People lack love and faith

People keep distancing themselves from Me ever further, they want to believe less and less, for since they don't live a life of love they cannot attain a living faith either and a dead faith is completely worthless, because they will easily relinquish it completely when they have to profess whether they are for or against Me. For people will have to make this decision, irrespective of whether it will be demanded of them by the earthly authorities or as a result of harsh strokes of fate, when only the right decision can provide them with help in earthly adversity. Without faith they are lost, for then they belong to My adversary, who wants to destroy humanity's every faith in a God and Creator. Only a life of love will result in a living faith, and then there will be no further danger of falling prey to My adversary. For a living faith establishes the connection with Me and any hardship can be resolved because the human being believes in My power to do so, and also because he is convinced that My love will determine Me to help. Yet people who utterly lack faith in a Being Which is full of love, wisdom and power can be called poor and miserable. For even if they are quickly helped by My opponent in earthly calamities their souls will nevertheless be irrevocably lost, for they have abandoned all contact with Me and are therefore hopelessly subject to him. And many people will have to expect this destiny of being completely controlled by My adversary and will also have to share his fate at the end of the earth, so that they when he is placed in chains will be banished again into the creations of earth and must travel the path through these new creations once more.

Yet this happens in accordance with the will of every individual soul, and nothing can be done for their salvation other than to keep proclaiming the Gospel of love to people, to tell them what will await them if they live without love and therefore also without faith. Time and again people shall be called; time and again they shall be invited to turn their back on the world and to step into spiritual spheres Time and **again** they shall be reminded of the purpose of their earthly life so that they cannot claim to have been entirely without knowledge. Admittedly, they will pay no credence to your words but they shall not be left without warning either, for I will continue to cross their path and by means of misfortunes try to

change their thinking since the possibility of changing their will still remains until their death and no opportunity shall be missed. And thus there will be a never-ending struggle for every soul My adversary wants to keep. And if you, My servants on earth, only succeed in persuading your fellow human beings to believe in a God and Creator from Whose Power they originated if you only succeed in motivating them to carry out deeds of love, then there is also the possibility that they will learn to gain faith, that they will seriously think about it especially when they have to recognise the fleeting nature of earthly things and begin to long for everlasting possessions.

Every change of mind can denote salvation for these human beings, and a person can still change his mind until he dies. This is why you, My assistants, should leave no stone unturned in order to awaken in people the belief in a loving Power Which wants to regain all people for Itself You shall also inform them of the fact that you are in direct contact with this Power and that It conveys comprehensive spiritual knowledge to you which clarifies the human being's real purpose of existence. There is always the possibility that a person will respond and listen to you, and in that case he is already saved for sure, for as soon as I Am able to speak to him Myself he will feel affected by it and form an opinion This is why you are repeatedly summoned to work diligently; this is why I won't stop seeking to attract the love of souls which are still distant from Me. This is why people often suffer great earthly hardship in order to motivate them into performing kind-hearted actions for their fellow human beings. And then it is not hopeless, for every deed of love connects the human being with Me and at the same time disconnects him from My adversary. If only people would believe that only love can deliver them from the enemy of their souls that love would also grant them realisation and could gain them a living faith, even in the Redeemer Jesus Christ. And a living faith in Him signifies definite deliverance from sin and death Love, however, has grown cold and therefore faith has also vanished, and no person can become blessed without love and faith, without love and faith My adversary is still dominating his soul and it cannot enter the life which lasts forever

Amen

People don't know about their immense spiritual hardship

You humans are not conscious of your hardship, yet this calamity cannot be described to you pessimistically enough, so that you will endeavour to remedy the situation yourselves, for you can do so providing you muster the firm will. But first you have to recognise this adversity yourselves You ought to know that you have reached the end of an eternally long process of development through the earthly creation, that you had to suffer indescribable torments during this time and that you now, as a human being, are able to end this state of torment and enter the spiritual kingdom as a free being of light You ought to know that it is your last opportunity to free yourselves from every physical shell, but that you now also have to lead an **appropriate** way of life as a human being otherwise you will fail and the whole preceding path has been in vain You ought to know that you, in that case, will fall back into the deepest abyss again and have to cover the path through the creations in appalling agony once more, constrained in matter

You humans live your lives irresponsibly; it does not occur to you that you are on earth for a purpose you do not concern yourselves in any way with such thoughts and don't recognise a spiritual reason for your existence you do not look for a God and Creator, from Whom the creation as well as you yourselves have originated, you live indifferently and most importantly you live without love. Only love can take you to final perfection, only love guarantees that blissful fate in eternity, since you only need love to attain the last goal: the final release from matter. For although you will enter the kingdom of the beyond after your physical death you will nevertheless not be able to detach yourselves from earth, and then you can still descend further and get banished into matter again. But you can also be caught unawares by the end while you are still on earth, and then you will return to the abyss without fail, from where you had worked your way up already And you will have to bear this awful fate once more, for I cannot digress from the law of eternal order, even though My love belongs to you and will never ever abandon you But I cannot bypass My justice which is equally part of My perfection.

Time and again I call to you: Take stock of yourselves you are travelling the last short stretch of the path. Don't take the wrong path which will inevitably lead to the abyss, but join Me and cover your earthly path holding on to My hand Consider the possible cause and purpose for your earthly existence, and truly, I will illuminate you in this respect because I want you to follow the path to your Father's house, because I long for your return to Me and would like to spare you the terrible fate of a new banishment Realise the fact that you are in tremendous spiritual danger and try to change it, for it is entirely due to your will to fulfil the task on account of which you were allowed to embody yourselves as a human being But you have to liberate yourselves from worldly longings; you should not look at your earthly life as an end in itself but always recognise it as the means to an end

And it will be possible for you to live an expedient way of life if only you endeavour to live a life of love Then you will have escaped the risk of failure in this end period, then you will recognise ever more clearly why you are living on earth, and you will always make the effort to fulfil the will of your God and Creator, you will enter into a father-child relationship, and then the Father will take hold of you and draw you to Himself and never ever let you descend into the abyss again. Listen to My admonitions and warnings, change your way of life, and try to conclude the infinitely long earthly path in order to enter the kingdom of light and bliss after your physical death. And if you muster this determination then you will also truly receive the strength to do so, for I will help you until the end so that you will attain life and not fall prey to death again

Amen

Historic evidence of Jesus and His act of Salvation does not exist

People generally regard Jesus' death on the cross as a purely worldly event, providing they believe in His existence in the first place. They regard His death as the execution of a judgment against a troublemaker; they present Him as a court case based on an offence against the authorities by the man Jesus. And these people cannot find redemption through His crucifixion either, because they don't believe that He died in atonement for a grave sin which burdens every person, and from which everyone who believes in Him and His act of Salvation can be released. Therefore, as long as people have no knowledge of the reasons for the act of Salvation, as long as they are unaware of the immense original sin on account of which people live on earth, as long as they don't know the spiritual correlations which explain this said act of Salvation by Jesus, they will not avail themselves of the blessings of this act of Salvation either. They will only ever regard Him as a person who supposedly had a mission, for they have no time at all for this mission. And yet it is of vital importance for a person's life on earth that he professes Jesus Christ and His act of Salvation, that he tries to release himself from His immense original sin which cannot be redeemed without Jesus Christ, and thus also requires the acknowledgment of Jesus Christ in order to become free of it. And precisely the importance of it the great significance of acknowledging Jesus as Son of God and Redeemer of the world should make you understand why I keep enlightening you about it. This alone should explain My remarkable activity of conveying the truth from above to earth, for no historical evidence can be produced for the sequence of the crucifixion as well as for all accompanying circumstances for Jesus' way of life on earth and His countless miracles, which any person will deny who has no knowledge of the power of the spirit, of the power of love.

People believe mere traditions which were passed on from generation to generation, which cannot be reinforced through evidence and which therefore might just as well be consigned to the realm of fantasy. But time and again people must be informed of the fact that Jesus Christ is their only salvation if they want to enter the realm of blissful happiness after their body's death They must be informed of the fact that they do not

cease to exist when their body dies and that their state afterwards depends on their attitude towards Jesus Christ and His act of Salvation. Faith in Him is so important that everything needs to be done to make it easy for people to gain this faith. And the quickest possible way is through a truthful portrayal of His life on earth, through clarification about His **mission** which was not based on earthly but instead on spiritual reasons. This also requires the truthful passing on of **knowledge** which explains everything that preceded Jesus' act of Salvation Anyone who can be introduced to this knowledge on account of his own willingness to know the truth, will no longer doubt the extremely important mission of Jesus, the human being, and acknowledge Him and His act of Salvation as well as profess Him to his fellowmen. Admittedly, none of this knowledge can be proven to him in an earthly way, but if he accepts the teachings through the spirit he will not doubt them, he will believe them **with conviction**, even **without** evidence, and advocate the truth of it himself. Every person's life on earth is in vain if he does not find Jesus Christ and take the path to the cross. And although it is still possible to accept Him in the kingdom of the beyond, he will nevertheless lose many blessings which he could have used on earth in order to attain the childship to God, which is only possible for him on earth. In the afterlife it is often difficult to receive a little light if the soul is as stubborn as it was on earth and refuses to accept the instructions it is offered by the beings of light. For this reason everything will still be done before the end to bestow upon people the correct understanding of Jesus Christ, wherein you can also recognise the reason for My revelations, for people cannot provide you with the true explanation. However, I will always make sure that the knowledge about Jesus and His act of Salvation is preserved, and I will always correct errors, for only truth is the right light and you will also be able to accept the truth without qualms if you desire it and appeal to Me to give it to you

Amen

Vineyard work according to God's will

Every one of My co-workers is blessed by Me and given the silent assurance of My support as soon as he works for Me. For I need his cooperation, even though it is truly within My power to shape everything according to My will, and thus also to perfect you humans through My will. However, My plan for bringing you to perfection requires the human being's free will, for this reason the redemptive work must also be carried out by people, so that everything takes place within the framework of natural progression and no unusual activity compels a person to believe Time and again I give you the assurance that I will guide your every thought and that you then will also undertake the vineyard work according to My will. Yet I keep reminding you to work diligently and take pleasure in your willingness to help. However, in the final analysis, a blessed vineyard work will always consist of industrious detailed work the distribution of My Gospel will always take place on a small scale, for even if masses congregated in order to hear the proclamation of My Word, My Word would nevertheless only take root in a few hearts where the seed would grow. The success will decrease ever more during the last days, for the majority of people will turn away, they will close their ears because they no longer believe. But I know the individual human hearts and it is to these that I will convey the gifts of grace; I will bring them together with My vineyard labourers in order to speak through them directly

You can believe that I will not leave out one soul where there is still hope that it will gladly listen to Me. And you, My servants on earth, will truly achieve more with diligent detailed work than with major campaigns which will not yield the success you hope for. But if I Myself foresee a success, then I will also guide your thoughts correctly and put the means at your disposal so that you can work again according to My will. Yet you should not rush into things nor worry, just grant Me your will and let yourselves be guided, and leave everything else to Me. How few people are open to spiritual knowledge because only a few have an awakened spirit You must bear in mind that most people don't understand it even if it is conveyed to them because they live without love and are spiritually entirely unenlightened. This is why the spiritual knowledge that originates from

Me directly cannot be distributed to the same extent as any other writing which is and can be offered to the broad mass of population, because the world only appreciates worldly goods. But I know what will be successful, and from My side everything will be done in order to increase the number of those who will be saved, and you should only ever do what is within your power, and always lovingly help your fellow human beings in their adversity. And I will bless every effort regarding this rescue work. I Myself will support them in every way but I also foresee the achievement and therefore also know which work is fruitless, thus I will prevent it so that you won't use your strength and effort ineffectively. Yet the achievements of silently rendered vineyard work cannot be estimated by you, where the souls pick up and observe every thought that moves you, and therefore your redemptive work will never be in vain, for I want to address all souls, which you will always enable Me to do if you unselfishly work for Me

Amen

Strength and self-awareness

Thinking ability - Will

You humans would not be able to exist were you not pervaded by My strength in other words, you would not be alive anymore had your souls escaped from you, which is My once emanated strength and the real life in you. Thus, you are animated by divine strength, which flowed forth from Me, the Primary Source of strength. Those of you who do not believe in a God and Creator consider your physical life a mere natural occurrence which, even though you cannot explain it yourselves, does not particularly occupy your mind; in fact, it leaves you indifferent and might only cause you to think insofar as that you will have to relinquish your earthly life one day, that you are transient, if you don't believe in the continuation of life. However, the fact that the strength from Me, which is the soul within you, is the foundation of the human being's real self-awareness and that you are basically the same in your fundamental substance as your God and Creator, is not something you think about, and therefore you won't make use of your earthly life if you are not conscious of its actual purpose. Every

human being was originally a divine living creation, for the human state is not the **beginning** of his existence but only the result of the beings' infinite aberration, which I once created in all perfection

But it is always the same strength which flows through the once-created beings as well as through people and which enables them to live this strength merely affects the first-created beings as well as people to different degrees that therefore the same strength was once able to be unrestrictedly creatively active, whereas in the human being, because of his resistance to Me which was the result of his past apostasy from Me it only achieves very minimal activity. Yet people's will is able to increase this strength at any time, until they can be fully active again according to My will, if the human being perfects himself on earth. People have no knowledge of this and consider themselves not much different than any other work of creation around them, which are indeed strength from Me as well or they would not exist. For there is nothing that is not permeated by My strength, the works of creation are merely without self-awareness until all individual sparks of strength have gathered again as a human soul and then possess self-awareness again as in the beginning. But with self-awareness, the human being also receives his thinking ability again and this enables him, with good will, to weigh up arising thoughts against each other But a tiny spark of love is in him too, which can also kindle a small light in him, and thus divine powers, which he once possessed and lost through his apostasy from Me, can be awakened again. For the strength which permeates every human being as a **divine** living creation has to take effect in some form or other.

Nevertheless, the human being's will decides whether divine strength is used according to divine will and thus results in a constant increase of divine strength or whether it merely serves the maintenance of the body and is misused again, as before, when the beings' apostasy happened, because these beings were not active according to My will but opposed it with their own **wrong** will Only when the human being is fully aware of the fact that he is God's created being and that his continued existence is therefore only ensured by the permeation of divine strength will he make an effort to use this strength correctly and aim to constantly increase the influx of divine strength. For then he will also learn to love Me Myself,

he will be lovingly active, and the more lovingly active he is the more strength he will have. Everything you see around yourselves is strength from Me, and thus in your fundamental substance you humans, too, can only be My emanated strength, and you should seriously consider that your Creator, being profoundly wise, has given you life for a purpose But your intelligence alone should tell you already that this purpose does not purely consist of earthly accomplishments or achievements and therefore you should not stop asking questions and try to ascertain the reason for your existence on earth Such thoughts are too important to reject if they arise in you, and a person who seriously reflects on them will truly not be left without an acceptable answer, even if it is only mentally imparted to him again. However, anyone who regards himself as so insignificant that he looks upon himself as a coincidental product of natural forces will, at the end of his life, not be able to show any spiritual advancement, he will be in the same state as at the beginning of his embodiment as a human being or have even descended lower still, for he will still harbour the same opposition against Me which once motivated his apostasy from Me And I will not forcibly break this opposition, yet he will have to suffer for an infinitely long time until, one day, he relinquishes this opposition by himself and returns to Me again

Amen

Indication of the adversary's activity

(Speaking in tongues)

You should believe that My adversary will try anything in order to overrule Me, to undermine My activity, to prevent you humans from hearing My Word which signifies light for you in the darkness. And he will always find people complying with his will; he will try to beguile them into believing that they are being of service to Me Myself, and yet they are his servants. He has already largely succeeded in confusing people by igniting deceptive lights for them, so that they believe themselves to be standing in the radiance of light, yet they are far removed from the light of truth. I cannot forcibly eliminate his activity because the human being must make his

own decision as to whether he listens to him or to Me However, as soon as he has the serious will to know the truth he will also be able to recognise it. No person would ever reject My Word from above were he in heartfelt contact with Me and desired the pure truth from Me Yet as soon as he is indifferent or fanatically holds on to spiritual information of unknown origin, he will not be able to recognise the truth and spread his own spiritual knowledge. If he then wants absolute clarity, he must first of all be serious about it, he must appeal to Me Myself for protection from all deception by the adversary And I will protect him and grant him light he can be assured of that. I know what methods My adversary is using and that people are therefore in great danger of falling prey to his temptations. And yet I can only provide them with obvious help when I recognise their will to be of service to Me and the truth Then the adversary's power will be broken. He will no longer succeed in applying his artful deceptions, for then he will always be recognised as the one he is My adversary has many opportunities to work against Me, for he presents himself in the garment of an angel of light, he does not shy away from using My name and causing immense confusion among people. The pure truth exposes his activity and everyone who knows this truth will recognise him, providing he is of good will. Therefore, you humans bear a great responsibility, because it is you who allow his working, you could just as well prevent his activity if you seriously wanted to escape his power and his influence For I will always support this serious will by giving you strength to put it into action. It is always just a certain indifference which allows him to influence you. And if you want to liberate yourselves, then he will often use stronger methods to keep you enthralled: by trying to confound you through unusual phenomena. But then take notice: His activity will not grant you clear light; instead, it will always produce incomprehensible results whose mystic character will baffle you, thus they will seem supernatural, yet they are basically merely unpleasant deceptions from which you derive no gain whatsoever. Can you receive greater clarification than through My Word? For it is comprehensible to everyone and only requires good will in order to be felt by you as 'light'? As soon as something is incomprehensible to you, reject it, for I, your Father of eternity, will always speak to My children such that they can understand Me, but not in a way that you become even more confused than before

Where My spirit expresses itself, there shines brightest light where My adversary's spirit is active, you will always be drawn into profound darkness, by this alone you already know what you should make of experiences which all belong to the manifestations of the end, when My adversary will try anything in order to win people over for him. Therefore beware and don't lose yourselves to him, for as soon as you sincerely appeal for My protection you belong to Me and against Me he cannot win

Amen

Explanation about baptism with water

You still do not understand the spiritual meaning of My Word you interpret the letters intellectually and therefore cannot get the correct results. You cannot understand what I wanted to say when I told My disciples 'Baptise them in the name of the Father, the Son and the Holy Ghost.' By 'baptism' you only ever understand the immersion in water an external formality performed by people to demonstrate their obedience to the commandment of baptism which, however, is and always was merely an accompanying formality but it does not affect the real core of My commandment. Baptism with water as such does not actually effect a transformation of the person, as you humans will have to admit Only the contribution of what emanates from the Father, the Son and the spirit which proves the Father's love, the Son's wisdom and the spirit's strength can cause a change in the human being and is the true baptism, which every person must have received in order to reach his goal on earth: to perfect himself in order to be eternally united with Me.

The Father love is an eternal fire which emanates the light of wisdom the Son, and the strength of the spirit has to express itself as a result. The human being as a weak creature, has to be so permeated by love and wisdom that he in turn attains strength and freedom himself once again. He has to be permeated by My spirit, hence love, wisdom and spiritual strength have to characterise him as a divine living being which has returned to perfection. The human being has to immerse himself in

the sea of My love, he has to be guided into truth, which will always come about by way of My will, My strength and My greater than great love.

Baptise them in the name of the Father be kind when you give them My Word which is wisdom, and thereby enable the working of the spirit in the human being, which presumes an activity of love, because the manifestation of My spirit is the gift of My love which expresses itself in the conveyance of wisdom of truthful knowledge Love, wisdom and strength they have to be truthfully clarified to you humans, and this clarification is a true baptism of spirit which cannot be replaced by an immersion in water.

Try to understand that you humans should not adhere to external formalities try to understand that I truly do not demand outward appearances from you but only ever evaluate what is done in spirit and in truth. And if you now, as evidence of your correct thinking, refer to My baptism by John in the river Jordan, then remember that people knew very little about Me in those days, that outward actions meant a lot to them then, and that every person needed a certain degree of maturity first in order to explain to him the spiritual meaning of baptism. Besides, by their willingness to be baptised by John people proved their desire to come closer to their God and Creator, and in those days this was indeed a substantial spiritual gain. And thus I, too, submitted Myself to this formality in order to legitimise the actions of My forerunner John. It would have been futile to explain the unimportance of this external action to people because they would have been unable to comprehend the pure spiritual truth. The baptism with water caused them no harm, but would only be beneficial to them when they also accepted the Word of God, which John passed on to them

And therefore the human being today will also receive 'baptism' when he accepts My Word, which is conveyed to him by My infinite Fatherly love, and lives accordingly and thereby finds wisdom as a result of love which awakens and activates My spirit of light and strength inside of him However, all this cannot be replaced by baptism with water, the latter will always remain a symbol, an external formality from which people do not want to part because they try to demonstrate everything outwardly and are not content with the value of purely spiritual experiences.

I can only ever repeat that all external actions and customs are of no benefit, that I will never judge a person by his outward action but solely by his inner attitude towards Me and My Word. As soon as a human being accepts My Word, acknowledges it and lives accordingly he will perfect himself while still on earth, because My Word is the water of life which comes forth from the source of all being. And in this water you should immerse yourselves, this water will flow from your body and you will experience the spiritual baptism when the spirit within you awakens to life, when you are permeated by love, wisdom and strength and you once again become the original being you once were, when by the water of life you achieve eternal life which you will never lose again

Amen

Why do people so easily fall prey to error? ...

Truth

It is indeed difficult for you, My servants on earth, to assert yourselves against misconceptions, for everything that comes from the adversary will also be endorsed by him, and he will support those who are of service to him in every way by spreading error and plunging people into ever greater darkness. His worst action, however, rests in the fact that he makes them believe that they are working for Me. And thus you will also understand when it is said that he will appear in the garment of an angel of light, and you will equally understand that truth and error are often close together that the same seemingly takes place and yet it is entirely the opposite, concerning its content as well as its effect. And you will raise the question as to why I allow this to happen, since I, after all, love My living creations and would like to lead them into beatitude You will raise the objection that all human beings strive for happiness and yet can be misled by the adversary and the enemy of their souls. And again, there is only one answer to this, namely, that every person need only establish heartfelt contact with Me and sincerely appeal to Me to protect him from error Then he would also brightly and clearly recognise the error But what causes the adversary to have such a large following why do people allow themselves to be

caught up in a misconception without opposing it? They are indifferent to the truth, they don't deliberate enough on what their fellow human beings tell them, they don't have the desire for the bright light of realisation to be kindled in them And this is because their nature is not yet controlled by love, because they are still too attached to the world and fail to live up to My commandments of love for God and their neighbour, otherwise they would be brightly enlightened and permeated by the desire for truth. They certainly acknowledge the fact that people are required to lead a spiritual life and therefore join this or that school of thought, they allow leaders to push them into this or that direction of thought and do not sufficiently reflect on it themselves because they have not yet found a heartfelt bond with Me which is the result of a life of love

The whole explanation only rests in the individual person's degree of love as to whether and why the human being falls prey to error. Equally, however, the person whose way of life is a life of love will just as surely know the truth And I can only convey the pure truth to earth by way of actively loving people, so that it is always possible to gain possession of the truth, because this is guaranteed by the love within a person's heart. And this, too, is known by My adversary, consequently he tries to distort the concept of love He stops people from correctly realising what they should do in order to gain My love He stops people from carrying out unselfish deeds of love and thereby also from attaining inner enlightenment. He will always know how to nourish a person's selfish love, and for that time the latter will remain in spiritual darkness and think wrongly, for he will be receptive to many currents of thought which originate from the adversary. The human being, however, has free will If he seriously wants to know the truth it will also be imparted to him with certainty However, if a person only relies on that which is supplied to him by another fellow human being without actually experiencing the burning desire to learn the pure truth from his God and Creator himself, then he will neither recognise error nor defend himself against it and My adversary will have succeeded in his work of increasing the darkness; this will become particularly evident at the end of an earthly period so as not to lose his followers who, however, would recognise his true nature and renounce him if they knew the truth. Everyone who reaches out with pleading hands in order to accept the truth from Me will also be able to receive it in abundance, and the truth will

indeed make him very happy. Even so, I cannot prevent My adversary's activity since he is entitled to fight for his followers. And no matter how apprehensible his methods are the human being need not succumb to him because he always has strength at his disposal and because he need only turn to Me Myself in order to be protected from his influence. And truly, My Word is being conveyed to earth as a brightly shining light which can also be recognised by all people as truth However, anyone who is still so entrenched in selfish love will also be instilled by My adversary with the belief that he lives on earth as an elevated spirit, and this misguided point of view entails that the human being also keeps himself closed to every emanation of light which originates from Me directly. And yet the person believes to be of service to Me and is nevertheless not aware of My will which requires him to hand himself over to Me completely in order to then be permeated by Me with the light of truth, in order to enable Me Myself to address him, Who undeniably needs servants on earth but only those who have completely entered into My will and are therefore able to work on earth on My behalf

The vineyard labourers trust in divine guidance

You can always rely on My guidance by merely placing yourselves under My protection and choosing Me as your guide. In that case you can rest assured that I will protect you from My adversary's every onslaught, that you will always receive the strength to resist him if he wants to tempt you, for once your will belongs to Me I Am also entitled to protect you from him, otherwise, however, I will not stop him because he, too, is fighting for the souls so as not to lose them. It is always the human being's own decision to whose power he entrusts himself Yet I will at all times assist the person who has found the path to Me. Then he will also be active in accordance with My will, for My influence consists of encouraging the human being to live a way of life which is pleasing to Me Then he will always feel inwardly impelled to do or not to do this or that and he can be certain of the fact that I Myself place this urge in him, that it is My

expression which is felt by the heart of the human being who entrusts himself to Me. Similarly, I will place the right thoughts into your hearts, My servants on earth, when you work for Me in My vineyard, because this should also be done according to My instructions, even if it occasionally seems doubtful to you. As soon as you have offered your services to Me I will also assign your work to you and you can safely follow your inner inclination. Nothing happens thoughtlessly, I always pursue a specific plan or purpose, and you only ever accomplish what I would do Myself if I lived on this earth in the flesh Thus you represent Me, and you can believe that I place My will in you so that you seemingly act according to your own will, but that this resolve is always caused by Me because you voluntarily offer to work for Me. But not all people pay attention to the inner voice and therefore I cannot speak to them directly, nor can I speak so frankly to them that they will be convinced of being addressed by the Father Himself I must speak to people through mediators whose words they can either accept or reject, yet this is up to them on account of their freedom of will. Nevertheless, no human being shall go without My merciful care, I look after everyone and show them the right path when they go astray For this reason I inform them through My messengers of the right path which they, in their spiritual darkness, often can't find or take a path which leads them astray because it is illuminated by the deceptive lights My adversary has ignited in order to mislead people who want to reach higher spheres But as soon as these call upon Me Myself and appeal for My protection and guidance they are already on the right path and I will send My messengers to meet them in order to assist with their ascent to Me. Nevertheless, My protection and guidance are only rarely called upon, people believe they have enough strength and light at their disposal and that they will then also be receptive to My adversary's influence who knows how to present them with flowery paths and to conjure up the most attractive regions which, however, will infallibly end up in darkness and thus the human being has not ascended at all but walked down into the abyss. Only the person who voluntarily entrusts himself to My guidance can travel his earthly path without worrying, for he will reach the goal He has handed himself over to Me of his own free will, and I will indeed be his final goal, he will join Me, the One he always intended to reach I only want you to voluntarily give Me the right to guide you through your life on earth, then you will

never need to fear going astray or failing, for then you will also always do what is right before My eyes, because this will be in you once you have accepted My will and given up your own will in that case the adversary will have no more power over you because you will resist his temptations, you will remain faithful to Me and I will always grant you My protection

The true church of Christ

Anyone who belongs to My church also has to have a living faith, a faith which came alive through love and thus enables the working of the spirit in the human being, which again is only the result of love. The members of My church will only ever consist of people who are so sincerely united with Me that they feel My presence, whose faith is consequently unwavering and cannot be shaken which stands firm like a rock against every onslaught from outside, on account of which I said to Peter 'Upon you I will build My church' For Peter's faith was strong and unwavering, even though during one hour he did not pass the test of faith, since events precipitated and shook his confidence It was, however, more due to his intellect, which saw no way out from greatest danger, whereas his soul was pushed back and felt abandoned Yet after this test of faith his love for Me grew ever deeper and his faith strengthened, and such faith I also expect of those who want to belong to My church. Then they will no longer fall victim to My adversary and their enemy

A member of My church will always recognise the truth and renounce all error, because My spirit works in him as an indication that he is part of the church founded by Me And where My spirit works there can be no lack of clarity, no doubt and no confused concepts A member of My church will be enlightened and his thoughts will be correct

This church needs no external characteristics, it needs no organisations, because there are people in all ecclesiastical organisations with a living faith who thereby arouse the spirit within them, and they all affiliate themselves to the 'Church of Christ' which, in truth, is a purely spiritual

connection of those who unite with Me through love, who do everything consciously and not as a meaningless external activity which is purely mechanically implemented.

You are meant to be living Christians, always conscious of the fact that you should fulfil the purpose of your earthly life, always eagerly striving to reach your goal, and always submitting yourselves to Me so that I Myself can assume your guidance, and then you will truly reach your goal. For I Am not satisfied that you only fulfil humanly decreed commandments which you were taught during your upbringing, which are pointless and do not result in psychological maturity As members of the church founded by Me Myself you will also always be My true successors, you will always humbly accept all suffering and hardship affecting you, because you recognise them as a test of faith which you should pass, and as a means of help to increase the maturity of your soul For this is what the spirit within tells you, and you will also understand the reasons of what I allow to happen to you.

You will live a second life next to your earthly one, a life in unity with Me, your God and Father of eternity, and this life will guarantee your perfection. Hence every person is able to attain this perfection, irrespective of the school of thought he belongs to, providing he always stays in a living relationship with Me and can thereby also be guided into truth which, however, always necessitates a life of love and a firm, living faith As long as you humans are lacking both you are just dead forms on this earth which eternally cannot come alive, for your external actions will not result in inner changes which, however, are the meaning and purpose of a human being's earthly life.

Join the church which I Myself founded on earth, wake up from your sleep of death, bring the spirit in you to life by doing selfless deeds of love, and you will thereby also achieve a faith so unwavering that hell will fail to shake it And when you possess such faith you will be truly close to Me already, then you will feel My presence, then you will also regain the abilities that were yours before your apostasy from Me. You will become perfect again as you were in the beginning, and your life will be a happy one for all eternity

Amen

The magnitude of the original sin necessitates Salvation through Jesus Christ

If the knowledge of the infinitely long path of development, which you had to travel before your last embodiment as a human being, is given to you and you think about it, then you will also become aware of the tremendous guilt you had burdened yourselves with by your former apostasy from Me Because My sense of justice would certainly not let you endure an excess of suffering if you had not brought it on yourselves. Yet it is not an act of punishment on My part but once again only an act of My eternal love, because I want you to be joyful; however, I cannot give you a blissful life which conflicts with My law of eternal order while your frame of mind opposes Me which is the case due to your past antagonism towards Me. However, as human beings you cannot assess the magnitude of your guilt because your thoughts are only limited. Yet the beings which previously had fallen away had no such limitation of knowledge as you have as human beings instead they were perfect living creations who were fully enlightened. For that reason their guilt is so tremendous that it requires an act of atonement which could not even be achieved with the infinitely long path through creation. Rather, the greatest act of love and compassion had to be accomplished first by the man Jesus in order to make a final redemption of guilt possible which, however, also necessitates the acknowledgement of Jesus as Son of God and Saviour of the world

When you return to the realm of light from where you came you can judge the magnitude of guilt that an opposition to Me had meant. You will also understand that only by following the path through creation can you once again obtain the degree of maturity with which you can also comprehend and accept Jesus'act of Salvation

As human beings, however, you cannot grasp the extent of the immense significance this act of Salvation has for you for each individual soul and you therefore have to `believe'what you are told and accept the divine Saviour Jesus Christ without proof. Then you become free of your former guilt and once again place your trust in Me Who was incarnated in Jesus and at the same time voluntarily return to Him, Whom you once refused to acknowledge and Whom you resisted You humans certainly can be given complete clarification; however, you are not able to understand

everything in your as yet imperfect state. Therefore it will always be an act of faith when you follow the path to the cross but it is also your only and certain salvation because Jesus Christ will then accept the guilt on your behalf, because He died on the cross for the sake of people's sins, He took them upon Himself and redeemed them with His blood so that you would become free of sin And yet, this greatest and most important doctrine concerning the act of Salvation cannot be proven to you You have to believe it of your own free will and without any coercion And you are able to do so because I will never ask of you the impossible and because I will always help you to come to the right understanding.

However, one thing you should not omit or exclude: that you live a life of love because love is the strength which enables you to do everything, because through love you attain enlightenment, and because through love you unite with Me again and establish the condition prior to your fall into sin, when My light could continuously enlighten you. That way I can illuminate you as human beings, as soon as you practise love and voluntarily turn towards Me, no longer oppose Me and open up to Me so that the flow of My love can pour into you without restriction. But this is only possible after you have taken the way to the cross, so that you become free from the guilt of your sins, otherwise you will still suffer in the bonds of the adversary who will prevent you from doing actions of love and keep you in spiritual darkness because he does not want to lose you. Your guilt has been immense but it is redeemed by Jesus Christ Who now has become the visible God for you humans, providing you allow yourselves to be redeemed by Him, because you cannot ever remove your guilt yourselves. I, however, cannot admit you into My kingdom with your guilt because, although I Am in fact a God of love, I Am also a God of justice And this justice necessitates complete forgiveness of sins which you can only find in Jesus Christ, in Whom I Myself accomplished the act of Salvation

Amen

Diseases and cure

If you know the blessing of disease, if you know that disease contributes towards the soul's purification that disease aids your patience and humility to accept My will and you consequently no longer oppose My will if you accept that everything happening to you is recognised by Me as beneficial for you, then you will know that I also recognise the moment in time of your recovery

However, the fact that I will not cure you instantly is due to your freedom of will, for then you would be forced to believe in Me and My might, but you shall attain this faith without coercion Furthermore, you know that the purpose of earthly life consists of providing loving service Thus one will always have to work for the other if he wants to fulfil his helpful earthly task. And thus I will also bless the people who are always willing to help even where it concerns physical ailments and pains, and who are able to do so in so far as that they recognise the cause of an illness and the correct remedies to heal it. For depending on their helpfulness and their love for the weak and suffering fellow human being they will indeed be successful. But in the final analysis every cure is based on My will which therefore imposes a limit on a human being's work when I recognise that the effect of a long illness is of value for the soul. My will determines a human being's destiny, thus it also includes diseases which human will is unable to cure despite all applied treatments.

I will never condemn people's attempt to discover methods which are intended to help those who suffer For as long as loving helpfulness is the reason of all kinds of research My blessing will rest on it too If, however, the motive for producing such remedies is based on the acquisition of earthly possessions, they will generally be ineffective or damaging for the human body despite apparent improvement The most harmless remedies can equally suffice to result in a cure, because it is My will and I deem the moment of a cure to have arrived.

An illness shall primarily further the bond with Me, the human being shall take refuge in Me and appeal to Me Myself for being healed, then I will send people to cross your path who only want what is in your best interests,

whose thoughts will be guided by Me if they are in contact with Me in thought or through a life of love in accordance with My will. But such healers are only rarely to be found, and therefore people more than ever use remedies which likewise originated from unblessed work And then neither the body nor the soul will be able to derive a cure from them because I Myself don't allow that the soul shall be helped **against** the human being's will so that he learns to turn away from the world because the body is no longer able to meet the demands of the world.

Thus you humans can always call upon the help of a physician, but the cure is determined by Me, however, I will often bless the efforts of the latter so that you will recover; yet you shall also derive from every illness a blessing for your soul, that you submit yourselves to Me and My will, that you patiently and gratefully bear the suffering, because it is greatly beneficial for your soul when you prove yourselves during an illness.

But with a rock-hard faith you will also be able to free yourselves from every ailment just as I Myself during My life on earth was able to heal people `whose faith had made them whole'For nothing is impossible to Me and if your love is so profound that it brings forth a living, strong faith then you will not doubt My love and might for a second.

Then you can be instantly healed, because then this recovery will not be **compulsory** faith for you since you **possess** an unshakable faith But which one of you can muster this strong faith? Who can use My might without doubt, who will give himself to Me so completely with the plea to heal him and is also convinced that his plea will be granted? Then any miracle can truly happen, be it on yourselves or on a fellow human being on whose behalf you voice this request in strong faith But anyone who is very sincerely united with Me has already completely accepted My will and lets Me rule and not use his will in advance He will bear even the most difficult suffering with humility in My will and thus render a far greater service to his soul than through the healing of the body But I will always work in you such that your fate will be endurable and when a human being has to suffer immense pain it **also** just expresses My love for his soul, which one day will be grateful to Me in the spiritual kingdom that it was already able to dispose of many impurities on earth, that it was also permitted to remove guilt on earth enabling it to enter the spiritual

kingdom far less burdened, which it could never have achieved with a healthy body

Amen

Everyone would be able to hear God speaking

Just as I originally spoke to the beings having emerged from Me in order to reveal Myself to them as Creator and Father, so I speak today to you humans, who are these very beings The light of realisation you possessed in the beginning, because you were perfectly created, is no longer yours in your human state, for you once separated yourselves voluntarily from Me and therefore stepped out of the state of light into that of darkness But you are wretched in your darkened state and I want to help you become blissfully happy again and must therefore enlighten you again First I must speak to you and inform you of My will so that you as human beings can live according to this will of Mine. For the point is, that you will adapt yourselves to the law of eternal order again, that you will live according to My will, which requires you to fulfil the commandments of love Since, at the start of your earthly life, you are entirely without knowledge you need to be instructed about the meaning and purpose of your earthly life But you also need to be informed of the full truth, this is why I speak to you Myself as the eternal Father-Spirit by addressing the spiritual spark within yourselves, which conveys My Word to your intellect for you to think about it and thus, according to your will, either comply with it or oppose it once again. In the beginning, My Word made you very happy since you thereby recognised My love which time and again expressed itself in the Word. When you were no longer able to hear My Word, because you closed yourselves to My illumination of love, you also lost all knowledge and your state became dark and weak and therefore wretched.

However, if you, as a human being, become receptive to My illumination of love again, then you will be informed of My will which you only need to live up to so as to be spoken to by Me through the spiritual spark and thus, through My Word, receive the knowledge again which will make you happy because you enter the state of light again. My Word can always be heard

within you if your will allows for it, for the connection between Me and you will forever remain on My part, only you yourselves can deliberately disconnect it by consciously turning away from Me Thus it will always be up to you as to whether you allow yourselves to be addressed by Me, but the possibility to hear Me Myself exists for every one of you humans, and every one should use it, for with My Word he also receives the strength to live his life on earth according to My will. Due to your vast distance from Me, which you aspired to of your own free will, you have lost the knowledge and understanding that you are able to communicate with your God and Father directly, that you can enter into a dialogue with Him, that He will answer your questions and that you can present all your thoughts to Him and communicate with Him at all times. And yet, if people inform you of it, you won't believe and ridicule them as fantasists and thereby you forfeit every gift of strength which is guaranteed to you by My Word. And only if you try it for yourselves, if you, after heartfelt prayer, quietly listen within, will the voice gently speak in you and you will be happy, for then you will be touched by My Fatherly love which wants to reveal itself in order to gain your love as well.

Yet only a few put this to the test, only a few desire My communication, and only a few believe that I Myself draw close to people in order to demonstrate the direct bond with them again, because they should recognise Me as their God and Father, Who is supremely perfect and also intends to guide people towards perfection. But this knowledge of My direct communication has to be accepted with faith, for it can only be effective if a person, through living a life of love, has gained the faith that the Father speaks to His child. Only then will he also be able to recognise the results of My Words as truth, and only then will his soul make use of them and advance in its development. However, you humans should always consider that My Words will always be more **credible** than a complete **silence** by your eternal Father For My fundamental nature is love, and you emerged from this love Love, however, always seeks to make contact with that which originated from it. This is why the sound of My Word will always be more credible than shrouding Myself in silence and never revealing Myself as a loving Father For My perfection would have to be doubted were I not to have mercy upon all My living creations who dwell in darkness, and this mercy therefore shows itself by the fact that I let a light shine into the darkness And this

light is My Word which is conveyed to you from above, it is the emanation of My love which only requires an open heart in order to be able to take effect in you

Amen

God carries out his plan of Salvation

You will never be able to prevent Me from implementing My eternal plan of Salvation. I have indeed said that you will be able to avert much from yourselves through heartfelt prayer, but My plan of Salvation is based on humanity's will which I recognised from the start and thus was also able to appoint the appropriate times when the great transformations will take place, and I will indeed adhere to these times. Due to his heartfelt prayer I can certainly avert occurrences from every individual person, I can guide every individual in a way that he will not be affected by the events which I allow to befall people if I want to achieve My purpose: to continue the process of return, which has come to a standstill Yet I have always predicted exceptional events to you, and these predictions will indeed fulfil themselves since they must fulfil themselves if the divine order is to be restored again. And I have truly known throughout eternity at what point the divine order will no longer be observed and have therefore always been able to refer to this time and mention the substantial upheavals which will irrevocably occur according to My announcements. But people will never believe these announcements undisputedly, for what is prophesied to them as shortly forthcoming surpasses human notions

They will certainly be able to recognise the course of world events, that a change will have to happen because people have reached the lowest point, as is clearly evidenced in their self-indulgence and an excessive craving for a good living standard, earthly commodities, honour and power Thus they would be able to recognise by the signs of the time that these announcements have a certain justification, which they ought to take seriously and then live their own life accordingly. But their unbelief is already too great for people to listen to such indications. They unreservedly live a purely earthly life and reject all thoughts of drastic change. And this is

why humanity will be taken by surprise by a catastrophic natural event on a scale which has never been experienced on earth before, which will end many people's lives and lead to unprecedented chaos of huge proportions and mean immense misery for people. This is a last warning sign and shall therefore be constantly proclaimed to people My messengers shall draw people's attention to it so that they will recognise the truth when this event takes place, so that they will make good use of the last days before the soon-following end for the maturity of their souls. Admittedly, they will find little or no belief, and yet I keep instructing My messengers time and again to speak up wherever possible. People don't want to be disturbed in their lives of pleasure but they will get a sudden shock, and the forthcoming event can mean the end for any individual person, and he will be not be able to take his material possessions across with him. And this is what he shall always bear in mind, for even if he is usually not willing to believe he nevertheless knows that he cannot prolong his physical life by even one day because the hour of his death is predetermined, and he knows that one day his end will come and that this can happen at any day, that he will have to leave everything behind which amounts to the purpose of his life. And therefore he should not value earthly goods so highly but procure himself possessions for eternity And he would only be acting intelligently, whereas a purely earthly life is no sign of prudence but only attests to confused thinking

My plan of eternity, however, will be carried out and the day I have set for Myself will be adhered to, because the human generation no longer fulfils its earthly task and will therefore be devoured by the earth with the exception of those who have recognised Me, who believe in Me and remain loyal to Me until the end For the earth must continue to serve its purpose as a place of education for the spiritual substances which are on the path of return to Me And this is why the great work of transformation cannot be omitted and everything has come to pass as I always predicted, because I don't leave people without warning and offer everyone still enough opportunities to find Me and seek union with Me in faith and love. And truly, these shall still be saved before the end I will call them back earlier so that they will not run the risk of descending completely but they can still mature in the beyond Or I will remove them from the earth at the end and take them to a place of peace because they are intended to

populate the new earth again as the root of the new human generation
You humans should believe what I announce to you time and again, for
there is not much time left, and everyone of good will can still be saved, so
that he will not meet the dreadful fate of a new banishment

Amen

There shall be light among people

A vast spiritual region is opened up to those of you humans who allow yourselves to be instructed by Me Myself, because through My messengers and mediators I can convey the knowledge to all who merely desire it and whose life of love enabled them to understand it. This region is closed to your intellectual studies; it is and will also remain unverifiable to you humans until you are granted such bright inner light by the spirit that it is conclusive for you to have the true knowledge. And this spiritual region is inexhaustible, your God and Creator will instruct you constantly and grant you ever more profound realisation if only you would always comply with the prerequisite which is expected of you: that you make heartfelt contact with Me in prayer or through deeds of love, for the bond with Me must be present otherwise you will forever remain spiritually blind For I Myself Am the light, I Am the truth, I Am the spring from which love, light and strength profound wisdom come forth. And this flow can only pour out if the contact has been established, which you have to establish yourselves because you once discontinued it voluntarily But then a region will be opened up to you which you, as mere humans, cannot enter if this contact with Me does not exist. But then everything becomes clear to you, you recognise the spiritual correlations, you understand My reign and activity, My eternal plan of Salvation will be revealed to you and you will be able to comprehend it. You learn about spiritual happenings which form the basis of your existence as humans, you also understand the natural processes and can explain to yourselves the happenings around you, My nature will be revealed to you and many a veil will be lifted before your eyes You will also be able to examine spiritual worlds, even if you are only mentally informed of them at first until your spiritual eye

opens when you have attained a specific degree of maturity which allows for spiritual vision Knowledge you are entirely lacking as humans will be bestowed upon you by My Fatherly love, which would like you to be in the same state again as you were before your apostasy from Me, when you were brightly illuminated by the light of realisation and blissfully happy You are meant to attain this state again and can indeed achieve it during your life on earth as human beings However, you must strive for it, it cannot be given to you You must make conscious contact with Me, acknowledge Me as your God and Creator, as your Father and long for My presence which will subsequently grant you the highly valuable gifts of grace, because My infinite love wants to give itself and thus also wants to once again send you the bright light of realisation, which you yourselves clouded out and finally lost entirely

Now consider the spiritual darkness humanity lives in, consider that only a few people create a sphere of light around themselves, that, in a manner of speaking, merely sparks of light flare up on earth, which certainly could be caught by every person and which would suffice to ignite a light again in a person's heart who would like to escape the darkness. Consider how much happier people would be if only they had a small degree of realisation, which they could raise at any time. Then you, who have already kindled a light in yourselves, will understand that I favour everything which helps to **bring a light among the people** You will understand that I educate My own bearers of light whom I endow with an abundance of knowledge, whom I guide increasingly deeper into the truth, which can only originate from Me and that I instruct these bearers of light to let their light shine forth again, so that it shall penetrate the darkness which burdens the human race It is not My will that you humans leave earthly life in the same darkness as you entered it It is My will that you, in this life as a human being, desire light again and, truly, your desire will be granted, and it will make you happy on earth already when you learn to understand why you live on earth and what your actual task on earth is Only I know what darkness means for a free and blessed spirit which was created in brightest light Only I know that this spirit can only be happy again when it moves within the circuit of My emanation of love I want to draw it into this circuit of My flow of love on earth and therefore repeatedly send rays to him which should kindle a light in him that urges towards

the eternal Essence of light of its own accord It means, that I first grant every person a small amount of knowledge pertaining to spiritual spheres, which the person can increase of his own will. He can constantly avail himself of the flow of My strength of love, he can gain spiritual possessions if he uses this flow of strength for acts of love whereby the love ignites an increasingly brighter light in him And light signifies knowledge, realisation, most profound wisdom but only ever pertaining to **spiritual** regions which are inaccessible to the intellect, because I Myself make a point of instructing those people who hand themselves over to Me and appeal to Me for spiritual enlightenment They may receive extensive knowledge and thus gradually enter the very state of realisation they enjoyed in the beginning. The darkness My adversary had imposed on them will recede, they will attain the light again by having established conscious contact with Me, the eternal Essence of light, and allowing themselves to be illuminated by Me once more as in the beginning, when they originated from Me in all perfection

Misuse of divine gifts (Talents)

Don't believe that you can revoke My eternal order with impunity, don't believe that you will benefit from an action which contradicts My lawful order. And this will always be the case if you wrongly use the gifts you receive as a human being, which therefore trigger functions in you which prompt your will into becoming active The human being is intricately structured, he is a work of creation which testifies to My love, wisdom and might, all his functions are meaningful and can only have been devised by a Creator Who is unsurpassable in His wisdom merely the physical complexion differs, so that not all people have the same abilities at their disposal and their will to make use of them is either weaker or stronger. Thus people are differently talented in their skills and intentions they are also permeated by My strength differently, because it depends on the person's will whether he requests My strength, which is always at his disposal, or whether he only uses his vitality, which also flows to him at a weaker or

stronger rate in a natural manner. A physically completely healthy person can therefore have more vitality at his disposal than someone with an ailing body; however, the latter can noticeably increase his own strength by directly requesting My strength and as a result accomplish achievements which surpass those of his fellow human being. And thus talents are also given to people which likewise express themselves in different ways. All these talents are gifts from Me, gifts of grace which the person should use correctly in his earthly life by being of service to his fellow human being again to the best of his ability, for he will want to develop his talents to either do good or to instil pleasure, providing the person always lives within divine order. Yet everything of a divine nature can also become distorted through My adversary's influence For he will leave no stone unturned in order to revoke the divine order

Consequently, the more enslaved a person is by him, the more the adversary can succeed in destroying his belief in a God, the more he can also influence him into wrongly cultivating the abilities these talents which rest dormant within him. He will remove his sense for everything pertaining to divine order, he will want to destroy the `natural harmony'.... He will always think, want and create such that it will contradict this order, the harmony Then the person's thinking and feeling will become confused through the adversary's influence. And then distorted images will appear regardless in which field a person works. People will think wrongly and put their thoughts on paper, so that writings will arise which do not benefit other people, which present entirely wrong conclusions and which are unable to satisfy a reader who still moves within the divine order And only the adversary's followers will affirm and accept them. Yet their souls will gain nothing, instead they will even lose that which they possess And thus, through the adversary's incentive the most varied talents will be misused What they will then call into life will only ever be distorted images of what I give to people for their happiness The functions of hands, eyes and ears are being misused with inharmonious and distorted consequences, for they are being led by the one who is against divine order, against that which is perfect, and who also induces people to be actively against Me by producing works which testify to anything else but to the **divine** gifts the human being received on the contrary, they originate from a sphere where everything has left the order. And the fact that these

products of satanic activity find recognition again demonstrates people's spiritual state, for their nature was not created such that they lack the ability of making the right judgment, rather, their disbelief is confusing their mind they are unable to think clearly even if, from an earthly point of view, they possess a sharp intellect, yet their spiritual blindness demonstrates itself in their wrong judgment, they are no longer capable of differentiating between harmony and disharmony, and time and again people with the same spiritual attitude will join them and their judgment. And this distortion of creative products is merely a sign of immense spiritual confusion, an obvious sign of My adversary's activity and therefore also a sign of the near end, for the soul's full maturing is no longer assured where almost nothing is within divine order anymore. All My creations testify to wisdom, love and omnipotence and these must also be recognisable in human work and activity, everything must radiate harmony and soothingly touch the human being's soul which is devoted to Me But anyone who is still distant from Me due to his wrong attitude towards Me, due to disbelief or his belief in error will also lose the right sensitivity for any harmony because his soul still belongs to the one who is My adversary

Task to spread the truth

The spiritual wealth you own also commits you to passing it on, and since it is My will that you spread the truth I will also always bless your efforts. Therefore, don't allow yourselves to be discouraged by obstacles or difficulties which My adversary will always put in your way, for if I promise you My blessing My adversary's activity will be futile. I only want you to trust Me completely, I do not want you to undertake anything without having appealed for My blessing and My help I don't want you to forget **Whom** you are working for, because you are not doing earthly work when you try to spread the truth it is the fulfilment of the task I gave you Myself, and even if you work in a more or less earthly way, you will nevertheless only undertake it with the support of spiritual forces which may influence you in My name in every sort of work you do for Me and

My kingdom. For time and again I say to you that people urgently need light Even if only a few ever desire it, but even these few can be effective in their circle, and you will be surprised where the truth from Me will shine to, you will notice the strangest correlations and be happy that you were able to contribute towards the fact that people receive light. And even though My guidance is obvious, people must nevertheless be at work so that everything proceeds within the framework of natural progression and no person is compelled into believing, yet always shows the love, wisdom and power of a God and Creator. However, you, My servants, shall also experience My love and care time after time, for every good Caretaker looks after his labourers. But I also regard My labourers as My children and I will not withhold anything they need from them. Just hand yourselves over to My Fatherly care, give yourselves to Me completely and, truly, I will guide you wherever you go, I will bless your work for Me and My kingdom and make sure it is successful. You should always know that I need you, for people must carry out what I deem to be good and successful, but due to people's free will I cannot work visibly Myself since it must be left up to people as to whether or not they want to accept the truth from Me which is offered to them by you. Nevertheless, they are in urgent need of this pure truth, and therefore I repeatedly try to attract faithful co-workers, and they can be assured of My Fatherly blessing

The embodied light beings'willingness to help

Believe Me that people would be in a dire straits during the last days before the end if I did not continually send messengers of light to earth to bring them light and strength directly from Me and thus contribute towards saving at least those people who have not yet entirely handed themselves over to My adversary. These messengers of light consequently fight against the prince of darkness by exposing the misconceptions which people adhere to, by bringing them the light of truth and thereby also illuminating the path of return to Me into their Father's house. There has to be an activity of strong counteracting forces, for the adversary's power is

great given that people concede to this power themselves with their wrong attitude towards Me, their God and Creator of eternity. They are living in his realm and constantly move in spiritual darkness. My kingdom, however, is the kingdom of light and bliss, and from this kingdom helpful beings of light, motivated by their love towards the wretched, avail themselves to Me to descend to earth in order to help them still find the way back before the end. And since they are only impelled by love for this work of redemption, I accept it and place them where there is a possibility of success, where they are then lovingly active, both earthly as well as spiritually.

For now they are living as human beings amongst human beings and thus although their souls are already fully mature also have to fit in with people. Consequently they do not stand out in any special way but live like everyone else, often in underprivileged circumstances. Yet they will never need to suffer adversity, because they work as My servants on earth and, like a good Master, I will also always take care of all their earthly needs on their behalf. Nevertheless they are not conspicuously noticeable in their environment, yet every believer can recognise them by their unusual mission. For they serve Me as bearers of light, as bearers of truth, which they can receive directly from Me and pass on to their fellow human beings. Only the pure truth can still bring salvation to those people who still live in complete error, in spiritual darkness, and who are therefore at greatest risk of getting lost. For you humans are unable to assess in what danger humanity finds itself during these last days before the end. And this motivates Me to send messengers of light to earth which, as human beings, will then do their utmost to work on My behalf on earth to prevent people from becoming subject to compulsory faith. These bearers of light might well sense where they are coming from as soon as they, as people, receive revelations from Me in order to be able to fulfil their mission For they will soon recognise their fellow human beings' spiritually low level and their hopelessness of ever attaining the light of truth unless they will receive special help And since they themselves will be guided into the knowledge of all correlations by Me through the conveyance of the Word, they will also know that they have come from a different sphere for the sake of a mission.

And yet, I Myself shall keep their origin concealed until they have reached a specific degree of maturity as human beings which, however, they will

only attain just before the end of their physical life, for it is irrelevant for the human being's mission which spirit has embodied itself in him, since all beings of light offering themselves to live on earth for the salvation of people are spirits of love which are close to My heart, and My love to all My living creations is so profound that I on My part do not apply any classification, as is always the case with limited thinking You humans, however, harbour this wish to know about your previous existence, and then I Am occasionally motivated by your love to give you small hints, providing you interpret these indications correctly For in My kingdom are countless beings with the same degree of love whose characteristics even though every individual being is self-aware correspond to a great original spirit again, precisely because of their greater than great love And I also embrace these again with My love and Am present to them on earth in order to support them in their spiritual mission, which is urgently needed because humanity has reached such a spiritually low level that only the pure truth can help it ascend again which you, My messenger, shall receive directly from Me and pass on, so that the error can be recognised so that there shall be light on earth, so that I Myself shall be recognised by people in My whole Being For it is precisely this realisation which My opponent tries to suppress in order to prevent people from looking for and finding the path to Me For anyone who recognises Me in My infinite love, unsurpassable wisdom and overwhelming might will also strive towards Me, and he will be saved from a repeated fall into the abyss

Amen

Jesus as a human being knew of His mission

The earthly path of the human being Jesus was exceedingly sorrowful His pure soul found itself in an impure and dark environment and experienced this environment as torment, on account of which the child Jesus was never able to be cheerful, although He was not yet conscious of the mission the soul itself had offered Me to carry out From time to time the light of His soul's true nature burst through indeed, then My

spirit expressed itself through Him, so that he already performed miracles as a child, which only could be accomplished by a purest being of light in possession of abundant strength and light Yet this only happened now and then in order that the people in His neighbourhood should believe in His mission

And even these remarkable expressions of strength troubled the boy Jesus as soon as He had regained His natural human frame of mind but impelled Him into ever more heartfelt contact with Me, His eternal God and Father, Whom He loved with all His heart, which therefore joined Him ever more to Me so that My love, too, permeated Him ever more until the moment came when He, in brightest light of love, recognised His task until He realised that He was meant to deliver His fallen brothers, until He became aware of the complete act of Salvation and He saw before Him the arduous path to the cross He should take if He so wanted His path of suffering was shown to Him in every detail, the knowledge of which darkened His soul and filled it with fear from which only His burning love for the wretched living creations helped Him escape again Yet He had to struggle with the decision to voluntarily take the path to the cross, He had to be willing to shoulder humanity's every guilt of sin and render such an agonising act of atonement for it that it surpassed all human imagination. For Jesus had not been destined by My will to make this sacrifice on the cross, rather, His soul had voluntarily offered itself to bring the lost children back to Me. For this purpose it lived life on earth as a human being and then had to struggle to make this decision again as a human being, because free will was decisive again too, for I would never have destined a human being to make such a sacrifice of atonement against his will, because only a sacrifice made by love was able to redeem the original sin of the fallen beings. And the sacrifice not only involved the act of crucifixion, the days of most bitter physical suffering and humiliation inflicted on the human being Jesus by My adversary's vassals, but His whole earthly life was a path to the cross, because His soul suffered indescribably, having descended from the kingdom of light into the kingdom of darkness.

And Jesus very soon knew the cause and purpose of his descent to earth and this knowledge burdened the `human being Jesus' beyond all measure, so that He undeniably travelled the path across earth as a **human being**

yet the pleasures of earthly life were denied to Him, which every human being enjoying his earthly life was usually allowed to take pleasure in with impunity For His life was constantly overshadowed by the events ahead of Him which since He was merely human constantly frightened Him and never let Him be cheerful Only in his refuge with Me did He find peace and strength and then, due to his ever-increasing love, His will to make the sacrifice grew constantly stronger too, and He carried the heavy burden of earthly life consciously and only ever endeavoured to do My will and help His fellow human beings And this also steadily increased His strength enabling Him to work miracles and thereby helping his fellow human beings who needed His help. Yet His mission before the actual act of Salvation consisted of preaching the Gospel to people, to proclaim My will to them and to admonish and encourage them into leading a loving and righteous way of life He brought people the truth which had no longer been recognised for a long time already and which had to be imparted to people in all purity again in order to induce them into a right way of living, so that His act of Salvation would then also be correctly understood and accepted by people who made the effort to live a life of love.

He led the way which all should follow who wanted to return to the kingdom of light, to Me, and who would be able to do so after Jesus had redeemed the original sin through His death on the cross. This act of mercy by Jesus had such enormous consequences that you cannot receive enough clarification about it. Time and again the knowledge of it will be truthfully conveyed to you again, for you should not just see in Jesus the human being Whose life was prematurely terminated by other people, but you should recognise His great mission, for Jesus'act of Salvation is of such immense significance for you humans that it is imperative for you to accept it if you ever want to escape the kingdom of darkness and be admitted into the kingdom of light. And you will only accept it if you are instructed of it absolutely truthfully, which always happens through My spirit which alone guides you into every truth

Amen

Cause of Lucifer's apostasy from God

When I called miniatures of Myself into being I was motivated to do so by My infinite love which wanted to give itself away, which wanted to create vessels for itself in order to flow into them My love demonstrates itself as strength, and this strength wanted to be creatively active, and thus My creations because My strength flowed into these vessels likewise had to be creatively active again, for these beings, as images of Myself, had the same intrinsic creative urge which impelled the constantly inflowing strength into activity again, because the strength which emanated from Me as the primary source of strength constantly created life. And thus you will understand that all beings which had come forth from Me were in a state where they knew no restriction in the creation of manifold works, which made them blissfully happy but that they, like Me, were not subjected to any restriction either, for My love was infinite, and thus My strength of love flowed into all beings in order to give them pleasure.

Neither did the being's creative activity ever come to a standstill, because My strength had no limitation, it will never spend itself, it will always and forever flow, and thus new creations will eternally arise, just as all My once emanated beings will receive My unlimited strength for creating and shaping as long as they open themselves to Me, i.e., as long as they do not resist My illumination of love. And this blissful state truly would never have needed to end because I, for My part, would never have imposed a restriction on the beings and thus they never needed to fear a lessening of strength either. And yet a change occurred in the beings' greater than blissful state caused by a situation which the beings considered to be imperfect: the fact that I Myself, their God and Creator, was not visible to them as a being like themselves, that they indeed knew of Me as their Father from Whom they had originated, but because I did not visibly present Myself to them they looked at it as a limitation of My perfection. They began to entertain wrong thoughts since they did not openly raise this question with Me Myself, which I would have answered so that they could have realised and corrected their wrong notion

But they believed they could conceal these inner doubts about My perfection, and yet I knew of them However, I did not use coercion but

gave their thoughts free rein which they nevertheless misused For they also recognised the same doubts about My perfection in the first being I had externalised and whose beauty radiated in supreme brilliance For eternities this being had given Me all its love indeed, and in this love it was exceedingly happy and shared My will even though its will was also free.

Yet now and then small doubts arose even in this brightly radiating being because it could not see Me either. Nevertheless, time and again its great love for Me suppressed the emerging doubts, and it gave itself to Me finding its beatitude in constantly creating same-natured beings by means of its will and the use of My strength. Yet this doubt about Me kept emerging and he, too, did not put it to Me, which he could have done He nourished the doubt so that it became increasingly stronger and reduced his love for Me But thereby he also weakened himself since his reduced love for Me also lessened My flow of love and thus restricted his creative activity as well.

Had he been able to see Me it would not have been possible for him to turn away from Me, yet the fire of My love would have consumed him, for no created being is able to look into the primal fire of My love without ceasing to exist He knew it, too, because he possessed supremely enlightened awareness, yet he played with the thought to be greater than Me because he radiated in brightest light and supremely perfected beauty He could not imagine any being to exceed him in light and beauty, and therefore he also claimed the right to rule over all created beings, whom he undoubtedly had created but the strength to do so he had received from Me. He now saw his power in the host of the spiritual beings and therefore believed himself able to do without My strength, he believed that he had withdrawn it from Me through the creation of the countless beings, and the fact that I did not visibly present Myself to him was regarded by him as evidence of My powerlessness

And I did not disillusion him because I had externalised him as a completely free being which I will never ever compel into changing its will and its thinking even if he keeps his distance from Me for eternities. Now My strength met with opposition and resistance, and consequently it remained completely ineffective. And now this, My first-created being, is no longer capable of generating any works of creation, yet it believes itself great and

powerful because it looks upon the immense number of spiritual beings as his possession, who, like him, had revolted against Me and rejected My illumination of love They, too, are incapable of any activity, because they also moved infinitely far away from Me. But it was their free will, which I respect and thus they will remain distant from Me until they voluntarily approach Me again and appeal to Me for My illumination of love Even the first-created being My present adversary will take the path of return to Me one day, sooner or later he, too, will long for My illumination of love again and voluntarily accept it from Me, because one day he will give up his resistance, even if it takes an eternity Yet everything that was once emanated by Me as strength will inevitably return to the eternal source of strength again

Amen

True church service requires a Father-child relationship

Many people believe that they think and act religiously, but they lack the right attitude towards Me They certainly think of Me as their God and Creator, but not as their Father, and thus they do not establish the relationship of a child to its father. As a result they will not confide in Me in prayer either, they only see the distant almighty God in Me to Whom they are subjected as human beings, and Whom they rather fear than love because they are still unable to recognise My true nature.

And again it has to be explained that the degree of a person's love determines his correct attitude towards Me that love will recognise the Father, Who is love Himself, and that the human being will then strive for Me with love and call to Me as My child. Only then can one speak of a person's `religious' way of life, because this way of life will lead back to Me for sure. But as long I Am still a person's distant God and Creator Who, due to His might, will have to be feared, there is little prospect that the person will approach Me with love. He will merely fulfil, as a matter of formality, things which are demanded of him by his church. He is only motivated by his upbringing to conduct himself accordingly but this will not guarantee a change of his inner being, which is the purpose and goal of earthly life.

Consequently, if you humans experience heavy strokes of fate they are only intended to make you come alive, to forego mere formality and start thinking more about God, Who created you to start pondering why you are living on earth, and then voluntarily surrender yourselves to the power to Which you owe your life: because your indifferent attitude about Me will not result in your spiritual advancement However, if you seriously want to know what your God and Creator requires of you during your earthly life you are certain to find out. First of all you should ponder the nature of your God and Creator, and the urge to act with love will be aroused in you because this is My voice with which I Am speaking to your conscience and initially make Myself known to you.

By following the voice of your conscience you will come closer to Me, and then you will also establish the kind of connection with Me which corresponds to the relationship between a child and its father My gentle voice will always direct you towards actions of love which will bring you the light of knowledge and with it an understanding of My nature, Which is love Itself Then you will leave `empty formalities' behind and become alive in your essence and actions. You will no longer perform formal acts but begin to lead a second life next to your earthly life You will have set out on the spiritual path, since due to your new life of love you will be inwardly driven towards Me.

And thus you know that everything which tends towards love, is taught by love and is the activity of love, is good and acceptable to Me. For love is the indicator of truth and also the indicator of a person's spiritual maturity who, as My representative, wants to lead his fellow human beings to Me. As long as he has no love himself, his `preaching' will be without strength too; it will be a formal, lifeless service without benefit to anyone because I Myself Am distant to him, since only idle words are spoken which can never reach My ear. Only the close relationship with Me established through love will make your thinking, willing and actions come alive. Only then will you come to life yourselves, because as long as you are without love you are still dead.

And thus, taking part in a `church service' is always just an external formality, and there can be no question of My presence as long as you humans only believe in a God and Creator but do not find the right attitude towards Me

.... First you have to come to the Father as children and trustingly talk to Me, only then can you be sure that I Am close to you. And then your faith will also have come alive, because a `child' will always endeavour to fulfil its father's will. It will no longer just comply with external formalities but desire My presence with all its heart, which it will certainly also receive.

I only want you to come alive, to abandon useless habits and customs which you were taught to observe, but which are and remain completely worthless for your soul. You will only be able to love Me when you recognise Me as a Father, and only then will you fulfil the purpose of your life on earth Only then can you mature, which is always achieved by love alone

Amen

Calling upon the `Holy Spirit'...

You humans often call the `Holy Spirit' that it may come upon you, and you are unaware of the fact that it is within you and only requires your free will so as to be able to speak to you The spirit is part of Me, it is inseparably connected with the Father-Spirit thus it is a divine spark which was added to your soul when it incarnated on this earth as a human being, in other words: you once emerged from Me as an emanation of love and therefore consist of the same fundamental substance as I Myself This substance solidified after your past apostasy from Me and you, who once had been full of life, became lifeless beings. For My strength of love permeated you and this strength was only able to be constantly active. However, since you rejected My strength of love it also left you incapable of any kind of activity. And you are still in this weak state when you enter the earth as a human being. In order that you will be able to accomplish the task given to you in your earthly life I radiate a spark of My eternal strength of love into every human heart, which thus is My share again You are alive with the once emanated strength and that means that you are in possession of vitality, that you can be active in an earthly way and therefore also comply with your task as a human being Your real task, however, is and remains your spiritualisation, the retransformation of your nature into its original state. And you can only accomplish this task if you

change yourselves into love In order to be able to do that a spark of love has to be radiated into you first, since you, due to your past apostasy from Me, are completely without love. **This spark of love** is the emanation of Me Myself it is the emanation of **My spirit** into your soul which, however, only awakens you humans into life if you apply your will You all possess the spiritual spark, which is part of Me Myself, within you Hence it need not come to you anymore, it is inside of you but can only manifest itself if, through a life of love, you provide the possibility for it, because it will not impose itself and influence you **against** your will in any way Therefore you can at all times awaken the spirit in you but you will not be compelled to it.

When you pray for the Holy Spirit to come to you, you demonstrate your lack of knowledge regarding the right correlations, furthermore, you prove that you have a false concept of it, because you personify it to a certain extent and call upon it as an entity It is, however, My `emanation`, for I Myself Am the Holy Spirit of eternity, and I Am present to anyone who calls upon Me. However, you must never think that the spirit you call upon is separate from Me, and it will and cannot comply with your call as long as you do not shape yourselves into love, for even if My strength of love is unlimited it will never be able to radiate into a closed heart, and a heart remains unreceptive as long as it is **unwilling** to love since precisely due to the spiritual spark or spark of love it received from Me it is **capable** of loving Willingness to love, however, prompts the spirit to reveal itself to you, even if you don't call upon it expressly It is within you but will remain silent as long as you disregard love, because it is love itself and therefore can only speak to love. It is inseparably connected to the eternal Father-Spirit, and therefore enables `My spirit'.... or the divine fire of love to flow into you humans in abundance and thus cause the spiritual spark to continuously educate you from within; for then divine light of love must also illuminate your hearts and that signifies brightest realisation, it signifies the receiving of knowledge which corresponds to the truth, because My spirit knows everything and can therefore only impart the pure truth to you. Therefore you can only ever pray that I Myself may be present to you, but this also requires you to shape yourselves to love, otherwise the Eternal Love cannot be present to you. You can therefore only pray to be granted the strength to fulfil My commandments, then you

will always become aware of My presence, for with every work of love you draw Me close to you because I Am Love Itself And then I will also work through My spirit in you, as I have promised you

Amen

Question: What would have happened had Adam not failed? ...

I want you to ask questions so that I can instruct you truthfully For these questions, too, are placed by Me into your heart because I know what you still need, and I want to give you enlightenment. You humans will find it impossible to understand all spiritual correlations down to the last detail as long as you are not yet so perfected that I can completely permeate you with the light of My love which then will also guarantee you brightest knowledge. Yet I can already inform you beforehand in relation to your intellectual capacity so that you need not fall prey to wrong thoughts and become receptive to misguided teachings:

The guilt of the beings which had fallen away from Me was immeasurably huge However, it primarily consisted of the fact that they no longer wanted to acknowledge Me despite their state of light which clearly revealed their former origin to them. They sinned against Me in spite of better knowledge. Nevertheless, My love for them was so great that I made their return to Me dependent on their full acknowledgement of Myself and the admission of their guilt to have sinned against Me as their God and Father. But it always has to be emphasized that due to their apostasy My adversary had taken possession of the beings and that they were too weak to remove themselves from his power Only love could give them the strength to free themselves from him Love was the only means which rendered the adversary powerless, only love could conquer him Yet the beings had voluntarily renounced love, they repelled My illumination of love and thereby were completely at My adversary's mercy. I, however, gave the first human beings the opportunity to accept love from Me again I endowed them with every gift and ability, and they had dominion over the whole earth I offered them an infinite measure of love which they merely needed to reciprocate by fulfilling My not too difficult commandment

By reciprocating My love they, in turn, would have gained a measure of strength with which they could easily have resisted My adversary and released themselves from his bondage, and by fulfilling My will they would also have confessed their past sin they would have entered into My will again and every being, living on earth as a human being after them, would have done the same

And thus humanity repentantly would have returned to Me within a short time, for Adam's inherent strength as a result of his **right kind of love** would have transferred itself onto all his descendants, the complete spiritualisation of the once fallen beings would have proceeded swiftly, precisely because the first human beings would have recognised their immense original guilt and through heartfelt love for Me would soon have removed it. For a sin against love a sin against Me Myself could only be cancelled through love again And truly, what I bestowed upon the first human beings when they took possession of the earth should have ignited their love into a brightest blaze For I only demanded 'love' as atonement which was then because Adam and the human generation had failed shown to Me by the man Jesus to such an extent that he thereby has redeemed the immense guilt **Only love was able to atone this guilt.** And the first human beings truly could have mustered love, for their surrounding creation offered them incomparable glories which, after the agonizing state of constraint, made them blissfully happy and this beatitude could also have triggered a divine love within themselves, a love which only ever had to give thanks and praise and could have inspired their deeply felt devotion for Me

Yet for the sake of testing their will, which formerly had been misused, I also had to grant My adversary the right to fight for his followers during their earthly life. And in order to reveal to the first human beings the great danger of a repeated offence against Me I only gave them an easy commandment which they were able to fulfil and had to fulfil if their love for Me would have reached this said degree which ensured their complete devotion to Me, which totally would have deprived the adversary of his power. He, too, tried everything to bring the first human beings to fall, and thus he opposed My easy commandment with a promise which, however, because he was My adversary consisted of a lie and he impelled the human beings into

a wrong kind of love He promised them that they would be `like God' if they transgressed My commandment, he portrayed Me as a liar, since I had announced their death if they disobeyed My commandment And people believed him, not Me. And this was the repeated grave sin which also placed all descendants into a state of weakness so that they could no longer liberate themselves from the adversary on their own and which subsequently necessitated Jesus Christ's act of Salvation, if people should one day be delivered from utmost adversity

Time after time I emphasize that **only love** was able to atone this immense guilt, that Adam would indeed have been able to demonstrate this love to Me but that due to his fall and after his fall no being was capable any more to muster the kind of love which would guarantee the redemption of the immense original sin and that the loving act of redemption therefore had to be accomplished by Me Myself, Who manifested Himself in the human being Jesus

Thus the human being Jesus had an abundance of divine love, and in His love He suffered the sacrificial death on the cross, because no human being would have been able to return to Me without this act of Salvation, because My adversary will not release any soul and on its own it is too weak to liberate itself from him And since I knew since eternity that the first human being would fail, Jesus God's only begotten Son offered Himself for this act of Salvation, and He accomplished it because His love for Me and for all wretched souls was beyond measure

Amen

Purification of Christ's spoilt teaching

The reason for the present transmission of My Word by which I send the pure truth to earth is the very spoilt teaching that is proclaimed on earth as the doctrine of Christ It is no longer the pure Gospel as brought by Me through Jesus to the people His Words have been subjected to many changes, a lot is no longer understood properly and much is also misinterpreted Over a period of time the Word, which is described as `My Word', has caused differences of opinions which resulted in divisions

amongst those who campaigned for the truth of their own points of view Words with a spiritual meaning were interpreted in a worldly sense, and people hold on to this tenaciously because they simply cannot understand the spiritual meaning any longer. The result is a structure of faith whose teachings completely diverge from what I Myself brought to the people when I lived on earth As a result many people are no longer spiritually approachable at all because their intellect refuses to accept teachings which they regard as obvious error, which has indeed crept into the truth and which is now only upheld as truth by fanatics Such a distorted doctrine has to be purified if it is to be of any benefit for people's souls.

Hence this intention is the basis for My new direct revelation, which can be recognised as divine revelation by every willing person. But only the willing person will accept and acquire the pure truth again, and he will be able to see that and where humanity was moved by misconception until now. However, even this process of transmitting the pure truth of correcting misguided teachings can only be accomplished in a completely normal way. No unusual signs may decisively or forcefully influence the faith of other human beings Consequently, this task is not associated with strange phenomena, the transmission from above takes place in a most natural manner whereby a person hears with his spiritual ear what I Myself tell him and he transcribes My Word as he receives it from Me. Thus there is available evidence now and the person cannot be wrongly accused of confusion, self-deception or a deliberate literary work with the intention of deceiving or startling other people. The process of receiving spiritual messages cannot be denied because there is written evidence for it. And yet every individual human being has the option to accept it as credible or to reject it in order to retain his religious liberty.

However, the misguided spiritual knowledge which has crept into people's thoughts urgently needs to be examined and exposed as wrong and useless or dangerous for the development of the soul Because error can never lead to Me, the eternal truth As a result, the majority of people are taking the path which leads away from Me, and these people shall receive clarification, providing they want it and are willing to accept it And this task by the person I have chosen will be supported by Me in every way, because it is a necessary work to combat My adversary's activity, who will

always fight the truth by seeking to contaminate it with error in order to prevent people from attaining the light of understanding. Therefore I will indeed bless everyone who contributes to this important work by wanting to spread the spiritual knowledge, conveyed to earth by Me, among his fellow human beings. For truth is a light which should shine for all who want to take the right path to Me, to their Father of eternity, Who can, however, never be found by way of misguided teachings For this reason war has to be declared on error, as well as on the one who has brought error into the world. And yet, truth will only gain entry into human hearts where there is a desire for it Because this desire proves that they also desire Me Myself and want to become free from the one who would like to keep them in spiritual darkness They shall receive the pure truth, and therefore the teaching of Christ as it is currently preached to people shall be cleansed, and My uncontaminated Word shall be made accessible to people once again, so that they can become blessed, because only truth comes from Me and only truth leads back to Me again

The most important commandment has to be fulfilled: Love

You, who want to serve Me, will repeatedly be reminded of the immense spiritual darkness which necessitates My Gospel to be carried into the world, which alone is the true light that can penetrate the darkness providing it is offered in all purity, just as it once originated from Me and is now conveyed to you from above to earth again. For only **truth** is the true light but what became spoilt will only ever intensify the darkness. However, the reason why the darkness is so extensive is because many lies and errors were added to the spiritual knowledge which guaranteed the most brightly shining light when it came forth from Me.

And so it is necessary that people are correctly instructed, that they receive clarification about areas which so far were closed to them or were not truthfully brought to light. It is only important that people change their nature to love, that they overcome their selfish love and change it into selfless neighbourly love And this important teaching, the fulfilment

of My commandment of love, was placed into the background whereas other teachings came to the forefront and people's endeavours were pushed in the wrong direction. Commandments are being observed and fulfilled which are utterly immaterial and don't lead to any kind of advancement for the soul. And love is being put aside which simultaneously means that the light cannot shine brightly, that it only glows faintly that people's realisation, their knowledge of truth, is therefore poor that they exist in a spiritually darkened state, that they have an entirely wrong view of life, that they only ever strive for material possessions because no inner light is shining for them, which can only be kindled by love.

If all preachers preached nothing else but love if people were only ever encouraged to give up their selfish love and practise selfless neighbourly love truly, then they would also live in the light of realisation, they would recognise the irrelevance of earthly commodities, they would establish the right kind of relationship as of a child to its Father, for all this results in selfless, divine love Instead people are given misguided teachings, they are obliged to perform deeds and customs which can only be valued as external formalities and can never result into changing the state of the soul, because I only value what results in a living relationship with Me and this living bond with Me can only be established through kind-hearted activity. And therefore I will continue sending My messengers into the world to proclaim the Gospel of love to people And I Myself will always convey the pure Gospel to you who want to accept it and pass it on For by way of divine love, which you ought to practise, you will attain a living faith, you will arrive at the inner certainty that I Am close to you and that you can associate with Me directly. And by way of the light, which was kindled in you by love, you will also receive the kind of knowledge which corresponds to the truth, you will no longer live your earthly life in a blind state but possess truthful knowledge regarding the reason for your life on earth and the goal you are supposed to reach hence also regarding the earthly task you ought to fulfil.

And as soon as you know the truth you will also achieve spiritual progress, your earthly life will not be in vain, you will become more and more perfect which, however, is only the result of receiving the pure truth from Me. And this is what you much search for and desire, then you will also partake

of it Then you will always be considered by Me, and then My adversary will have lost all claim on you, as soon as your nature has changed itself into love again, as you were in the beginning

Following Jesus: Bearing the cross

You will always cross the bridge to the spiritual kingdom if you follow Jesus, the divine Redeemer, Who established this bridge for you humans and walked the path before you. He Himself bridged this broad gulf between the earth and the spiritual kingdom through His act of Salvation, He walked the most arduous and painful path to the cross and thereby built the bridge into the kingdom of light which can be crossed by every human being and will always lead to the right goal

The path of following Jesus has to be taken, that is, just as He had accepted all suffering out of love for the wretched human race so the human being, too, has to take the path of love and suffering, he has to endeavour to follow Him in order to purge his soul even though the human being Jesus had taken all guilt of His fallen brothers upon Himself and thus the immense original sin is redeemed through the crucifixion, through the act of Salvation His soul can only get cleansed and purified through love and suffering, and it has to accomplish this purging while still on earth if it wants to achieve the degree of light which guarantees its happiness. For the human being lives on earth in order to free his soul from all impurities, from all vices and longings, weaknesses and bad habits, which still cling to you as a result of your past apostasy, which it should and will be able to shed if it patiently travels the earthly path in suffering and makes an effort to live a life of love. For love is the most assured means of purification, love dissolves all impurities and layers which still burden a soul. And suffering humbly endured is likewise suitable to crystallise the soul, which then has become receptive to light and translucent when it enters the realm of the beyond.

For this reason Jesus spoke the Words `Whosoever will come after Me, let him take up his cross'No human being will be entirely spared suffering,

even if the weight of burden varies with each person. Yet earthly life is not the ultimate fulfilment, it is only ever a preparatory stage for the true life in the spiritual kingdom And any load the soul is still burdened with on earth can only raise its beatitude in the beyond, providing it is humbly endured as God's will. Thus the human being shall take the path of following Jesus of his own free will He himself has to want that his soul should attain greater maturity on earth, he consciously has to decide to follow Jesus, he also has to acknowledge His act of Salvation and make use of it for himself. For no earthly existence, no matter how sorrowful, will ever help the soul to perfection if the human being does **not acknowledge** Jesus, if he does not make use of His act of Salvation and its blessings, if he does not believe in Him and the fact that it was **God Himself** Who accomplished the act of Salvation in the man Jesus. Then his earthly path can be as wretched as anything, he will not derive any benefit from it for his soul, for then he did not voluntarily `follow Jesus'....

However, the more you humans are filled with love the less you will be weighed down by suffering, for love is the best means of release, the fire of love will dissolve the soul's every layer, it will melt away everything that is unclean and hardened, love will achieve the soul's purification within a short time, and the extent of suffering can be reduced where love is already dealing with the soul's purification process

And therefore the human being will have to be of service to a large extent in order to express his love thereby, for love impels people to be active, and as soon as it thus unselfishly applies to another person the human being will constantly perform labours of love, and then he will travel the path of following Jesus, Who time and again was likewise impelled by love to accomplish helpful acts, Who aimed to alleviate his fellow human being's suffering and distress and used remarkable strength in order to help his fellow human beings.

And thus a constant willingness to help will be a path of following Jesus, because it demonstrates love, which can only ever have a beneficial effect, both for the provider as well as for the one who accepts the help For love is the most Powerful, the Divine, which has to lead to the soul's perfection without fail, which has to purge a soul and make it receptive to light love is the final objective on earth, because it leads to unification with the

Eternal Love, because it restores the original state of the created being and therefore also has to guarantee supreme bliss, which the being then finds in closest unity with its God and Father of eternity, from Whose love it once had emerged

Effect of free will

Sudden death

Even world events proceed according to My divine will. Although human will is the driving force I nevertheless knew people's will an eternity ago and direct the outcome according to My wisdom, so that, in the final analysis, everything can contribute towards the souls' perfection as long as they don't openly reject it, that is, deliberately strive downwards due to their association with My adversary. For every event can have positive as well as negative effects, every event can be experienced by one person i.e. his soul as helpful, whereas for another it can be an obstacle towards higher development. I, however, know the outcome and therefore allow the human will its freedom. But the consequences have to be accepted by people again who seemingly had no part in it, nevertheless they, too, have to suffer such strokes of fate in order to mature fully Everything is known to Me for eternity, and My plan of Salvation was based on people's free will And human will sometimes causes confusion on a huge scale, the consequences of which must be endured again by the human race For as soon as divine order is ignored, chaos is the inevitable result, and people will subsequently have to suffer under this chaos. Yet it is the time of the end where almost no-one lives in divine order anymore, where only a small part of humanity endeavours to live according to My divine will, while all others transgress the law of order and thus a state of lawlessness is recognisable which results in lack of peace, hatred, hostile conflicts against each other and totally disorderly situations, in all sorts of miserable conditions For calmness and peace cannot reign where spirits of darkness are evoked through actions adverse to God there can be no happiness and no order where love does not exist, and love has grown cold

among people. The prince of darkness incessantly impels people into acts of hatred and unkindness, and only ever greater misery can come out of it even if it is kept hidden from the general public it will nevertheless be recognised by every person who still wants to abide by the laws of eternal order.

However, I have also designated an end to this behaviour by people, to their sinfulness, which is expressed by their activities, for soon the time will be fulfilled, and soon everyone will have to reveal their own attitude and justify himself for his innermost feeling, for the time will soon expire which was granted to My adversary and which he has truly used well The eternal order will soon be established again as it was promised in Word and Scripture. Many shocking events will still take place before the end, people will be subjected to many rude awakenings and become conscious of the fact that every day could be their last and good for him who lives his earthly life appropriately. Nevertheless, My messengers will always inform them of what the human race can still expect Time and again My obvious activity will be pointed out to people, which could provide them with the evidence of a Power Which is in charge of everything, Which directs everything according to Its will, but without excluding people's will. Yet you humans can certainly take actions, in a good or a bad way but the effects of your actions are determined by Me, as I Am aware of all people's will and therefore always protect those of good will, even if they are plunged into greatest anguish through human will In that case, it will only be a blessing for their souls, and one day they will recognise My guidance and nevertheless be thankful to Me for the arduous destiny imposed upon them. However, you should always bear in mind that I will never enslave the human being's will, that every person can think and want at his own discretion, but that every person must also accept the consequences of his will, that one day every person must give account of his will, regardless of the outcome of the implemented action. And My permissions are indeed justified, even if you are unable to understand this because you know that I Am not lacking the power to stop another person from implementing his will. I, however, have a view over every person's progress of life, I know his maturity of soul and I know, what can still serve him to raise the latter I also want to confront every person with their own death, which no-one can avoid when it approaches him. And if I merely achieve that it reminds all

people of the fact that they, too, can pass away at any minute, it is already an achievement for the individual person's soul. It is an approach by Myself, it is My direct intervention in his thoughts, which he then will certainly be able to direct according to his will but which can also lead him to the right path, because I leave no stone unturned in leading people onto the right path and because I alone know the right means in order to still achieve small successes, to gain a few souls before the end, which is not far away anymore

The final powerful work of destruction I.

Even if you are constantly made aware of the end your faith in it is nevertheless not alive enough to seriously prepare yourselves for it You are facing such an extraordinary event that it is difficult for you to believe since nothing remotely similar has ever taken place as far as you can ascertain from the past. The individual periods of Salvation are so long, and besides, it is My wise intention that you should not be able to estimate the interval between the beginning and end of such an epoch and that you should lack all knowledge in this regard. For even what you think you can ascertain by way of research is not reliable information, it will always remain unverifiable assumption. And thus the forthcoming work of destruction, which will totally change the earth's surface, will indeed affect the whole of the earth, yet it will only be consciously experienced by the few who, as the root of the new human generation, will be carried away before the end. And they will in fact still remember the old earth, however, the new period will start so entirely differently that people will soon get used to living in a completely new world and thus their thoughts utterly distance themselves from the events on the old earth It will only affect them like a dream since the new earth will present them with entirely different problems because they are spiritually minded and only ever try to come closer to Me. Worldly thoughts will dwindle, but the spirit will already be remarkably active and the souls will attain a high degree of maturity, so that, to a certain extent, they will have reached their earthly

goal already and be in contact with the inhabitants of the kingdom of light although they will still live in their physical bodies.

What you are told in this respect is completely incomprehensible to you humans on this earth, yet it is the truth and therefore you are repeatedly informed that the time has come when you can expect unusual happenings, because events will happen thick and fast in the end and only a specific degree of maturity will assure people the strength to cope with what is to come and thus survive the last days in conscious unity with Me and the certainty that I will support them no matter what happens. Significant events of all kinds will always be caused by people themselves even if a direct cause is not perceptible, yet only I know what people's souls need And unusual occurrences will have to happen in the end in order to galvanise people And yet, all these events can be called negligible compared to the large work of destruction which will befall earth when the time comes for the lawful order to be restored in accordance with My will. Nevertheless, only the people carried away by Me and before whose eyes everything will take place will be able to watch the full extent of the destruction work and only because they shall realise their God and Creator's might and also experience the truth of My Word

Yet prior to this many an event will still frighten people and only for the sake of directing your thoughts towards the One to Whom all Power is given and at whose mercy everyone is And truly, every human being who is still called away from earth before the end may consider himself blessed, for he will not meet the dreadful judgment of the new banishment which, however, can be expected by everyone who does not belong to My Own to those whom I will carry away from this earth, as I announce to you time and again You humans cannot give credence to such an occurrence either, because no previous incident of that nature can be verified and because people will not allow for anything that contradicts natural laws. Yet He Who gave these natural laws can truly also revoke them, for nothing is impossible for Him, especially when it concerns establishing a new order again so as to safeguard the further development of all spiritual beings. This is why you should faithfully accept everything that is imparted to you through My Word You should believe that everything is possible for Me and that I will also use My might in the end because I want to repeal

My adversary For his time is over, and he has really made good use of it to the detriment of what also belongs to Me And for the sake of these spiritual beings I will let new creations arise which will receive the spirits which had failed their last test of will on earth, for I always have the salvation of all spiritual beings at heart. And even if you find it impossible to recognise My love in all forthcoming events one day you will be able to understand it and then you will acknowledge the greater than great love, wisdom and might of the One Who wants to deliver you from the abyss but Who will let you keep your free will so that you will be able to become perfect as your Father in heaven is perfect

Amen

The final powerful work of destruction II.

Great events cast their shadows before them And thus the final powerful work of destruction affecting the earth will be preceded by ever more distressing events, what happens to a lesser degree in many places will finally happen to the whole earth with the difference that the previous divinely intended natural disasters will horrify people, whereas the final work of destruction on earth will be triggered by human will, thus people will initiate the end themselves on the one hand by involving themselves in all kinds of tests and experiments and on the other hand by their increasingly firmer connection with God's adversary who impels them to do so because he himself is incapable of destroying works which emerged through God's will You humans will be kept in constant suspense, for the day which brings everything to an end because a new earth period will start, comes ever closer And every frightful event is intended to wake you up, for you are truly sleep walking, you don't see and realise anything because you don't **want** to see or realise anything. You are in grave danger of becoming lost again for an infinitely long time, and yet you could avert this danger if you were genuinely interested in your salvation.

However, regardless of what is yet to happen, only individual people will derive benefit for their soul, whilst the majority takes notice of everything, gets upset about it and then lapses into its state of sleep again, and nothing

changes in their way of life, in their attitude towards God, for He is distant to them and they won't look for close contact with Him as long as their earthly life still seems bearable to them. Yet a state of calm will not return anymore, one piece of bad news will follow the other, and even the adversary's activity will become clearly evident, the separation of the goats from the sheep will become ever more distinctly noticeable. People will soon demonstrate that they pursue two different goals: people who still seriously try to find God and those who deny Him and aim to completely exclude Him from their lives. And the latter will treat the former with hostility and oppress them, for they will be in the majority whereas the believers will always be the weaker ones, yet they only outwardly yield to the superior numbers whilst always receiving strength from God in order to withstand the adversary's demands to renounce their faith For soon the last battle of faith will erupt and that will also be the beginning of the final phase, which will be closely followed by the end But due to people's low spiritual level such upsetting events cannot be avoided, everything will still be tried on the part of God to motivate people to think, and the proximity of death will be brought home to them over and over again

By way of destruction through the forces of nature they will be shown that everything is transient and be encouraged by any means to form an opinion about all happenings, for they shall be shaken out of their lethargy and motivated to reflect on the possible reasons for all occurrences And even people who are not directly affected themselves can nevertheless observe their fellow human beings' fate and form their own opinion Whatever it takes will still be done on the part of God which could result in some success Yet generally everything will be looked at from an earthly point of view, earthly disadvantages will be discussed but the fact that everything has its spiritual reasons will be ignored and therefore only little spiritual success will be gained Even so, you are told in advance that you will repeatedly be shaken up, you shall know that everything is planned for eternity and that nothing is without meaning and purpose even if you don't recognise it. Observe the cosmic events and heed world events And know that there are no coincidences in earthly life, that everything is determined or permitted by God's will because He also knows the results of what He sends upon earth and humankind. For He holds the reigns and knows how to steer them according to divine wisdom.

Try to understand God's language, for you only need good will to subordinate yourselves to His will, hence you should only ever try to derive benefit for your souls from everything that happens around yourselves, but don't remain indifferent, for God always wants to tell you something when your heart and mind are affected by extraordinary events Listen to His soft voice and don't let anything pass you by without impression, take notice of the signs of the last days which shall be your indication that the time has come which has always been mentioned And believe that you don't have much time left until the end and that everything will come to pass as it is written that the old earth will pass away and a new one will arise For the time is fulfilled and thus the divine plan of Salvation will be implemented as it has been planned for eternity

Amen

Various schools of thought

Pretended worship

It is just like the time when Christ descended to earth People's thoughts are just as confused, they advocate the same misguided teachings, they believe to possess the sole truth and yet they are living right in the midst of falsehood Now, as then, they uphold their hollow creeds even though all vary from each other, each creed endorses its own point of view and each one is convinced that it can lay claim to the truthfulness of its teachings. And the number of schools of thought has grown considerably, there are not just a few opposing each other but a great variety of opinions has created a great variety of faith communities which all endeavour to win supporters and fanatically insist on the doctrines they endorse Hence it is essential that people receive the truth, that they at last learn what God expects from people It is essential that God's will is revealed to them so that they learn to recognise that the fulfilment of His will is the meaning and purpose of life on earth However, every church or spiritual movement teaches that it proclaims God's will and still the various creeds differ. At the time of Christ's descent to earth people prided themselves just like today on practicing various customs, the divine service was fanatically performed

and lacked spirit so that people did not establish any heartfelt contact with their God and Creator

And the same happens nowadays: a formal religious service giving due consideration to all rites and customs, demonstrating to the world the union with God whilst the heart of the individual is far removed from this heartfelt bond with Him It is just pretence and deception, there is no longer any truthfulness in people's way of life They solely belong to the physical world, and even if they want to give the impression of a relationship with God they only perform lifeless formalities which do not touch their souls. And you, who receive the truth from God, shall challenge this pretence of worship and remember that even Jesus during His life on earth did not support those who upheld wrong doctrines and tried to justify their pretence of worship as the only one pleasing to God and who condemned everything that contradicted their teachings. Nowadays people will not want to part with the doctrines handed down to them by people either and will therefore always remain in error, because they refuse to accept the pure truth which can only be granted to them from above from the Eternal Truth. Yet such a gift of grace requires free voluntary acceptance The truth cannot be forcibly conveyed to people who are unwilling to accept it. And therefore it is difficult to root out misguided teachings even if these are substantiated and amended to them as being wrong. There will only ever be a few who will be open-minded to what God Himself conveys to people, because they don't want to acknowledge such evident working of God because they have no knowledge of the fact that God pours out His spirit over those who willingly open up their hearts to Him for the receipt of His pure truth

Prior to Jesus' descent to earth, before His crucifixion, the pouring out of the spirit upon a human being was not possible, and therefore the world was full of error However, after His death on the cross truth could find access to mankind and it became possible to fully enlighten people as to whether and when their thinking was erroneous, it was possible to instruct them through the spirit and they could rid themselves of all error. Yet there was never any coercion and this is why time and again error could creep in and be advocated as truth and passed on with such tenacity that it is difficult to convince people of their wrong thinking, and thus they

will always resist accepting the pure truth from God and giving up their misconceptions. And still, for the sake of truth itself everything has to be tried to make people change their points of view everything has to be tried to motivate them to think, everything has to be done to impart the pure truth to them, for they can only reach the final goal on the path of truth As long as they remain in their wrong thinking they will not be able to partake in the bliss of the kingdom of the beyond, which can only ever guarantee enlightenment

Only truth grants light, therefore truth alone leads to beatitude, for countless beings can be made happy with it again and happiness in the spiritual kingdom consists of the giving of light. This is why you humans must not fall victim to wrong thinking, this is why the truth is offered to you time and again, this is why everything will be done on the part of God to turn your thinking in the right direction, yet you yourselves need only have the will to live in truth For it is not as important on earth as it is in the kingdom of the beyond that you know the truth, because you cannot be happy there without truth, and even if you ignore your dark state on earth it will nevertheless torment you in the beyond, because only light is beatitude and light is only ever emanated by the Truth, by God Himself, Who is the eternal Essence of light

Amen

Unification of ecclesiastical organisations?

Spoilt teachings

As long as people cannot decide to cleanse the Christian doctrine of all human additions, as long as every single denomination does not have the sincere will to embrace the fullest truth and to remove every error, no agreement of the churches will take place because the various denominations can only meet within pure truth and only then will they be united. However, no group is willing to renounce any of its spiritual knowledge and, above all, usually persists on the misguided teachings since they are unable to differentiate by themselves as long as they are merely governed by their intellect. And, remarkably, no school of thought endorses the

`working of the spirit'.... God's working within the human being and only accepts knowledge gained in this way, instead they deem the product of human intellect more valuable and are unable to dissociate themselves from it. Hence the attribute of the church which I Myself founded on earth is rarely found as proof of credibility and truth of what is preached. The ecclesiastical organisations lack that very aspect which guarantees the truth or they all would meet in the same truth and any disagreement would be eliminated.

And thus it has to be stated to humanity's greatest regret that the pure truth can no longer be found where one would expect to receive spiritual knowledge It has to be said that merely a thin thread connects everything when the commandments of love for God and one's neighbour are taught although this faintly glowing teaching material could still suffice to make truth accessible to the people since compliance with these commandments of love also guarantees `God's working in the human being', who is then taught from within, thus he is certainly able to differentiate between truth and error But only the teaching of love has survived as divine teaching material, consequently every human being has the opportunity to live within truth as long as he complies with this teaching. Then he will also know that everything else is human work which only leads to wrong concepts that they are mere earthly expressions of what is spiritually demanded of people by God. However, people do not have the will to thoroughly cleanse the structure which they themselves have erected in the state of spiritual blindness

No school of thought desists from its doctrines and rules and each one remains a purely secular affair as long as they advocate external customs and practices which can only be regarded as symbols which lack the true interpretation And yet they are all fully convinced of their own school of thought, and precisely this is the tragedy, because in doing so they show their heartless attitude which prevents them from recognising the truth as well as their indifference, their irresponsibility towards their souls. For every human being living within love will value truth too highly as not to seriously ensure that he is living in truth. And merely a sincere question and request for it would result in enlightenment. But where can one find doubts concerning the truth among those who have made

themselves leaders of people, who took on and are in charge of a teaching ministry themselves? Where, on the whole, is serious desire for truth still to be found? Why doesn't anyone raise the most important question 'What is truth? Do I possess it myself?' Everyone upholds with certain obstinacy what he has adopted himself without forming his own opinion He believes to be 'devout' by accepting everything without a word of protest what was conveyed to him by other people He shakes off all personal responsibility, he neither uses his own intellect nor his heart to examine the accuracy of what he in turn is supposed to endorse again He himself sins against the spirit, because the spirit is within him and only wants to be awakened by love in order to be able to express itself. And this in a manner which will give him light and clarity so that he will become truly wise because he may receive the light from Me Myself which will give him brightest comprehension But why do only so few people experience this light of comprehension why are so many upholding spiritual values which are so unconvincing when they are seriously examined?

Why are people satisfied with doctrines that have truly not come from Me and why don't they accept the precious spiritual knowledge from My hand which may be asked for and received by every person who earnestly searches for pure truth and who can, through a life of love in accordance with My Will, also establish direct contact with Me in order to be taught by Me directly because you humans lack the knowledge about the working of My spirit within the human being. And this in itself is proof that you were and are not correctly instructed, that even the teachers are lacking this knowledge and that consequently they were not given their teaching ministry by Me. For when I commission someone to become a teacher to his fellow human beings I will certainly also equip him with the right knowledge But you, who deem yourselves appointed to be in charge of your school of thought or denomination and want to be looked upon as leader, lack this knowledge. You have not been appointed by Me, and you will never be able to lead your fellow human beings into truth because you do not possess it yourselves and do nothing to receive it.

And therefore take notice of what I tell you: The true church, which I Myself founded on earth, can only be found where the working of My spirit in the human being is evident. And this is not outwardly recognisable but

it includes members from all the different religious communities, from different schools of thought, for they have won a living faith through a life of love. These will also know that My church does not present itself outwardly, instead it guarantees the closest union with Me to which I then disclose the truth a clear spiritual perception.

This is missing in those who do not belong to My church, who cannot dissociate from misguided spiritual knowledge which cannot possibly have originated in Me but is human addition, motivated by My adversary who will always oppose truth but which will never be accepted by those who give themselves to Me in love and faith. And thus you will also understand that there will never be a unification of Christian denominations because each one will insist on the doctrine it has represented so far, that the argument between the denominations always concerns misguided teachings which will be anxiously guarded every one of them because they are unwilling to abandon them However, only truth can lead to beatitude and only the person who genuinely wants it will also receive it if he takes the path to Me directly and asks Me for it in all sincerity

Amen

Wrong interpretation of Jesus' Words

Human thought has an earthly tendency, consequently people also interpret everything in an earthly way that had a profoundly spiritual meaning, that was conveyed to them as spiritual guidance by Me, Who has always spoken to humanity either directly or through messengers. My teachings, however, were always intended for the salvation of the soul and whenever I speak to humanity, be it in ancient or more recent times, My Word has always had a spiritual meaning. This was quite correctly understood at the time, but soon the spiritual meaning was interspersed with worldly ideas and, eventually, interpreted in a purely worldly sense. And thus My Word never remained unspoiled, performances and customs evolved from it which no longer correspond to its spiritual meaning, and My Word has lost its healing power, since it is no longer My pure Word

That which was demanded of you spiritually because I expected its fulfilment to be a blessing for your souls has been turned into earthly performances by you humans. For every one of My requirements on your souls you invented and instituted an earthly activity which you called 'sacraments', attaching too much importance to them. As a result many people conscientiously comply with the regulations in their belief that they are accumulating a treasure of grace by fulfilling humanly decreed commandments However, it is all a mere matter of formality and appearance and completely unnecessary for the maturing of the souls Yet you stick with great tenacity to the formalities you created for yourselves but which I never demanded of you.

Everything I said during My life on earth as a human being had a profound spiritual meaning and can never be substituted by external acts But you do not understand the profound meaning and are satisfied with external customs which can never benefit your soul. Just think of the effects you attribute to 'baptism'! You perform a simple external act and are then convinced of its spiritual success: be it the deliverance from the 'hereditary sin', or the admission into My church the admission into a religious community But all this has to be gained by the human being himself during his earthly life, he has to voluntarily let himself be delivered from sin through Jesus Christ. Consequently it requires more than just the act of baptism performed on a child And again, he will only be able to join 'My church' voluntarily by consciously living his life as My follower, in order to gain a living faith through love the characteristic of the church founded by Me.

Think of the Sacraments of Confession and the Altar What you made of them and by what formalities you expect your 'forgiveness of sins'. Think of how I want you to understand the Words, that you should invite Me in so that I may hold communion with you and you with Me and how you turned My Words 'This do in remembrance of Me' into a process which, again, cannot have any effect on your soul unless you live a life of such profound love that I Myself can be present within you

All spiritual requirements your soul was meant to cope with by itself were combined with earthly concepts by you humans and thus you created your own structure, so that you eagerly comply with what is demanded

of you, what is claimed to be My will Time and again you have to be given clarification about this, yet you do not accept such clarification but keep fulfilling the humanly decreed commandments with ever growing zeal whilst My commandments of love for God and your neighbour are being ignored. As a result your spirit is growing consistently darker until, in the end, you will become quite unable to recognise the error of your thoughts and actions. Besides, you have placed yourselves into bondage by submissively accepting everything as truth that is presented to you as 'My Word'....

You ascribe a purely earthly meaning to My Words and ignore their spiritual meaning. And this is why errors have arisen which can only be rectified if you are filled with love, for then you will become enlightened and notice when you are confronted by error Then you will know that all humanly decreed commandments and sacramental acts are a deception, which could only have been alleged to be divine will by a dark spirit, and you will endeavour to free yourselves from error in the recognition of pure truth which alone can benefit the soul, and which can only be recognised as truth by someone who dwells in love, and who thus will fulfil My commandment of love first and then, as a result, also think correctly

Amen

The adversary's activity will not be prevented

Though I Am ruler indeed over heaven and earth and no being shall be capable of opposing Me, yet I do not contest My adversary's right within the domain which is his kingdom: the terrestrial world which harbours everything that still belongs to him and where he can exercise his influence when the developing spiritual essence has reached the human stage Then he will pursue this spiritual essence the human being in every way in order to prevent his development and to pull him down into the abyss again, from where he had worked his way up by means of an infinitely long process Then he is, in fact, lord over his world

And this explains why I allow so many disasters, why I don't intervene where the adversary's activities are so clearly apparent He has a right to

you humans because you once followed him voluntarily into the abyss; and he also exercises his right in order to dominate you. But you can resist him yourselves since you possess free will. And you do not lack strength either, if only you ask Me for it. But My adversary's activity will not be prevented by Me. For the physical world is his share even all matter, over which he has no control, is part of him because it harbours the fallen spiritual substance, which is only temporarily beyond his control due its constraint in matter. But as soon as it lives on earth as a human being he can exercise his power over it again without being hindered by Me And he truly makes full use of it

Yet in Jesus Christ, the divine Saviour, he has a very powerful opponent indeed And every human being can turn to Him in order to be liberated from the enemy of souls. For Jesus is stronger than he is, and He delivers every soul from his power which simply appeals to Him for it and with its prayer demonstrates its faith in Him and His act of Salvation, which thereby also acknowledges Myself, Who in Jesus Christ became a human being in order to redeem all fallen spirits. Thus the adversary's power on earth is great indeed, and yet in Jesus Christ he finds his Master And regardless of how much control he has over people, in Jesus Christ they nevertheless have a Redeemer and Saviour from his domination Thus the human being cannot expect that I, his God and Creator of eternity, will curtail My adversary's activity, that I will prevent him from carrying out disgraceful actions, because I will not, by any means, remove his right to influence a person in order to hold on to him The human being himself, however, does not have to tolerate it, for he can always turn to Jesus Christ and ask for His help to be released from his prison guard, to become free from the power to which he, however, will succumb without the help of Jesus Christ.

How often do you humans say 'Why does God allow this?' I do not prevent My adversary's activity because you once accepted his domination yourselves and he is still your lord today if you don't want to free yourselves and approach Jesus Christ for salvation from him. But I also know what serves you and each individual soul best I know the nature of every individual soul, I know what it needs in order to mature fully, and even the dark world has to be of service to Me, for I also know how to direct

the effects of the dark forces'actions such that they will be successful for people's souls who are willing to get released from his power and strive towards Me.

And this is always determined by the person's will, since this is free As long as the spiritual substance is still bound within the works of creation My adversary is unable to influence it; but in the human stage he has the right to do so because it involves the being's free decision which the adversary wants to win for himself. Hence he takes advantage of every opportunity, and the human being is at his mercy the further away he is from Me, the less often he establishes contact with Me, or: As long as he does not acknowledge Jesus Christ by seeking sanctuary with Him in his distress, he is at the mercy of the opposing power, which nevertheless is determined by his own free will.

I certainly have the power and can prevent anything, including the adversary's activities, but then the human being's life on earth would be in vain, where he has to freely choose between Me and him. But you humans should also understand that and why difficult tests are given to you, that and why he often causes you extreme distress and I don't stop him, because you yourselves do not turn to Me for help and this is the real purpose of every adversity, which I therefore allow so that you will find your way to Me

Yet you can rest assured that I will not leave you on your own and will help you if you try to get away from him and trustingly flee to Me and thereby also acknowledge Me as your God and Father when you call upon Jesus for forgiveness of your guilt and for deliverance from the enemy, who also fights in order not to lose you Yet truly, My might is greater, and if you call upon Me in spirit and in truth you will indeed get released from him and your earthly life will not have been in vain

Amen

*Sacraments**(Ordination to the priesthood - Anointing the sick)*

I shall further teach you that you should free yourselves from error when it is explained to you that you have interpreted My Word in an earthly, rather than spiritual, way. You should know that external ceremonies do not suffice for My spirit to express itself, and that likewise a person cannot be appointed into a teaching ministry or become a leader or principal of a community by way of external ceremonies Many are called but only few are chosen, and the few are instructed by Myself; I Myself put them into the place where they can work for Me and My kingdom. But the person is also subject to conditions in order to make him a capable teacher and leader of his fellow human beings My spirit has to be able to work in him so that he himself lives in truth and thus is My representative on earth who administers his office in My name, in accordance with My will and guided by Me Myself.

It cannot be denied that amongst those who call themselves My representatives on earth there are also people who live entirely within My will and serve Me conscientiously But they were appointed to their ministry by Me Myself and did not become My servants through external ceremonies performed by their fellow human beings because their appointment is a personal matter of free will which surrenders to Me completely, so that a human being is closely united with Me by love so that I Myself can then give him the task he is to administer

But this heartfelt commitment and their life of love also assures the awakening of their spirit and then they will delve deeper into the truth too They resist any kind of inaccuracy, they resist the distortion of everything that originated from Me and will also disassociate themselves from error So now you understand that you won't find My true representatives where people expect and acknowledge them to be, for these exclude themselves by representing error and not genuinely looking for truth They cannot be My servants and representatives because they accept erroneous beliefs and do nothing to acquire the pure truth

Thus you will also know what to make of the 'Sacrament of ordination to the priesthood', for even if a person is of good will he has to prove it by

declaring to Me his willingness to completely submit to My will And that means that he has to investigate every doubt arising in himself which I put into his heart Myself to enable him to draw close to Me and the truth And if he shies away from contemplating such doubt he will keep himself forcibly blind. He could receive the light yet he closes his eyes, and thus his heart is not open to Me so that I could send a ray of light into it

You humans should not say that it is not possible for a person who genuinely longs for Me to detach himself from error, for you all know of My power and love which truly helps everyone who strives towards Me, the eternal truth But you have to let yourselves be taught first, you have to take notice of the pure truth, of My adversary's activity, of the misguided belief with which he has entrapped you, and you have to have the sincere will to free yourselves from him and request Me to help you

Don't you think that I would help you, since I only ever want to deliver you humans from the darkness of spirit and give you light? You only need to use your intellect with good will and you would recognise the flaws in what you are expected to believe But you were given intellect otherwise you would not differ from an animal which cannot be held responsible for its actions. You, however, will one day have to give an account of whether and how you used your intellect since it can help you to become enlightened, providing you are of good will and desire a true light. As I keep emphasising doubts about the truth are appropriate wherever external ceremonies are to vouch for a spiritual achievement. Your soul will never be able to gain such an achievement, neither on earth nor in the beyond, if such external acts are performed on a person before his passing away, they are nothing but ceremonies and customs and are of no benefit for the soul However, I Myself know every single soul and judge it by its degree of love, for only this determines the degree of light the soul enters into after its physical death, providing it does not enter the realm of darkness because it is completely without love and therefore belongs to My adversary who governs the kingdom of darkness

Amen

Effect of misguided teachings in the beyond

Many more errors will still have to be corrected by Me if human beings are to live in truth. People's thoughts are thoroughly lead astray, one misguided teaching leads to many other misguided teachings, and people cannot escape from them, they are representing a truth which was given to them by people who did not have the truth themselves because their spirit was unenlightened. And countless many souls enter the spiritual kingdom in this lightless state. Even then they still defend their doctrines and cannot be convinced that their reasoning was wrong, and will remain wrong as long as they do not accept a light which shines for them in the beyond too but which they have to accept of their own free will. The battle between light and darkness even rages in the kingdom of the beyond, for time and again the beings of light try to kindle a light for those of dark spirit, but their endeavour is frequently in vain since the souls hold on to their misconceptions. And yet, the latter cannot understand why they do not experience beatitude although they believe to have done everything on earth in order to gain it.

And as long as they do not understand that My will is in fact different from what they were told on earth as long as they do not realise the irrelevance of what had been demanded of them as long as they do not recognise that I make other demands on people than to comply with ecclesiastical customs and external appearances, that I only expect love from people and only assess a person in accordance with his degree of love and that his beatitude will depend on his degree of love the souls will not experience an enviable fate, even if they are not languishing in deepest darkness.

But they argue and do not comprehend the state of their wretchedness, indeed, they frequently reproach themselves for not having sufficiently fulfilled the ceremonies and humanly decreed commandments, and as a result are not yet admitted into beatitude. It could be theirs in a very short time if only they would accept the light beings' teachings or get a small light where the ray of light is transmitted to earth, where purest truth is distributed and avidly accepted by all famished souls But they are just as stubborn in the kingdom of the beyond as they were on earth and reject

everything which disagrees with their opinion, and the adversary still has immense power over these fanatics

For even in the kingdom of the beyond they fail to help each other which would increase their degree of love and decrease their rejection of light They cannot make any progress in the spiritual kingdom because love is the strength that helps the soul to ascend in the spiritual kingdom too. But love is also the light, and even in the kingdom of the beyond they can love each other, for in a state devoid of bliss there is still hardship and misery, and one soul will always be able to help another Then the souls' thoughts will become ever more enlightened, they will question each other and will certainly receive an answer But love always comes first, and those souls' big spiritual misconception rests in the fact that they superseded love by what human folly had elevated into a 'divine doctrine'.... that they always complied with human demands first and ignored divine demands And their condition will eternally not change unless they put love first and, due to their loving will to help other souls, begin to recognise the pure truth, which will then give them unlimited beatitude

It is for this reason that every human being, whose thoughts had been misguided on earth but whose will to love and to take action had reached a high degree, will suddenly realise the truth in the kingdom of the beyond and will readily let go of misconceptions. He will endeavour to pass his knowledge on to other souls because he recognises the immense harm caused by error and because his love urges him to help alleviate spiritual blindness. His influence can be extraordinary beneficial because he had held the same thoughts on earth which he now can justify to be wrong, and therefore be successful with souls who just listen to him. Error is the worst poison for human souls and the fight of light against darkness will therefore continue relentlessly, and one day the light will surely win The human being, however, is free to choose between light and darkness, he will not be forced and can make a free decision but everything will be done to make him aware of the truth while he is still on earth. But the beings of light do not cease their efforts even in the beyond, for only the soul who knows the truth can become blessed

Amen

Attribute of divine teaching: human manifestation problem

I repeatedly emphasize that it is necessary for you to be informed about My human manifestation in Jesus Christ For your maturing, too, solely depends on the fact that you are truthfully instructed about the significance of Jesus and His act of Salvation for you humans. For although he lived on earth as a human being and as a human being concluded His life with His crucifixion, He was nevertheless only the outer shell of the Eternal Divine Spirit, He only served Me Myself as a shell, because I wanted to make Myself visible in Him, since no being was able to behold Me in My full abundance of strength and light without ceasing to exist.

And this great secret of My human manifestation can only be revealed to you by Me Myself, albeit you humans will never be able to comprehend it completely as long as you are not yet perfect. If, however, you are truthfully instructed about this very problem of My human manifestation in Jesus you will no longer be in danger of taking a wrong path, for once you have this knowledge you have already attained a certain degree of maturity, and then you will only ever turn to Me Myself, Whom you have recognised in Jesus. Yet this is what My adversary wants to stop or prevent, and therefore he will lead people into misconceptions and above all try to prevent a truthful explanation about 'God's manifestation in Jesus'.... By means of constant new formulation and wrong portrayal he will not generate clarity in people, and then he will have succeeded that neither I nor the human being Jesus will be clearly recognised, for he will always want to create two concepts of God and Jesus, although only one God exists, Who is at all times approachable in Jesus.

Anyone who knows the truth will not allow himself to be worried by this, and he will also identify every different teaching as error. And yet, the adversary will have many followers with his portrayal of Jesus, Who has achieved a high degree of maturity as a human being but Who will always be explained to people as 'existing outside of God'.... when he disguises himself as a spirit of light before those who do not completely reject Jesus And you can at all times particularly apply this criterion for truth when **God's human manifestation in Jesus** is emphasized to be true. This will always be an assured attribute of a divine instruction. For only I Myself

can reveal this secret of My human manifestation to you, and you may **justifiably** discard everything which contradicts My instructions. Every single school of thought endorses its spiritual knowledge as truth, yet as long as they still differ from each other great care has to be taken and, above all, a serious desire for truth is required in order to be able to recognise it as such. Nevertheless, it is up to each person whether he sincerely desires the truth, he alone has to make the decision, and thus he also determines the teacher who will instruct him. He cannot be offered any misguided spiritual knowledge if he sincerely entrusts himself to Me and appeals to Me for truth This sincere appeal is required by Me but it will surely be granted.

But anyone who knows My directly transmitted Word to earth and does not use it as a criterion has not yet opened his heart to the truth either, otherwise he would feel that no other spiritual knowledge can be likened to it if it contains other concepts and notions which contradict the truth from Me. Consequently, if a person does **not** recognise the pure truth his degree of maturity is still so low that My adversary is able to use him as a vessel in order to deceive countless people through him again and lure them into error Truth always and forever remains the same, it does not change and cannot be offered to one person like this and to another like that as far as its fundamental essence is concerned

You humans will always have to be vigilant if you want to possess the pure truth, that you will not get ensnared by the adversary who is always keen to work in the same manner, and he will be successful too if the person is indifferent or purely expects sensations, which he anticipates from the contact with the supernatural world. What I offer people will always take place within the framework of natural law and only the contents will provide a genuine seeker with the certainty that I Am the source Myself, and he will gladly accept the spiritual information, he will increase his knowledge, his inner light, and then no error will be able to confuse him any longer for he will identify and resist it

Yet My adversary's activity will not lessen, and people themselves give him the right to it. If they only ever would desire the pure truth he would be unable to interfere, in that case only My messengers of light would be at work fending off everything impure, unspiritual, and protecting the human

being from its influence. And your criterion for truth can always be applied by how Jesus and His act of Salvation and My human manifestation in Him is portrayed to you. Only virtuous, illuminated spiritual beings exist in utmost truth and also pass it on to people on My instructions.

As soon as the Deity and Jesus are portrayed to you as **two** beings you are not truthfully taught, for I and He are one I Myself, the highest and most perfect spirit in eternity, have manifested Myself in the human being Jesus, in His human shell, in order to become a visible God for you, My created beings, Whom you are able to love with all your heart and Who also wants to be loved by you And thus you should only believe the spirit which teaches this to you

Amen

Psychic receptions - Credibility

You, who received My commission to distribute the pure truth, must also be informed about everything **yourselves** in order to be able to form a clear opinion about the **value** of spiritual conclusions which are advocated by your fellow human beings as truth. You should know that both valuable as well as worthless connections are being established with the spiritual world, that beings from all spheres of the spiritual kingdom want to make themselves heard by you, that they try to transfer their thoughts to you and that the human being himself is the determining factor of which beings will be able to approach him. And the desire for truth is always decisive but this is often displaced by the desire for experiencing the unusual, so that the craving to learn something unknown from the psychic world takes priority although with the best intention to act and think righteously and good Such opportunities are also used by the inhabitants of the spiritual world of **light** which want to lead people to the right path and thus also try to influence them to deepen their attitude regarding the spiritual realm and to especially draw their attention to the fact that love is the first and most important commandment. Therefore any **advice to love** can be considered as corresponding to **My will**. The **purity** and the **will** of the recipient who receives messages in a **psychic** state also determine the

quality of these messages However, it also depends on the spiritual state of the circle of listeners, on their attained spiritual maturity And the flawed thoughts of an immature person alone are enough to enable impure spirits to slip in; they likewise make use of a medium in a state of trance and then often repel the messengers of light, because forces of darkness gather wherever the opportunity presents itself to speak through a human being who has given up his own will who therefore speaks in a psychic state of mind The purer the circle and the greater the harmony within as well as the desire only to be truthfully instructed the more credible will be the results, but then they will also concur with the teaching which is conveyed to you directly from above, thus their authenticity will be beyond doubt, for countless beings of light try to gain access to people from the world of the beyond and impart the truth to them on My instructions. Yet these beings of light will time and again try to influence people into establishing the connection with the spiritual world in an awake, conscious state, they will enlighten them about the `working of the spirit'in a person and aim to encourage them to enter into heartfelt contact with Me, which will enable them to receive profound knowledge which cannot be conveyed to earth in a psychic way in a state of trance. For I Myself promised you humans the working of My spirit, and you can and should believe My Words But the fact that My adversary's working will also strongly come to light cannot be denied, and he will always make an effort to confuse the concepts

He will use psychically inclined people in the same way in order to speak through them, yet only ever with words which lack all coherence, words which intend to feign wisdom but are sheerest nonsense.

You can put this to the test yourselves by questioning what kind of spiritual benefit you can gain from transmissions which, on closer inspection on the basis of My Word utterly contradict the truth. Then spirits will answer which are still unenlightened, which still possess a certain amount of worldly knowledge and since they diligently supported it on earth will also try to pass it on to people now. They enshroud themselves in the garment of an angel of light, indeed, they even use Jesus' name for their transmissions because they don't recognise Him as `God'and thus avail themselves of a human name And although, in order to mislead people, they grant Him an exalted mission, they nevertheless only do this with

the intention of stopping people from thinking correctly and to belittle Jesus'work of Salvation, thus preventing them from calling upon Myself in Jesus. They try to lead people completely astray about Jesus'mission on earth and My human manifestation in Him Transmissions from the spiritual world which fail to offer truthful clarification that a pure soul of light dwelled within the man Jesus, which so shaped the body that it could become an abode for Me that I Myself, therefore, accomplished the act of Salvation in Jesus and the complete unity of Jesus with Me took place that I and Jesus are one can always be rejected by you as error and as a deliberate deception by spirits in the beyond. They are especially active during the last days before the end in order to cause confusion in circles which want to do what is right but have not awakened their spirit as yet, so that it can grant them the gift of discernment in order to be able to keep divine and ungodly revelations apart

People are unaware of the fact that they will always have to fight the forces of darkness, and specifically in the last days, because the latter want to prevent people from becoming enlightened, and that the only assurance not to fall prey to them is to desire the light directly from Me, and this sincere appeal to receive the truth will also establish the connection with Me, which then will also ensure your correct protection from the activity of these forces. But it isn't always love for Me and therefore for truth as well, but generally only inquisitiveness for an insight into spheres which are still closed to them. People know that earthly life alone is not the reason for the existence as a human being, and they certainly try to obtain information but believe that forces from the **beyond** will only ever instruct them truthfully and thereby only provide the adversary with more opportunities to confuse their thinking. However, it can help a person to think **correctly** if he sincerely desires the truth, if, according to his sincerity, his maturity of soul and his desire, beings of light enter such a 'spiritual communication', which certainly realise to **whom** they can convey pure truth. Yet they will always try to educate a person to the point that he will no longer require an aide no mediums which receive transmissions from the spiritual kingdom but that he shall establish such heartfelt connection with Me Myself in order to let himself be addressed by Me directly or to enter into contact with the right bearers of light who will impart the right and true spiritual knowledge, which he will therefore also recognise as truth, because he has

already awakened the spirit within himself which will guide him into truth A person can certainly be warned about futile communication with the spiritual world But he cannot nor should he be prevented from it, because there is always the possibility that thereby he will come to believe in a continuation of life after death and he can also be shown the right path if he is serious about knowing the truth. Anything that reveals the will to act right before Me is good, yet first and foremost be warned of anything that only serves to satisfy the senses or to increase earthly knowledge, for no blessing will ever rest on it and a person like that will never be able to recognise the truth and always rather believe teachings which are still far from the truth and will never originate from Me. For this reason I Myself mentioned as a sign to recognise the truth of spiritual receptions the characteristic that you should check whether the enigma of My human manifestation in Jesus is revealed to you such as I Myself explain it to you through My Word, through the working of My spirit within you Reject that which does **not** correspond to My Word conveyed to you from above, no matter how many fine words are used to demonstrate a divine source to you My adversary also uses such words, he will stop at nothing because he wants to keep people in the dark because he knows that truth is a light which unmask him and his activity And he will always seek to extinguish or obscure it

Amen

Knowledge about Jesus Christ is of utmost importance

The fact that you repeatedly receive explanations about Jesus Christ's act of Salvation is because people only slightly or rarely believe in it anymore, for their thoughts are too focussed on worldly affairs and the act of Salvation is a spiritual event which cannot be grasped by a worldly directed mind. Yet people are only on earth for a **spiritual** purpose, and if this spiritual purpose is not accomplished then the human being's life was in vain, and the soul falls back into the abyss again from where it had worked its way up over an infinitely long period of time with God's help. If it is possible to make people understand the spiritual reason for the act of Salvation and

Jesus' mission, much will be gained, for then they will no longer reject Him but they will try to mentally empathise and to comprehend His way of life on earth

However, humanity is not very willing and inclined to receive spiritual instructions ... unless it is rudely awakened from its normal life by overwhelming events and painful occurrences and starts to think. And for this reason such fateful happenings cannot stop either. But by and large they will then indeed remember their God and Creator and appeal to Him when they need help And the fact that it at all acknowledges Him as a Power Which had created it and also determines the human being's destiny is already beneficial for the soul

And yet it is of utmost importance to attain the correct knowledge about Jesus Christ and His act of Salvation, because the human being will always remain too weak to live a way of life in accordance with God's will if he does not make use of the flow of strength which Jesus acquired through His death on the cross and which is now accessible to every human being as grace Only when a human being very strongly revives the faith in a God will he be able to receive the flow of strength from God Himself, but this person will then also turn to Jesus without doubt, he will be open to every instruction he receives about Him and His act of Salvation, and he will let himself be redeemed by appealing to Him for forgiveness of his guilt.

Nevertheless, during the last days before the end this knowledge about Jesus is very faded, people only know of the purely human events, and they do not judge them any different than those of other people with the same fate, for in their darkened spiritual state they lack the knowledge about all correlations, they cannot explain it to themselves properly, and thus they discard everything they have heard about Jesus and His act of Salvation into the realm of myth.

They don't know that it concerns a highly significant **spiritual** mystery, an act of profound spiritual reason which is of immense significance for the salvation of the human being's soul, for his beatitude in the spiritual kingdom which will last eternally, and therefore they don't take the trouble to discover the truth about it either, but rather reject everything and don't believe in Jesus' existence, or they exclude all knowledge they possess of Him from their thoughts as not to be bothered by it But thereby they

miss their purpose of life, they only live for earthly goals and do not endeavour their return to God which is only possible through Jesus Christ, and their earthly life is lived in vain and can lead to a repeated banishment in the creations of earth

And God's adversary will always promote this attitude of people, he will do everything in order to completely prevent the knowledge about Jesus and His act of Salvation, or he will spread such misguided teachings in this respect that people will fall away by themselves and thereby obstruct their path to Him. But they are living as human beings on earth as consequence of their immense original sin due to their past apostasy from God, and until this original sin is not redeemed they will be unable to return to God, because God's justice demands an atonement which was paid by the human being Jesus, and therefore He has to be acknowledged as the Son of God and Redeemer of the world ... Who made it possible for the Eternal Deity Himself to suffer within the human shell of Jesus and to die for the sins of all humankind

Amen

Clarification about UFOs

You will receive light on all subjects through My divine revelations, no question will remain unanswered which you submit to Me in full trust that I will give you an explanation. Therefore nothing needs to stay unexplained; you need only ask yourselves in order to receive a truthful answer.

Time and again doubts arise in you because you believe that you are allegedly able to prove the existence of so-called spaceships, (whether evidence could be produced of the existence of so-called spaceships), which come to earth from other stars But if you seriously investigate these alleged appearances you will not be able to provide one hundred per cent proof. You will find that these statements are always based on mere presumption or self-suggestion, for which no proof can be found. The explanation rests in the fact that people fall victim to the adversary who, in the last days, resorts and is able to resort to lies and deception because people themselves want to experience sensationalism, and nothing is too

fantastic for them and that their thoughts are completely confused. If people had spiritual knowledge they would know that there is no prospect of contact between the individual stars, that the inhabitants on other stars will never be able to leave their sphere and approach other worlds The claims made by these people are pure inventions and no person will ever be able to prove his claim to have been in contact with inhabitants from other stars. However, people can fall prey to the adversary's works of deception and, due to their imagination, can be receptive to delusions which originate from him, but these cannot have physical consistency since My adversary lacks the power to produce material objects.

Nevertheless, where actual physical objects have been sighted by people they have their origin on this earth They are test objects of researchers who, with intensified effort, intend to dominate earth's outer space Rumours that are spread about extraterrestrial beings, who supposedly come from other stars, are deliberate lies because no human being will be able to prove to have spoken to such alleged 'star-dwellers'. The circle of those who affirm such appearances will never include spiritually enlightened people because they are My adversary's absolute servants, whom he can use for his purposes always provided that it does not concern earthly test objects which could be seen by anyone which then, however, will be portrayed as extraterrestrial objects by unenlightened people, or by people enslaved by My opponent. Time and again I emphasize that there is no contact between individual stars and that there is good reason for it If you humans even assume that these alleged messengers from other stars want to come to earth to save you, then they would also have to actively help you humans on My behalf Consequently, if I had given them this taskthey would always have to establish and maintain the connection with those who are My Own, with those whom I will lift up to heaven in the end In that case My Own would see these objects and their occupants too which will never happen because I explain this misconception to them and inform them of the pure truth.

But those who make and believe such assertions cannot be spiritually enlightened, they always pursue purely earthly goals and believe My adversary's promises, who wants to prevent people from making heartfelt contact with Me, which is the only guarantee for their rescue at the forthcoming end of this earth. You should believe that it is truly possible for Me

to protect every individual person and at the end of the earth lift him up to heaven because the destruction of earth, as it exists now, is inevitable And believe that I have countless angels in readiness for this, but that they will never appear to people beforehand as inhabitants of other stars And since I convey the pure truth to earth because you humans are in need of it, I would truly also inform you of this if it corresponded to the truth. But I will continue to warn you about My adversary's artful deception in the last days before the end, who uses earthly activities to deceive people, as well as suggestions to cause mental confusion because people will blindly believe what is presented to them as long as they are not permeated by the longing for truth, then they would also always receive the truth

Amen

Truth emanates from God himself....

Desire the truth and truly, this spiritual request will be granted to you. But don't search for this truth in books which are based on human intellect again, which are purely intellectual thoughts assumptions, for which no evidence can be provided. For as soon as you assume that people are capable of ascertaining the truth by themselves, you are mistaken, because pure truth originates from Me alone, as I Myself Am the Eternal Truth. Therefore I say, request the truth from Me, sincerely appeal to Me for it and you shall receive it. The truth, as I want it to be understood and which you should request of Me, is a wealth of knowledge of a spiritual nature It is knowledge which extends into spiritual spheres and which can never be substantiated by evidence it is the knowledge of your existence, its reason and purpose it is the knowledge of the Power Which brought everything into existence and of the relationship between you humans and this Power It is the knowledge about the nature, reign and activity of this Power, Which has created everything that exists It is impossible for any human being's intellect to provide a truthful explanation of this, such an explanation can only be given by the Eternal Truth Itself Hence you have to ask It yourselves. It is I Who can and wants to give you an answer because I Am the highest Authority and also the Love, Which wants to

please you, My living creations, with this knowledge. But I can only reveal Myself to those who sincerely desire truth yet they will not ask Me in vain to impart the truth to them

However, only a few people have this sincere desire Mostly they are indifferent or they unreservedly accept what is given to them by their fellow human beings who also merely use their intellect but cannot guarantee that their reasoning was guided correctly. Not many are interested in the basic questions relating to their existence as human beings, and the belief in a God of love, wisdom and might is not always strong enough to ask Him for enlightenment. The pure truth, however, can only emanate from Me, and their wrong attitude towards Me, their God and Creator, is the reason why people live in error and devoid of all truthful knowledge and thus don't make use of their earthly life which could lead them to perfection Their indifference towards truth is a side effect of the human souls'immense immaturity, for they are still dominated by My adversary who tries to prevent everything which could provide people with clarification, because he doesn't want to lose them and can only control them as long as their spirit is dark, far removed from the truth; but only truth leads people to perfection, truth alone is beatitude, it is a light which illuminates the darkness of night that is spread across the earth

I Myself Am the Truth, and thus anyone who knows the truth is closely united with Me As long as you humans are not truthfully instructed you lack the light for your earthly path of life Admittedly, you keep walking, but where is the path leading to without truth? It can only lead into the abyss, whereas you will irrevocably ascend if you take the path of truth, for this is brightly illuminated and leads you to the goal, to Me Who is Eternal Truth Itself. And I Am truly always willing to guide you into truth, as I promised when I lived on earth I will reveal Myself in My love, wisdom and might to every person who simply desires in his heart to hear Me, to be guided into truth by Me This is the most important prayer you can send to Me, for this plea demonstrates your serious will to return, it also proves to Me that you acknowledge Me as your God and Father, and it is a spiritual request which will surely be granted For as soon as I can convey the pure truth to you, you will also learn to get to know and love Me in My nature And I want your love, I yearn for your love which is

only deep and pure if you, through the conveyance of pure truth, know about everything, your origin and past relationship with Me and the goal which shall unite you with Me again Then love will ignite in you and you will push ever closer to Me and thus can also be guided into ever more profound knowledge which will make you extremely happy You will learn about My eternal plan of Salvation, about the Father's love for His children and the great work of return, for which every single person can also offer Me his services You will learn to love Me And this love will make you blissfully happy, for it will lead to the final union with Me, to eternal life Yet only the truth leads to the goal and thus you humans should strive for the truth, you should lovingly hand yourselves over to Me and let yourselves be taught by Me, and then you will indeed be instructed by Me, your God and Father, Who knows everything and Who thus can and wants to teach you everything because He loves you

The beings' gradual higher development in Creation

And thus listen to the following: When I transformed the beings, which I had once emanated as strength, into many different kinds of works of creation, it started the gradual higher development of these beings in their dissolved state At first it was an incredible mass of spiritual substance which slowly took on form when My will solidified the spiritual strength into matter, and this matter was so differently natured again that it cannot be made understandable to you humans. According to My wisdom and My love I had devised a plan of Salvation for the fallen spirits which was to be implemented in the creation. The purpose of My creation was to induce the bound spiritual substances within to be of service, thus one work of creation was needed for another in order to make it possible for a gradual higher development to take place. The serving functions at the beginning of creation cannot be made conceivable to you humans only when the works of creation became somewhat more solidified some activity, albeit very slight, commenced. And every activity testifies to life, every activity achieves a change, therefore the forms also changed

constantly, developing into ever larger works of creation, each one of which had to fulfil a task determined by My will and which was also carried out according to My will, because the spiritual substance was unable to resist My will. Therefore the creation did not arise in an instant through My will, instead, the spiritual substances, or 'transformed strength', bound therein covered a slow path of development so that its resistance gradually subsided which manifested itself in being of service which, admittedly, still happened under My law of compulsion but nevertheless proved a reduction of opposition And so the process of higher development through the mineral, plant and animal world until the stage of a human being, has been explained to you such that the external forms constantly released the bound spiritual substances within, which linked up in order to take abode in a larger form again and continue their service, until all tiny particles belonging to a fallen original spirit had come together again and were able to embody themselves as 'soul' in a human being But just as it happens in the animal world, that, after dying, the smallest living organisms join other spiritual substances of the same degree of development and enter a larger external shape, so the process of development continued, and My love and My wisdom constantly created new forms which were able to accept the destined spiritual substance In nature you look upon this as 'evolution' of a small living being into an ever larger one Yet first I had to create a new form which previously had not yet existed. And although these forms constantly became larger and resembled the previous forms, it always involved an act of creation on My part which, however, could not be observed by people because no-one endowed with intellect and free will populated the earth as yet.

However, My eternal plan was definite, therefore I also knew about the living creation which was intended to live on earth as a 'human being' for the purpose of taking its final test of will And thus the spiritual substances which were still bound in the various works of creation were continuously placed into new creations the closer the individual being's spiritual substance approached maturity The works of creation became increasingly larger which is not to be understood in terms of physical size but the individual living being's constitution, their functions and their abilities are referred to in this instance Yet each new living creature was the

work of My infinite love and wisdom and omnipotence which subsequently reproduced itself but always remained the same creation as I had externalised it Do understand that no living being will change its constitution, and where you believe you notice a change or further development, its emergence has been an act of creation on My part. Thus every human-like creature inhabiting the earth before the creation of the first human being always were new creations which, however, remained the species they were created as a product of My omnipotence. And since the bound spiritual substance within them constantly developed further, My will also created an increasingly more human-like external form, yet this creation was always based on My will, which manifested itself as natural law again what you humans now describe as the natural evolution of the beings But the **human being** can never be regarded as a product of natural evolution, for he is a separate creation, having emerged from My omnipotence, love and wisdom and being designed such that he shall and is able to fulfil an eminent task on earth. Even if you try to train the most intelligent animals to think and decide independently you will never succeed, for the abilities possessed by a human being are not hidden in any animal, for the human being is the only life form on earth in possession of thinking ability, intellect and free will which can never be slowly developed nor are they attributes of a creature's gradual higher development, instead it merely proves that the human being is a work of creation in its own right, called into being through My will and My power in order to accomplish a task. And it was only possible to place the creation work 'man' into the world after the once fallen original spirits had already covered the gradual higher development through the creations because the human being was intended to shelter one such fallen original spirit within himself as soul. The word 'development' only ever applies to the sheltering or bound spiritual substance in every work of creation which has to go through this upward development, whereas the material works of creation must always be regarded as acts of creation, because My will brought these external forms into existence in order to serve the spiritual substance as external shapes, which themselves should advance through being of service.

The fact that My will simultaneously also signifies 'natural law', which no work of creation can resist as long as it does not yet shelter a spiritually mature being like people do, will also explain the word 'development'....

but it will never justify the allegation that the human being evolved by himself ... for he was a separate work of creation which My will and My strength of love brought into life ...

Christmas 1963

Remember My coming into the world with gratitude and joy, for it signified for you an act of immeasurable love and compassion, a light came to you which was intended to illuminate for you the path out of the spiritual darkness of night an era of utter hopelessness came to an end for you humans and a new period of development began The path was prepared for you which lead back to Me again And this path was exemplified for you by the man Jesus, Who accepted this mission for love of Me, and you, His fallen brothers For He wanted to return My children to Me, who had been distant from Me for an infinitely long time already and who languished in deepest wretchedness. Jesus'human shell was occupied by a soul of light, a being which I had once externalised, which was lovingly devoted to Me and had remained with Me when the host of originally created spirits fell away from Me This soul sheltered within the infant Jesus, and miracles over miracles already testified at Its birth to the divine spirit Which inhabited this infant Yet Jesus, the human being, had to start His life like any other human being, He was born of Mary, the virgin, who was so exceedingly immaculate that she was able to give birth to the divine infant without ever having sinned This Jesus-soul had to enter a pure body because I Myself wanted to take abode in His human external shell and therefore His body remained pure and without sin, for although the beings of darkness constantly exerted pressure on Him with the intention to make Him fall He nevertheless resisted them and redeemed all impure spirits clinging to His soul through His greater than great love. He resisted all temptations and spiritualised everything unspiritual which pestered His body, because He lived in this material world, He made it compliant with His soul's wishes, for He was full of love and love conquers everything, even the greatest enemy. Jesus, the man, first had to bring all

BD 8707

still immature substances clinging to the body to maturity, only then was I, the Eternal Love, able to take abode in Him, and only then was it possible to conclude the great act of compassion, which He wanted to accomplish for the guilt of sin on behalf of the whole human race When I descended to earth, when the infant Jesus was born, My spirit was in Him, because the earthly body sheltered a perfect soul within, thus it was intimately united with Me, enabling Me to express Myself through Him And events took place during His birth which you would like to assign to the realm of myth, but which truly happened, for everything is possible for a perfect spirit However, only a few experienced these miracles pertaining to the child Jesus, whose hearts were full of love and who recognised in Jesus the promised Messiah and worshipped Him People with unclean hearts approaching Him only saw a child which was like any other child Yet generally, only those people came close to Him who were prompted towards Him by their spirit, who sensed the miracle that had happened in this night and who thus paid tribute to Him with their adoration, because they saw in Him the promised Messiah. Nevertheless, the fact that God Himself came into the world and took abode in an infant was the greatest miracle of all times which will never repeat itself. For Love came into the world, the infant Jesus was full of love, since the great love for the once fallen, wretched beings had motivated it to take on flesh and to redeem the original sin, which could only be redeemed by love because it consisted of the fact that love had been sinned against. And the man Jesus accomplished this act by giving up His life for the sake of love, by offering the greatest sacrifice any human being on this earth has ever offered and will ever offer by relinquishing of His own accord all light and all power He possessed as a result of the love which dwelled in Him by suffering in the midst of the dark world as a mere human being and by dying the most agonising death on the cross

Jesus a being from the kingdom of light voluntarily offered Himself for this mission to walk across earth as a human being and to accomplish a work of atonement of inconceivable suffering and pain in order to help his fallen brothers. Love permeated all beings which had emerged from Me and remained with Me when Lucifer turned away from Me and drew an immense number of spiritual beings into the abyss with him And Jesus' love was so strong that it wanted to make amends to Me for the inconceivable

offence against Me, their God and Creator, against the Eternal Love Itself. And I accepted this love which Jesus offered Me and thus also His sacrifice, because it was made by Love and because the original sin could only be redeemed through love And thus the being of light took on flesh and walked across earth like all other people, burdened by a heavy earthly body which was a restraint for the being of freedom and light and experienced as agony by the soul. However, He had to travel the earthly path as a human being, because He was meant to serve as a shining example to His fellow human beings so that they would follow Him. He had to fight against the same weaknesses and oppositions which burden every person by nature, because all failings and flaws had to be disposed of by way of the work of improving the soul The man Jesus lived in the midst of the earthly world, in the region which belonged to My adversary, and it was twice as difficult for the soul from the kingdom of light to assert itself in this dark area, to resist all satanic attempts to cause its downfall and to treat everything unspiritual in the flesh and in its surroundings with love. For even His body was badly besieged by immature spirits which Jesus did not fend off because, in His wisdom, He realised that these spiritual substances also wanted to be redeemed and His love was constantly willing to bring help to all wretched beings. His soul suffered incredibly through its environment, it was used to freedom and light and love and thus to supreme bliss and now found itself in darkness, bound by the body and in the most heartless environment. And thus from childhood on His earthly path of life had been a state of suffering through which He atoned for many of His fellow human beings' sins until He finally accomplished the great sacrifice of atonement by sacrificing Himself for the original sin of all human beings, past, present and future You humans will never be able to comprehend this act of compassion, for no human being would have been able to take such an extent of suffering upon himself in awareness of its conclusion, for He was constantly mindful of His end which did not allow any joy to arise in Him; He had human feelings and lived through it all in a state of fear which was caused by every thought of the forthcoming event. And He endured until the end, the love in Him for Me and for all which is unredeemed grew constantly and gave Him the strength to carry out His act of compassion I Myself was able to permeate Him completely, I Myself was in Him in My fundamental nature, and thus it was I Who atoned for

the guilt of sin on behalf of all people, for it was Love which gave Jesus the strength to suffer and to die on the cross in order to redeem humanity, in order to make amends for the immense original sin, which could only be justly atoned for through an act of love as was accomplished by the man Jesus on the cross

John 14, 15-26

‘He that hath My commandments, and keepeth them, he it is that loveth Me and I will love him, and will manifest Myself to him’ This promise of Mine clearly points to the fact that I reveal Myself to those who comply with My requirements because they love Me And with My promise I pointed to the working of My spirit within you during My lifetime on earth already, for precisely this spirit wanted to express itself to you and grant you clarity about Myself, My nature and My activity I wanted to reveal Myself to you to convey to you the pure truth about everything that originates in Me. Yet only few people have understood the meaning of these Words, for only few people ascribe any value to such divine revelations; as a rule everything, which essentially merely proves the heartfelt contact with Me, is rejected. I demanded of you nothing else but the fulfilment of My commandments of love, for as soon as you lead a life of true love you also unite with Me, Who is Love Itself, and ‘whoever remains in love remains in Me and I in him’ It should become constantly easier for you to understand that I if I Am with or within you will also express Myself, and every manifestation on My part is a revelation.

And this has to guarantee you the purest truth, because nothing but truth can come forth from Me. Consequently you can, without reservation, also accept everything that is presented to you in the form of such revelations which, since they originate from Me, can only be the purest truth. All you humans should engross yourselves more in the spiritual meaning of the Words spoken by Me when I lived on earth. And if you do not understand them correctly or can only recognise an earthly meaning, then you should establish a heartfelt contact with Me by praying to Me in spirit and in truth

and asking Me for the correct understanding and, truly, it will be given to you because it is My will that you shall think correctly. But especially you, who believe yourselves to be entitled and called to preach My Word, are not promoting the understanding of My Word, for you do not contemplate the meaning and simply ignore what you are unable to rationally explain yourselves.

Nevertheless, My Word has been spoken and remains valid. I have promised to reveal Myself to you and thus you cannot accuse Me of being a liar, you will have to believe in divine revelations yet merely seriously examine what should be accepted as a divine revelation, but you must not reject all spiritual information received on earth in an unusual way as the activity of adverse forces since I have, after all, given you the above promise Myself. And you will certainly be able to make a serious assessment since you were also informed of the criterion 'Test the spirits whether they are of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God'

Hence, divine revelations also have to bear witness of Jesus'act of Salvation and My human manifestation in Him But then you may unhesitatingly believe, especially if Jesus'act of Salvation is the subject of a revelation which someone claims to have received directly from Me You truly need not accept anything unreservedly, it is your duty to examine all spiritual information or you would not be requested to 'Test the spirits whether they are of God'Every human being should form his own opinion about what is imparted to him, he should always conduct every examination by calling upon Myself so that he will achieve a living faith which, however, is not possible if he accepts everything that is presented to him as spiritual knowledge without objection.

For My adversary is active as well and always tries to contaminate the pure truth, and the human being himself is duty bound to form an opinion as to be able to distinguish truth from error. And in that case he should keep as much as possible to divine revelations, for as soon as he desires the truth I will also convey it to him in some form or other and he will accept it without inner objection, because it will affect him as light and strength, since everything originating from Me will not remain ineffective. Anyone who truly desires the truth from Me will definitely be correctly guided by

Me in his thinking, for then I will place the right thoughts into his heart, because he will have sincerely requested the truth from Myself and he will then also be able to speak of divine revelations Then he, too, will be able to lay claim to My promise 'I will manifest Myself to him' He will feel the truth in his heart and his intellect will equally recognise it as right, his thinking will be guided into the right direction and he will reject all wrong thoughts Only these conditions will have to be fulfilled by him:

He has to comply with My commandments of love on which I have made My divine revelation dependent, for I Am Love Myself, and if I Am to reveal Myself, a human being also has to be united with Me through love so that I Am present in him and he finds himself in the sphere of the Eternal Truth and thus can no longer think wrongly either Living a life of love and seriously desiring the pure truth is the guarantee that a human being is also moving within the truth But the desire for truth is usually missing even if a person's heart is full of love and this is so because the person believes himself to possess the truth, and he cannot be instructed because he doesn't ask but deems himself knowledgeable For this reason it is good if the human being begins to doubt because then he will ask himself questions which I will gladly answer him in his thoughts, because I will reveal Myself to someone who loves Me and keeps My commandments. And even these doubts are often placed into the person's heart by Me, for I only want the person to live in truth and I will help everyone of good will to achieve it

The bond of love shall connect everyone without distinction

Only love will always and ever lead you to perfection And this love has to flare up deep within your heart, it has to fill your whole being and motivate your every intention and action, then you will come ever closer to perfection, then you can say that you are reborn, for you have changed yourselves into your fundamental nature again. But only few people achieve this high degree of love while still on earth, yet I already

accept their will as evidence of love the will to reach Me, the desire for My presence, always proves their love for Me already

You humans are unable to muster this burning love for Me and all created beings, which deifies you on earth already, you live in a world devoid of love, and that also has an effect on those who themselves are willing to love but who, due to recurring unkindness, are inwardly inhibited from loving actions which, however, would awaken reciprocated love. And yet you should carry out this work on the soul, you should even love where you are hated, and you will rise above yourselves and become capable of ever greater love. And you may well believe it, it is possible for you to do if only you always appeal to Me Myself for strength where you are too weak yourselves.

There is no special merit in loving something that is good and beautiful Yet to show love to a person who treats you badly or has many shortcomings and faults is far more difficult but also far more commendable, and then your degree of love will rise indeed and you will draw ever closer to Me, the Eternal Love. In order to be able to do this you have to open yourselves to My ray of light you have to appeal to Me to soften your hearts, to work in you Myself as soon as you cross the path of people who don't mean well or who do not appear amiable to you. Consider the fact that all human beings are My living creations, that I want to regain all people as My children, that you all have the same Father, but that not all people have achieved the same degree of maturity which they should and would be able to achieve on earth. But the bond of love should connect all of you, for only by way of love can you also help these less mature people to achieve a higher degree of perfection, for no ray of love sent forth by you will be without effect, it will always have a beneficial effect on the soul which is still surrounded by dense layers.

You are able to show love to such persons if only you consider the poor quality of their souls, which still have to struggle and fight for a long time until they are spiritually fully mature. And if you as soon as you are confronted by such a person immediately remember Me and My emanation of love, which is available at all times and only wants to be seized by your hearts thus just a brief call to Me in Jesus is enough for Me to illuminate you and enable you to love your fellow human being,

whom I do not send without reason to cross your path, for he as well as yourselves should mature through such meetings, which you inwardly dislike

You should never put your own interests first, you should never ask whether such meetings are beneficial for yourselves but always take notice of the other person's situation and try to help him, for would I let something happen to you that would be harmful for your soul? Love should glow ever more brightly within you, and My ray of love will always flow to you But if you consider to evaluate a human encounter and take earthly measures to avoid it then your action, at that moment, is not in contact with Me and you cannot expect any help from Me either.

Everything you encounter in earthly life only happens to you for the sake of maturing your soul, and you should not avoid it but handle (meet) this with the use of My strength, and you will be able to derive rich blessings for yourselves as well as for your fellow human beings. You are truly able to develop a high degree of love in you if only you call upon me mentally and appeal for My flow of strength, thus for My illumination of love, and open yourselves to receive it. And therefore it also requires that you do not exclude Me from your thoughts And this is the key, it is the only explanation you need to reach your perfection still on earth For as soon as your thoughts constantly embrace Me the flow of My strength of love also has to affect you constantly, and then I can always be present with you too My presence, however, gives you the evidence of your union with Me, which is only ever achieved by love. Hence love could totally deify you on earth already, yet as you are rarely able to raise it to a high degree you will also have to suffer and through suffering dissolve the soul's cover Still, no matter what happens to you, everything is well considered and will only ever be in your best interests as soon as you are willing to return to Me and enter into final union with Me, which will guarantee you eternal life in blissful happiness.

Amen

Spiritual low level

Lovelessness

Selfish love

The greatest evidence of humanity's spiritual low level is lovelessness, which is evident amongst people everywhere. Selfish love has steadily increased and hardly anyone is practicing neighbourly love anymore, hence there also has to be a profane state on earth, a state of activity by evil forces, where God's adversary always has the upper hand and people are his willing subjects. The spiritual darkness is getting increasingly worse, rays of light are only seldom recognisable and even frequently feigned by deceptive lights without strength of radiance Judging by people's degree of love the time of the end has clearly arrived

An obvious decline can be detected, people are firmly attached to matter, they only value their body and its comfort, earthly success and an increase of earthly commodities. They do not believe the fact that their souls are suffering extreme hardship since they do not believe in the soul's life after death, indeed, they frequently even deny having a soul. They cannot be forced into a different mode of thinking, their free will has to be respected, but accordingly they also prepare their own fate after their death.

And anyone who observes what is happening in the world, in his immediate neighbourhood, also knows that this state cannot continue forever because it is getting worse from day to day, because people's greed for matter continues to grow, because no spiritual aspiration can be noticed and because every situation will eventually come to an end if it does not correspond to divine order.

People no longer serve each other, everyone wants to rule instead and be served at the same time, everyone wants from the other what he enjoys but no-one is willing to do the same in return There is no love, people's hearts are hardened, and there are only ever a few people willing to help in times of need And this is the small flock, for once the will to love becomes active it will establish the bond with Eternal Love. And This will not leave a person again, who voluntarily performs labours of love.

You humans do not know the blessings of loving deeds you do not know how much easier you could travel your earthly path if only you would

practice love and thereby receive consistently more for your soul, but also receive what you need for earthly life. But heartless humanity lacks this knowledge, everyone just looks after himself, and everyone tries to get whatever he can out of life and forgets that his hour of death is unknown to him, that he can pass away at any time and take nothing he owns into the beyond, but that he will arrive bare and miserable on the other side. For he has nothing to show for his soul which he had starved in earthly life but which is all he has left now and which enters the spiritual kingdom in desperate poverty. And this heartless state of people cannot result in the slightest spiritual progress. However, since the soul only lives on earth as a human being for the purpose of maturing, but this purpose is not fulfilled, a powerful intervention by God has to take place, a sharp reprimand and reminder, so that a few people will reconsider the purpose of their earthly life and change themselves before the earth's last stage begins which will not last long until the end.

People take no notice of God's gentle voice through strokes of fate, disasters and all kinds of accidents, through the Word of God from above, and thus they have to be spoken to with a louder voice, and blessed, who wants to hear God's voice and takes it to heart, for even then there will be many people who don't want to recognise Him when he speaks to them through the elements of nature with tremendous strength They, too, will not be forced but able to make a decision of free will, nevertheless they will be spared the worst, the recurrent banishment into hard matter, if they still find and take the path to God, if they still acknowledge Him and call upon Him for mercy

But then the end will have come, for the earth will no longer fulfil its purpose, it will no longer be used by the souls as a place to mature, it will merely be utilized for the body, and everyone will elevate himself to a ruler of the world and cause the greatest destructions himself in the belief to control all laws of nature and thus also to experiment with impunity, which then will lead to the final destruction of earth.

But this is what people themselves want, and thus it will come to pass as it is proclaimed in Word and Scripture: a new heaven and a new earth will arise and divine order will be re-established, so that the return of the souls to God can continue, as it is intended in His eternal plan of Salvation

Amen

Frequent question: Why did the God of Love let human beings suffer so?

You humans cannot imagine the result of your original sin had you **not** been redeemed I keep telling you that you are only able to grasp limited concepts, whereas the consequence of the original sin would have been limitless because My laws cannot ever be revoked And a sin committed against Me which was as immense and as grave as the apostasy from Me **against better knowledge** had, in accordance with divine justice, to result in equally appalling consequences, which for these beings entailed eternal wretchedness a state of eternal torments and darkness

Thus **innumerable** beings would have had to expect this state because My righteousness could not simply cancel an unredeemed guilt. But these beings were unable to make amends themselves, for it was not just a question of the beings enduring a certain amount of punishment and thereby the guilt of sin would have been redeemed but the point was that the beings had sinned **against Love Itself** and that the atonement of guilt could therefore only be a **deed of love** again

The point was that the beings had to kindle their love within themselves, then recognise the enormity of their guilt and with heartfelt love call upon Me for forgiveness But the fallen beings were no longer able to do so for they were totally without love And they were just as incapable of settling this immeasurable guilt since they, being completely hardened, had lost their self-awareness and thus no conscious contact existed with Me anymore. Something that was created to be alive had died and was incapable of returning to Me by their own effort.

Due to My love, wisdom and strength I could indeed awaken these dead beings into a fragile life again but the immense original sin remained and kept the being infinitely far apart from Me, and until this guilt had not been redeemed a complete return to Me was impossible. And then again, no fallen being was capable of this since they were completely without love I foresaw all this since eternity and still would have been unable to avoid the apostasy of the beings without removing their freedom of will But I also foresaw since eternity a path of return to Me for these fallen beings, and I designed a plan of return and implemented it

And all beings having remained with Me are taking part in the implementation of this eternal plan of Salvation, finding supreme happiness in doing so They are constantly permeated by My love and in full possession of light and strength And their love constantly impels them to assist the fallen spiritual substance which is taking the path through the works of creation that had emerged for the purpose of their return. Their love impels them to actively create and design the forms for the fallen spiritual substance which is taking the path through creation. And thus it attains the degree of maturity when it can make its own free decision again. And yet, its immense original sin is not and would eternally not be redeemed since the beings, having once voluntarily abandoned it, are without love. And for this reason a being of light offered Itself voluntarily to redeem this sin because it was full of love, and love will shoulder everything in order to please and help where it sees misery and suffering.

If you humans could evaluate the **magnitude** of the original sin you would also understand why the extent of suffering, which far surpassed human strength, had to be endured for the redemption of this sin which a 'human being' would never have been able to bear had love not given Him the strength, for love is strength, and only love endured the pain and suffering which the human being Jesus had voluntarily taken upon Himself.

He knew everything and thus He also knew that there was no hope for the fallen spirits ever to return to God and beatitude if the sin was **not** be redeemed He offered Himself as a being of light to achieve the act of Salvation, for as a being of light He was able to realise what awaited Him, but love was greater than the fate He was approaching as a human being For the being of light knew that It would be in constant contact with Me, and It also knew that I would constantly provide It with strength, because My fundamental nature is love and therefore I was present in the human being Jesus with My fundamental nature The 'human being' Jesus certainly accepted an unimaginable measure of suffering and pain, yet in view of the magnitude of untold beings' original sin such an excessive measure of suffering was necessary in order to satisfy My justice which could not be avoided or I would mercifully have deleted the guilt for the sake of greater than great love. The wretched state of the fallen beings was an **eternal** one

without the act of the expiation sacrifice Jesus'suffering, however, lasted a limited period of time and Jesus gladly offered the sacrifice to Me, because He thereby has delivered the whole world from the original sin, albeit every being determines the moment of its salvation itself through its will. Jesus has died on the cross on behalf of all people past, present and future, and His immeasurable suffering has provided all fallen beings with forgiveness of their original sin. The path of return to Me has become passable by every single being, and due to His greater than great love people were given the opportunity again to kindle love within themselves, so that they will change their nature and the unity can take place again, which would have been impossible without the redemption of the original sin

God's true representatives are appointed by God Himself

Anyone who voluntarily offers to serve Me has achieved a certain degree of love which also provides the prerequisite of being suitable for service in My vineyard. And thus, all of you who genuinely want to work for Me and My kingdom can also rest assured that I accept your service. However, many people claim to be God's servants without being so because they lack these very prerequisites which guarantee cooperation with Me Yet it is not always easy for you humans to know the difference; it isn't always easy to recognise My true servants since the others also use fine words although they have no direct instruction from Me; they present themselves as My servants yet were not called by Me to this service. And only the rightful servant, having been appointed to his office by Myself, will recognise who speaks in My name, who truly works for Me and My kingdom. For My servants have to establish a living connection between themselves and Me, the God of love has to be recognised as a Father with Whom the child can enter into direct contact Yet generally people, and even those who deem themselves to be leaders of people, still look for Me in the distance, they are still far away from Me, they don't establish intimate contact, consequently, the one thing that characterises a true servant appointed by Me cannot take place, namely, that he is taught by Me directly, that he receives every

instruction from Me directly, that he desires to hear My Word in heartfelt unity with Me and thus also receives the purest truth from Me

What nowadays still exists in the world as a spiritual movement, ecclesiastical functions and organisations, can just be considered a shell which lacks its kernel: the pure truth There will be people everywhere who do establish this intimate relationship with Me and who can be taught by My Word directly but they will have no success with their fellow human beings, either because they are bound to their spiritual movement and lack the resistance to oppose it when they have recognised the truth or they will be persecuted and prevented from working for Me and My kingdom For he who is My adversary and enemy has great power, yet it was granted to the adversary by people themselves, because they are all blind supporters who thoughtlessly and without reservation accepted everything they were given and no longer want to let go of it And thus the number of My true representatives on earth is not very large, yet they alone live in truth and therefore can also pass it on, if only people asked themselves just for once as to whether they really know the truth and, in desire of it, sincerely appealed to Me for clarification, for spiritual enlightenment However, as a rule they are indifferent as to what they believe, they don't express their own opinion about the spiritual knowledge that is imparted to them And they don't realise the effect of this indifference on their souls which will have to bear the consequences when they enter the kingdom of the beyond.

There are only a few who work for Me in My name, but through them I convey the pure truth to earth and also make it available for everyone who earnestly desires truth. However, I do not force anyone to accept it, just as I do not forcibly determine a human being to receive the pure truth from Me Everything is determined by free will which I do not infringe upon. And you who ask why I have allowed such distortion of truth to happen can find the explanation for it in this free will Every human being can kindle love in his heart and let it flare up ever more brightly And love emanates light So if he has the will to live in truth he can also recognise My adversary's fabrications, who always tries to undermine the truth, and he will approach Me directly and desire clarification from Me, which I will surely send to him And thus people who are willing to live a life of

active love will feel repelled by misguided teachings and gladly and eagerly accept the truth The loving person will always consider Me first before all ecclesiastical organisations, irrespective of which school of thought they represent He will always take the path to Me and thus join the church which I established on earth Myself, which is built on living faith as a result of love.

You humans should all belong to this church, this church is the only beatifying church, for this church is a spiritual community of believers and its members can come from all schools of thought They only need to fulfil the commandments which I gave on earth Myself: The commandments of love for God and one's neighbour Then they will gain a living faith, they will enable My spirit to work within them, which is the characteristic of the church I founded on earth. Believe that I only judge you in accordance with your degree of love and believe that love also guarantees you wisdom, the realisation, the knowledge which corresponds to the truth. And where this working of the spirit cannot be found, My true representatives are not there, there are no servants whom I have called Myself and appointed to their teaching ministry For they have no teaching material themselves since they cannot receive it from Me directly and use what My adversary has time and again interspersed with errors which can no longer be considered the pure truth. Bear in mind that I Myself promised to 'guide you into truth' through My spirit. And ask yourselves why I gave you this promise since I had, after all, brought you the truth Myself when I lived on earth as Jesus the man From these words alone you can deduct that I knew that the truth would not remain pure for long amongst people and that I would be unable to prevent this if I didn't want to render people's will unfree

But time and again I made sure that the pure truth was conveyed to you knowing that only truth can make you blissfully happy and because I also know the state of those who enter the kingdom of the beyond with misguided spiritual knowledge. In order that you can be blissfully happy you must be able to bestow the truth upon those who find themselves in spiritual darkness Hence you must first possess the truth yourselves and completely free yourselves from wrong spiritual knowledge For you will surely understand that conditions in the material world would

not be so confused if people's heart were filled by the light of truth. And from the earthly state around you, you can draw your conclusion as to people's low spiritual level, the sole reason for which rests in heartlessness and its resulting total spiritual blindness. Anyone who wants to become enlightened will be illuminated and the will of anyone who wants to remain in darkness shall be respected, yet his fate one day will be a very painful one

Further indication of disasters and war

The forthcoming time will burden you extraordinarily, for world events will enter into a new phase, the restlessness amongst nations will increase, each one will consider the other as the enemy and nothing is seriously done to establish peace even though all people are longing for it. But materialism is the driving force of all plans and undertakings, and everyone aims to gain the greatest advantage, yet no one is fair in his thoughts and intentions and motivated by good attitudes while misfortunes increase fear and unrest, for God Himself still tries to make Himself known to people, since only the belief in Him and His might is the right counterbalance for all adversities and afflictions which you humans are approaching.

Consequently, there will also be more natural disasters, so that a higher Power will be acknowledged, for whatever people do will only ever deepen their hatred for each other but not lead to spiritual reflection. The heartlessness will take on shapes which will soon be unsurpassed, and the state of people warring against each other will therefore become ever more determined, there will be anything but peace amongst people although the great conflagration has not erupted yet but will not fail to materialise. People themselves live their lives indifferently and only few spend thought on the fact that this state of affairs cannot continue for long. Yet the people in charge are generally spiritually blind there will be much talk but these are just empty phrases which are not followed by actions. For the earthly hardship will not be remedied where it is clearly recognisable and since the

commandment of neighbourly love obviously remains unfulfilled the spiritual state cannot be good either, although they live in earthly prosperity and apparently do not have to go without anything The souls, however, go hungry, and yet people are unapproachable for spiritual instructions which would provide the souls with the right nourishment.

People should look around themselves open-eyed and be seriously critical of their own lives, then they will learn to understand and be able to observe the forthcoming events with the right realisation which, although they have always been announced, only now become more significant in view of the serious difficulties of those who are directly affected by it Yet these are the last days, and since people no longer have any faith it requires especially severe strokes of fate in order to disturb them, so that a few will find their faith in a God and Creator again to Whom they owe their existence in order to make them think why and for what reason this God and Creator has created them It is a matter of life or death for you humans, of infinite beatitude or torment and anguish, of brightest light or absolute darkness And thus, anyone who wants to be happy and eternally live in light has to fulfil his God and Creator's will, he has to try to discover this will and then live a life of love for God and his fellow human being If, however, he does not believe in a God then his whole earthly life is pointless, he will constantly contravene the law of divine order, and revoking the laws of divine order will always result in chaos, and you humans are now irrevocably approaching this chaos

And it will not just affect you spiritually but the earthly world will also be completely turned upside down, time and again you will receive news about natural disasters, accidents and other calamities, for there will no longer be any harmony and peace in a world which is devoid of all love and faith But whoever among people has found the path to God, who endeavours to fulfil His commandments of love, who hands himself over to Him in spirit and in truth, who prays to Him and appeals for His protection, will also surely receive it, for these people belong to His small flock who will persevere until the end, who will not let their faith waver, who will stay together and carry God deep within their hearts and who will therefore be lifted up in the end if God does not recall them to His kingdom sooner, if it is His will

Again and again your attention will be drawn to what lies ahead and comes ever closer to you, even if you are of little faith you will be unable to prevent it, and you can, with absolute certainty, stand up for what is announced to you, for the point is that people should be told that everything has been taken into consideration in the Plan of eternity, that **everything** is dependent on God's will Who, however, proceeds in His wisdom and love in order to accomplish the work of return to Him, and will also achieve the goal one day

Amen
