inhabitants

of other celestial bodies'become active on My behalf I truly would not keep you guessing about it. But time and again I say to you `Do not let such deceptive lights bother you'For he who causes them does not want to save you but ruin you. You will still experience much more before the end which will enable you to clearly observe his activity, providing you pay attention and stay in contact with Me so that I Myself will always be able to illuminate your thoughts and in the light of truth you will recognise him and his doings

Amen

Destruction of earth is the result of experiments

The final work of the earth's destruction will be triggered by you humans yourselves. And I will not stop you, because I also consider the spiritual substance which, as a result of this work of destruction, will be liberated from matter and able to continue its process of development in new forms on the new earth. You have been informed of this several times already and yet have little belief, for the whole event is simply unimaginable to you. Nevertheless, it is the conclusion of a period of development which will lead to a new period, so that the work of return can once again successfully proceed in lawful order, which was no longer evident before the destruction of the old earth. My adversary completes his last satanic work by influencing people to do something which he has no power to do himself: to destroy works of creation in the belief to thereby release the constrained spirits and take control of them. He manipulates people and induces them to carry out all kinds of experiments which, however, will fail with devastating effect due to peoples'lack of knowledge. For people dare to experiment without having explored the outcome they will unleash forces they cannot control and consequently are doomed to die. And with them the creation work earth, too, will be subject to enormous destructions The entire earth's surface will totally change, all works of creation on earth will fall prey to destruction, the effects will penetrate to the core of the earth, and thus one can speak of a destruction of enormous proportions although people themselves will not be able to observe it, apart from the

small flock which I will lead away from earth beforehand into a realm of peace.

I Myself would never allow such destruction if thereby I would not gain new opportunities of salvation for the still constrained spiritual substance, which already languishes for an infinitely long time in hardest matter Yet continued development would also be possible for this spiritual substance if people would not reverse the lawful order and always just live up to their helpful task on earth But people no longer live within divine order, and therefore My adversary exerts great influence over them and impels them to start a process in the hope to gain the return of the constrained spirits to him. And I will not stop him, since it still depends on every person's own free will to comply with My adversary's inducement Nevertheless, regardless of what people do, I will always know how to utilise the effects of their actions correctly. For even the world of darkness is subject to Me and My might, and it will have to serve Me while at the same time take part in My work of return, if only unconsciously. But I know the direction of humanity's will since eternity and was able to incorporate it in My plan of Salvation I know when the moment in time has come when spiritual progress can no longer be expected

I also know when the time has come to liberate the constrained spiritual substances, and therefore will not prevent people's activity when they set an enormous work of destruction into motion due to their misguided will, which aims for My adversary, and thus people are his willing instruments. For he himself is unable to destroy any work of creation, he cannot dissolve any kind of matter and all power over the spirits has been taken away from him. This is why he tries to regain it, and people who belong to him contribute themselves towards the disintegration of matter at first through countless experiments which then take on proportions which matter can no longer withstand But I allow the spirits captivated therein to be set free, if only at the expense of humanity, which itself has reached a spiritual low that requires a new banishment into matter And irrespective of what My adversary and the people who belong to him will undertake in the final analysis it will nevertheless serve the progress of the spiritual substances again, which is meant to reach perfection one day. Therefore My plan of Salvation will surely be implemented, as it is proclaimed in Word and Scripture

Amen
